Explanatory notes

Annual Report and Accounts (Resolution 1)

The directors must lay before shareholders the accounts of the Company for the financial year ended 31 March 2013, the report of the directors and the report of the auditors of the Company on those accounts.

Declaration of an ordinary dividend (Resolution 2)

A final ordinary dividend of 45.51 pence has been recommended by the directors for payment to ordinary shareholders who are on the register of members of the Company at 6pm on 21 June 2013. A final dividend can only be declared by the shareholders at a general meeting but must not exceed the amount recommended by the directors. If so declared the date of payment of the final ordinary dividend will be 26 July 2013.

Approval of the Directors' remuneration report (Resolution 3)

In accordance with section 439 of the 2006 Act, shareholders are invited to vote on the Directors' remuneration report, which can be found on pages 57 to 70 of the Annual Report and Accounts. However, the vote is advisory only, and the directors' entitlement to remuneration is not conditional on this resolution being passed.

Reappointment of directors (Resolutions 4 to 14)

Under the Company's articles of association, all directors are required to retire and submit themselves for appointment or reappointment if they have been appointed by the board since the previous Annual General Meeting or if it is the third Annual General Meeting following that at which they were appointed or last reappointed.

However, the UK Corporate Governance Code requires that all directors of companies in the FTSE 350 index, such as the Company, should be subject to annual election by shareholders. Accordingly, all the directors will retire at this year's Annual General Meeting and submit themselves for reappointment by the shareholders.

Following a formal review, the Nominations Committee has confirmed that each director standing for reappointment continues to make a valuable contribution to the board's deliberations and continues to demonstrate commitment. The Nominations Committee supports and recommends all of the proposed reappointments.

Details of the directors who are standing for reappointment are included in this notice of meeting (the 'Notice').

Reappointment and remuneration of the auditors (Resolutions 15 and 16)

The Company is required to appoint auditors at each general meeting at which accounts are laid before the Company, to hold office until the next such meeting. Resolution 15 proposes the reappointment of Deloitte LLP as auditors of the Company and Resolution 16 authorises the directors, in accordance with standard practice, to agree the level of their remuneration. The Audit Committee will approve the audit fees for recommendation to the board.

Authority to make political donations and incur political expenditure (Resolution 17)

Resolution 17 deals with political donations. Under the 2006 Act, political donations to any political parties, independent election candidates or political organisations or the incurring of political expenditure are prohibited unless authorised by shareholders in advance. What constitutes a political donation, a political party, a political organisation, or political expenditure is not easy to decide, as the legislation is capable of wide interpretation. Sponsorship, subscriptions, payment of expenses, paid leave for employees fulfilling public duties, and support for bodies representing the business community in policy review or reform, may fall within this.

Therefore, notwithstanding that the Company has no intention either now or in the future of making any political donation or incurring any political expenditure in respect of any political party, political organisation or independent election candidate, the board has decided to put forward Resolution 17 to renew the authority granted by shareholders at last year's Annual General Meeting. This will allow the Company to continue to support the community and put forward its views to wider business and Government interests without running the risk of being in breach of the law. As permitted under the 2006 Act, Resolution 17 also covers any political donations made, or political expenditure incurred, by any subsidiaries of the Company.

Authority to allot shares (Resolution 18)

At last year's Annual General Meeting the directors were given authority to allot shares in line with the revised ABI guidelines published in December 2008. Resolution 18 will, if passed, renew this authority to allot on broadly the same terms as last year's resolution.

Accordingly, Resolution 18 will, if passed, grant the directors authority to allot shares in the capital of the Company up to a maximum nominal amount of £155,863,168 representing the ABI guideline limit of approximately two thirds of the Company's issued ordinary share capital as at 29 May 2013, being the latest practicable date before the publication of the Notice. Of this amount, 79,607,532 ordinary shares (representing approximately one third of the Company's issued ordinary share capital) can only be allotted pursuant to a rights issue. This authority will last until next year's Annual General Meeting.

The directors have no present intention of exercising this authority.

Disapplication of statutory pre-emption rights (Resolution 19)

This special resolution proposes to give the directors authority to allot shares in the capital of the Company pursuant to the authority granted under Resolution 18 above for cash without complying with the statutory pre-emption provisions in certain circumstances. In light of the ABI guidelines referred to in Resolution 18 above, this authority will permit the directors to allot:

- i) shares up to a nominal amount of £155,863,168 (representing two thirds of the Company's issued share capital) on an offer to existing shareholders on a pre-emptive basis. However, unless the shares are allotted pursuant to a rights issue (rather than an open offer), the directors may only allot shares up to a nominal amount of £77,931,583 (representing one third of the Company's issued ordinary share capital) (in each case subject to adjustments for fractional entitlements and overseas shareholders); and
- ii) shares up to a maximum nominal value of £11,689,736, representing approximately 5% of the issued ordinary share capital of the Company as at 29 May 2013, being the latest practicable date before the publication of the Notice, otherwise than in connection with an offer to existing shareholders.

Authority for the Company to purchase its own shares (Resolution 20)

This special resolution proposes the renewal of the authority granted at last year's Annual General Meeting. If passed, it will allow the Company to buy back up to 23.8 million of its ordinary shares on the London Stock Exchange. This equates to approximately 10% of the Company's issued share capital. This Resolution 20 sets out the lowest and highest prices that the Company can pay for the shares. This authority will expire at the conclusion of next year's Annual General Meeting.

The directors are committed to managing the Company's capital effectively and purchasing the Company's own ordinary shares is one of the options that the directors keep under review. The directors will only do this if they believe it is in shareholders' best interests and will increase the earnings per share.

Explanatory notes

Any shares purchased in this way, other than those purchased pursuant to the Companies (Acquisition of Own Shares) (Treasury Shares) Regulations 2003 will be automatically cancelled. Shares purchased pursuant to such regulations may either be held or dealt with by the Company. The Company did not hold any shares in treasury as at 29 May 2013, being the latest practicable date before the publication of the Notice.

As at 29 May 2013, being the latest practicable date before the publication of the Notice, there were options outstanding to subscribe for 2,358,944 ordinary shares under the Company's employee share schemes. If the outstanding options were fully exercised they would represent 1.00% of the existing 238,822,598 issued ordinary shares of the Company. If the buyback authority was exercised in full, that percentage would be 1.10% of the reduced share capital of 214,940,338 ordinary shares.

Authority to reduce notice periods for general meetings (Resolution 21)

This special resolution allows the Company to hold general meetings (other than Annual General Meetings) on 14 days' notice, and will, if passed, renew the authority passed at last year's Annual General Meeting.

Before the introduction of the Companies (Shareholders' Rights) Regulations 2009 (the 'Shareholders' Rights Regulations') on 3 August 2009, the minimum notice period permitted by the 2006 Act for general meetings (other than Annual General Meetings) was 14 days. One of the amendments made to the 2006 Act by these regulations was to increase the minimum notice period for general meetings of listed companies to 21 days, but with an ability for companies to reduce this period back to 14 days (other than for Annual General Meetings) provided that two conditions are met. The first condition is that the Company offers a facility for shareholders to vote by electronic means. This condition is met if the Company offers a facility, accessible to all shareholders, to appoint a proxy by means of a website. Please refer to the general notes to this Notice and in particular 'Electronic proxy voting' for details of the Company's arrangements for electronic proxy appointment. The second condition is that there is an annual resolution of shareholders approving the reduction of the minimum notice period from 21 days to 14 days.

The board is therefore proposing Resolution 21 to approve 14 days as the minimum period of notice for all general meetings of the Company other than Annual General Meetings.

The authority shall expire at the conclusion of the next Annual General Meeting of the Company, when it is intended that the approval will be renewed.

The directors will consider on a case by case basis whether the use of the flexibility offered by the shorter notice period is merited, taking into account the circumstances, including whether the business of the meeting is time sensitive.

General notes

Entitlement to attend and vote

To have the right to attend and vote at the Meeting (and also for the purposes of calculating how many votes a person may cast) a person must have their name entered on the register of members of the Company at 6pm on Monday 15 July 2013 (or, if the Meeting is adjourned, at 6pm on the day which is two days prior to the date fixed for the adjourned Meeting). Changes to entries on the register after this time will be disregarded in determining the rights of any person to attend or vote at the Meeting.

Persons who are not shareholders of the Company (or duly appointed proxies or corporate representatives) will not be admitted to the Meeting unless prior arrangements are made with the Company.

Appointment of proxies

A shareholder entitled to attend and to vote at the Meeting is entitled to appoint another person or persons (who need not be a shareholder of the Company) to attend the Meeting, and any adjournment thereof, to exercise all or any of his or her rights to attend, speak and vote at the Meeting. A shareholder can appoint more than one proxy in relation to the Meeting, provided that each proxy is appointed to exercise the rights attached to different shares held by him or her. Forms of Proxy should be deposited at the office of the Company's registrar, Equiniti, Aspect House, Spencer Road, Lancing BN99 6DA not less than 48 hours before the time for holding the Meeting. Appointing a proxy does not preclude you from attending the Meeting and voting in person. Further details are set out in the notes to the Form of Proxy.

To change your proxy instructions you may return a new proxy appointment using the methods set out below. Where you have appointed a proxy using the hard copy Form of Proxy and would like to change the instructions using another hard copy Form of Proxy, please contact the Company's registrar, Equiniti on 0871 384 2967 (calls to this number are charged at 8p per minute plus network extras) or +44 121 415 7044 if calling from outside the UK. Lines are open 8.30am to 5.30pm Monday to Friday (excluding UK bank holidays). The deadline for receipt of proxy appointments (see above) also applies in relation to amended instructions. Any attempt to terminate or amend a proxy appointment received after the relevant deadline will be disregarded. Where two or more valid separate appointments of proxy are received in respect of the same share in respect of the same meeting, the one which is last sent shall be treated as replacing and revoking the other or others, save that where both paper and electronic proxy instructions are returned then, in the absence of other evidence, those received last by the Company's registrar, Equiniti, will take precedence.

Electronic proxy voting

Shareholders may register the appointment of a proxy online at www.sharevote.co.uk where full details of the procedure are given. The website is operated by the Company's registrar, Equiniti. Shareholders are advised to read the terms and conditions relating to the use of this facility before appointing a proxy. These terms and conditions may be viewed on the website. Any electronic communication sent by a shareholder that is found to contain a computer virus will not be accepted. Electronic communication facilities are available to all shareholders and those who use them will not be disadvantaged in any way.

Electronic proxy appointment through CREST

CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the Meeting and any adjournment(s) thereof by using the procedures described in the CREST Manual on the Euroclear website (www.euroclear.com/CREST). CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed a voting service provider, should refer to their CREST sponsor or voting service provider, who will be able to take the appropriate action on their behalf.

In order for a proxy appointment made by means of CREST to be valid, the appropriate CREST message (a 'CREST Proxy Instruction') must be properly authenticated in accordance with Euroclear's specifications and must contain the information required for such instructions, as described in the CREST Manual.

All messages relating to the appointment of a proxy, or an instruction to a previously appointed proxy, which are to be transmitted through CREST, must be received by Equiniti (ID RA19) not later than 11am on Monday 15 July 2013 or, if the Meeting is adjourned, 48 hours before the time for holding the adjourned Meeting. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which Equiniti is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST.

It is the responsibility of the CREST member concerned to take such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this regard, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings. The Company may treat a CREST Proxy Instruction as invalid in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

Employee share schemes

An employee whose shares are held by the trustee of the Severn Trent Share Incentive Plan (the 'Trustee') is not entitled to attend the Meeting in respect of those shares. However, the employee can instruct the Trustee how to vote on his or her behalf on any resolution set out in the Notice. Forms of Direction will be sent to those employees concerned and should be returned to the address on the reverse of the form so as to be received not later than 11am on 11 July 2013. Employees may also instruct the Trustee how to vote through the www.sharevote.co.uk website.

Electronic poll voting

Voting on all resolutions will be conducted by way of a poll rather than a show of hands. This is a fairer method of voting as shareholder votes are to be counted according to the number of shares held.

As at last year's Annual General Meeting, and in line with many other public companies, we will be asking shareholders who attend the Meeting in person or by proxy to vote on the resolutions at the Meeting using a hand held electronic voting system. This will record all votes cast for each resolution and display them on a screen providing immediate detailed results for shareholders to see.

As soon as practicable following the Meeting, the results of the voting at the Meeting and the number of proxy votes cast for and against and the number of votes actively withheld in respect of each of the resolutions will be announced via a Regulatory Information Service and also placed on the Company's website, www.severntrent.com

General notes

Shareholder questions

The Company must cause to be answered at the Meeting any question relating to the business being dealt with at the Meeting which is put by a shareholder attending the Meeting, except in certain circumstances, including if it is undesirable in the interests of the Company or the good order of the Meeting that the question be answered or if to do so would involve the disclosure of confidential information.

Information rights

A copy of the Notice has been sent for information only to persons who have been nominated by a shareholder to enjoy information rights under section 146 of the 2006 Act (a 'Nominated Person'). The right to appoint a proxy cannot be exercised by a Nominated Person; it can only be exercised by the shareholder. However, a Nominated Person may have a right under an agreement between him or her and the shareholder by whom he or she was nominated to be appointed as a proxy for the Meeting or to have someone else so appointed. If a Nominated Person does not have such a right or does not wish to exercise it, he or she may have a right under such an agreement to give instructions to the shareholder as to the exercise of voting rights.

Audit statements

Shareholders satisfying the thresholds in section 527 of the 2006 Act can require the Company to publish a statement on its website setting out any matter relating to a) the audit of the Company's accounts (including the auditors' report and the conduct of the audit) that are to be laid before the Meeting; or b) any circumstances connected with the auditors of the Company ceasing to hold office since the last Annual General Meeting, that the shareholders propose to raise at the Meeting. The Company cannot require the shareholders requesting the publication to pay its expenses. Any statement placed on the website must also be sent to the Company's auditors no later than the time it makes its statement available on the website. The business which may be dealt with at the Meeting includes any statement that the Company has been required to publish on its website.

Shareholder requisition rights

Shareholders satisfying the threshold requirements in sections 338 and 338A of the 2006 Act, can require the Company: i) to give, to shareholders of the Company entitled to receive notice of the Meeting, notice of a resolution which those shareholders intend to move (and which may properly be moved) at the Meeting; and/or ii) to include in the business to be dealt with at the Meeting any matter (other than a proposed resolution) which may properly be included in the business at the Meeting. A resolution may properly be moved, or a matter properly included in the business unless: a) (in the case of a resolution only) it would, if passed, be ineffective (whether by reason of any inconsistency with any enactment or the Company's constitution or otherwise); b) it is defamatory of any person; or c) it is frivolous or vexatious. A request made pursuant to this right may be in hard copy or electronic form, must identify the resolution of which notice is to be given or the matter to be included in the business, must be authenticated by the person(s) making it and must be received by the Company not later than six clear weeks before the date of the Meeting, and (in the case of a matter to be included in the business only) must be accompanied by a statement setting out the grounds for the request.

Corporate representatives

A shareholder of the Company which is a corporation may authorise a person or persons to act as its representative(s) at the Meeting. In accordance with the provisions of the 2006 Act, each such representative may exercise (on behalf of the corporation) the same powers as the corporation could exercise if it were an individual shareholder of the Company, provided that they do not do so in relation to the same shares. It is no longer necessary to nominate a designated corporate representative.
