Caution Regarding Forward-Looking Statements

This press release contains statements that may constitute "forward-looking statements" within the meaning of applicable securities legislation. Forward-looking statements are typically identified by words such as "will" or similar expressions. Forward-looking statements in this press release include statements with respect to the anticipated dates for filing the company's financial disclosure documents. Such forward-looking statements reflect current estimates, beliefs, and assumptions, which are based on management's perception of current conditions and expected future developments, as well as other factors management believes are appropriate in the circumstances. No assurance can be given that the foregoing will prove to be correct. Forward-looking statements made in this press release assume, among others, the expectation that there will be no interruptions or supply chain failures as a result of COVID-19 and that the manufacturing, broker, and supply logistic agreement with the company does not terminate. Actual results may differ from the estimates, beliefs, and assumptions expressed or implied in the forward-looking statements. Readers are cautioned not to place undue reliance on any forward-looking statements, which reflect management's expectations only as of the date of this press release. The company disclaims any obligation to update or revise any forward-looking statements, whether as a result of new information, future events, or otherwise, except as required by law.
