

RENEWI plc

Dear Shareholder

8 June 2018

NOTICE OF ANNUAL GENERAL MEETING – 12 JULY 2018

I am pleased to invite you to the Renewi plc 2018 Annual General Meeting at the offices of Ashurst LLP, Broadwalk House, 5 Appold Street, London EC2A 2HA on Thursday, 12 July 2018 at 11.00am. Full details of the meeting and the resolutions that will be put to shareholders are set out in this Notice of Annual General Meeting.

This year, on 28 February 2018, Renewi plc celebrated the first anniversary of the merger between Shanks and Van Gansewinkel. During the year we made good progress with the post-merger integration, exceeding our first year synergy target and establishing Renewi as a new and powerful brand in core markets.

Our vision is to be the leading waste-to-product company. This differentiates Renewi as a company that focuses on extracting value from waste and supplying high quality secondary raw materials, rather than on the disposal of waste through mass burn incineration or landfill. We believe that this focus addresses social and regulatory trends and also offers the most capital-efficient solution to waste management.

Renewi is also uniquely placed to meet the needs of the circular economy with our waste-to-product model. The circular economy is a growing business model in which the concept of waste is obsolete. The waste produced by society is reconverted back into secondary raw materials so as to prevent contamination and preserve scarce virgin materials.

I would like to take this opportunity to welcome two new Non-Executive Directors, Jolande Sap and Luc Sterckx, both of whom bring a breadth of skills, experience, knowledge and diversity to the Board. Both were appointed during the year and will therefore be standing for election at the AGM. The rest of the Board will, as usual, be standing for annual re-election.

The Board considers all the resolutions to be proposed at the AGM are in the best interest of the Company and its shareholders as a whole and recommends you give them your support by voting in favour of the resolutions, as the Directors intend to do themselves in respect of their own holdings.

If you plan to attend the AGM, please bring your Attendance Card with you to the meeting, as this will help speed up the registration process. If you cannot attend, but would like to vote on the resolutions to be proposed at the AGM, we encourage you to do so by completing the proxy form and returning it to our Registrar by post at the address stated on the form. In order for your proxy form to be considered, the Registrar must receive it no later than 11.00am on Tuesday, 10 July 2018. Alternatively, you may vote or appoint a proxy electronically at the Registrar's website, www.investorcentre.co.uk/eproxy, provided that they receive your voting or proxy instructions by 11.00am on Tuesday, 10 July 2018. Shareholders holding shares in CREST may appoint a proxy through the CREST system in accordance with the instructions set out under point 5 on page 7 of this circular.

Yours faithfully

Colin Matthews CBE
Chairman

- (a) limited to an aggregate nominal amount of £4,000,666 being not more than 5% of the issued ordinary share capital (excluding treasury shares) of the Company as at 6 June 2018;
- (b) used only for the purposes of financing (or refinancing, if the authority is to be used within six months after the original transaction) a transaction which the Board determines to be an acquisition or other capital investment of a kind contemplated by the Statement of Principles on Disapplying Pre-Emption Rights most recently published by the Pre-Emption Group prior to the date of the passing of this resolution,

but so that this authority shall expire (unless previously renewed, varied or revoked by the Company at a general meeting) on the earlier of 30 September 2019 or the conclusion of the Company’s AGM to be held in 2019, save that the Company may, before such expiry, make an offer or agreement which would or might require equity securities to be allotted after the expiry of this authority and the Board may allot equity securities pursuant to such offer or agreement as if the authority conferred hereby had not expired.

EXPLANATORY NOTES ON THE RESOLUTIONS

Reports and Accounts (Resolution 1)

Shareholders are being asked to receive and adopt the audited accounts of the Group for the year ended 31 March 2018 together with the associated Directors' and Auditors' Reports.

Directors' Remuneration (Resolution 2)

Resolution 2 seeks shareholder approval for the Annual Statement by the Chairman of the Remuneration Committee and the Annual Report on Remuneration, which can be found on pages 92 to 107 of the Annual Report and Accounts 2018, excluding the Directors' Remuneration Policy on pages 94 to 99, which received shareholder approval at the Renewi plc Annual General Meeting in 2017. This vote is advisory and the Directors' entitlement to receive remuneration for the period to 31 March 2018 is not conditional upon it.

Final Dividend (Resolution 3)

Shareholders are being asked to approve a final dividend of 2.1 pence per ordinary share for the year ended 31 March 2018. If so approved, the final dividend will be paid on 27 July 2018 to all shareholders who are on the register of members on 29 June 2018.

Election and Re-election of Directors (Resolutions 4 to 11)

Luc Sterckx and Jolande Sap were appointed as Non-Executive Directors with effect from 1 September 2017 and 1 April 2018 respectively. As both appointments were subsequent to the last AGM of the Company, Luc and Jolande will retire in accordance with the Company's Articles of Association and will offer themselves for election. The full Board will also retire at the AGM and offer themselves for re-election. Biographical details of each director standing for election and re-election are set out in the Annual Report and Accounts 2018

and on pages 4 to 5 of this circular. Following independent external performance evaluations since the last Annual General Meeting, the Board recommends to shareholders the election and re-election of these directors, all of whom continue to demonstrate commitment to their respective roles and all of whose individual performance continues to be effective. The Board considers each of the Non-Executive Directors to be independent.

Re-appointment of Auditor and Auditors' Remuneration (Resolutions 12 and 13)

The Company is required to appoint auditors at each general meeting at which accounts are presented to shareholders and PricewaterhouseCoopers LLP have indicated their willingness to continue in office. Accordingly, shareholders are being asked to re-appoint PricewaterhouseCoopers LLP as auditors of the Company to hold office until the conclusion of the next general meeting at which accounts are laid before the Company. Shareholders are also being asked to authorise the Audit Committee to determine the remuneration of the Company's auditors.

Political Donations (Resolution 14)

In accordance with the Companies Act 2006 (the "Act"), a company may not make a political donation or incur political expenditure unless it has been authorised by ordinary resolution or the political donation does not exceed £5,000 when aggregated with all Group political donations in the past 12 months. Whilst it remains the Company's policy not to make political donations or to incur political expenditure, the terms 'political donation', 'political parties', 'independent election candidates', 'political organisation' and 'political expenditure' are widely defined in the Act, and it is possible that the definitions may include activities that

the Company might carry on in the ordinary course of its business, such as participation in functions attended by politicians or participation in review of Governmental policy or law reform. Therefore, in common with other companies, the Company is seeking shareholder approval, on a precautionary basis and to avoid unwitting contravention of the Act, to incur a level of expenditure to cover these activities. Any donations made, or expenditure incurred, under the authority will be disclosed in the Company's next Annual Report and Accounts.

Authority to Allot Shares (Resolution 15)

The directors may not allot new shares in the Company unless authorised by shareholders in a general meeting. Paragraph (a) of Resolution 15 will authorise the directors to allot up to 266,711,084 ordinary shares having an aggregate nominal value equal to £26,671,108 representing approximately 33.33% of the Company's issued ordinary share capital as at 6 June 2018 (being the latest practicable date prior to the publication of this circular).

In line with guidance issued by the Investment Association, paragraph (b) of Resolution 15 will authorise the Directors to allot up to a further 266,711,084 ordinary shares in connection with a rights issue having an aggregate nominal value equal to £26,671,108 representing approximately 33.33% of the Company's issued ordinary share capital as at 6 June 2019 (being the latest practicable date prior to the publication of this circular).

The authorities sought under Resolution 15 will expire on the earlier of 30 September 2019 (being the latest date by which the Company must hold its AGM in 2019) or the conclusion of the AGM held in 2019. The directors do not have any plans at present to issue new shares other than in satisfaction of the exercise of options or awards granted under the Company's employee share schemes.

Disapplication of Statutory Pre-Emption Rights (Special Resolutions 16 and 17)

If the Directors wish to allot new equity shares for cash, the Act states that the new shares must be offered first to existing shareholders in proportion to their existing shareholdings. An offer of this type is called a 'pre-emptive offer' and a shareholder's entitlement to be offered the new shares is known as a 'pre-emption right'. For legal, regulatory and practical reasons, however, it might not be possible or desirable for new shares allotted by means of a rights issue or other pre-emptive offer to be offered to certain shareholders, particularly those resident overseas.

Furthermore, it might in some circumstances be in the Company's interests for the Directors to be able to allot some equity shares for cash without having to offer them first to existing shareholders. To enable this to be done, shareholders' statutory pre-emption rights must be disapplied. Accordingly, Resolutions 16 and 17 will empower the Directors to allot a limited number of new equity securities without shareholders' statutory pre-emption rights applying to such allotment.

Paragraph (a) of Resolution 16 will confer authority on the Directors to make any arrangements that may be necessary to deal with any legal, regulatory or practical problems arising on a rights issue, an open offer or any other pre-emptive offer in favour of ordinary shareholders, for example, by excluding certain overseas shareholders from such issue or offer.

Paragraph (b) of Resolution 16 will disapply shareholders' statutory pre-emption rights by empowering the Directors to allot equity shares for cash on a non pre-emptive basis but only new shares having a maximum aggregate nominal value of £4,000,666, representing

approximately 5% of the Company's issued ordinary share capital as at 6 June 2018 (being the latest practicable date prior to the publication of this circular). The authority under Resolution 16 would also cover the sale of treasury shares for cash.

Resolution 17, in line with institutional shareholder guidance, seeks the authority for the Board to disapply statutory pre-emption rights in respect of a further 5% of the Company's issued ordinary share capital as at 6 June 2018. This reflects the Pre-Emption Group 2015 Statement of Principles for the disapplication of pre-emption rights (the 'Statement of Principles') by having two separate resolutions for the disapplication of pre-emption rights. This additional 5%, representing an aggregate nominal value of £4,000,666, is reserved for financing acquisitions or specified capital investments (within the meaning of the Statement of Principles from time to time) which are announced contemporaneously with the allotment, or which have taken place in the preceding six-month period and is disclosed in the announcement of the allotment.

The authorities sought under Resolutions 16 and 17 will expire on the earlier of 30 September 2019 (being the latest date by which the Company must hold its AGM in 2019) or the conclusion of the AGM held in 2019.

Purchase of Own Shares (Special Resolution 18)

The Act permits a company to purchase its own shares provided the purchase has been authorised by shareholders. Resolution 18, if passed, would give the Company the authority to purchase its own issued ordinary shares at a price not less than £0.10 per share and not more than the higher of: a) 5% above the average of the middle market quotations of the Company's ordinary shares as shown on the London Stock Exchange Daily Official List for the five dealing days before any purchase is made; or b) an amount equal to the higher of the price of the last independent trade of any ordinary shares and the highest current independent trade bid for an ordinary share on the trading venue where the purchase is carried out. The authority will enable the purchase of up to a maximum of approximately 10% of the Company's ordinary share capital in issue on the date of the AGM, and will expire on the earlier of the conclusion of the next AGM or 30 September 2019. The Directors' present intentions are that, in certain circumstances, it may be advantageous for such purchases to be made if they believe they are generally in the best interests of shareholders and (except in the case of purchases intended to satisfy obligations under share schemes) the expected effect of any purchase would be to increase earnings per share of the remaining ordinary shares.

The Directors would only exercise this buy back authority after careful consideration, taking into account market conditions prevailing at the time, other investment opportunities, appropriate gearing levels, the expected effect on the return on embedded value and the overall financial position of the Company. Purchases would be financed out of distributable profits and shares purchased would either be cancelled or held as treasury shares. As at 6 June 2018, the Company did not hold any treasury shares and there were no warrants over ordinary shares in the capital of the Company.

As at 6 June 2018 there were options and LTIP awards over 16,376,894 ordinary shares in the capital of the Company which represented approximately 2.04% of the Company's issued share capital at that date. This would increase to 2.26%, at the same date, if the authority to purchase the Company's ordinary shares were exercised in full.

NOTES ON THE NOTICE OF MEETING AND HOW TO VOTE

1. Attending the AGM in person

If you wish to attend the AGM in person, you should arrive at the venue in good time to allow your attendance to be registered. It is advisable to have some form of identification with you as you may be asked to provide evidence of your identity to the Company's Registrar, Computershare Investor Services plc (the 'Registrar'), prior to admittance.

2. Appointment of proxies

Members are entitled to appoint one or more proxies to exercise all or any of their rights to attend, speak and vote at the AGM. A proxy need not be a member of the Company but must attend the AGM to represent a member. To be validly appointed, a proxy must be appointed using the procedures set out in these notes and in the notes to the accompanying proxy form. If members wish their proxy to speak on their behalf at the meeting, members will need to appoint their own choice of proxy (not the Chairman of the AGM) and give their instructions directly to them. Members can only appoint more than one proxy where each proxy is appointed to exercise rights attached to different shares. Members cannot appoint more than one proxy to exercise the rights attached to the same share(s). If a member wishes to appoint more than one proxy, additional proxy forms may be obtained by contacting the Registrar's helpline on Tel: 0370 707 1290* or members may photocopy their proxy form. A member may instruct their proxy to abstain from voting on any of the resolutions to be considered at the meeting by marking the 'Vote Withheld' option when appointing their proxy. It should be noted that an abstention is not a vote in law and will not be counted in the calculation of the proportion of votes 'For' or 'Against' the relevant resolution. The appointment of a proxy will not prevent a member from attending the AGM and voting in person if he or she wishes. A person who is not a member of the Company but who has been nominated by a member to enjoy information rights does not have a right to appoint any proxies under the procedures set out in these notes and should read note 9 below.

3. Appointment of a proxy online

As an alternative to appointing a proxy using the proxy form or CREST, members can appoint a proxy online at www.investorcentre.co.uk/eproxy. In order to appoint a proxy using this website, members will need their Control Number, Shareholder Reference Number (SRN) and PIN. This information is printed on the proxy form. If for any reason a member does not have this information, they should contact the Registrar on Tel: 0370 707 1290*. Members may appoint a proxy using the website no later than 48 hours (excluding non-working days) before the time of the AGM or any adjournment of that meeting.

4. Appointment of a proxy using a proxy form

A proxy form for use in connection with the AGM is enclosed. To be valid, any proxy form or other instrument appointing a proxy, together with any power of attorney or other authority under which it is signed or a certified copy thereof, must be received by post or (during normal business hours only) by hand by the Registrar at The Pavilions, Bridgwater Road, Bristol BS99 6ZY by no later than 48 hours (excluding non-working days) before the time of the AGM or any adjournment of that meeting. If you do not have a proxy form and believe that you should have one, or you require additional proxy forms, please contact the Registrar on Tel: 0370 707 1290*.

5. Appointment of a proxy through CREST

CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so by using the procedures described in the CREST Manual and by logging on to the following website: www.euroclear.com. CREST personal members

or other CREST sponsored members, and those CREST members who have appointed (a) voting service provider(s), should refer to their CREST sponsor or voting service provider(s) who will be able to take the appropriate action on their behalf. In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a 'CREST Proxy Instruction') must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications, and must contain the information required for such instruction, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy, must, in order to be valid, be transmitted so as to be received by the Registrar (ID number 3RA50) no later than 48 hours (excluding non-working days) before the time of the AGM or any adjournment of that meeting. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Application Host) from which the Registrar is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means. CREST members and, where applicable, their CREST sponsors or voting service provider(s) should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular message. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member, or sponsored member, or has appointed (a) voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting system providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5) (a) of the Uncertificated Securities Regulations 2001.

6. Appointment of proxy by joint holders

In the case of joint holders, where more than one of the joint holders purports to appoint one or more proxies, only the purported appointment submitted by the most senior holder will be accepted. Seniority is determined by the order in which the names of the joint holders appear in the Company's register of members in respect of the joint holding (the first named being the most senior).

7. Corporate representatives

Any corporation that is a member can appoint one or more corporate representatives. Members can only appoint more than one corporate representative where each corporate representative is appointed to exercise rights attached to different shares. If a Nominated Person has no such proxy appointment right or does not wish to exercise it, they may, under any such agreement, have a right to give instructions to the member as to the exercise of voting rights.

10. Audit concerns

Members should note that it is possible that, pursuant to requests made by members of the Company under section 527 of the Act, the Company may be required to publish on a website a statement setting out any matter relating to: (a) the audit of the Company's accounts (including the Auditors' Report and the conduct of the audit) that are to be laid before the AGM; or (b) any circumstance connected with an auditor of the Company ceasing to hold office since the previous meeting at which Annual Report and Accounts were laid in accordance with section 437 of the Act. The Company may not require the members requesting any such website publication to pay its expenses in complying with sections 527 or 528 of the Act. Where the Company is required to place a statement on a website under section 527 of the Act, it must forward the statement to the Company's auditor not later than the time when it makes the statement available on the website. 14. Further questions and communication

Under section 319A of the Act, the Company must cause to be answered any question relating to the business being dealt with at the AGM put by a member attending the meeting unless answering the question would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information, or the answer has already been given on a website in the form of an answer to a question, or it is undesirable in the interests of the Company or the good order of the meeting that the question be answered. Members who have any queries about the AGM should contact the Company Secretarial Department by writing to The Company Secretary at Renewi plc, Dunedin House, Auckland Park, Mount Farm, Milton Keynes, Buckinghamshire MK1 1BU or by email to Company.Secretary@renewi.com.
