TSX-V:FARM

Deveron Announces Resignation of Director

Toronto, Ontario - Deveron Corp. (TSX-V: FARM) ("Deveron" or the "Company"), announces that Mr. Albert Contardi has resigned as a director of the Company effective immediately. The Company wishes to thank Mr. Contardi for his valuable contributions to the Company and wishes him every success in his future endeavors.

Neither TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.

About Deveron: Deveron is an agriculture technology company that uses data and insights to help farmers and large agriculture enterprises increase yields, reduce costs and improve farm outcomes. The company employs a digital process that leverages data collected on farms across North America to drive unbiased interpretation of production decisions, ultimately recommending how to optimize input use.

This news release includes certain "forward-looking statements" within the meaning of that phrase under Canadian securities laws. Without limitation, statements regarding future plans and objectives of the Company are forward looking statements that involve various degrees of risk. Forward-looking statements reflect management's current views with respect to possible future events and conditions and, by their nature, are based on management's beliefs and assumptions and subject to known and unknown risks and uncertainties, both general and specific to the Company. Although the Company believes the expectations expressed in such forward-looking statements are reasonable, such statements are not guarantees of future performance and actual results or developments may differ materially from those in our forward-looking statements. The following are important factors that could cause the Company's actual results to differ materially from those expressed or implied by such forward looking statements: changes in the world-wide price of agricultural commodities, general market conditions, risks inherent in agriculture, the uncertainty of future profitability and the uncertainty of access to additional capital. Additional information regarding the material factors and assumptions that were applied in making these forward looking statements as well as the various risks and uncertainties we face are described in greater detail in the "Risk Factors" section of our annual and interim Management's Discussion

and Analysis of our financial results and other continuous disclosure documents and financial statements we file with the Canadian securities regulatory authorities which are available at www.sedarplus.ca. The Company undertakes no obligation to update this forward-looking information except as required by applicable law. The Company relies on litigation protection for forward-looking statements.
