Forward-Looking Statements

Certain information herein constitutes “forward-looking information” as defined under Canadian securities laws which reflect management’s expectations regarding objectives, plans, goals, strategies, future growth, results of operations, performance, business prospects and opportunities of the REIT. The words “plans”, “expects”, “does not expect”, “scheduled”, “estimates”, “intends”, “anticipates”, “does not anticipate”, “projects”, “believes”, or variations of such words and phrases or statements to the effect that certain actions, events or results “may”, “will”, “could”, “would”, “might”, “occur”, “be achieved”, or “continue” and similar expressions identify forward-looking statements. Such forward-looking statements are qualified in their entirety by the inherent risks and uncertainties surrounding future expectations.

Forward-looking statements are necessarily based on a number of estimates and assumptions that, while considered reasonable by management as of the date hereof, are inherently subject to significant business, economic and competitive uncertainties and contingencies. When relying on forward-looking statements to make decisions, the REIT cautions readers not to place undue reliance on these statements, as forward-looking statements involve significant risks and uncertainties and should not be read as guarantees of future performance or results, and will not necessarily be accurate indications of whether or not the times at or by which such performance or results will be achieved. A number of factors could cause actual results to differ, possibly materially, from the results discussed in the forward-looking statements. Additional information about risks and uncertainties is contained in the filings of the REIT with securities regulators.
