EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions.

1. FINANCIAL STATEMENTS AND REPORTS

In accordance with the Corporations Act, the business of the Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 30 June 2025 together with the declaration of the Directors, the Directors' report, the Remuneration Report and the auditor's report.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The Company's annual financial report is available on its website at <https://lachlanstar.com/>.

2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

2.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report to be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The remuneration report sets out the company's remuneration arrangements for the directors and senior management of the company. The remuneration report is part of the directors' report contained in the annual financial report of the company for a financial year.

The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

2.2 Voting consequences

A company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

2.3 Previous voting results

At the Company's previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Meeting.

3. RESOLUTION 2 – RE-ELECTION OF DIRECTOR – MR BRENDAN BRADLEY

3.1 General

Listing Rule 14.5 provides that an entity which has directors must hold an election of directors at each annual general meeting.

The Constitution sets out the requirements for determining which Directors are to retire by rotation at an annual general meeting.

Mr Brendan Bradley, who has held office without re-election since 29 November 2023 and being eligible retires by rotation and seeks re-election.

Further information in relation to Mr Bradley is set out below.

Qualifications, experience and other material directorships	Mr Bradley is a geologist with over 20 years of mineral exploration, mining and resource development experience in a broad range of geological settings. Prior to his appointment as Managing Director of DevEx Resources Limited in 2017, Mr Bradley was working in the Asian region in a variety of business development roles for mid-tier gold miners Kingsgate Consolidated and Dominion Mining. Mr Bradley holds a Bachelor of Applied Science with Honours and is a Member of the Australian Institute of Geoscientists.
Term of office	Mr Bradley has served as a Director since 25 October 2023 and was last re-elected on 29 November 2023.
Independence	If re-elected, the Board does not consider that Mr Bradley will be an independent Director.
Board recommendation	Having received an acknowledgement from Mr Bradley that he will have sufficient time to fulfil his responsibilities as a Director and having reviewed the performance of Mr Bradley since his appointment to the Board and the skills, knowledge, experience and capabilities required by the Board, the Directors (other than Mr Bradley) recommend that Shareholders vote in favour of this Resolution.

3.2 Technical information required by Listing Rule 14.1A

If this Resolution is passed, Mr Bradley will be re-elected to the Board a non-executive Director.

If this Resolution is not passed, Mr Bradley will not continue in his role a non-executive Director. The Company may seek nominations or otherwise identify suitably qualified candidates to join the Company. As an additional consequence, this may detract from the Board and Company's ability to execute on its strategic vision.

4. BACKGROUND TO RESOLUTIONS 3 TO 8 – PLACEMENT

4.1 Placement

As announced on 28 August 2025, the Company received firm commitments from existing and new sophisticated and professional investors to raise \$2,162,500 (before costs) pursuant to a placement of 43,250,000 Shares at an issue price of \$0.05 per Share (**Placement**).

The Placement will be completed in two tranches, comprising:

- (a) **(Tranche 1)** 36,650,000 Shares which were issued to unrelated sophisticated and institutional investors (**Placement Participants**) on 3 September 2025, comprising:
 - (i) 11,392,700 Shares issued pursuant to the Company's placement capacity under Listing Rule 7.1 (being the subject of Resolution 3); and

- (ii) 25,257,300 Shares issued pursuant to the Company's placement capacity under Listing Rule 7.1A (being the subject of Resolution 4); and
- (b) **(Tranche 2)** 6,600,000 Shares, comprising:
 - (i) 2,600,000 Shares to be issued to Directors (or their nominee(s)), subject to Shareholder approval under Resolutions 5 to 7; and
 - (ii) 4,000,000 to be issued to the Company's major shareholder, DevEx Resources Limited (ACN 009 799 553) (**DevEx Resources**) (or its nominee(s)), subject to Shareholder approval under Resolution 8.

Bell Potter Securities Limited (ACN 006 390 772) acted as the lead manager and book runner to the Placement

4.2 Use of funds

The funds raised from the Placement will be used to fund exploration programs across the Company's portfolio of gold and copper assets in the Eastern Goldfields region of Western Australia and the Cobar Basin of New South Wales. With major drilling programs either planned, underway or completed at both the Killaloe Gold Project and the North Cobar Copper-Gold Project, the Company is actively advancing its portfolio across multiple fronts.

5. RESOLUTIONS 3 AND 4 – RATIFICATION OF ISSUE OF SHARES UNDER PLACEMENT – LISTING RULES 7.1 AND 7.1A

5.1 General

These Resolutions seek Shareholder ratification for the purposes of Listing Rule 7.4 for the issue of an aggregate of 36,650,000 Shares to the Placement Participants pursuant to Tranche 1 of the Placement.

5.2 Listing Rules 7.1 and 7.1A

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that 12 month period.

Under Listing Rule 7.1A however, an Eligible Entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25%. The Company obtained this approval at its annual general meeting held on 28 November 2024.

The issue does not fit within any of the exceptions set out in Listing Rule 7.2 and, as it has not yet been approved by Shareholders, it effectively uses up part of the 25% limit in Listing Rules 7.1 and 7.1A, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 and 7.1A for the 12 month period following the date of the issue.

5.3 Listing Rule 7.4

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further equity securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities in the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1. Accordingly, the Company is seeking Shareholder ratification pursuant to Listing Rule 7.4 for the issue.

5.4 Technical information required by Listing Rule 14.1A

If these Resolutions are passed, the issue will be excluded in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively increasing the number of equity securities the Company can issue without Shareholder approval over the 12 month period following the date of the issue.

If these Resolutions are not passed, the issue will be included in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively decreasing the number of equity securities the Company can issue without Shareholder approval over the 12 month period following the date of the issue.

The Company's ability to utilise the additional 10% capacity provided for in Listing Rule 7.1A remains conditional on Resolution 9 being passed at this Meeting.

5.5 Technical information required by Listing Rules 7.4 and 7.5

Mr Timothy Goyder, a substantial Shareholder, participated in the Placement via his controlled entity TRBG Investments Pty Ltd. TRBG Investments Pty Ltd was issued 6,400,000 Shares. The Company confirms that, other than as set out above, no other Material Persons were issued more than 1 % of the issued capital of the Company.

6. RESOLUTIONS 5 TO 7 – APPROVAL TO ISSUE SHARES TO DIRECTORS UNDER PLACEMENT

6.1 General

To enable the Directors to participate in the Placement on the same terms as the unrelated Placement Participants, these Resolutions seek Shareholder approval for purposes of Listing Rule 10.11 for the issue of up to an aggregate of 2,600,000 Shares to the Directors (and/or their respective nominee(s)) on the same terms and conditions set out below.

Further details in respect of the intended participation of the Related Party Participants (or their nominee(s)) are set out in the table below.

RECIPIENT	RESOLUTION	PARTICIPATION	
		QUANTUM	FUNDS RAISED
Mr Gary Steinepreis (and/or his nominee(s))	5	2,000,000	\$100,000
Ms Stacey Apostolou (and/or her nominee(s))	6	300,000	\$15,000
Mr Brendan Bradley (and/or his nominee(s))	7	300,000	\$15,000
TOTAL		2,600,000	\$130,000

6.2 Chapter 2E of the Corporations Act

Chapter 2E of the Corporations Act requires that for a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- (a) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The issue constitutes giving a financial benefit and the Directors are each a related party of the Company by virtue of being a Director.

The Directors consider that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of the issue because the Shares will be issued to Gary Steinepreis, Stacey Apostolou and Brendan Bradley (or their nominee(s)) on the same terms as Shares issued to non-related party participants in the Placement and as such the giving of the financial benefit is on arm's length terms.

6.3 Listing Rule 10.11

Listing Rule 10.11 provides that unless one of the exceptions in Listing Rule 10.12 applies, a listed company must not issue or agree to issue equity securities to:

- 10.11.1 a related party;
- 10.11.2 a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (30%+) holder in the company;
- 10.11.3 a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (10%+) holder in the company and who has nominated a director to the board of the company pursuant to a relevant agreement which gives them a right or expectation to do so;
- 10.11.4 an associate of a person referred to in Listing Rules 10.11.1 to 10.11.3; or

10.11.5 a person whose relationship with the company or a person referred to in Listing Rules 10.11.1 to 10.11.4 is such that, in ASX's opinion, the issue or agreement should be approved by its shareholders,

unless it obtains the approval of its shareholders.

The issue falls within Listing Rule 10.11.1 and does not fall within any of the exceptions in Listing Rule 10.12. It therefore requires the approval of Shareholders under Listing Rule 10.11.

6.4 Technical information required by Listing Rule 14.1A

If these Resolutions are passed, the Company will be able to proceed with the issue within one month after the date of the Meeting (or such later date as permitted by any ASX waiver or modification of the Listing Rules) and will raise additional funds which will be used in the manner set out in Section 4.2. As approval pursuant to Listing Rule 7.1 is not required for the issue (because approval is being obtained under Listing Rule 10.11), the issue will not use up any of the Company's 15% annual placement capacity.

If these Resolutions are not passed, the Company will not be able to proceed with the issue and no further funds will be raised pursuant to the Directors' participation in Tranche 2 of the Placement.

These Resolutions are independent of one another. If one or more of the Resolutions is not carried, and one or more of the other Resolutions are passed, then the Board may still proceed with the issue of Shares to the Directors under the Placement in respect of which the issue of Shares has been approved.

7.2 Listing Rule 10.11

A summary of Listing Rule 10.11 is set out in Section 6.3 above.

The issue falls within Listing Rule 10.11.3 and does not fall within any of the exceptions in Listing Rule 10.12. It therefore requires the approval of Shareholders under Listing Rule 10.11.

7.3 Technical information required by Listing Rule 14.1A

If this Resolution is passed, the Company will be able to proceed with the issue within one month after the date of the Meeting (or such later date as permitted by any ASX waiver or modification of the Listing Rules). As approval pursuant to Listing Rule 7.1 is not required for the issue (because approval is being obtained under Listing Rule 10.11), the issue will not use up any of the Company's 15% annual placement capacity.

If this Resolution is not passed, the Company will not be able to proceed with the issue and no further funds will be raised pursuant to DevEx Resources' participation in the Placement.

8. RESOLUTION 9 – APPROVAL OF 7.1A MANDATE

8.1 General

This Resolution seeks Shareholder approval by way of special resolution for the Company to have the additional 10% placement capacity provided for in Listing Rule 7.1A to issue Equity Securities without Shareholder approval.

A summary of Listing Rule 7.1 is set out in Section 5.2 above.

Under Listing Rule 7.1A, an Eligible Entity may seek shareholder approval by way of a special resolution passed at its annual general meeting to increase this 15% limit by an extra 10% to 25% (**7.1A Mandate**). An Eligible Entity means an entity which is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300,000,000 or less. As of the 9th October 2025, the Company's market capitalisation was \$17,931,838. The Company is therefore an Eligible Entity.

8.2 Technical information required by Listing Rule 14.1A

For this Resolution to be passed, at least 75% of votes cast by Shareholders present and eligible to vote at the Meeting must be cast in favour of the Resolution.

If this Resolution is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If this Resolution is not passed, the Company will not be able to access the additional 10% capacity to issue Equity Securities without Shareholder approval under Listing Rule 7.1A and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in Listing Rule 7.1.

8.3 Technical information required by Listing Rule 7.3A

REQUIRED INFORMATION	DETAILS
Period for which the 7.1A Mandate is valid	The 7.1A Mandate will commence on the date of the Meeting and expire on the first to occur of the following: (a) the date that is 12 months after the date of this Meeting;

REQUIRED INFORMATION	DETAILS
	(b) the time and date of the Company's next annual general meeting; and (c) the time and date of approval by Shareholders of any transaction under Listing Rule 11.1.2 (a significant change in the nature or scale of activities) or Listing Rule 11.2 (disposal of the main undertaking).
Minimum price	Any Equity Securities issued under the 7.1A Mandate must be in an existing quoted class of Equity Securities and be issued for cash consideration at a minimum price of 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 trading days on which trades in that class were recorded immediately before: (a) the date on which the price at which the Equity Securities are to be issued is agreed by the entity and the recipient of the Equity Securities; or (b) if the Equity Securities are not issued within 10 trading days of the date in paragraph (a) above, the date on which the Equity Securities are issued.
Use of funds	The Company intends to use funds raised from issues of Equity Securities under the 7.1A Mandate for continued exploration expenditure on the Company's assets, the acquisition of new assets or investments (including expenses associated with such acquisitions) and general working capital.

Risk of economic and voting dilution	Any issue of Equity Securities under the 7.1A Mandate will dilute the interests of Shareholders who do not receive any Shares under the issue. If this Resolution is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 7.1A Mandate, the economic and voting dilution of existing Shares would be as shown in the table below. The table below shows the dilution of existing Shareholders calculated in accordance with the formula outlined in Listing Rule 7.1A.2, on the basis of the closing market price of Shares and the number of Equity Securities on issue or proposed to be issued as at 19 September 2025. The table also shows the voting dilution impact where the number of Shares on issue (Variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 7.1A Mandate.
---	---

			DILUTION		
Number of Shares on Issue (Variable A in Listing Rule 7.1A.2)		Shares issued – 10% voting dilution	Issue Price		
			\$0.028	\$0.055	\$0.083
			50% decrease	Issue Price	50% increase
			Funds Raised		
Current	295,823,195 Shares	29,582,319 Shares	\$828,304	\$1,627,027	\$2,455,332
50% increase	443,734,793 Shares	44,373,479 Shares	\$1,242,457	\$2,440,541	\$3,682,998
100% increase	591,646,390 Shares	59,164,639 Shares	\$1,656,609	\$3,254,055	\$4,910,665

*The number of Shares on issue (Variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1.

The table above uses the following assumptions:

- There are currently 295,823,195 Shares on issue comprising:
 - 289,223,195 existing Shares as at the date of this Notice; and
 - 6,600,000 Shares which will be issued if Resolutions 5 to 8 are passed at this Meeting.
- The issue price set out above is the closing market price of the Shares on the ASX on 19 September 2025 (being \$0.055) (**Issue Price**). The Issue Price at a 50% increase and 50% decrease are each rounded to three decimal places prior to the calculation of the funds raised.
- The Company issues the maximum possible number of Equity Securities under the 7.1A Mandate.
- The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in Listing Rule 7.2 or with approval under Listing Rule 7.1.
- The issue of Equity Securities under the 7.1A Mandate consists only of Shares. It is assumed that no Options are exercised into Shares before the date of issue of the Equity Securities. If the issue of Equity Securities includes quoted Options, it is assumed that those quoted Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.
- The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
- This table does not set out any dilution pursuant to approvals under Listing Rule 7.1 unless otherwise disclosed.
- The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
- The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 7.1A Mandate, based on that Shareholder's holding at the date of the Meeting.

Shareholders should note that there is a risk that:

- the market price for the Company's Shares may be significantly lower on the issue date than on the date of the Meeting; and
- the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.

Allocation policy under 7.1A Mandate	The recipients of the Equity Securities to be issued under the 7.1A Mandate have not yet been determined. However, the recipients of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company. The Company will determine the recipients at the time of the issue under the 7.1A Mandate, having regard to the following factors: (a) the purpose of the issue; (b) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue, share purchase plan, placement or other offer where existing Shareholders may participate; (c) the effect of the issue of the Equity Securities on the control of the Company; (d) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company; (e) prevailing market conditions; and (f) advice from corporate, financial and broking advisers (if applicable).								
Previous approval under Listing Rule 7.1A.2	The Company previously obtained approval from its Shareholders pursuant to Listing Rule 7.1A at its annual general meeting held on 28 November 2024 (Previous Approval). During the 12-month period preceding the date of the Meeting, being on and from 26 November 2024, the Company issued 25,257,300 Shares pursuant to the Previous Approval (Previous Issue), which represents approximately 9.83% of the total diluted number of Equity Securities on issue in the Company on 26 November 2024, which was 256,973,195. Further details of the issues of Equity Securities by the Company pursuant to Listing Rule 7.1A.2 during the 12 month period preceding the date of the Meeting are set out below. The following information is provided in accordance with Listing Rule 7.3A.6(b) in respect of the Previous Issue: <table border="1" data-bbox="663 1559 1386 2103"> <tr> <td>Date of Issue and Appendix 2A</td><td>3 September 2025</td></tr> <tr> <td>Number and Class of Equity Securities Issued</td><td>25,257,320 Shares²</td></tr> <tr> <td>Issue Price and discount to Market Price¹ (if any)</td><td>\$0.05 per Share (at a discount 16.67% to Market Price).</td></tr> <tr> <td>Recipients</td><td>The Placement Participants, being professional and sophisticated investors as part of Tranche 1 of the Placement announced on 28 August 2025. The Board reserves the right to alter the way the funds are applied on this basis.	
Voting exclusion statement	As at the date of this Notice, the Company is not proposing to make an issue of Equity Securities under Listing Rule 7.1A. Accordingly, a voting exclusion statement is not included in this Notice.	

9. RESOLUTION 10 – APPROVAL TO ISSUE SECURITIES UNDER AN INCENTIVE PLAN

9.1 General

This Resolution seeks Shareholder approval for purposes of Listing Rule 7.2 (Exception 13(b)) for the issue of a maximum of 8,461,160 Securities under the employee incentive scheme titled “Employee Incentive Securities Plan” (**Plan**).

The objective of the Plan is to attract, motivate and retain key employees, contractors and other persons who provide services to the Company, and the Company considers that the future issue of Securities under the existing Plan will provide these parties with the opportunity to participate in the future growth of the Company.

A summary of Listing Rule 7.1 is set out in Section 5.2 above.

Listing Rule 7.2 (Exception 13(b)) provides that Listing Rule 7.1 does not apply to an issue of securities under an employee incentive scheme if, within three years before the date of issue of the securities, the holders of the entity’s ordinary securities have approved the issue of equity securities under the scheme as an exception to Listing Rule 7.1.

Exception 13(b) is only available if and to the extent that the number of equity securities issued under the scheme does not exceed the maximum number set out in the entity’s notice of meeting dispatched to shareholders in respect of the meeting at which shareholder approval was obtained pursuant to Listing Rule 7.2 (Exception 13(b)). Exception 13(b) also ceases to be available if there is a material change to the terms of the scheme from those set out in the notice of meeting.

9.2 Technical Information required by Listing Rule 14.1A

If this Resolution is passed, the Company will be able to issue Securities under the Plan to eligible participants over a period of 3 years. The issue of any Securities to eligible

participants under the Plan (up to the maximum number of Securities stated in Section 9.3 below) will be excluded from the calculation of the number of equity securities that the Company can issue without Shareholder approval under Listing Rule 7.1.

For the avoidance of doubt, the Company must seek Shareholder approval under Listing Rule 10.14 in respect of any future issues of Securities under the Plan to a related party or a person whose relationship with the Company or the related party is, in ASX's opinion, such that approval should be obtained.

If this Resolution is not passed, the Company will be able to proceed with the issue of Securities under the Plan to eligible participants, but any issues of Securities will reduce, to that extent, the Company's capacity to issue equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the issue of the Securities.

9.3 Technical information required by Listing Rule 7.2 (Exception 13)

The Company may also seek Shareholder approval under Listing Rule 10.14 in respect of any future issues of Securities under the Plan to a related party or a person whose relationship with the Company or the related party is, in ASX's opinion, such that approval should be obtained.

10. RESOLUTION 11 – RENEWAL OF PROPORTIONAL TAKEOVER PROVISIONS IN THE CONSTITUTION

10.1 General

A proportional takeover bid is a takeover bid where the offer made to each shareholder is only for a proportion of that shareholder's shares.

Pursuant to section 648G of the Corporations Act, an entity may include a provision in its constitution whereby a proportional takeover bid for shares may only proceed after the bid has been approved by a meeting of shareholders held in accordance with the terms set out in the Corporations Act.

In accordance with section 648G(1) of the Corporations Act, such clause will cease to apply at the end of three years from the incorporation of the Company, insertion of the clause or renewal of the clause (as appropriate) unless otherwise specified. When this clause ceases to apply, the constitution will be modified by omitting the clause.

A company may renew its proportional takeover approval provisions in the same manner in which a company can modify its constitution (i.e., by special resolution of shareholders).

The Company's constitution (including the proportional takeover provisions set out in clause 37) was adopted on 24 November 2022. Accordingly, the proportional takeover provisions included in the Constitution apply until 24 November 2025 unless sooner omitted or renewed.

This Resolution is a special resolution which will enable the Company to modify its Constitution by renewing clause 37 for a period of three years from the date of Shareholder approval. It is noted that Shareholder approval will not result in a change to the wording of clause 37, which is set out in Schedule 2.

The Company is permitted to seek further Shareholder approval to renew this clause for further periods of up to three years on each occasion.

A copy of the Constitution was released to ASX on 24 November 2022 and is available for download from the Company's ASX announcements platform.

10.2 Technical information required by section 648G(5) of the Corporations Act

Overview	A proportional takeover bid is a takeover bid where the offer made to each shareholder is only for a proportion of that shareholder's shares. Pursuant to section 648G of the Corporations Act, the Company has included in the Proposed Constitution a provision whereby a proportional takeover bid for Shares may only proceed after the bid has been approved by a meeting of Shareholders held in accordance with the terms set out in the Corporations Act. This clause of the Proposed Constitution will cease to have effect on the third anniversary of the date of the adoption of last renewal of the clause.
Effect of proposed proportional takeover provisions	Where offers have been made under a proportional off-market bid in respect of a class of securities in a company, the registration of a transfer giving effect to a contract resulting from the acceptance of an offer made under such a proportional off-market bid is prohibited unless and until a Resolution to approve the proportional off-market bid is passed.
Reasons for proportional takeover provisions	A proportional takeover bid may result in control of the Company changing without Shareholders having the opportunity to dispose of all their Shares. By making a partial bid, a bidder can obtain practical control of the Company by acquiring less than a majority interest. Shareholders are exposed to the risk of being left as a minority in the Company and the risk of the bidder being able to acquire control of the Company without payment of an adequate control premium. These amended provisions allow Shareholders to decide whether a proportional takeover bid is acceptable in principle, and assist in ensuring that any partial bid is appropriately priced.
Knowledge of any acquisition proposals	As at the date of this Notice, no Director is aware of any proposal by any person to acquire, or to increase the extent of, a substantial interest in the Company.
Potential advantages and disadvantages of proportional takeover provisions	The Directors consider that the proportional takeover provisions have no potential advantages or disadvantages for them and that they remain free to make a recommendation on whether an offer under a proportional takeover bid should be accepted. The potential advantages of the proportional takeover provisions for Shareholders include: (a) the right to decide by majority vote whether an offer under a proportional takeover bid should proceed; (b) assisting in preventing Shareholders from being locked in as a minority; (c) increasing the bargaining power of Shareholders which may assist in ensuring that any proportional takeover bid is adequately priced; and

	(d) each individual Shareholder may better assess the likely outcome of the proportional takeover bid by knowing the view of the majority of Shareholders which may assist in deciding whether to accept or reject an offer under the takeover bid. The potential disadvantages of the proportional takeover provisions for Shareholders include: (a) proportional takeover bids may be discouraged; (b) lost opportunity to sell a portion of their Shares at a premium; and (c) the likelihood of a proportional takeover bid succeeding may be reduced.
Recommendation of the Board	The Directors do not believe the potential disadvantages outweigh the potential advantages of renewing the proportional takeover provisions and as a result consider that the proportional takeover provisions as already contained within the Company's Constitution are in the interest of Shareholders and unanimously recommend that Shareholders vote in favour of this Resolution.

SCHEDULE 1 – TERMS AND CONDITIONS OF PLAN

A summary of the material terms of the Plan is set out below.

Eligible Participant	Eligible Participant means a person that is a 'primary participant' (as that term is defined in Division 1A of Part 7.12 of the Corporations Act) in relation to the Company or an Associated Body Corporate (as defined in the Corporations Act) and has been determined by the Board to be eligible to participate in the Plan from time to time.
Purpose	The purpose of the Plan is to: (a) assist in the reward, retention and motivation of Eligible Participants; (b) link the reward of Eligible Participants to Shareholder value creation; and (c) align the interests of Eligible Participants with shareholders of the Group (being the Company and each of its Associated Bodies Corporate), by providing an opportunity to Eligible Participants to receive an equity interest in the Company in the form of Shares, Options, Performance Rights and other convertible securities (Securities).
Maximum number of Convertible Securities	The Company will not make an invitation under the Plan which involves monetary consideration if the number of Shares that may be issued, or acquired upon exercise of Convertible Securities offered under an invitation, when aggregated with the number of Shares issued or that may be issued as a result of all invitations under the Plan during the 3 year period ending on the day of the invitation, will exceed 5% of the total number of issued Shares at the date of the invitation (unless the Constitution specifies a different percentage and subject to any limits approved by Shareholders under Listing Rule 7.2 Exception 13(b)). The maximum number of equity securities proposed to be issued under the Plan in reliance on Listing Rule 7.2 (Exemption 13(a)), following Shareholder approval sought pursuant to Resolution 10, is 8,461,160 Securities. It is not envisaged that the maximum number of Securities will be issued.
Plan administration	The Plan will be administered by the Board. The Board may exercise any power or discretion conferred on it by the Plan rules in its sole and absolute discretion (except to the extent that it prevents the Participant relying on the deferred tax concessions under Subdivision 83A-C of the <i>Income Tax Assessment Act 1997</i> (Cth)). The Board may delegate its powers and discretion.
Eligibility, invitation and application	The Board may from time to time determine that an Eligible Participant may participate in the Plan and make an invitation to that Eligible Participant to apply for any (or any combination of) the Securities provided under the Plan on such terms and conditions as the Board decides. On receipt of an invitation, an Eligible Participant may apply for the Securities the subject of the invitation by sending a completed application form to the Company. The Board may accept an application from an Eligible Participant in whole or in part. If an Eligible Participant is permitted in the invitation, the Eligible Participant may, by notice in writing to the Board, nominate a party in whose favour the Eligible Participant wishes to renounce the invitation.
Grant of Securities	A Participant means an Eligible Participant who has been granted any Security under this Plan.

	The Company will, to the extent that it has accepted a duly completed application, grant the Participant the relevant number and type of Securities, subject to the terms and conditions set out in the invitation, the Plan rules and any ancillary documentation required.
Rights attaching to Convertible Securities	A Convertible Security represents a right to acquire one or more Plan Shares in accordance with the Plan (for example, an Option or a Performance Right). Plan Shares means all Shares issued or transferred to a Participant under the Plan rules, including upon the valid exercise of a Security. Prior to a Convertible Security being exercised, the holder: (a) does not have any interest (legal, equitable or otherwise) in any Share the subject of the Convertible Security other than as expressly set out in the Plan; (b) is not entitled to receive notice of, vote at or attend a meeting of the shareholders of the Company; (c) is not entitled to receive any dividends declared by the Company; and (d) is not entitled to participate in any new issue of Shares (see Adjustment of Convertible Securities section below).
Restrictions on dealing with Convertible Securities	Convertible Securities issued under the Plan cannot be sold, assigned, transferred, have a security interest granted over or otherwise dealt with unless in special circumstances as defined under the Plan (including in the case of death or total or permanent disability of the holder) with the consent of the Board in which case the Convertible Securities may be exercisable on terms determined by the Board. A holder must not enter into any arrangement for the purpose of hedging their economic exposure to a Convertible Security that has been granted to them.
Vesting of Convertible Securities	Any vesting conditions applicable to the Convertible Securities will be described in the invitation. If all the vesting conditions are satisfied and/or otherwise waived by the Board, a vesting notice will be sent to the Participant by the Company informing them that the relevant Convertible Securities have vested. Unless and until the vesting notice is issued by the Company, the Convertible Securities will not be considered to have vested. For the avoidance of doubt, if the vesting conditions relevant to a Convertible Security are not satisfied and/or otherwise waived by the Board, that security will lapse.
Forfeiture of Convertible Securities	Convertible Securities will be forfeited in the following circumstances: (a) in the case of unvested Convertible Securities only, where the holder ceases to be an Eligible Participant (e.g. is no longer employed or their office or engagement is discontinued with the Company and any Associated Bodies Corporate (as defined in the Corporations Act) (the Group); (b) where a Participant acts fraudulently, dishonestly, negligently, in contravention of any Group policy or wilfully breaches their duties to the Group; (c) where there is a failure to satisfy the vesting conditions in accordance with the Plan; (d) on the date the Participant becomes insolvent; or (e) on the Expiry Date, subject to the discretion of the Board.

Listing of Convertible Securities	Convertible Securities granted under the Plan will not be quoted on the ASX or any other recognised exchange. The Board reserves the right in its absolute discretion to apply for quotation of Convertible Securities granted under the Plan on the ASX or any other recognised exchange
Exercise of Convertible Securities and cashless exercise	To exercise a security, the Participant must deliver a signed notice of exercise (Exercise Notice) and, subject to a cashless exercise (see next paragraph below), pay the exercise price (if any) to or as directed by the Company, at any time following vesting of the Convertible Securities (if subject to vesting conditions) and prior to the expiry date as set out in the invitation or vesting notice. An invitation to apply for Convertible Securities may specify that at the time of exercise of the Convertible Securities, the Participant may elect not to be required to provide payment of the exercise price for the number of Convertible Securities specified in an Exercise Notice of exercise, but that on exercise of those Convertible Securities the Company will transfer or issue to the Participant that number of Shares equal in value to the positive difference between the Market Value of the Shares at the time of exercise and the exercise price that would otherwise be payable to exercise those Convertible Securities. Market Value means, at any given date, the volume weighted average price per Share traded on the ASX over the five trading days immediately preceding that given date, unless otherwise specified in an invitation. Convertible Securities may not be exercised unless and until that security has vested in accordance with the Plan rules, or such earlier date as set out in the Plan rules.
Timing of issue of Shares and quotation of Shares on exercise	Within five business days after the issue of a valid Exercise Notice by a Participant, the Company will issue or cause to be transferred to that Participant the number of Shares to which the Participant is entitled under the Plan rules and issue a substitute certificate for any remaining unexercised Convertible Securities held by that Participant.
Restriction periods and restrictions on transfer of Shares on exercise	If the invitation provides that any Shares issued upon the valid exercise of a Convertible Security are subject to any restrictions as to the disposal or other dealing by a Participant for a period, the Board may implement any procedure it deems appropriate to ensure the compliance by the Participant with this restriction. Additionally, Shares issued on exercise of the Convertible Securities are subject to the following restrictions: (a) if the Company is required but is unable to give ASX a notice that complies with section 708A(5)(e) of the Corporations Act, Shares issued on exercise of the Convertible Securities may not be traded until 12 months after their issue unless the Company, at its sole discretion, elects to issue a prospectus pursuant to section 708A(11) of the Corporations Act; (b) all Shares issued on exercise of the Convertible Securities are subject to restrictions imposed by applicable law on dealing in Shares by persons who possess material information likely to affect the value of the Shares and which is not generally available; and (c) all Shares issued on exercise of the Convertible Securities are subject to the terms of the Company's Securities Trading Policy.
Rights attaching to Shares on exercise	All Shares issued upon exercise of Convertible Securities will rank equally in all respects with the then Shares of the Company.

Change of control	If a change of control event occurs (being an event which results in any person (either alone or together with associates) owning more than 50% of the Company's issued capital), unvested Convertible Securities will vest unless the Board determines in its discretion otherwise. The Board's discretion in determining the treatment of any unvested Convertible Securities on a change of control event is limited to vesting or varying any vesting conditions in respect to the Convertible Securities and does not include a discretion to lapse or forfeit unvested Convertible Securities for less than fair value.
Participation in entitlements and bonus issues	Subject always to the rights under the following two paragraphs, Participants will not be entitled to participate in new issues of capital offered to holders of Shares such as bonus issues and entitlement issues.
Adjustment for bonus issue	If Shares are issued by the Company by way of bonus issue (other than an issue in lieu of dividends or by way of dividend reinvestment), the Participant is entitled, upon exercise of the Convertible Securities, to receive an issue of as many additional Shares as would have been issued to the holder if the holder held Shares equal in number to the Shares in respect of which the Convertible Securities are exercised.
Reorganisation	If there is a reorganisation of the issued share capital of the Company (including any subdivision, consolidation, reduction, return or cancellation of such issued capital of the Company), the rights of each Participant holding Convertible Securities will be changed to the extent necessary to comply with the ASX Listing Rules applicable to a reorganisation of capital at the time of the reorganisation.
Buy-Back	Subject to applicable law, the Company may at any time buy-back Securities in accordance with the terms of the Plan.
Employee Share Trust	The Board may in its sole and absolute discretion use an employee share trust or other mechanism for the purposes of holding Convertible Securities for holders under the Plan and delivering Shares on behalf of holders upon exercise of Convertible Securities.
Amendment of Plan	Subject to the following paragraph, the Board may at any time amend any provisions of the Plan rules, including (without limitation) the terms and conditions upon which any Securities have been granted under the Plan and determine that any amendments to the Plan rules be given retrospective effect, immediate effect or future effect. No amendment to any provision of the Plan rules may be made if the amendment materially reduces the rights of any Participant as they existed before the date of the amendment, other than an amendment introduced primarily for the purpose of complying with legislation or to correct manifest error or mistake, amongst other things, or is agreed to in writing by all Participants.
Plan duration	The Plan continues in operation until the Board decides to end it. The Board may from time to time suspend the operation of the Plan for a fixed period or indefinitely and may end any suspension. If the Plan is terminated or suspended for any reason, that termination or suspension must not prejudice the accrued rights of the Participants. If a Participant and the Company (acting by the Board) agree in writing that some or all of the Securities granted to that Participant are to be cancelled on a specified date or on the occurrence of a particular event, then those Securities may be cancelled in the manner agreed between the Company and the Participant.
Income Tax Assessment Act	The Plan is a plan to which Subdivision 83A-C of the <i>Income Tax Assessment Act 1997</i> (Cth) applies (subject to the conditions in that Act) except to the extent an invitation provides otherwise.
