**Aim Explorations Ltd. Enters into Definitive Agreement with DMG Blockchain Solutions Inc.
for a Qualifying Transaction**

November 6, 2017—**Aim Explorations Ltd.** (TSX-V: AXN.H) ("**AIM**" and/or the "**Company**"), a capital pool company, is pleased to announce that it has entered into a business combination agreement effective November 6, 2017 (the "**Definitive Agreement**") with DMG Blockchain Solutions Inc. ("**DMG**"), pursuant to which AIM will acquire all of the issued and outstanding securities of DMG (the "**Transaction**"), as more particularly described below. The Transaction was initially announced in an AIM news release dated September 20, 2017, indicating AIM and DMG had entered into a letter of intent with respect to the Transaction.

The Transaction is subject to a number of terms and conditions as set forth in the Definitive Agreement, including (among other things) the approval of the TSX Venture Exchange (the "**Exchange**"). If completed, the Transaction will constitute the "Qualifying Transaction" of AIM, as such term is defined in Policy 2.4 of the Exchange.

The Transaction

Pursuant to the Definitive Agreement, AIM will acquire all of the issued and outstanding securities of DMG from DMG's securityholders. Each shareholder of DMG will receive one (1) AIM common share for each common share of DMG held. The stock options and share purchase warrants of DMG will also be exchanged for stock options and share purchase warrants to acquire shares of AIM. Upon completion of the Transaction, DMG will become a wholly-owned subsidiary of the Company and the Company will change its name to "DMG Blockchain Solutions Inc.", or such other name as the parties may reasonably agree upon. The combined entity (the "**Resulting Issuer**") will continue the business of DMG.

The Transaction is conditional upon, among other things:

- (i) the representations and warranties of each of AIM and DMG, as set out in the Definitive Agreement, being true and correct in all material respects at the closing of the Transaction;
- (ii) the absence of any material adverse change in the business of each of the parties;
- (iii) the parties receiving all requisite regulatory approval, including the approval of the Exchange, and any third party approvals and authorizations;
- (iv) DMG obtaining the requisite shareholder approval for the Transaction;
- (v) the parties obtaining requisite board approvals for the Transaction; and
- (vi) AIM completing one or more private placement financings for minimum aggregate gross proceeds of not less than \$7,500,000.

The Transaction will constitute an arm's-length transaction, and as such, the business combination will not require approval by the shareholders of AIM. AIM is preparing and will submit a filing statement in connection with the Transaction in due course.

DMG and its Business
