

CERTIFICATE of AUTHOR

This Certificate of Author has been prepared to meet the requirements of National Instrument 43-101 Standards of Disclosure for Mineral Projects Part 8.1.

a) Name, Address, Occupation:

Riaan Thyse
WSP Group Africa Pty (Ltd), Building 1, Maxwell Office Park, Magwa Cres, Midrand, South Africa
Tailings Engineer, employed as Director – Mine Waste.

b) Title and Date of Technical Report:

Platreef Integrated Development Plan 2025 with an effective date of 15 February 2025 (the "Technical Report")

c) Qualifications:

I graduated from the University of Johannesburg, South Africa with a Bachelor of Engineering in Civil Engineering in 2003. I am a member of the South African Institute of Civil Engineers and Registered as a Professional Engineer with the Engineering Council of South Africa (no. 20120335). I have practised my profession continuously since 2003 and have experience in mining infrastructure and tailings storage facilities and consulting at and for projects in various countries including South Africa, Botswana, Democratic Republic of the Congo, Indonesia, Liberia, Ghana, Gabon, Zimbabwe and Zambia. I have managed and been responsible for studies with multidisciplinary teams of professionals in the mine waste industry including mine infrastructure, tailings storage facilities and geotechnical engineering. As a result of my qualifications and experience, I am a Qualified Person as defined in National Instrument 43-101.

d) Site Inspection:

I have overseen WSP teams visiting the property 12 February 2024 for a geotechnical investigation of the Rietfontein TSF site and project delivery teams conducting construction quality assurance of the Platreef Plant Site TSF. Riaan Thyse has also visited the Ivanhoe office in Sandton South Africa on several other occasions for meetings with Ivanhoe personnel and consultants working on the Platreef Project.

e) Responsibilities:

I am responsible for the overall preparation of the Technical Report and Sections 1.18, 1.21 and 1.22; Section 2; Section 3; Section 18.5; Section 20; Section 21 as shown in Section 21.1; Section 25.6; Section 26.7; and Section 27.

f) Independence:

I am independent of Ivanhoe Mines Ltd. in accordance with the application of Section 1.5 of National Instrument 43-101.

g) Prior Involvement:

I have been working on various aspects of the studies of the project since 2021.

h) Compliance with NI 43-101:

I have read National Instrument 43-101 and Form 43-101FI and the Technical Report has been prepared in compliance with same.

i) Disclosure:

As of 28 March 2025, to the best of my knowledge, information, and belief, the Technical Report contains all scientific and technical information that is required to be disclosed to make the Technical Report not misleading.

Dated 28 March 2025

/s/Riaan Thyse
