

ORECAP INVEST CORP. PROVIDES EARLY WARNING DISCLOSURE

TORONTO, ONTARIO, February 12, 2026 — This press release is being disseminated as required by National Instrument 62-103 – *The Early Warning System and Related Take-Over Bid and Insider Reporting Issues* in connection with the filing of the Early Warning Report regarding the disposition of securities of Awalé Resources Limited (“**Awalé**”) by Orecap Invest Corp. (“**Orecap**”). The common shares of Awalé (the “**Common Shares**”) trade on the TSX Venture Exchange (the “**TSXV**”) under the symbol “ARIC”.

On February 12, 2026, Orecap disposed of a total of 425,000 Common Shares on the open market through the facilities of the TSXV at the market price of \$0.80 per Common Share for total aggregate cash consideration of \$340,000 (the “**Market Sale**”).

Prior to the Market Sale, Orecap owned and exercised control over a total of 6,889,833 Common Shares as well as 4,166,666 common share purchase warrants, exercisable into Common Shares, representing 6.61% of the issued and outstanding Common Shares on a non-diluted basis, and 10.20% of the issued and outstanding Common Shares on a partially diluted basis (which assumes the full exercise of the warrants held by Orecap, but no other convertible securities of Awalé).

After giving effect to the Market Sale, Orecap no longer owns more than 10% of the Common Shares of Awalé on a non-diluted or partially diluted basis.

Orecap holds Common Shares and has disposed of some Common Shares through the Market Sale for investment purposes. Orecap may engage with management and with the board of directors of Awalé, shareholders of Awalé or other third parties regarding Awalé, its strategy, business, capitalization, ownership, plans and prospects, and potential means to enhance shareholder value.

Orecap intends to review its investment in Awalé on a continuing basis and may adjust its level of engagement with Awalé and others and/or take such actions with respect to its investment in Awalé as it may determine to be appropriate based on a number of factors, including Awalé’s business, financial condition, strategic direction and prospects, the price levels of the Common Shares, and market and other conditions, as well as other investment opportunities available to Orecap. Orecap may, from time to time, increase or decrease its beneficial ownership, control, direction or economic exposure over Awalé securities through market transactions, private agreements, treasury issuances, secondary offerings, exercise of options, convertible securities, derivatives, swaps or otherwise.

A copy of the Early Warning Report to be filed by Orecap, will be available on SEDAR+ under Awalé’s profile on www.sedarplus.ca.
