

Coast Copper Announces Non-Brokered Financing of up to \$400,000

/NOT FOR DISTRIBUTION TO UNITED STATES NEWSWIRE SERVICES OR FOR
DISSEMINATION IN THE UNITED STATES/

TSX.V: COCO

VANCOUVER, BC, Sept. 16, 2022 /CNW/ - **Coast Copper Corp. ("Coast Copper" or the "Company")** (TSXV: COCO) announces it is undertaking a non-brokered private placement comprised of up to 8,000,000 units of the Company (the "**Units**") at an issue price of \$0.05 per Unit for gross proceeds of up to \$400,000 (the "**Offering**").

Each Unit will consist of one common share in the capital of Coast Copper and one non-transferable common share purchase warrant, with each warrant entitling the holder to acquire an additional common share of the Company at an exercise price of \$0.10 per share with an expiry date ("**Expiry Date**") of 24 months after completion of the Offering (the "**Closing Date**"). If, at any time after the Closing Date, the volume weighted average trading price of Coast Copper's common shares on the TSX Venture Exchange (the "**Exchange**"), or other principal exchange on which the common shares are listed, is greater than \$0.20 for 10 consecutive trading days, the Company may, at its option, deliver a notice to the holders of the warrants accelerating the Expiry Date to the date that is 30 days following the date of such notice (the "**Accelerated Exercise Period**"). Concurrent with the giving of such notice, the Company will also issue a press release disclosing the Accelerated Exercise Period. Any unexercised warrants shall automatically expire at the end of the Accelerated Exercise Period.

The net proceeds from the issuance of Units will be used for working capital and general corporate purposes.

The Offering remains subject to customary closing conditions including the approval of the Exchange. All securities issued in the Offering will be subject to a statutory hold period of four months and a day from the Closing Date.

This news release does not constitute an offer to sell or a solicitation of an offer to sell any of the securities in the United States. The securities have not been and will not be registered under the United States Securities Act of 1933, as amended (the "**U.S. Securities Act**") or any state securities laws and may not be offered or sold within the United States or to U.S. Persons unless registered under the U.S. Securities Act and applicable state securities laws or an exemption from such registration is available.

About Coast Copper Corp.

Coast Copper's exploration focus is the optioned Empire Mine Property, located on Northern Vancouver Island, B.C., which covers three historical open pit mines and two past-producing underground mines that yielded iron, copper, gold and silver. Coast Copper's other properties include its 100% owned Eldorado, Gin and Bonanza properties located in the Golden Triangle of northern B.C. which are adjacent to the Red Chris Mine, the Knob Hill NW Property located on northern Vancouver Island and the 100% owned Sterling, Sandy and Home Brew properties which are located in central B.C. Coast Copper's management continues to review precious and base metals opportunities in western North America.

On Behalf of the Board of Directors:

CAUTIONARY STATEMENT REGARDING FORWARD-LOOKING INFORMATION

Certain information contained or incorporated by reference in this press release, including any information regarding the proposed Transaction, private placement, board and management changes, as to our strategy, projects, plans or future financial or operating performance, constitutes "forward-looking statements." All statements, other than statements of historical fact, are to be considered forward-looking statements. Forward-looking statements are necessarily based on a number of estimates and assumptions that, while considered reasonable by Coast Copper, are inherently subject to significant business, economic, geological and competitive uncertainties and contingencies. Although Coast Copper believes the expectations expressed in such forward-looking statements are based on reasonable assumptions, such statements are not guarantees of future performance. Known and unknown factors could cause actual results to differ materially from those projected in the forward-looking statements. Such factors include but are not limited to: fluctuations in market prices, exploration and exploitation successes, continued availability of capital and financing, changes in national and local government legislation, taxation, controls, regulations, expropriation or nationalization of property and general political, economic, market or business conditions. Many of these uncertainties and contingencies can affect our actual results and could cause actual results to differ materially from those expressed or implied in any forward-looking statements made by, or on behalf of, us. Readers are cautioned that forward-looking statements are not guarantees of future performance and, therefore, readers are advised to rely on their own evaluation of such uncertainties. All of the forward-looking statements made in this press release, or incorporated by reference, are qualified by these cautionary statements. We do not assume any obligation to update any forward-looking statements.
