FORWARD-LOOKING STATEMENTS

Certain statements in this press release constitute “forward looking” statements that involve known and unknown risks, uncertainties and other factors which may cause the actual results, performance, objectives or achievements of DCM, or industry results, to be materially different from any future results, performance, objectives or achievements expressed or implied by such forward looking statements. When used in this press release, words such as “may”, “would”, “could”, “will”, “expect”, “anticipate”, “estimate”, “believe”, “intend”, “plan”, and other similar expressions are intended to identify forward-looking statements. These statements reflect DCM’s current views regarding future events and operating performance, are based on information currently available to DCM, and speak only as of the date of this press release.

These forward-looking statements involve a number of risks, uncertainties and assumptions and should not be read as guarantees that future performance or results will be achieved. Many factors could cause the actual results, performance, objectives or achievements of DCM to be materially different from any future results, performance, objectives or achievements that may be expressed or implied by such forward looking statements. Additional factors are discussed under the headings “Liquidity and capital resources” and “Risks and Uncertainties” in DCM’s management’s discussion and analysis, annual information form, and other publicly available disclosure documents, as filed by DCM on SEDAR (www.sedar.com).

Should one or more of these risks or uncertainties materialize, or should assumptions underlying the forward-looking statements prove incorrect, actual results may vary materially from those described in this presentation as intended, planned, anticipated, believed, estimated or expected. Unless required by applicable securities law, DCM does not intend and does not assume any obligation to update these forward-looking statements.
