In accordance with paragraph 9.6.14R of the Listing Rules of the Financial Conduct Authority, Renewi plc announces that Non-Executive Director and Senior Independent Director, Allard Castelein, was appointed a member of the Supervisory Board of Dutch offshore energy company, SBM Offshore NV on 13 April 2023. About Renewi

Renewi is a pure-play recycling company with a focus on extracting value from waste and used materials rather than disposal through incineration or landfill. The company also plays a key role in limiting resource scarcity through the creation of secondary materials, and by so doing addresses both social and regulatory trends and contributes to creating a cleaner, greener world.

Renewi's vision is to be the leading waste-to-product company in the world's most advanced circular economies. With an industry leading recycling rate of 68%, Renewi puts 8m tonnes of low carbon secondary materials back into reuse. This is a significant contribution to climate change mitigation and the circular economy. Our recycling protects virgin resources and avoids emissions of more than 3 million tonnes of CO₂.

Renewi, which draws on innovation and the latest technology to turn waste into useful materials – paper, metals, plastics, glass, wood, building materials, compost and energy – employs over 6,500 people who work on 162 operating sites in 6 countries across Europe and the UK. Renewi is recognised as a market leader in Benelux and a European leader in advanced recycling.
