About WELL Health Technologies Corp.

WELL’s mission is to tech-enable healthcare providers. We do this by developing the best technologies, services, and support available, which ensures healthcare providers are empowered to positively impact patient outcomes. WELL’s comprehensive healthcare and digital platform includes extensive front and back-office management software applications that help physicians run and secure their practices. WELL’s solutions enable more than 42,000 healthcare providers between the US and Canada and power the largest owned and operated healthcare ecosystem in Canada with more than 220 clinics supporting primary care, specialized care, and diagnostic services. In the United States, WELL’s solutions are focused on specialized markets such as the gastrointestinal market, women’s health, primary care, and mental health. WELL is publicly traded on the Toronto Stock Exchange under the symbol “WELL” and on the OTC Exchange

under the symbol “WHTCF”. To learn more about the Company, please visit:
