

UNIVERSAL MCloud CORP. PURCHASES LAST LICENSE FOR RESIDUAL ASSETS OF ENDURANCE WIND POWER FROM COURT APPOINTED RECEIVER

- Universal mCloud Corp. intends to incorporate residual assets with its recently acquired Norwin technology rights -

Vancouver, British Columbia (Dec 20, 2017) – Universal mCloud Corp. (TSX-V: MCLD) (“mCloud” or the “Company”), a leading provider of IoT-connected asset care technology solutions, today announced that it has purchased the residual asset rights of Endurance Wind Power Inc. for a final sum of \$50,000 Canadian Dollars.

Russel McMeekin, President and CEO of mCloud said, “This transaction, combined with our recent purchase of Norwin’s technology rights, solidifies our foundation for wind analytics in our AssetCare™ Wind solution. We believe AssetCare™ Wind and the unique wind power technologies we currently have under development, like our 3D-AI driven blade scanning system connected via IoT to AssetCare™ that is able to detect flaws in installed turbine blades, will be highly relevant to wind turbine fleet optimization going forward.”

About Universal mCloud Corp.

mCloud is headquartered in Vancouver, BC with technology and operations centers in San Francisco, CA and Bristol, PA. mCloud is an IoT connected asset care cloud solution company utilizing connected IoT devices, leading deep energy analytics, secure mobile and 3D technologies that rally all asset stakeholders around an Asset-Circle-of-Care™, providing complete real-time and historical data coupled with guidance and advice based on deep analytics and diagnostics resulting in optimal performance and care of critical equipment. It’s all about the asset. The powerful and secure **AssetCare™** environment is accessible everywhere, 24/7 through standard mobile devices, ruggedized headsets, and web browsers. Forward-Looking Information and Statements

This press release contains certain "forward-looking information" within the meaning of applicable Canadian securities legislation and may also contain statements that may constitute "forward-looking statements" within the meaning of the safe harbor provisions of the U.S. Private Securities Litigation Reform Act of 1995. Such forward-looking information and forward-looking statements are not representative of historical facts or information or current condition, but instead represent only the Company’s beliefs regarding future events, plans or objectives, many of

which, by their nature, are inherently uncertain and outside of the Company's control. Generally, such forward-looking information or forward-looking statements can be identified by the use of forward-looking terminology such as "plans", "expects" or "does not expect", "is expected", "budget", "scheduled", "estimates", "forecasts", "intends", "anticipates" or "does not anticipate", or "believes", or variations of such words and phrases or may contain statements that certain actions, events or results "may", "could", "would", "might" or "will be taken", "will continue", "will occur" or "will be achieved". The forward-looking information contained herein may include, but is not limited to, information concerning the future business prospects and potential revenue of the Company.

By identifying such information and statements in this manner, the Company is alerting the reader that such information and statements are subject to known and unknown risks, uncertainties and other factors that may cause the actual results, level of activity, performance or achievements of the Company to be materially different from those expressed or implied by such information and statements.

An investment in securities of the Company is speculative and subject to a number of risks including, without limitation, the risks discussed under the heading "Risk Factors" on pages 29 to 46 of the Company's filing statement dated October 5, 2017. Although the Company has attempted to identify important factors that could cause actual results to differ materially from those contained in the forward-looking information and forward-looking statements, there may be other factors that cause results not to be as anticipated, estimated or intended.

In connection with the forward-looking information and forward-looking statements contained in this press release, the Company has made certain assumptions. Although the Company believes that the assumptions and factors used in preparing, and the expectations contained in, the forward-looking information and statements are reasonable, undue reliance should not be placed on such information and statements, and no assurance or guarantee can be given that such forward-looking information and statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such information and statements. The forward-looking information and forward-looking statements contained in this press release are made as of the date of this press release, and the Company does not undertake to update any forward-looking information and/or forward-looking statements that are contained or referenced herein, except in accordance with applicable securities laws. All subsequent written and oral forward-looking information and statements attributable to the Company or persons acting on its behalf is expressly qualified in its entirety by this notice.
