LETTER OF TRANSMITTAL

**WITH RESPECT TO THE COMMON SHARES OF
ADENT CAPITAL CORP.
(the “Company”)**

This Letter of Transmittal is for use by registered holders (“**Shareholders**”) of pre-consolidation common shares of the Company to exchange for share certificates representing post-consolidation common shares of the Company on the basis of one (1) post-consolidation common share (“**New Company Shares**”) for every eight (8) pre-consolidation common shares (“**Old Company Shares**”). The consolidation is expected to be completed in connection with the Company’s proposed Qualifying Transaction with Khiron Life Sciences Corp. (the “**Transaction**”) and the New Company Shares issued under the Company’s new name “Khiron Life Sciences Corp.” or such other name as is authorized by the Company. A detailed description of the Transaction is contained in the Company’s news release dated December 27, 2017, a copy of which is available under the Company’s SEDAR profile at www.sedar.com.

In order for the Shareholders to receive New Company Shares for their Old Company Shares, Shareholders are required to deposit the certificates representing the Old Company Shares held by them with the Transfer Agent together with this Letter of Transmittal, properly completed and duly executed. The Company recommends that these materials be returned by April 30, 2018 in order to ensure that New Company Shares are received promptly following completion of the consolidation and name change.

If the consolidation would otherwise result in a shareholder holding a fraction of a New Company Share, such fractional share, if less than one-half, shall be rounded down to zero and, if equal to or greater than one-half, shall be rounded up to one and added to the number of New Company Shares which the shareholder is entitled to receive.

Please read the instructions set out below carefully before completing this Letter of Transmittal. Delivery of this Letter of Transmittal to an address other than as set forth herein will not constitute a valid delivery. If Company common shares are registered in different names, a separate Letter of Transmittal must be submitted for each different registered owner. See Instruction 2(f).

The undersigned hereby delivers to the Transfer Agent the following share certificates representing Old Company Shares which the undersigned has full power and authority to deposit, sell, assign, and transfer:

INSTRUCTIONS

1. Use of Letter of Transmittal

- (a) This Letter of Transmittal duly completed and signed (or an originally signed facsimile copy thereof) together with accompanying certificates representing the Old Company Shares and all other required documents must be sent or delivered to the Transfer Agent at the address specified below.
- (b) The method used to deliver this Letter of Transmittal and any accompanying certificates representing Old Company Shares is at the option and risk of the holder surrendering them, and delivery will be deemed effective only when such documents are actually received by the Transfer Agent. It is recommended that the necessary documentation be hand delivered to the Transfer Agent at the address specified below, and a receipt obtained therefore; otherwise the use of registered mail with return receipt requested, and with proper insurance obtained, is recommended. Shareholders whose Old Company Shares are registered in the name of a broker, investment dealer, bank, trust company or other nominee should contact that nominee for assistance in delivering those Old Company Shares. Delivery to an office other than to the specified office does not constitute delivery for this purpose.
- (c) Each registered holder of Old Company Shares must fill in the delivery instructions in Part B and sign and date this Letter of Transmittal. If Part B is not completed, the certificate(s) representing New Company Shares will be mailed to the shareholder's address recorded on the books of the Transfer Agent.
- (d) Company reserves the right if it so elects in its absolute discretion to instruct the Transfer Agent to waive any defect or irregularity contained in any Letter of Transmittal received by it.

2. Signatures

- (a) Share certificate(s) registered in the name of the person by whom (or on whose behalf) the Letter of Transmittal is signed need not be endorsed or accompanied by any share transfer power of attorney.
- (b) If no change in the name of the registered holder appearing on the existing Old Company Share certificate(s) is desired but more than one new certificate is to be issued in that name, a holder should also fill out Part A of this Letter of Transmittal. Any holder who does not fill out Part A will receive one New Company Share certificate for each Old Company Share certificate delivered herewith. No charge will be made for one new replacement certificate but where more than one certificate is requested a charge of \$6.00 (plus H.S.T.) will be levied for each additional certificate.
- (c) Share certificate(s) not registered in the name of the person by whom (or on whose behalf) the Letter of Transmittal is signed must be endorsed by the registered holder thereof or deposited together with share transfer power of attorney properly completed by the registered holder. Such signature must be guaranteed by an "Eligible Institution" or in some other manner satisfactory to the Transfer Agent.

An "Eligible Institution" means a member of the Securities Transfer Agent Medallion Program (STAMP), a member of the Stock Exchanges Medallion Program (SEMP) or a member of the New York Stock Exchange Inc. Medallion Signature Program (MSP). Members of these programs are usually members of a recognized stock exchange in Canada and the United States,

members of the Investment Industry Regulatory Organization of Canada, members of the National Association of Securities Dealers or banks and trust companies in the United States.

- (d) A registered holder of Old Company Shares who wishes to have the certificate(s) representing New Company Shares registered in the name of a person other than the registered holder must fill in Part C as well as Parts A and B of the Letter of Transmittal and must endorse the existing Old Company Share certificate(s) delivered with the Letter of Transmittal. The signature of the registered holder must correspond in every respect with the name appearing on the face of the certificate(s). Such signature must be guaranteed by an Eligible Institution.
- (e) Where the Letter of Transmittal is executed on behalf of a corporation, partnership or association or by an agent, executor, administrator, trustee, guardian or any person acting in a representative capacity, the Letter of Transmittal must be accompanied by evidence of the representative's authority to act satisfactory to the Transfer Agent.
- (f) If any of the surrendered Old Company Shares are registered in different names or different forms on several certificates (e.g. "John Doe" and "J. Doe"), it will be necessary to complete, sign and submit as many separate Letters of Transmittal as there are different registrations of Old Company Shares.

3. Lost Share Certificates

If a share certificate has been lost, stolen or destroyed, the Letter of Transmittal must be completed as fully as possible and forwarded to the Transfer Agent together with a letter stating the loss, theft or destruction. The Transfer Agent will respond with the replacement requirements, which must be properly completed and returned prior to affecting the exchange.

4. Miscellaneous

- (a) If the space on this Letter of Transmittal is insufficient to list all certificates for Old Company Shares, additional certificate numbers and numbers of shares may be included on a separate signed list affixed to this Letter of Transmittal.
- (b) No alternative, conditional or contingent deposits of Old Company Shares will be accepted.
- (c) This Letter of Transmittal will be construed in accordance with and governed by the laws of the Province of British Columbia and the federal laws of Canada applicable therein.
