Dear Shareholder,

Notice of Annual General Meeting ('AGM')

I am pleased to be writing to you with details of our AGM which we are holding at the offices of Ashurst LLP, Broadwalk House, 5 Appold Street, London, EC2A 2HA on Thursday, 25 July 2013 at 11.00am. The notice of AGM is set out on pages 2 to 4 of this document.

At the AGM all votes will be taken by way of a poll rather than on a show of hands. This means that the votes of all shareholders count, whether they attend the meeting or not. It is intended that the results of the poll votes will be announced to the London Stock Exchange and published on the Company's website by 6.00pm on 25 July 2013. Poll cards will be issued on registration to those attending the meeting.

If you would like to vote on the resolutions to be considered at the AGM but cannot attend the meeting then you can appoint a proxy to exercise all or any of your rights to attend, speak and vote at the meeting by completing the proxy form sent to you with this circular and returning it to our registrar by post at the address stated on the form. They must receive it by 11.00am on Tuesday, 23 July 2013 in order for it to be valid. Alternatively, you may vote or appoint a proxy electronically at the registrar's website, www.eproxyappointment.com, provided that they receive your voting or proxy instructions by 11.00am on Tuesday, 23 July 2013. Shareholders holding shares in CREST may appoint a proxy through the CREST system in accordance with the instructions set out in note 5 on page 8 of this document.

The Shanks Group plc Annual Report and Accounts for the year ended 31 March 2013 and a copy of this circular have been published on the Company's website at www.shanksplc.com/agm2013. To access these documents you will need to have Adobe Acrobat Reader installed. Should you wish to change your election at any time, or if you wish to request a hard copy of the Annual Report and Accounts or notice of AGM, you can do so by contacting our registrar, Computershare, on Tel: 0870 707 1290 or by writing to Computershare Investor Services PLC at The Pavilions, Bridgwater Road, Bristol BS99 6ZY.

Resolutions 1 to 13 will be proposed as ordinary resolutions. This means that for each of those resolutions to be passed, more than half of the votes cast must be in favour of the resolution. Resolutions 14 to 16 will be proposed as special resolutions. This means that for each of those resolutions to be passed, at least three-quarters of the votes cast must be in favour of the resolution. The notes starting on page 6 provide an explanation of the resolutions to be considered at the AGM.

Recommendation

The Board considers that all the resolutions to be considered at the AGM are in the best interests of the Company and its shareholders as a whole and recommend you give them your support by voting in favour of the resolutions as the directors intend to do themselves in respect of their own holdings.

Yours faithfully,

Adrian Auer
Group Chairman
14 June 2013

Explanatory Notes on the Resolutions

Reports and Accounts (Resolution 1)

Shareholders are being asked to receive the audited accounts of the Group for the year ended 31 March 2013 together with the associated reports of the directors and auditors.

Directors' Remuneration Report (Resolution 2)

Shareholders are being asked to approve the Directors' Remuneration Report for the year ended 31 March 2013, the full contents of which are set out in the Annual Report and Accounts 2013.

Final dividend (Resolution 3)

Shareholders are being asked to approve a final dividend of 2.35 pence per ordinary share for the year ended 31 March 2013. If so approved, the final dividend will be paid on 2 August 2013 to all shareholders who were on the register of members on 5 July 2013.

Re-election and election of directors (Resolutions 4 to 9)

All non-executive directors of the Company are required under the Company's Articles of Association to seek annual re-election at each AGM. Any director appointed during the year is also required to stand for election at their first AGM. As such, Mr Auer, Mr van Amerongen, Mr Petry and Dr Riley are standing for re-election at this year's AGM. Having been appointed during the year Mr Woolrych and Ms Wyatt will be seeking their first election by shareholders. Mr Johnson will retire from the Board at the end of the AGM on 25 July 2013 and will therefore not be seeking re-election. The Company's executive directors have contractual notice periods of one year and are required to stand for re-election every three years. The Board does not believe it is necessary to require executive directors to stand for annual re-election as the Chairman and non-executive directors are accountable to shareholders for ensuring the executives perform effectively and responsibly if necessary to remove them from post if they fail to do so. However, in light of the UK Corporate Governance Code and emerging practice, the Board will keep the matter of annual re-election under review for future years. Biographical information in respect of those directors seeking re-election or election at the AGM is set out in the Annual Report and Accounts and on page 5 of this document. Following performance evaluation, the Board recommends to shareholders the re-election and election of these directors, all of whom continue to demonstrate commitment to their respective roles and all of whose individual performance continues to be effective.

Re-appointment of Auditors and Auditors' remuneration (Resolutions 10 and 11)

The Company is required to appoint auditors at each general meeting at which accounts are presented to shareholders and PricewaterhouseCoopers LLP have indicated their willingness to continue in office. Accordingly, shareholders are being asked to re-appoint PricewaterhouseCoopers LLP as auditors of the Company to hold office until the conclusion of the next general meeting at which accounts are laid before the Company. Shareholders are also being asked to authorise the directors to determine the remuneration of the Company's auditors.

Political donations (Resolution 12)

In accordance with the Companies Act 2006 (the 'Act'), a company may not make a political donation or incur political expenditure unless it has been authorised by ordinary resolution or the political donation does not exceed £5,000 when aggregated with all Group political donations in the past 12 months. Whilst it remains the Company's policy not to make political donations or to incur political expenditure, the terms 'political donation', 'political parties', 'independent election candidates', 'political organisation' and 'political expenditure' are widely defined in the Act, and it is possible that the definitions may include activities which the Company might carry on in the ordinary course of its business, such as participation in functions attended by politicians or participation in review of Governmental policy or law reform. Therefore, in common with other companies, the Company is seeking shareholder approval, on a precautionary basis and to avoid unwitting contravention of the Act, to incur a level of expenditure to cover these activities. Any donations made or expenditure incurred under the authority will be disclosed in the Company's next Annual Report and Accounts.

Authority to allot shares (Resolution 13)

The directors may not allot new shares in the Company unless authorised by shareholders in a general meeting. Paragraph (a) of Resolution 13 will authorise the directors to allot up to 132,513,025 ordinary shares having an aggregate nominal value equal to £13,251,302, representing approximately 33.33% of the Company's issued ordinary share capital as at 12 June 2013 (being the latest practicable date prior to the publication of this circular).

In line with guidance issued by the Association of British Insurers, paragraph (b) of Resolution 13 will authorise the directors to allot up to a further 132,513,025 ordinary shares in connection with a rights issue having an aggregate nominal value equal to £13,251,302, representing approximately 33.33% of the Company's issued ordinary share capital as at 12 June 2013.

The authorities sought under Resolution 13 will expire on the earlier of 30 September 2014 (being the latest date by which the Company must hold its AGM in 2014) or the conclusion of the AGM held in 2014. The directors do not have any plans at present to issue new shares other than in satisfaction of the exercise of options or awards granted under the Company's employee share schemes.

Disapplication of statutory pre-emption rights (Resolution 14)

If the directors wish to allot new shares for cash, the Act states that the new shares must be offered first to existing shareholders in proportion to their existing shareholdings. An offer of this type is called a 'pre-emptive offer' and a shareholder's entitlement to be offered the new shares is known as a 'pre-emption right'. For legal, regulatory and practical reasons, however, it might not be possible or desirable for new shares allotted by means of a rights issue or other pre-emptive offer to be offered to certain shareholders, particularly those resident overseas. Furthermore, it might in some circumstances be in the Company's interests for the directors to be able to allot some shares for cash without having to offer them first to existing shareholders. To enable this to be done, shareholders' statutory pre-emption rights must be disapplied. Accordingly Resolution 14 will empower the directors to allot a limited number of new equity securities without shareholders' statutory pre-emption rights applying to such allotment.

Paragraph (a) of Resolution 14 will confer authority on the directors to make any arrangements which may be necessary to deal with any legal, regulatory or practical problems arising on a rights issue, an open offer or any other pre-emptive offer in favour of ordinary shareholders, for example, by excluding certain overseas shareholders from such issue or offer.

Paragraph (b) of Resolution 14 will disapply shareholders' statutory pre-emption rights by empowering the directors to allot shares for cash on a non-pre-emptive basis but only new shares having a maximum aggregate nominal value of £1,987,695, representing approximately 5% of the Company's issued ordinary share capital as at 12 June 2013 (being the latest practicable date prior to the publication of this notice). The authority under Resolution 14 would also cover the sale of treasury shares for cash.

Resolution 14 is in line with standard practice and the guidelines issued by the Investment Committees of the Association of British Insurers and the National Association of Pension Funds and also has regard to the Pre-Emption Group's 2008 Statement of Principles on Disapplying Pre-Emption Rights.

The authorities sought under Resolution 14 will expire on the earlier of 30 September 2014 (being the latest date by which the Company must hold its AGM in 2014) or the conclusion of the AGM held in 2014.

Purchase of own shares (Resolution 15)

The Act permits a company to purchase its own shares provided the purchase has been authorised by shareholders in a general meeting. Resolution 15, if passed, would give the Company the authority to purchase any of its own issued ordinary shares at a price of not less than 10 pence per share and not more than 5% above the average of the middle market quotations of the Company's ordinary shares as shown on the London Stock Exchange Daily Official List for the five dealing days before any purchase is made. The authority will enable the purchase of up to a maximum of approximately 10% of the Company's ordinary share capital in issue at the date of the AGM, and will expire at the conclusion of the next AGM or on 30 September 2014, whichever is the earlier. The directors' present intentions are that in certain circumstances it may be advantageous for such purchases to be made if they believe that they are generally in the best interests of shareholders and (except in the case of purchases intended to satisfy obligations under share schemes) the expected effect of any purchase would be to increase earnings per share of the remaining ordinary shares.

The directors would only exercise this buy back authority after careful consideration, taking into account market conditions prevailing at the time, other investment opportunities, appropriate gearing levels, the expected effect on the return on embedded value and the overall financial position of the Company. Purchases would be financed out of distributable profits and shares purchased would either be cancelled (and the number of shares in issue reduced accordingly) or held as treasury shares. As at 12 June 2013 there were options and LTIP awards over 12,647,338 ordinary shares in the capital of the Company which represented approximately 3.18% of the Company's issued ordinary share capital at that date. If the authority to purchase the Company's ordinary shares were exercised in full, those options and awards would represent approximately 3.5% of the Company's issued ordinary share capital as at 12 June 2013. As at 14 June 2013, the Company did not hold any treasury shares and there were no warrants over ordinary shares in the capital of the Company.

Notice of general meetings (Resolution 16)

Under the Act all general meetings of the Company must be held on 21 clear days' notice unless shareholders agree to a shorter notice period on an annual basis and certain other conditions are met. The Company is currently able to call general meetings (other than AGMs) on 14 clear days' notice. The Board is proposing Resolution 16 as a special resolution at the AGM so that the Company can continue to be able to convene general meetings other than AGMs on 14 clear days' notice. The Board intends that this shorter notice period would not be used as a matter of routine, but would only be used where the flexibility was justified by the business of the meeting and it would be to the advantage of shareholders as a whole. If Resolution 16 is passed, the authority to convene general meetings on 14 clear days' notice will remain effective until the Company's next AGM, when it is intended that a similar resolution will be proposed. The notice period for AGMs will remain 21 clear days.

Notes on the Notice of Meeting and How to Vote

1. Attending the AGM in person

If you wish to attend the AGM in person, you should arrive at the venue in good time to allow your attendance to be registered. It is advisable to have some form of identification with you as you may be asked to provide evidence of your identity to the Company's registrar, Computershare Investor Services PLC (the 'Registrar'), prior to admittance.

2. Appointment of proxies

Members are entitled to appoint one or more proxies to exercise all or any of their rights to attend, speak and vote at the AGM. A proxy need not be a member of the Company but must attend the AGM to represent a member. To be validly appointed a proxy must be appointed using the procedures set out in these notes and in the notes to the accompanying proxy form. If members wish their proxy to speak on their behalf at the meeting, members will need to appoint their own choice of proxy (not the Chairman of the AGM) and give their instructions directly to them. Members can only appoint more than one proxy where each proxy is appointed to exercise rights attached to different shares. Members cannot appoint more than one proxy to exercise the rights attached to the same share(s). If a member wishes to appoint more than one proxy, an additional proxy form(s) may be obtained by contacting the Registrar's helpline on Tel: 0870 707 1290* or members may photocopy their proxy form. A member may instruct their proxy to abstain from voting on any of the resolutions to be considered at the meeting by marking the 'vote withheld' option when appointing their proxy. It should be noted that an abstention is not a vote in law and will not be counted in the calculation of the proportion of votes 'for' or 'against' the relevant resolution. The appointment of a proxy will not prevent a member from attending the AGM and voting in person if he or she wishes. A person who is not a member of the Company but who has been nominated by a member to enjoy information rights does not have a right to appoint any proxies under the procedures set out in these Notes and should read Note 9 below.

3. Appointment of a proxy online

As an alternative to appointing a proxy using the proxy form or CREST, members can appoint a proxy online at: www.eproxyappointment.com. In order to appoint a proxy using this website, members will need their Control Number, Shareholder Reference Number (SRN) and PIN. This information is printed on the proxy form. If for any reason a member does not have this information, they should contact the Registrar on Tel: 0870 707 1290*. Members may appoint a proxy using the website no later than 48 hours (excluding non-working days) before the time of the AGM or any adjournment of that meeting.

4. Appointment of a proxy using a proxy form

A proxy form for use in connection with the AGM is enclosed. To be valid any proxy form or other instrument appointing a proxy, together with any power of attorney or other authority under which it is signed or a certified copy thereof, must be received by post or (during normal business hours only) by hand by the Registrar at The Pavilions, Bridgwater Road, Bristol BS99 6ZY by no later than 48 hours (excluding non-working days) before the time of the AGM or any adjournment of that meeting. If you do not have a proxy form and believe that you should have one, or you require additional proxy forms, please contact the Registrar on Tel: 0870 707 1290*.

5. Appointment of a proxy through CREST

CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so by using the procedures described in the CREST Manual and by logging on to the following website: www.euroclear.com. CREST personal members or other CREST sponsored members, and those CREST members who have appointed (a) voting service provider(s), should refer to their CREST sponsor or voting service provider(s) who will be able to take the appropriate action on their behalf. In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a 'CREST Proxy Instruction') must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications, and must contain the information required for such instruction, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy, must in order to be valid, be transmitted so as to be received by the Registrar (ID number 3RA50) no later than 48 hours (excluding non-working days) before the time of the AGM or any adjournment of that meeting. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Application Host) from which the Registrar is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means. CREST members and, where applicable, their CREST sponsors or voting service provider(s) should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular message. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member, or sponsored member, or has appointed (a) voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting system providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5) (a) of the Uncertificated Securities Regulations 2001.
