SEVERN TRENT WATER LIMITED

(incorporated with limited liability in England and Wales with registered number 2366686)

as Guarantor of Notes issued by Severn Trent Water Utilities Finance Plc

On 18 December 2000, Severn Trent Plc and Severn Trent Water Utilities Finance Plc (each an "Issuer" and together the "Issuers") established a Euro Medium Term Note Programme (the "Programme") and issued an offering circular on that date describing the Programme. This Offering Circular supersedes any offering circular with respect to the Programme issued prior to the date hereof. Any Notes (as defined below) issued under the Programme on or after the date of this Offering Circular are issued subject to the provisions described herein, but this Offering Circular does not affect the terms of any Notes issued prior to the date hereof.

Under the Programme the Issuers may from time to time issue notes (the "Notes") denominated in any currency agreed between the Issuer and the relevant Dealer (as defined herein).

The payments of all amounts payable in respect of Notes issued by Severn Trent Water Utilities Finance Plc ("STWUF") will be unconditionally and irrevocably guaranteed by Severn Trent Water Limited (the "Guarantor").

The maximum aggregate nominal amount of all Notes from time to time outstanding under the Programme will not exceed €2,500,000,000 (or its equivalent in other currencies calculated as described herein), subject to increase as described herein.

The Notes may be issued on a continuing basis to one or more of the Dealers specified under "Summary of the Programme" and any additional Dealer appointed under the Programme from time to time by the Issuer (each a "Dealer" and together the "Dealers"), which appointment may be for a specific issue or on an ongoing basis. References in this Offering Circular to the "relevant Dealer" shall, in the case of an issue of Notes being (or intended to be) subscribed by more than one Dealer, be to all Dealers agreeing to subscribe for such Notes.

Application has been made to the Financial Services Authority in its capacity as competent authority under the Financial Services and Markets Act 2000 (the "UK Listing Authority") for Notes issued under the Programme during the period of 12 months from the date of this Offering Circular to be admitted to the official list of the UK Listing Authority (the "Official List") and to the London Stock Exchange plc (the "London Stock Exchange") for such Notes to be admitted to trading on the London Stock Exchange's market for listed securities. Admission to the Official List together with admission to trading on the London Stock Exchange's market for listed securities constitute official listing on the London Stock Exchange. Notice of the aggregate nominal amount of Notes, interest (if any) payable in respect of Notes, the issue price of Notes and any other terms and conditions not contained herein which are applicable to each Tranche (as defined under "Terms and Conditions of the Notes") of Notes will be set out in a pricing supplement (the "Pricing Supplement") which, with respect to Notes to be admitted to the Official List and admitted to trading on the London Stock Exchange's market for listed securities, will be delivered to the UK Listing Authority and the London Stock Exchange on or before the date of issue of the Notes of such Tranche.

The Programme provides that Notes may be listed on such other or further stock exchange(s) as may be agreed between the relevant Issuer and (where the relevant Issuer is STWUF) the Guarantor and the relevant Dealer. The Issuers may also issue unlisted Notes.

Notes issued under the Programme may be rated or unrated. Unless otherwise specified in the applicable Pricing Supplement, Notes issued under the Programme by Severn Trent Plc with a maturity of more than one year will be rated A2 by Moody's Investors Service Limited ("Moody's") and A by Standard & Poor's Ratings Services, a Division of the McGraw-Hill Companies Inc. ("Standard & Poor's"), Notes issued under the Programme by STWUF with a maturity of more than one year will be rated A1 by Moody's and A+ by Standard & Poor's and Notes issued under the Programme by Severn Trent Plc and by STWUF with a maturity of one year or less will be rated P-1 by Moody's and A-1 by Standard & Poor's. Where an issue of Notes is rated, its rating will not necessarily be the same as the rating referred to above. A rating is not a recommendation to buy, sell or hold securities and may be subject to suspension, change or withdrawal at any time by the assigning rating agency.

The relevant Issuer and (where the relevant Issuer is STWUF) the Guarantor may agree with any Dealer and the Trustee (as defined herein) that Notes may be issued in a form not contemplated by the Terms and Conditions of the Notes herein, in which event (in the case of Notes admitted to the Official List only) supplementary listing particulars or new listing particulars, as appropriate, will be made available which will describe the effect of the agreement reached in relation to such Notes.

The Notes have not been and will not be registered under the United States Securities Act of 1933, as amended, (the "Securities Act") and are subject to US tax law requirements. Subject to certain exceptions,

Notes may not be offered, sold or delivered within the United States or to United States persons (see "Subscription and Sale").

This Offering Circular does not constitute an offer to sell or the solicitation of an offer to buy any Notes in any jurisdiction to any person to whom it is unlawful to make the offer or solicitation in such jurisdiction. In particular, no action has been taken by the Issuers, the Guarantor, the Trustee or the Dealers (save for the approval of this document as listing particulars by the UK Listing Authority and delivery of copies of this document to the Registrar of Companies in England and Wales) which would permit a public offering of any Notes or distribution of this document in any jurisdiction where action for that purpose is required. FORM OF THE NOTES

Each Tranche of Notes will be in bearer form and will initially be represented by a temporary global note (a "Temporary Global Note") or, if so specified in the applicable Pricing Supplement, a permanent Global Note (a "Permanent Global Note") which will be delivered on or prior to the original issue date of the Tranche to a common depositary (the "Common Depositary") for Euroclear Bank, S.A./N.V. as operator of the Euroclear System ("Euroclear") and Clearstream Banking, société anonyme ("Clearstream, Luxembourg"). Whilst any Note is represented by a Temporary Global Note, payments of principal, interest (if any) and any other amount payable in respect of the Notes due prior to the Exchange Date (as defined below) will be made against presentation of the Temporary Global Note only to the extent that certification (in a form to be provided) to the effect that the beneficial owners of interests in such Note are not United States persons or persons who have purchased for resale to any United States person, as required by US Treasury regulations, has been received by Euroclear and/or Clearstream, Luxembourg and Euroclear and/or Clearstream, Luxembourg, as applicable, has given a like certification (based on the certifications it has received) to the Agent.

On and after the date (the "Exchange Date") which, in respect of each Tranche in respect of which a Temporary Global Note is issued, is 40 days after the Temporary Global Note is issued, interests in such Temporary Global Note will be exchangeable (free of charge), upon a request as described therein, for either (i) interests in a Permanent Global Note of the same Series or (ii) definitive Notes of the same Series with, where applicable, Receipts, Coupons and Talons attached (each as defined in "Terms and Conditions of the Notes") (as indicated in the applicable Pricing Supplement and subject, in the case of definitive Notes, to such notice period as is specified in the applicable Pricing Supplement), in each case against certification of beneficial ownership as described above unless such certification has already been given. The holder of a Temporary Global Note will not be entitled to collect any payment of interest, principal or other amount due on or after the Exchange Date unless, upon due certification, exchange of the Temporary Global Note for an interest in a Permanent Global Note or for definitive Notes is improperly withheld or refused.

Payments of principal, interest (if any) or any other amounts on a Permanent Global Note will be made through Euroclear and/or Clearstream, Luxembourg against presentation or surrender (as the case may be) of the Permanent Global Note without any requirement for certification.

The applicable Pricing Supplement will specify that a Permanent Global Note will be exchangeable (free of charge), in whole but not in part, for definitive Notes with, where applicable, Receipts, Coupons and Talons attached upon either (i) not less than 60 days' written notice from Euroclear and/or Clearstream, Luxembourg (acting on the instructions of any holder of an interest in such Permanent Global Note) to the Agent as described therein or (ii) only upon the occurrence of an Exchange Event. For these purposes, "Exchange Event" means that (i) an Event of Default (as defined in Condition 9) has occurred and is continuing, (ii) the relevant Issuer has been notified that both Euroclear and Clearstream, Luxembourg have been closed for business for a continuous period of 14 days (other than by reason of holiday, statutory or otherwise) or have announced an intention permanently to cease business or have in fact done so and, in any such case, no successor clearing system satisfactory to the Trustee is available or (iii) the relevant Issuer or, as the case may be, (where the relevant Issuer is STWUF) the Guarantor has or will become subject to adverse tax consequences which would not be suffered were the Notes in definitive form and a certificate to such effect is given by two Directors of the relevant Issuer or, as the case may be, (where the relevant Issuer is STWUF) the Guarantor to the Trustee. The relevant Issuer will promptly give notice to Noteholders in accordance with Condition 13 if an Exchange Event occurs. In the event of the occurrence of an Exchange Event, Euroclear and/or Clearstream, Luxembourg (acting on the instructions of any holder of an interest in such Permanent Global Note) or the Trustee may give notice to the Agent requesting exchange and, in the event of the occurrence of an Exchange Event as described in (iii) above, the relevant Issuer may also give notice to the Agent requesting exchange. Any such exchange shall occur not later than 60 days after the date of receipt of the first relevant notice by the Agent.

The following legend will appear on all Notes which have an original maturity of more than 365 days and on all Receipts and Coupons relating to such Notes:

"ANY UNITED STATES PERSON WHO HOLDS THIS OBLIGATION WILL BE SUBJECT TO LIMITATIONS UNDER THE UNITED STATES INCOME TAX LAWS, INCLUDING THE LIMITATIONS PROVIDED IN SECTIONS 165(j) AND 1287(a) OF THE INTERNAL REVENUE CODE."

The sections referred to provide that United States holders, with certain exceptions, will not be entitled to deduct any loss on Notes, Receipts or Coupons and will not be entitled to capital gains treatment of any gain on any sale, disposition, redemption or payment of principal in respect of such Notes or Receipts or Coupons.

Notes which are represented by a Global Note will only be transferable in accordance with the rules and procedures for the time being of Euroclear or Clearstream, Luxembourg, as the case may be.

Pursuant to the Agency Agreement (as defined under “Terms and Conditions of the Notes”), the Agent shall arrange that, where a further Tranche of Notes is issued which is intended to form a single Series with an existing Tranche of Notes, the Notes of such further Tranche shall be assigned a common code and ISIN which are different from the common code and ISIN assigned to Notes of any other Tranche of the same Series until at least the expiry of the distribution compliance period (as defined in Regulation S under the Securities Act) applicable to the Notes of such Tranche.

Any reference herein to Euroclear and/or Clearstream, Luxembourg shall, whenever the context so permits, be deemed to include a reference to any additional or alternative clearing system specified in the applicable Pricing Supplement or as may otherwise be approved by the relevant Issuer, the Agent and the Trustee.

TERMS AND CONDITIONS OF THE NOTES

The following are the Terms and Conditions of the Notes which will be incorporated by reference into each Global Note (as defined below) and each definitive Note, in the latter case only if permitted by the relevant stock exchange or other relevant authority (if any) and agreed by the relevant Issuer and the relevant Dealer at the time of issue but, if not so permitted and agreed, such definitive Note will have endorsed thereon or attached thereto such Terms and Conditions. The applicable Pricing Supplement in relation to any Tranche of Notes may specify other terms and conditions which shall, to the extent so specified or to the extent inconsistent with the following Terms and Conditions, replace or modify the following Terms and Conditions for the purpose of such Notes. The applicable Pricing Supplement (or the relevant provisions thereof) will be endorsed upon, or attached to, each Global Note and definitive Note. Reference should be made to "Form of the Notes" for a description of the content of Pricing Supplements which will specify which of such terms are to apply in relation to the relevant Notes.

This Note is one of a Series (as defined below) of Notes issued by Severn Trent Plc ("Severn Trent") or Severn Trent Water Utilities Finance Plc ("STWUF" and, together with Severn Trent, the "Issuers" and each an "Issuer") constituted by a Trust Deed dated 18 December 2000 (such Trust Deed as modified and/or supplemented and/or restated from time to time, the "Trust Deed") and made between the Issuers, Severn Trent Water Limited (the "Guarantor") in its capacity as guarantor of Notes issued by STWUF and The Law Debenture Trust Corporation p.l.c. as trustee (the "Trustee", which expression shall include any successor trustee) for the holders of the Notes (the "Noteholders" or "holders" which expression shall mean in relation to Notes in definitive form, the bearers thereof, and shall, in relation to Notes represented by a Global Note, be construed as provided below).

References in these Terms and Conditions to the "Issuer" shall be to the Issuer of the Notes specified as such in the applicable Pricing Supplement (as defined below). References in these Terms and Conditions to the "Guarantor" shall only be applicable if STWUF is specified as the Issuer of the Notes in the applicable Pricing Supplement.

References in these Terms and Conditions to the "Notes" shall be references to the Notes of this Series and shall mean:

- (i) in relation to any Notes represented by a global Note (a "Global Note"), units of the lowest Specified Denomination in the Specified Currency;
- (ii) any Global Note; and
- (iii) any definitive Notes issued in exchange for a Global Note.

The Notes, the Receipts (as defined below) and the Coupons (as defined below) have the benefit of an Agency Agreement dated 18 December 2000 (such Agency Agreement as amended and/or supplemented and/or restated from time to time, the "Agency Agreement") and made between the Issuers, the Guarantor, HSBC Bank plc as issuing and principal paying agent and agent bank (the "Agent", which expression shall include any successor agent), the Trustee and the other paying agents named therein (together with the Agent, unless the context otherwise requires, the "Paying Agents", which expression shall include any additional or successor paying agents).

Interest bearing definitive Notes have interest coupons ("Coupons") and, if indicated in the applicable Pricing Supplement, talons for further Coupons ("Talons") attached on issue. Any reference herein to Coupons or coupons shall, unless the context otherwise requires, be deemed to include a reference to Talons or talons. Definitive Notes repayable in instalments have receipts ("Receipts") for the payment of the instalments of principal (other than the final instalment) attached on issue. Global Notes do not have Receipts, Coupons or Talons attached on issue.

The Pricing Supplement for this Note (or the relevant provisions thereof) is attached to or endorsed on this Note and supplements these Terms and Conditions (the "Terms and Conditions") and may specify other terms and conditions which shall, to the extent so specified or to the extent inconsistent with these Terms and Conditions, replace or modify the Terms and Conditions for the purposes of this Note. References in these Terms and Conditions to the "applicable Pricing Supplement" are to the Pricing Supplement (or the relevant provisions thereof) attached to or endorsed on this Note.

Any reference in these Terms and Conditions to "Receiptholders" shall mean the holders of the Receipts and any reference in these Terms and Conditions to "Couponholders" shall mean the holders of the Coupons and shall, unless the context otherwise requires, include the holders of the Talons.

As used in these Terms and Conditions, “Tranche” means Notes which are identical in all respects (including as to listing) and “Series” means a Tranche of Notes together with any further Tranche or Tranches of Notes which are (i) expressed to be consolidated and form a single series and (ii) identical in all respects (including as to listing) except for their respective Issue Dates, Interest Commencement Dates and/or Issue Prices.

The Noteholders, the Receiptholders and the Couponholders are deemed to have notice of, are entitled to the benefit of, and are bound by, all the provisions of the Trust Deed, the Agency Agreement and the applicable Pricing Supplement which are applicable to them. The statements in these Terms and Conditions include summaries of, and are subject to, the detailed provisions of the Trust Deed.

Words and expressions defined in the Trust Deed or in the Agency Agreement or used in the applicable Pricing Supplement shall have the same meanings where used in these Terms and Conditions unless the context otherwise requires or unless otherwise stated and provided that, in the event of inconsistency between the Trust Deed and the Agency Agreement, the Trust Deed will prevail and, in the event of inconsistency between the Trust Deed or the Agency Agreement and the applicable Pricing Supplement, the applicable Pricing Supplement will prevail.

4. Interest

(a) *Interest on Fixed Rate Notes*

Each Fixed Rate Note bears interest on its outstanding nominal amount (or, if it is a Partly Paid Note, the amount paid up) from (and including) the Interest Commencement Date at the rate(s) per annum equal to the Rate(s) of Interest. Interest will be payable in arrear on the Interest Payment Date(s) in each year up to (but excluding) the Maturity Date.

Except as provided in the applicable Pricing Supplement, the amount of interest payable on each Interest Payment Date in respect of the Fixed Interest Period ending on (but excluding) such date will amount to the Fixed Coupon Amount. Payments of interest on any Interest Payment Date will, if so specified in the applicable Pricing Supplement, amount to the Broken Amount so specified.

As used in the Terms and Conditions, “Fixed Interest Period” means the period from (and including) an Interest Payment Date (or the Interest Commencement Date) to (but excluding) the next (or first) Interest Payment Date.

If interest is required to be calculated for a period other than a Fixed Interest Period, such interest shall be calculated by applying the Rate of Interest to each Specified Denomination, multiplying such sum by the applicable Day Count Fraction and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention.

“Day Count Fraction” means, in respect of the calculation of an amount of interest in accordance with this Condition 4(a):

- (i) if “Actual/Actual (ISMA)” is specified in the applicable Pricing Supplement:
 - (a) in the case of Notes where the number of days in the relevant period from (and including) the most recent Interest Payment Date (or, if none, the Interest Commencement Date) to (but excluding) the relevant payment date (the “Accrual Period”) is equal to or shorter than the Determination Period during which the Accrual Period ends, the number of days in such Accrual Period divided by the product of (1) the number of days in such Determination Period and (2) the number of Determination Dates (as specified in the applicable Pricing Supplement) that would occur in one calendar year; or
 - (b) in the case of Notes where the Accrual Period is longer than the Determination Period during which the Accrual Period ends, the sum of:
 - (1) the number of days in such Accrual Period falling in the Determination Period in which the Accrual Period begins divided by the product of (x) the number of days in such Determination Period and (y) the number of Determination Dates (as specified in the applicable Pricing Supplement) that would occur in one calendar year; and
 - (2) the number of days in such Accrual Period falling in the next Determination Period divided by the product of (x) the number of days in such Determination Period and (y) the number of Determination Dates that would occur in one calendar year; and
- (ii) if “30/360” is specified in the applicable Pricing Supplement, the number of days in the period from (and including) the most recent Interest Payment Date (or, if none, the Interest Commencement Date) to (but excluding) the relevant payment date (such number of days being calculated on the basis of a year of 360 days with 12 30-day months) divided by 360.

In these Terms and Conditions:

“Determination Period” means each period from (and including) a Determination Date to (but excluding) the next Determination Date (including, where either the Interest Commencement Date or the final Interest Payment Date is not a Determination Date, the period commencing on the first Determination Date prior to, and ending on the first Determination Date falling after, such date); and

“sub-unit” means, with respect to any currency other than euro, the lowest amount of such currency that is available as legal tender in the country of such currency and, with respect to euro, means one cent.

(b) Interest on Floating Rate Notes and Index Linked Interest Notes

(i) Interest Payment Dates

Each Floating Rate Note and Index Linked Interest Note bears interest on its outstanding nominal amount (or, if it is a Partly Paid Note, the amount paid up) from (and including) the Interest Commencement Date and such interest will be payable in arrear on either:

- (A) the Specified Interest Payment Date(s) in each year specified in the applicable Pricing Supplement; or
- (B) if no Specified Interest Payment Date(s) is/are specified in the applicable Pricing Supplement, each date (each such date, together with each Specified Interest Payment Date, an “Interest Payment Date”) which falls the number of months or other period specified as the Specified Period in the applicable Pricing Supplement after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.

Such interest will be payable in respect of each Interest Period (which expression shall, in these Terms and Conditions, mean the period from (and including) an Interest Payment Date (or the Interest Commencement Date) to (but excluding) the next (or first) Interest Payment Date).

If a Business Day Convention is specified in the applicable Pricing Supplement and (x) if there is no numerically corresponding day in the calendar month in which an Interest Payment Date should occur or (y) if any Interest Payment Date would otherwise fall on a day which is not a Business Day, then, if the Business Day Convention specified is:

- (1) in any case where Specified Periods are specified in accordance with Condition 4(b)(i)(B) above, the Floating Rate Convention, such Interest Payment Date (i) in the case of (x) above, shall be the last day that is a Business Day in the relevant month and the provisions of (B) below shall apply *mutatis mutandis* or (ii) in the case of (y) above, shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event (A) such Interest Payment Date shall be brought forward to the immediately preceding Business Day and (B) each subsequent Interest Payment Date shall be the last Business Day in the month which falls the Specified Period after the preceding applicable Interest Payment Date occurred; or
- (2) the Following Business Day Convention, such Interest Payment Date shall be postponed to the next day which is a Business Day; or
- (3) the Modified Following Business Day Convention, such Interest Payment Date shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event such Interest Payment Date shall be brought forward to the immediately preceding Business Day; or
- (4) the Preceding Business Day Convention, such Interest Payment Date shall be brought forward to the immediately preceding Business Day.

In these Terms and Conditions, "Business Day" means a day which is both:

- (A) a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in London and any Additional Business Centre specified in the applicable Pricing Supplement; and
- (B) either (1) in relation to any sum payable in a Specified Currency other than euro, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in the principal financial centre of the country of the relevant Specified Currency (if other than London and any Additional Business Centre and which, if the Specified Currency is Australian dollars or New Zealand dollars, shall be Sydney and Auckland, respectively) or (2) in relation to any sum payable in euro, a day on which the Trans-European Automated Real-Time Gross Settlement Express Transfer (TARGET) System (the "TARGET System") is open.

(ii) Rate of Interest

The Rate of Interest payable from time to time in respect of Floating Rate Notes and Index Linked Interest Notes will be determined in the manner specified in the applicable Pricing Supplement.

(A) **ISDA Determination for Floating Rate Notes**

Where ISDA Determination is specified in the applicable Pricing Supplement as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will be the relevant ISDA Rate plus or minus (as indicated in the applicable Pricing Supplement) the Margin (if any). For the purposes of this subparagraph (A), "ISDA Rate" for an Interest Period means a rate equal to the Floating Rate that would be determined by the Agent under an interest rate swap transaction if the Agent were acting as Calculation Agent for that swap transaction under the terms of an agreement incorporating the 2000 ISDA Definitions, as published by the International Swaps and Derivatives Association, Inc. and as amended and updated as at

the Issue Date of the first Tranche of the Notes (the “ISDA Definitions”) and under which:

- (1) the Floating Rate Option is as specified in the applicable Pricing Supplement;
- (2) the Designated Maturity is a period specified in the applicable Pricing Supplement; and
- (3) the relevant Reset Date is either (i) if the applicable Floating Rate Option is based on the London inter-bank offered rate (“LIBOR”) or on the Euro-zone inter-bank offered rate (“EURIBOR”), the first day of that Interest Period or (ii) in any other case, as specified in the applicable Pricing Supplement.

For the purposes of this sub-paragraph (A), “Floating Rate”, “Calculation Agent”, “Floating Rate Option”, “Designated Maturity” and “Reset Date” have the meanings given to those terms in the ISDA Definitions.

(B) *Screen Rate Determination for Floating Rate Notes*

Where Screen Rate Determination is specified in the applicable Pricing Supplement as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will, subject as provided below, be either:

- (1) the offered quotation if there is only one quotation on the Relevant Screen Page; or
- (2) the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the offered quotations,

(expressed as a percentage rate per annum) for the Reference Rate which appears or appear, as the case may be, on the Relevant Screen Page as at 11.00 a.m. (London time, in the case of LIBOR, or Brussels time, in the case of EURIBOR) on the Interest Determination Date in question plus or minus (as indicated in the applicable Pricing Supplement) the Margin (if any), all as determined by the Agent. If five or more of such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Agent for the purpose of determining the arithmetic mean (rounded as provided above) of such offered quotations.

The Agency Agreement contains provisions for determining the Rate of Interest in the event that the Relevant Screen Page is not available or if, in the case of (1) above, no such offered quotation appears or, in the case of (2) above, fewer than three such offered quotations appear, in each case as at the time specified in the preceding paragraph.

If the Reference Rate from time to time in respect of Floating Rate Notes is specified in the applicable Pricing Supplement as being other than LIBOR or EURIBOR, the Rate of Interest in respect of such Notes will be determined as provided in the applicable Pricing Supplement.

(iii) Minimum Rate of Interest and/or Maximum Rate of Interest

If the applicable Pricing Supplement specifies a Minimum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of such Interest Period determined in accordance with the provisions of paragraph (ii) above is less than such Minimum Rate of Interest, the Rate of Interest for such Interest Period shall be such Minimum Rate of Interest.

If the applicable Pricing Supplement specifies a Maximum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of such Interest Period determined in accordance with the provisions of paragraph (ii) above is greater than such Maximum Rate of Interest, the Rate of Interest for such Interest Period shall be such Maximum Rate of Interest.

(iv) Determination of Rate of Interest and calculation of Interest Amounts

The Agent, in the case of Floating Rate Notes, and the Calculation Agent, in the case of Index Linked Interest Notes, will at or as soon as practicable after each time at which the Rate of Interest is to be determined, determine the Rate of Interest for the relevant Interest Period. In

the case of Index Linked Interest Notes, the Calculation Agent will notify the Agent of the Rate of Interest for the relevant Interest Period as soon as practicable after calculating the same.

The Agent will calculate the amount of interest (the “Interest Amount”) payable on the Floating Rate Notes or Index Linked Interest Notes in respect of each Specified Denomination for the relevant Interest Period. Each Interest Amount shall be calculated by applying the Rate of Interest to each Specified Denomination, multiplying such sum by the applicable Day Count Fraction and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention.

“Day Count Fraction” means, in respect of the calculation of an amount of interest for any Interest Period:

- (i) if “Actual/365” or “Actual/Actual” is specified in the applicable Pricing Supplement, the actual number of days in the Interest Period divided by 365 (or, if any portion of that Interest Period falls in a leap year, the sum of (A) the actual number of days in that portion of the Interest Period falling in a leap year divided by 366 and (B) the actual number of days in that portion of the Interest Period falling in a non-leap year divided by 365);
 - (ii) if “Actual/365 (Fixed)” is specified in the applicable Pricing Supplement, the actual number of days in the Interest Period divided by 365;
 - (iii) if “Actual/365 (Sterling)” is specified in the applicable Pricing Supplement, the actual number of days in the Interest Period divided by 365 or, in the case of an Interest Payment Date falling in a leap year, 366;
 - (iv) if “Actual/360” is specified in the applicable Pricing Supplement, the actual number of days in the Interest Period divided by 360;
 - (v) if “30/360”, “360/360” or “Bond Basis” is specified in the applicable Pricing Supplement, the number of days in the Interest Period divided by 360 (the number of days to be calculated on the basis of a year of 360 days with 12 30-day months (unless (a) the last day of the Interest Period is the 31st day of a month but the first day of the Interest Period is a day other than the 30th or 31st day of a month, in which case the month that includes that last day shall not be considered to be shortened to a 30-day month, or (b) the last day of the Interest Period is the last day of the month of February, in which case the month of February shall not be considered to be lengthened to a 30-day month)); and
 - (vi) if “30E/360” or “Eurobond Basis” is specified in the applicable Pricing Supplement, the number of days in the Interest Period divided by 360 (the number of days to be calculated on the basis of a year of 360 days with 12 30-day months, without regard to the date of the first day or last day of the Interest Period unless, in the case of the final Interest Period, the Maturity Date is the last day of the month of February, in which case the month of February shall not be considered to be lengthened to a 30-day month).
- (v) Notification of Rate of Interest and Interest Amounts
- The Agent will cause the Rate of Interest and each Interest Amount for each Interest Period and the relevant Interest Payment Date to be notified to the Issuer and any stock exchange or other relevant authority on which the relevant Floating Rate Notes or Index Linked Interest Notes are for the time being listed or by which they have been admitted to listing and notice thereof to be published in accordance with Condition 13 as soon as possible after their determination but in no event later than the fourth London Business Day thereafter. Each Interest Amount and Interest Payment Date so notified may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without prior notice in the event of an extension or shortening of the Interest Period. Any such amendment will be promptly notified to each stock exchange or other relevant authority on which the relevant Floating Rate Notes or Index Linked Interest Notes are for the time being listed or by which they have been admitted to listing and to the Noteholders in accordance with Condition 13. For the purposes of this paragraph, the expression “London Business Day” means a day

(other than a Saturday or a Sunday) on which banks and foreign exchange markets are open for general business in London.

(vi) **Determination or Calculation by Trustee**

If for any reason at any relevant time the Agent or, as the case may be, the Calculation Agent defaults in its obligation to determine the Rate of Interest or the Agent defaults in its obligation to calculate any Interest Amount in accordance with sub-paragraph (ii)(A) or (B) above or as otherwise specified in the applicable Pricing Supplement, as the case may be, and in each case in accordance with paragraph (iv) above, the Trustee shall determine the Rate of Interest at such rate as, in its absolute discretion (having such regard as it shall think fit to the foregoing provisions of this Condition 4, but subject always to any Minimum Rate of Interest or Maximum Rate of Interest specified in the applicable Pricing Supplement), it shall deem fair and reasonable in all the circumstances or, as the case may be, the Trustee shall calculate the Interest Amount(s) in such manner as it shall deem fair and reasonable in all the circumstances. In making any such determination or calculation, the Trustee may appoint and rely on a determination or calculation by a calculation agent (which shall be an investment bank or other suitable entity of international repute). Each such determination or calculation shall be deemed to have been made by the Agent or the Calculation Agent, as applicable.

(vii) **Certificates to be final**

All certificates, communications, opinions, determinations, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this Condition 4(b), whether by the Agent or, if applicable, the Trustee or the Calculation Agent, shall (in the absence of wilful default, bad faith or manifest error) be binding on the Issuer, the Guarantor, the Agent, the Trustee, the Calculation Agent (if applicable), the other Paying Agents and all Noteholders, Receiptholders and Couponholders and (in the absence as aforesaid) no liability to the Issuer, the Guarantor, the Noteholders, the Receiptholders or the Couponholders shall attach to the Agent or, if applicable, the Trustee or the Calculation Agent in connection with the exercise or non-exercise by it of its powers, duties and discretions pursuant to such provisions.

(c) ***Interest on Dual Currency Interest Notes***

The rate or amount of interest payable in respect of Dual Currency Interest Notes shall be determined in the manner specified in the applicable Pricing Supplement.

(d) ***Interest on Partly Paid Notes***

In the case of Partly Paid Notes (other than Partly Paid Notes which are Zero Coupon Notes), interest will accrue as aforesaid on the paid-up nominal amount of such Notes and otherwise as specified in the applicable Pricing Supplement.

(e) ***Accrual of interest***

Each Note (or in the case of the redemption of part only of a Note, that part only of such Note) will cease to bear interest (if any) from the date for its redemption unless, upon due presentation thereof, payment of principal is improperly withheld or refused. In such event, interest will continue to accrue as provided in the Trust Deed.

5. Payments

(a) ***Method of payment***

Subject as provided below:

- (i) payments in a Specified Currency other than euro will be made by credit or transfer to an account in the relevant Specified Currency (which, in the case of a payment in Japanese yen to a non-resident of Japan, shall be a non-resident account) maintained by the payee with, or, at the option of the payee, by a cheque in such Specified Currency drawn on, a bank in the principal financial centre of the country of such Specified Currency (which, if the Specified Currency is Australian dollars or New Zealand dollars, shall be Sydney and Auckland, respectively); and

- (ii) payments in euro will be made by credit or transfer to a euro account (or any other account to which euro may be credited or transferred) specified by the payee or, at the option of the payee, by a euro cheque.

Payments will be subject in all cases to any fiscal or other laws and regulations applicable thereto in the place of payment, but without prejudice to the provisions of Condition 7.

(b) Presentation of definitive Notes, Receipts and Coupons

Payments of principal in respect of definitive Notes will (subject as provided below) be made in the manner provided in paragraph (a) above only against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of definitive Notes, and payments of interest in respect of definitive Notes will (subject as provided below) be made as aforesaid only against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of Coupons, in each case at the specified office of any Paying Agent outside the United States (which expression, as used herein, means the United States of America (including the States and the District of Columbia, its territories, its possessions and other areas subject to its jurisdiction)).

Payments of instalments of principal (if any) in respect of definitive Notes, other than the final instalment, will (subject as provided below) be made in the manner provided in paragraph (a) above against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of the relevant Receipt in accordance with the preceding paragraph. Payment of the final instalment will be made in the manner provided in paragraph (a) above only against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of the relevant Note in accordance with the preceding paragraph. Each Receipt must be presented for payment of the relevant instalment together with the definitive Note to which it appertains. Receipts presented without the definitive Note to which they appertain do not constitute valid obligations of the Issuer. Upon the date on which any definitive Note becomes due and repayable, unmatured Receipts (if any) relating thereto (whether or not attached) shall become void and no payment shall be made in respect thereof.

Fixed Rate Notes in definitive form (other than Dual Currency Notes, Index Linked Notes or Long Maturity Notes (as defined below)) should be presented for payment together with all unmatured Coupons appertaining thereto (which expression shall for this purpose include Coupons falling to be issued on exchange of matured Talons), failing which the amount of any missing unmatured Coupon (or, in the case of payment not being made in full, the same proportion of the amount of such missing unmatured Coupon as the sum so paid bears to the sum due) will be deducted from the sum due for payment. Each amount of principal so deducted will be paid in the manner mentioned above against surrender of the relative missing Coupon at any time before the expiry of 10 years after the Relevant Date (as defined in Condition 7) in respect of such principal (whether or not such Coupon would otherwise have become void under Condition 8) or, if later, five years from the date on which such Coupon would otherwise have become due, but in no event thereafter.

Upon any Fixed Rate Note in definitive form becoming due and repayable prior to its Maturity Date, all unmatured Talons (if any) appertaining thereto will become void and no further Coupons will be issued in respect thereof.

Upon the date on which any Floating Rate Note, Dual Currency Note, Index Linked Note or Long Maturity Note in definitive form becomes due and repayable, unmatured Coupons and Talons (if any) relating thereto (whether or not attached) shall become void and no payment or, as the case may be, exchange for further Coupons shall be made in respect thereof. A "Long Maturity Note" is a Fixed Rate Note (other than a Fixed Rate Note which on issue had a Talon attached) whose nominal amount on issue is less than the aggregate amount of interest payable thereon provided that such Note shall cease to be a Long Maturity Note on the Interest Payment Date on which the aggregate amount of interest remaining to be paid after that date is less than the nominal amount of such Note.

If the due date for redemption of any definitive Note is not an Interest Payment Date, interest (if any) accrued in respect of such Note from (and including) the preceding Interest Payment Date or, as the case may be, the Interest Commencement Date shall be payable only against surrender of the relevant definitive Note.

(c) *Payments in respect of Global Notes*

Payments of principal and interest (if any) in respect of Notes represented by any Global Note will (subject as provided below) be made in the manner specified above in relation to definitive Notes and otherwise in the manner specified in the relevant Global Note against presentation or surrender, as the case may be, of such Global Note at the specified office of any Paying Agent outside the United States. A record of each payment made against presentation or surrender of any Global Note, distinguishing between any payment of principal and any payment of interest, will be made on such Global Note by the Paying Agent to which it was presented and such record shall be *prima facie* evidence that the payment in question has been made.

(d) *General provisions applicable to payments*

The holder of a Global Note shall be the only person entitled to receive payments in respect of Notes represented by such Global Note and the Issuer or, as the case may be, the Guarantor will be discharged by payment to, or to the order of, the holder of such Global Note in respect of each amount so paid. Each of the persons shown in the records of Euroclear or Clearstream, Luxembourg as the beneficial holder of a particular nominal amount of Notes represented by such Global Note must look solely to Euroclear or Clearstream, Luxembourg, as the case may be, for his share of each payment so made by the Issuer or, as the case may be, the Guarantor to, or to the order of, the holder of such Global Note.

Notwithstanding the foregoing provisions of this Condition, if any amount of principal and/or interest in respect of Notes is payable in US dollars, such US dollar payments of principal and/or interest in respect of such Notes will be made at the specified office of a Paying Agent in the United States if:

- (i) the Issuer has appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment in US dollars at such specified offices outside the United States of the full amount of principal and interest on the Notes in the manner provided above when due;
- (ii) payment of the full amount of such principal and interest at all such specified offices outside the United States is illegal or effectively precluded by exchange controls or other similar restrictions on the full payment or receipt of principal and interest in US dollars; and
- (iii) such payment is then permitted under United States law without involving, in the opinion of the Issuer and the Guarantor, adverse tax consequences to the Issuer or the Guarantor.

(e) *Payment Day*

If the date for payment of any amount in respect of any Note, Receipt or Coupon is not a Payment Day, the holder thereof shall not be entitled to payment until the next following Payment Day in the relevant place and shall not be entitled to further interest or other payment in respect of such delay. For these purposes, "Payment Day" means any day which (subject to Condition 8) is:

- (i) a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in:
 - (A) the relevant place of presentation;
 - (B) London;
 - (C) any Additional Financial Centre specified in the applicable Pricing Supplement; and
- (ii) either (1) in relation to any sum payable in a Specified Currency other than euro, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in the principal financial centre of the country of the relevant Specified Currency (if other than the place of presentation, London and any Additional Financial Centre and which, if the Specified Currency is Australian dollars or New Zealand dollars, shall be Sydney and Auckland, respectively) or (2) in relation to any sum payable in euro, a day on which the TARGET System is open.

(f) *Interpretation of principal and interest*

Any reference in these Terms and Conditions to principal in respect of the Notes shall be deemed to include, as applicable:

- (i) any additional amounts which may be payable with respect to principal under Condition 7 or under any undertaking given in addition thereto, or in substitution therefor, pursuant to the Trust Deed;
- (ii) the Final Redemption Amount of the Notes;
- (iii) the Early Redemption Amount of the Notes;
- (iv) the Optional Redemption Amount(s) (if any) of the Notes;
- (v) in relation to Notes redeemable in instalments, the Instalment Amounts;
- (vi) in relation to Zero Coupon Notes, the Amortised Face Amount (as defined in Condition 6(f)); and
- (vii) any premium and any other amounts (other than interest) which may be payable by the Issuer under or in respect of the Notes.

Any reference in these Terms and Conditions to interest in respect of the Notes shall be deemed to include, as applicable, any additional amounts which may be payable with respect to interest under Condition 7 or under any undertaking given in addition thereto, or in substitution therefor, pursuant to the Trust Deed.

6. Redemption and Purchase

(a) Redemption at maturity

Unless previously redeemed or purchased and cancelled as specified below, each Note (including each Index Linked Redemption Note and Dual Currency Redemption Note) will be redeemed by the Issuer at its Final Redemption Amount specified in, or determined in the manner specified in, the applicable Pricing Supplement in the relevant Specified Currency on the Maturity Date.

(b) Redemption for tax reasons

The Notes (other than Notes in respect of which the Issuer shall have given a notice of redemption pursuant to Condition 6(c) or in respect of which a Noteholder shall have given notice of redemption in accordance with Condition 6(d) or a Put Event Notice in accordance with Condition 6(e), in each case prior to any notice being given under this Condition 6(b)) may be redeemed at the option of the Issuer in whole, but not in part, at any time (if this Note is neither a Floating Rate Note nor an Index Linked Interest Note) or on any Interest Payment Date (if this Note is either a Floating Rate Note or an Index Linked Interest Note), on giving not less than 30 nor more than 60 days' notice to the Trustee and the Agent and, in accordance with Condition 13, the Noteholders (which notice shall be irrevocable), if:

- (i) on the occasion of the next payment due under the Notes, the Issuer would be obliged to pay additional amounts as provided or referred to in Condition 7 or (where the Issuer is STWUF) the Guarantor would be unable for reasons outside its control to procure payment by the Issuer and in making payment itself would be obliged to pay such additional amounts, in each case as a result of any change in, or amendment to, the laws or regulations of the United Kingdom or any political subdivision of, or any authority in, or of, the United Kingdom having power to tax, or any change in the application or judicial or official interpretation of such laws or regulations, which change or amendment becomes effective on or after the date on which agreement is reached to issue the first Tranche of the Notes; and
- (ii) such obligation cannot be avoided by the Issuer or, as the case may be, (where the Issuer is STWUF) the Guarantor taking reasonable measures available to it,

provided that no such notice of redemption shall be given earlier than 90 days prior to the earliest date on which the Issuer or, as the case may be, (where the Issuer is STWUF) the Guarantor would be obliged to pay such additional amounts were a payment in respect of the Notes then due.

Prior to the publication of any notice of redemption pursuant to this Condition, the Issuer shall deliver to the Trustee a certificate signed by two Directors of the Issuer or, as the case may be, (where the Issuer is STWUF) two Directors of the Guarantor stating that the Issuer is entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent set out in (i) and (ii) above to the right of the Issuer so to redeem have occurred, and an opinion of independent legal advisers of recognised standing to the effect that the Issuer or, as the case may be, (where the Issuer is STWUF) the Guarantor has or will become obliged to pay such additional

amounts as a result of such change or amendment. The Trustee shall be entitled to accept such certificate and opinion as sufficient evidence of the satisfaction of the conditions precedent set out in (i) and (ii) above, in which event they shall be conclusive and binding on the Noteholders, the Receiptholders and the Couponholders.

Notes redeemed pursuant to this Condition 6(b) will be redeemed at their Early Redemption Amount referred to in paragraph (f) below together (if appropriate) with interest accrued to (but excluding) the date of redemption.

(c) Redemption at the option of the Issuer (Issuer Call)

If Issuer Call is specified in the applicable Pricing Supplement, the Issuer may, having given:

- (i) not less than 15 nor more than 60 days' notice to the Noteholders in accordance with Condition 13; and
- (ii) not less than 15 days before the giving of the notice referred to in (i), notice to the Trustee and to the Agent;

(which notices shall be irrevocable and shall specify the date fixed for redemption), redeem all or some only of the Notes then outstanding on any Optional Redemption Date and at the Optional Redemption Amount(s) both as specified in, or determined in the manner specified in, the applicable Pricing Supplement together, if appropriate, with interest accrued to (but excluding) the relevant Optional Redemption Date. Any such redemption must be of a nominal amount not less than the Minimum Redemption Amount or not more than a Higher Redemption Amount, in each case as may be specified in the applicable Pricing Supplement. In the case of a partial redemption of Notes, the Notes to be redeemed ("Redeemed Notes") will be selected individually by lot in a place chosen by the Issuer and approved by the Trustee, in the case of Redeemed Notes represented by definitive Notes, and in accordance with the rules of Euroclear and/or Clearstream, Luxembourg, in the case of Redeemed Notes represented by a Global Note, not more than 30 days prior to the date fixed for redemption (such date of selection being hereinafter called the "Selection Date"). In the case of Redeemed Notes represented by definitive Notes, a list of the serial numbers of such Redeemed Notes will be published in accordance with Condition 13 not less than 15 days prior to the date fixed for redemption. The aggregate nominal amount of Redeemed Notes represented by definitive Notes shall bear the same proportion to the aggregate nominal amount of all Redeemed Notes as the aggregate nominal amount of definitive Notes outstanding bears to the aggregate nominal amount of the Notes outstanding, in each case on the Selection Date, provided that such first mentioned nominal amount shall, if necessary, be rounded downwards to the nearest integral multiple of the Specified Denomination, and the aggregate nominal amount of Redeemed Notes represented by a Global Note shall be equal to the balance of the Redeemed Notes. No exchange of the relevant Global Note will be permitted during the period from (and including) the Selection Date to (and including) the date fixed for redemption pursuant to this paragraph (c) and notice to that effect shall be given by the Issuer to the Noteholders in accordance with Condition 13 at least five days prior to the Selection Date.

(d) Redemption at the option of the Noteholders (Investor Put)

If Investor Put is specified in the applicable Pricing Supplement, upon the holder of any Note giving to the Issuer in accordance with Condition 13 not less than 30 nor more than 45 days' notice (which notice shall be irrevocable) the Issuer will, upon the expiry of such notice, redeem, subject to, and in accordance with, the terms specified in the applicable Pricing Supplement, in whole (but not, in the case of a definitive Note, in part) such Note on the Optional Redemption Date and at the Optional Redemption Amount (both as specified in the applicable Pricing Supplement) together, if appropriate, with interest accrued to (but excluding) the Optional Redemption Date.

If this Note is in definitive form, to exercise the right to require redemption of this Note the holder of this Note must deliver such Note at the specified office of any Paying Agent at any time during normal business hours of such Paying Agent falling within the notice period, accompanied by a duly completed and signed notice of exercise in the form (for the time being current) obtainable from any specified office of any Paying Agent (a "Put Notice") and in which the holder must specify a bank account (or, if payment is required to be made by cheque, an address) to which payment is to be made under this Condition.

(e) Redemption at the Option of the Noteholders on a Put Event

This Condition 6(e) applies to Notes with a maturity of more than 20 years.

If, at any time while any of the Notes remains outstanding, a Put Event (as defined below) occurs, then, unless at any time the Issuer shall have given a notice under Condition 6(b) or (c) in respect of such Notes, in either case expiring prior to the Put Date (as defined below), the holder of each Note will, upon the giving of a Put Event Notice (as defined below), have the option to require the Issuer to redeem the Note on the Put Date at the Event Put Amount (as specified in the applicable Pricing Supplement), together with interest accrued up to (but excluding) the Put Date. For the avoidance of doubt, the occurrence of an event which is a Put Event shall not constitute an Event of Default.

A "Put Event" occurs if (i) the appointment of Severn Trent Water Limited as in effect on the date of this document (the "Appointment") as the water undertaker and sewerage undertaker for the areas described in the Instrument of Appointment dated August 1989 made by the Secretary of State under sections 11 and 14 of the Water Act 1989 (now section 6 of the Water Industry Act 1991) is terminated other than in respect of such part of its area as is the subject of an appointment or variation by virtue of section 7(4)(b) or (bb) of the Water Industry Act 1991; or (ii) a Restructuring Event occurs and, within the Restructuring Period, either (a) if at the time the relevant Restructuring Event occurs there are Rated Securities, a Rating Downgrading in respect of that Restructuring Event also occurs or (b) if at such time there are no Rated Securities, the Issuer or (where the Issuer is STWUF) the Guarantor fails to obtain (whether by failing to seek a rating or otherwise) a rating of the Notes or any other unsecured and unsubordinated debt of the Issuer or (where the Issuer is STWUF) of the Guarantor or (where the Issuer is Severn Trent) of any Subsidiary of the Issuer or (where the Issuer is STWUF) of any other Subsidiary of the Guarantor which, in any case, is guaranteed on an unsecured and unsubordinated basis by (where the Issuer is Severn Trent) the Issuer or (where the Issuer is STWUF) the Guarantor) having an initial maturity of five years or more, from a Rating Agency of at least investment grade (BBB-/Baa3, or their respective equivalents for the time being) (a "Negative Rating Event") and, in the case of either (a) or (b), such Restructuring Event is, not later than 14 days after the expiry of the Restructuring Period, certified in writing by an independent financial adviser appointed by the Trustee (after consultation with the Issuer as to the identity of such independent financial adviser) as being in its opinion materially prejudicial to the interests of the Noteholders (a "Negative Certification") (that Restructuring Event and the relevant Rating Downgrading or, as the case may be, Negative Rating Event and, in each case, the Negative Certification together constituting the Put Event). Any certification by an independent financial adviser as aforesaid as to whether or not any Restructuring Event is materially prejudicial to the interests of the Noteholders shall, in the absence of manifest error, be conclusive and binding on all concerned. For the avoidance of doubt, the service by the Secretary of State of a notice under Condition O of the Appointment shall not of itself constitute a Put Event; or (iii) where the Issuer is Severn Trent, Severn Trent Water Limited ceases to be a Subsidiary of Severn Trent.

Promptly upon becoming aware that a Put Event has occurred, and in any event not later than 21 days after the occurrence of the Put Event, the Issuer or, as the case may be, the Guarantor shall, and at any time upon the Trustee becoming similarly so aware the Trustee may, and if so requested by an Extraordinary Resolution of the Noteholders shall, give notice (a "Put Event Notice") to the Noteholders in accordance with Condition 13, specifying the nature of the Put Event and the procedure for exercising the option contained in this Condition 6(e).

To exercise the option to require the Issuer to redeem a Note under this Condition 6(e), the Noteholder must deliver such Note at the specified office of any Paying Agent, on any day which is a day on which banks are open for business in London and in the place of the specified office of such Paying Agent falling within the period (the "Put Period") of 45 days after the date on which a Put Event Notice is given, accompanied by a duly signed and completed notice of exercise in the form (for the time being current) obtainable from the specified office of any Paying Agent (an "Event Put Notice"). The Note must be delivered to the Paying Agent together with all Coupons appertaining thereto (which expression, for the avoidance of doubt, shall include unmatured Coupons falling to be issued on exchange of matured Talons) maturing after the date (the "Put Date") being the seventh day after the date of expiry of the Put Period, failing which deduction in respect of such missing unmatured Coupons shall be made in accordance with Condition 5(b). The Paying Agent to which such Note and Event Put Notice are delivered will issue to the Noteholder

concerned a non-transferable receipt (a "Put Receipt") in respect of the Note so delivered. Payment by the Issuer in respect of any Note so delivered shall be made, if the Noteholder duly specified in the Event Put Notice a bank account to which payment is to be made, by transfer to that bank account on the Put Date, and in every other case, on or after the Put Date against presentation and surrender of such Put Receipt at the specified office of any Paying Agent. An Event Put Notice, once given, shall be irrevocable. For the purposes of Conditions 1, 8, 9, 10, 14 and 17 Put Receipts issued pursuant to this Condition 6(e) shall be treated as if they were Notes.

In these Terms and Conditions:

"K" has the meaning ascribed to it in the Appointment;

"Rated Securities" means the Notes, if at any time and for so long as they shall have a rating from a Rating Agency, and otherwise any other unsecured and unsubordinated debt of, where the Issuer is STWUF, the Guarantor or the Issuer or any other Subsidiary of the Guarantor which, in any case, is guaranteed on an unsecured and unsubordinated basis by the Guarantor or, where the Issuer is Severn Trent, the Issuer or any other Subsidiary of the Issuer which, in any case, is guaranteed on an unsecured and unsubordinated basis by the Issuer, in any case having an initial maturity of five years or more which is rated by a Rating Agency;

"Rating Agency" means Standard & Poor's Ratings Services, a Division of the McGraw-Hill Companies Inc. or Moody's Investors Service Limited or any of their respective Subsidiaries and their successors or any rating agency substituted for either of them (or any permitted substitute of either of them) by the Issuer and/or the Guarantor from time to time with the prior written approval of the Trustee (not to be unreasonably withheld or delayed) or any other rating agency approved in writing by the Trustee from time to time;

"Rating Downgrading" shall be deemed to have occurred in respect of a Restructuring Event if the current rating assigned to the Rated Securities by any Rating Agency (whether provided by a Rating Agency at the invitation of the Issuer and/or the Guarantor or by its own volition) is withdrawn or reduced from an investment grade rating (BBB-/Baa3, or their respective equivalents for the time being, or better) to a non-investment grade rating (BB+/Ba1, or their respective equivalents for the time being, or worse), or, if the Rating Agency shall have already rated the Rated Securities below investment grade (as described above), the rating is withdrawn or lowered one full rating category;

"Restructuring Event" means either (a) the modification of any material rights, benefits or obligations of Severn Trent Water Limited as a water undertaker or sewerage undertaker arising under the Appointment, or (b) any material modification being made to the Appointment regardless, in the case of both paragraphs (a) and (b), of whether or not such modification is made with the consent of Severn Trent Water Limited and whether pursuant to the Water Industry Act 1991 or otherwise but excluding, in the case of both paragraphs (a) and (b), an adjustment in K (including for this purpose, for the avoidance of doubt, any adjustment to the basis or formula for pricing which arises as part of a periodic review under the terms of the Appointment) or a modification in respect of, or which removes, such part of its area as is the subject of an appointment or variation by virtue of section 7(4)(b) or (bb) of the Water Industry Act 1991. For the avoidance of doubt, the service by the Secretary of State of a notice under Condition O of the Appointment shall not of itself constitute a Restructuring Event; and

"Restructuring Period" means, whether or not there are Rated Securities at the time a Restructuring Event occurs, the period of 45 days starting from and including the day on which that Restructuring Event occurs.

(f) Early Redemption Amounts

For the purpose of paragraph (b) above and Condition 9, each Note will be redeemed at the Early Redemption Amount calculated as follows:

- (i) in the case of a Note with a Final Redemption Amount equal to the Issue Price, at the Final Redemption Amount thereof;
- (ii) in the case of a Note (other than a Zero Coupon Note but including an Instalment Note and a Partly Paid Note) with a Final Redemption Amount which is or may be less or greater than the Issue Price or which is payable in a Specified Currency other than that in which the Note is denominated, at the amount specified in, or determined in the manner specified in, the

applicable Pricing Supplement or, if no such amount or manner is so specified in the applicable Pricing Supplement, at its nominal amount; or

- (iii) in the case of a Zero Coupon Note, at an amount (the "Amortised Face Amount") calculated in accordance with the following formula:

$$\text{Early Redemption Amount} = \text{RP} * (1 + \text{AY})^y$$

where:

"RP" means the Reference Price;

"AY" means the Accrual Yield expressed as a decimal; and

"y" is a fraction the numerator of which is equal to the number of days (calculated on the basis of a 360-day year consisting of 12 months of 30 days each) from (and including) the Issue Date of the first Tranche of the Notes to (but excluding) the date fixed for redemption or (as the case may be) the date upon which such Note becomes due and repayable and the denominator of which is 360,

or on such other calculation basis as may be specified in the applicable Pricing Supplement.

(g) Instalments

Instalment Notes will be redeemed in the Instalment Amounts and on the Instalment Dates. In the case of early redemption, the Early Redemption Amount will be determined pursuant to paragraph (f) above.

(h) Partly Paid Notes

Partly Paid Notes will be redeemed, whether at maturity, early redemption or otherwise, in accordance with the provisions of this Condition and the applicable Pricing Supplement.

(i) Purchases

The Issuer, the Guarantor or any of their Subsidiaries may at any time purchase Notes (provided that, in the case of definitive Notes, all unmatured Receipts, Coupons and Talons appertaining thereto are purchased therewith) at any price in the open market or otherwise. If purchases are made by tender, tenders must be available to all Noteholders alike. All Notes so purchased may be held, reissued, resold or, at the option of the Issuer or the Guarantor, surrendered to a Paying Agent for cancellation.

(j) Cancellation

All Notes which are redeemed will forthwith be cancelled (together with all unmatured Receipts, Coupons and Talons attached thereto or surrendered therewith at the time of redemption). All Notes so cancelled (together with all unmatured Receipts, Coupons and Talons cancelled therewith) shall be forwarded to the Agent and cannot be reissued or resold.

(k) Late payment on Zero Coupon Notes

If the amount payable in respect of any Zero Coupon Note upon redemption of such Zero Coupon Note pursuant to paragraph (a), (b), (c) or (d) above or upon its becoming due and repayable as provided in Condition 9 is improperly withheld or refused, the amount due and repayable in respect of such Zero Coupon Note shall be the amount calculated as provided in paragraph (f)(iii) above as though the references therein to the date fixed for the redemption or the date upon which such Zero Coupon Note becomes due and payable were replaced by references to the date which is the earlier of:

- (i) the date on which all amounts due in respect of such Zero Coupon Note have been paid; and
- (ii) five days after the date on which the full amount of the moneys payable in respect of such Zero Coupon Notes has been received by the Trustee or the Agent and notice to that effect has been given to the Noteholders in accordance with Condition 13.

7. Taxation

All payments of principal and interest in respect of the Notes, Receipts and Coupons by the Issuer or the Guarantor will be made without withholding or deduction for or on account of any present or future taxes or duties of whatever nature imposed or levied by or on behalf of the United Kingdom or any political

subdivision of, or any authority in, or of, the United Kingdom having power to tax unless such withholding or deduction is required by law. In such event, the Issuer or, as the case may be, (where the Issuer is STWUF) the Guarantor will pay such additional amounts as shall be necessary in order that the net amounts received by the holders of the Notes, Receipts or Coupons after such withholding or deduction shall equal the respective amounts of principal and interest which would otherwise have been receivable in respect of the Notes, Receipts or Coupons, as the case may be, in the absence of such withholding or deduction; except that no such additional amounts shall be payable with respect to any Note, Receipt or Coupon:

- (a) presented for payment in the United Kingdom; or
- (b) presented for payment by or on behalf of a holder who is liable for such taxes or duties in respect of such Note, Receipt or Coupon by reason of his having some connection with the United Kingdom other than the mere holding of such Note, Receipt or Coupon; or
- (c) presented for payment more than 30 days after the Relevant Date (as defined below) except to the extent that the holder thereof would have been entitled to an additional amount on presenting the same for payment on such thirtieth day assuming, whether or not such is in fact the case, that day to have been a Payment Day (as defined in Condition 5(e)); or
- (d) presented for payment by or on behalf of a holder in respect of whom such withholding or deduction would not have been required had such holder provided evidence that such holder is within the charge to United Kingdom corporation tax (if that is the case) or had such holder made a declaration of non-residence or other similar claim for exemption to the relevant tax authority or taken any other relevant procedural steps required in any of those cases in sufficient time prior to the Relevant Date to enable an exemption from withholding or deduction to be available in respect of the relevant payment of principal or interest (as the case may be); or
- (e) where such withholding or deduction is imposed on a payment to an individual and is required to be made pursuant to any European Union Directive on the taxation of savings implementing the conclusions of the ECOFIN Council meeting of 26-27 November 2000 or any law implementing or complying with, or introduced in order to conform to, such Directive; or
- (f) presented for payment by or on behalf of a holder who would have been able to avoid such withholding or deduction by presenting the relevant Note, Receipt or Coupon to another Paying Agent in a Member State of the European Union.

In these Terms and Conditions, the “Relevant Date” means the date on which such payment first becomes due, except that, if the full amount of the moneys payable has not been duly received by the Trustee or the Agent on or prior to such due date, it means the date on which, the full amount of such moneys having been so received, notice to that effect is duly given to the Noteholders in accordance with Condition 13.

8. Prescription

The Notes, Receipts and Coupons will become void unless presented for payment within a period of 10 years (in the case of principal) and five years (in the case of interest) after the Relevant Date (as defined in Condition 7) therefor.

There shall not be included in any Coupon sheet issued on exchange of a Talon any Coupon the claim for payment in respect of which would be void pursuant to this Condition or Condition 5(b) or any Talon which would be void upon issue pursuant to this Condition or Condition 5(b).

9. Events of Default

(a) Events of Default:

The Trustee at its discretion may, and if so requested in writing by the holders of at least one-quarter in nominal amount of the Notes then outstanding or if so directed by an Extraordinary Resolution of the Noteholders shall (subject in each case to being indemnified to its satisfaction), give notice to the Issuer and (where the Issuer is STWUF) the Guarantor that the Notes are, and they shall accordingly thereupon become, immediately due and repayable at their Early Redemption Amount (as specified in the applicable Pricing Supplement), together with accrued interest as provided in the Trust Deed, if any of the following events (each an “Event of Default”) shall occur:

- (i) if default is made in the payment of any principal or interest due in respect of the Notes or any of them and the default continues for a period of 15 days; or
- (ii) if the Issuer or (where the Issuer is STWUF) the Guarantor fails to perform or observe any of its other obligations under these Terms and Conditions or the Trust Deed and (except where the Trustee considers the failure to be incapable of remedy when the Notes will become due and repayable subject only to and upon the Trustee certifying as is hereinafter mentioned and giving notice as is herein and in the lead-in paragraph to this Condition mentioned) the failure continues for the period of 30 days (or such longer period as the Trustee may permit) next following the service by the Trustee on the Issuer or (where the Issuer is STWUF) the Guarantor (as the case may be) of written notice requiring the same to be remedied; or
- (iii) if any indebtedness for Moneys Borrowed of the Issuer, (where the Issuer is STWUF) the Guarantor or any Material Subsidiary is validly declared to be due and repayable prior to the date on which the same would otherwise become due and repayable by reason of the occurrence of an event of default (however described) in relation thereto or if the Issuer, (where the Issuer is STWUF) the Guarantor or any Material Subsidiary defaults in the repayment of any indebtedness for Moneys Borrowed at the maturity thereof or at the expiry of any originally applicable grace period, or if any guarantee or indemnity or other like obligation in respect of any indebtedness for Moneys Borrowed given by the Issuer, (where the Issuer is STWUF) the Guarantor or any Material Subsidiary shall not be paid when due and called upon or at the expiry of any originally applicable grace period save in any such case where there is a *bona fide* dispute as to whether payment or repayment is due, provided that no such event as aforesaid shall constitute an event of default unless the Moneys Borrowed or other liability relative thereto either alone or when aggregated with other Moneys Borrowed and/or other liabilities relative to all (if any) other such events which shall have occurred shall amount to at least £10,000,000 (or its equivalent in any other currency or currencies at the date the same become due and payable or such default occurs or such payment is not made, as the case may be); or
- (iv) if (a) an order is made or an effective resolution is passed for the appointment of an administrator or for the winding-up of the Issuer, (where the Issuer is STWUF) the Guarantor or any Material Subsidiary (except, in the case of a Material Subsidiary, a winding-up for the purposes of a reconstruction or amalgamation, the terms of which have previously been approved in writing by the Trustee, or a voluntary solvent winding-up in connection with the transfer of all or the major part of the business, undertaking and assets of such Material Subsidiary to (where the Issuer is STWUF) the Guarantor, the Issuer or another Subsidiary of the Guarantor or (where the Issuer is Severn Trent) the Issuer or a Subsidiary of the Issuer (not, in any case, being an Excluded Subsidiary)); or (b) an order is made in respect of Severn Trent Water Limited pursuant to section 24 of the Water Industry Act 1991; or
- (v) If the Issuer, (where the Issuer is STWUF) the Guarantor or any Material Subsidiary stops or threatens to stop payment generally or ceases or threatens to cease to carry on its business or a substantial part of its business (except, in the case of a Material Subsidiary, a cessation or threatened cessation for the purpose of a reconstruction or amalgamation on the terms of which have previously been approved in writing by the Trustee, or in connection with the transfer of all or the major part of the business, undertaking and assets of such Material Subsidiary to (where the Issuer is STWUF) the Guarantor, the Issuer or another Subsidiary of the Guarantor or (where the Issuer is Severn Trent) the Issuer or a Subsidiary of the Issuer (not, in any case, being an Excluded Subsidiary) or which is not material in the context of the Group as a whole); or
- (vi) if an encumbrancer takes possession or an administrative or other receiver or manager is appointed of the whole or any material part of the undertaking or assets of the Issuer, (where the Issuer is STWUF) the Guarantor or any Material Subsidiary (where, in the case of a Material Subsidiary, such undertaking or assets or part thereof is or are material in the context of the Group as a whole) or if a distress, execution or any similar proceeding is levied or enforced upon or sued out against the whole or any material part of the property of the Issuer, (where the Issuer is STWUF) the Guarantor or any Material Subsidiary (where, in the case of a Material Subsidiary, such property or part thereof is material in the context of the Group as a whole) and in any such case is not removed, paid out or discharged within 21 days (or such longer period as the Trustee may approve); or

- (vii) if the Issuer, (where the Issuer is STWUF) the Guarantor or any Material Subsidiary is deemed for the purpose of any law to be unable to pay its debts, or the value of the assets of the Issuer, (where the Issuer is STWUF) the Guarantor or any Material Subsidiary falls to less than the amount of its liabilities (taking into account for both these purposes its contingent and prospective liabilities) or the Issuer, (where the Issuer is STWUF) the Guarantor or any Material Subsidiary otherwise becomes, or is determined by any competent court or other authority to be, insolvent, or suspends making payments (whether of principal or interest) in respect of any class of its debts or announces an intention to do so or a moratorium is declared in respect of any of its indebtedness; or
- (viii) if any kind of composition, scheme of arrangement, compromise or other similar arrangement involving the Issuer, (where the Issuer is STWUF) the Guarantor or any Material Subsidiary and its creditors generally (or any class of such creditors) is entered into or made (except a composition, scheme of arrangement, compromise or other similar arrangement for the purpose of a reconstruction or amalgamation the terms of which have previously been approved in writing by the Trustee); or
- (ix) where the Issuer is STWUF, the Guarantee ceases to be, or is claimed by the Guarantor not to be, in full force and effect,

and, in the case of the happening of any of the Events of Default referred to in paragraphs (ii) above and, in relation to a Material Subsidiary, (iii) to (viii) inclusive above, the same has been certified in writing by the Trustee to the Issuer and (where the Issuer is STWUF) the Guarantor to be in its opinion materially prejudicial to the interests of the Noteholders.

The Trustee may at any time, at its discretion and without notice, take such proceedings against the Issuer or (where the Issuer is STWUF) the Guarantor as it may think fit to enforce the provisions of the Trust Deed, the Notes, the Receipts and the Coupons, but it shall not be bound to take any such proceedings or any other action in relation to the Trust Deed, the Notes or the Coupons unless (a) it shall have been so directed by an Extraordinary Resolution of the Noteholders or so requested in writing by the holders of at least one-quarter in nominal amount of the Notes then outstanding, and (b) it shall have been indemnified to its satisfaction.

No Noteholder, Receiptholder or Couponholder shall be entitled to proceed directly against the Issuer or the Guarantor unless the Trustee, having become bound so to proceed, fails so to do within a reasonable period and the failure shall be continuing.

(b) Definitions

In these Terms and Conditions:

“Material Subsidiary” means any Subsidiary of, if the Issuer is Severn Trent, the Issuer or, if the Issuer is STWUF, the Guarantor (not being, in the latter case, STWUF or, in either case, an Excluded Subsidiary):

- (a) whose profits on ordinary activities before tax or whose net assets (in each case consolidated in respect of a Subsidiary which itself has Subsidiaries) and in each case attributable to (where the Issuer is Severn Trent) the Issuer or (where the Issuer is STWUF) the Guarantor, all as shown in the latest audited accounts (consolidated or, as the case may be, unconsolidated) of such Subsidiary represent 10 per cent. or more of:
 - (i) the profits on ordinary activities before tax or, as the case may be, net assets of (where the Issuer is Severn Trent) the Issuer or (where the Issuer is STWUF) the Guarantor all as shown in the latest audited accounts of (where the Issuer is Severn Trent) the Issuer or (where the Issuer is STWUF) the Guarantor; or
 - (ii) (if audited consolidated accounts of (where the Issuer is Severn Trent) the Issuer and its Subsidiaries or (where the Issuer is STWUF) the Guarantor and its Subsidiaries are prepared) the consolidated profits on ordinary activities before tax or, as the case may be, consolidated net assets (in each case attributable to the shareholders of (where the Issuer is Severn Trent) the Issuer or (where the Issuer is STWUF) the Guarantor) of (where the Issuer is Severn Trent) the Issuer and its Subsidiaries or (where the Issuer is STWUF) the Guarantor and its Subsidiaries (other than, in any case, Excluded Subsidiaries) all as shown in the latest audited consolidated accounts of (where the

Issuer is Severn Trent) the Issuer and its Subsidiaries or (where the Issuer is STWUF) the Guarantor and its Subsidiaries; or

- (b) to which is transferred all or substantially all of the business, undertaking or assets of a Subsidiary which immediately prior to such transfer is a Material Subsidiary, whereupon the transferor Subsidiary shall immediately cease to be a Material Subsidiary and the transferee Subsidiary shall immediately become a Material Subsidiary but shall cease to be a Material Subsidiary under this sub-paragraph (b) (but without prejudice to the provisions of sub-paragraph (a) above) upon publication of its next audited accounts.

A report (whether or not addressed to the Trustee) by the Auditors (as defined in the Trust Deed) that in their opinion a Subsidiary is or is not or was or was not at any particular time or throughout any particular period a Material Subsidiary shall, in the absence of manifest error, be conclusive and binding on all parties. The Trust Deed provides that the Trustee may rely on certificates or reports from the Auditors in accordance with the provisions of the Trust Deed whether or not any such certificate or report or any engagement letter or other document entered into by the Trustee and the Auditors in connection therewith contains any limit on the liability of the Auditors; and

“Moneys Borrowed” means: (a) borrowed moneys; (b) liabilities under any bond, note, bill, debenture, loan stock or other security not for the time being beneficially owned by any member of the Group, in each case issued (i) as consideration for assets or services (but excluding such liabilities incurred in relation to the acquisition of assets or services in the ordinary course of trading) or (ii) for cash; and (c) liabilities under acceptance credit facilities, but shall not in the case of (a), (b) or (c) include Project Finance Indebtedness.

10. Replacement of Notes, Receipts, Coupons and Talons

Should any Note, Receipt, Coupon or Talon be lost, stolen, mutilated, defaced or destroyed, it may be replaced at the specified office of the Agent upon payment by the claimant of such costs and expenses as may be incurred in connection therewith and on such terms as to evidence and indemnity as the Issuer may reasonably require. Mutilated or defaced Notes, Receipts, Coupons or Talons must be surrendered before replacements will be issued.

11. Paying Agents

The names of the initial Paying Agents and their initial specified offices are set out below.

The Issuer is entitled, with the prior written approval of the Trustee, to vary or terminate the appointment of any Paying Agent and/or appoint additional or other Paying Agents and/or approve any change in the specified office through which any Paying Agent acts, provided that:

- (a) there will at all times be an Agent; and
- (b) so long as the Notes are listed on any stock exchange or admitted to listing by any other relevant authority, there will at all times be a Paying Agent with a specified office in such place as may be required by the rules and regulations of the relevant stock exchange or other relevant authority; and
- (c) if any European Union Directive on the taxation of savings implementing the conclusions of the ECOFIN Council meeting of 26-27 November 2000 or any law implementing or complying with, or introduced in order to conform to such Directive is introduced, the Issuer will ensure that it maintains a Paying Agent in a state approved by the Trustee that will not be obliged to withhold or deduct tax pursuant to any such Directive.

In addition, the Issuer shall forthwith appoint a Paying Agent having a specified office in New York City in the circumstances described in Condition 5(d). Any variation, termination, appointment or change shall only take effect (other than in the case of insolvency, when it shall be of immediate effect) after not less than 30 nor more than 45 days' prior notice thereof shall have been given to the Noteholders in accordance with Condition 13.

In acting under the Agency Agreement, the Paying Agents act solely as agents of the Issuer and the Guarantor and, in certain circumstances described therein, the Trustee and do not assume any obligation to, or relationship of agency or trust with, any Noteholders, Receiptholders or Couponholders. The Agency Agreement contains provisions permitting any entity into which any Paying Agent is merged or converted or with which it is consolidated or to which it transfers all or substantially all of its assets to become the successor Paying Agent.

12. Exchange of Talons

On and after the Interest Payment Date on which the final Coupon comprised in any Coupon sheet matures, the Talon (if any) forming part of such Coupon sheet may be surrendered at the specified office of the Agent or any other Paying Agent in exchange for a further Coupon sheet including (if such further Coupon sheet does not include Coupons to (and including) the final date for the payment of interest due in respect of the Note to which it appertains) a further Talon, subject to the provisions of Condition 8.

13. Notices

All notices regarding the Notes or Coupons will be deemed to be validly given if published in a leading English language daily newspaper of general circulation in London. It is expected that such publication will be made in the *Financial Times* in London. The Issuer shall also ensure that notices are duly published in a manner which complies with the rules and regulations of any stock exchange or other relevant authority on which the Notes are for the time being listed or by which they have been admitted to listing. Any such notice will be deemed to have been given on the date of the first publication or, where required to be published in more than one newspaper, on the date of the first publication in all required newspapers. If publication as aforesaid is not practicable, notice shall be given in such other manner and shall be deemed to have been given on such date as the Issuer, the Trustee and the Agent agree.

Until such time as any definitive Notes are issued, there may, so long as any Global Notes representing the Notes are held in their entirety on behalf of Euroclear and/or Clearstream, Luxembourg, be substituted for such publication in such newspaper(s) the delivery of the relevant notice to Euroclear and/or Clearstream, Luxembourg for communication by them to the holders of the Notes and, in addition, for so long as any Notes are listed on a stock exchange or admitted to listing by any other relevant authority and the rules of that stock exchange or, as the case may be, other relevant authority so require, such notice will be published in a daily newspaper of general circulation in the place or places required by that stock exchange or, as the case may be, other relevant authority. Any such notice shall be deemed to have been given to the holders of the Notes on the seventh day after the day on which the said notice was given to Euroclear and/or Clearstream, Luxembourg.

Notices to be given by any Noteholder shall be in writing and given by lodging the same, together (in the case of any Note in definitive form) with the relative Note or Notes, with the Agent. Whilst any of the Notes is represented by a Global Note, such notice may be given by any holder of a Note to the Agent through Euroclear and/or Clearstream, Luxembourg, as the case may be, in such manner as the Agent and Euroclear and/or Clearstream, Luxembourg, as the case may be, may approve for this purpose.

14. Meetings of Noteholders, Modification and Waiver

The Trust Deed contains provisions for convening meetings of the Noteholders to consider any matter affecting their interests, including the sanctioning by Extraordinary Resolution of a modification of the Notes, these Terms and Conditions, the Receipts, the Coupons or any of the provisions of the Trust Deed. Such a meeting may be convened by the Issuer or the Trustee and shall be convened by the Issuer or (where the Issuer is STWUF) the Guarantor at the request of Noteholders holding not less than five per cent. in nominal amount of the Notes for the time being remaining outstanding. The quorum at any such meeting for passing an Extraordinary Resolution is one or more persons holding or representing more than 50 per cent. in nominal amount of the Notes for the time being outstanding, or at any adjourned meeting one or more persons being or representing Noteholders whatever the nominal amount of the Notes so held or represented, except that at any meeting the business of which includes the modification of certain provisions of the Notes, these Terms and Conditions, the Receipts, the Coupons and the Trust Deed (including, as set out therein, modifying the date of maturity of the Notes or any date for payment of interest thereon, reducing or cancelling the amount of principal or the rate of interest payable in respect of the Notes or altering the currency of payment of the Notes, the Receipts or the Coupons), the quorum shall be one or more persons holding or representing not less than three-quarters in nominal amount of the Notes for the time being outstanding, or at any adjourned such meeting one or more persons holding or representing not less than one-quarter in nominal amount of the Notes for the time being outstanding. An Extraordinary Resolution passed at any meeting of the Noteholders shall be binding on all the Noteholders, whether or not they are present at the meeting, and on all Receiptholders and Couponholders.

The Trustee may agree, without the consent of the Noteholders, Receiptholders or Couponholders, to:

- (a) any modification of the Notes or these Terms and Conditions, the Receipts, the Coupons or the Trust Deed which is not in the opinion of the Trustee materially prejudicial to the interests of the Noteholders; or
- (b) any modification of the Notes or these Terms and Conditions, the Receipts, the Coupons or the Trust Deed which is of a formal, minor or technical nature or is made to correct a manifest error or to comply with mandatory provisions of the law.

The Trustee may also agree, without the consent of the Noteholders, Receiptholders or Couponholders, to the waiver or authorisation of any breach or proposed breach of, any of these Terms and Conditions or any of the provisions of the Trust Deed, or determine, without any such consent as aforesaid, that any Event of Default or Potential Event of Default (as defined in the Trust Deed) shall not be treated as such, which in any such case is not, in the opinion of the Trustee, materially prejudicial to the interests of the Noteholders.

In connection with the exercise by it of any of its trusts, powers, authorities and discretions (including, without limitation, any modification, waiver, authorisation, determination or substitution under Condition 17), the Trustee shall have regard to the general interests of the Noteholders as a class but shall not have regard to any interests arising from circumstances particular to individual Noteholders, Receiptholders or Couponholders (whatever their number) and, in particular but without limitation, shall not have regard to the consequences of any such exercise for individual Noteholders, Receiptholders or Couponholders (whatever their number) resulting from their being for any purpose domiciled or resident in, or otherwise connected with, or subject to the jurisdiction of, any particular territory or any political sub-division thereof and the Trustee shall not be entitled to require, nor shall any Noteholder, Receiptholder or Couponholder be entitled to claim, from the Issuer, the Guarantor, the Trustee or any other person any indemnification or payment in respect of any tax consequence of any such exercise upon individual Noteholders, Receiptholders or Couponholders except to the extent already provided for in Condition 7 and/or any undertaking given in addition to, or in substitution for, Condition 7 pursuant to the Trust Deed.

Any such modification, waiver, authorisation, determination or substitution under Condition 17 shall be binding on the Noteholders, the Receiptholders and the Couponholders and, unless the Trustee otherwise agrees, any such modification or substitution shall be notified to the Noteholders in accordance with Condition 13 as soon as practicable thereafter.

15. Further Issues

The Issuer shall be at liberty from time to time without the consent of the Noteholders, the Receiptholders or the Couponholders to create and issue further notes having terms and conditions the same as the Notes or the same in all respects save for the amount and date of the first payment of interest thereon and so that the same shall be consolidated and form a single Series with the outstanding Notes. The Trust Deed contains provisions for convening a single meeting of the Noteholders and the holders of notes of other Series in certain circumstances where the Trustee so decides.

16. Contracts (Rights of Third Parties) Act 1999

No rights are conferred on any person by virtue of the Contracts (Rights of Third Parties) Act 1999 to enforce any term of this Note, but this does not affect any right or remedy of any person which exists or is available apart from that Act.

17. Substitution

The Trustee may agree, without the consent of the Noteholders, Receiptholders or Couponholders, to the substitution at any time or times of:

- (a) where the Issuer is STWUF (i) the Guarantor or (ii) any successor company (as defined in the Trust Deed) of the Issuer or the Guarantor or (iii) any other Subsidiary (other than an Excluded Subsidiary) of the Guarantor or any such successor company or (iv) any holding company of the Guarantor or any such successor company; and
- (b) where the Issuer is Severn Trent (i) any successor company of the Issuer or (ii) any Subsidiary (other than an Excluded Subsidiary) of the Issuer or any such successor company or (iii) any holding company of the Issuer or any such successor company,

as the principal debtor under the Trust Deed and the Notes. Such agreement shall also be subject to the relevant provisions of the Trust Deed, including the Trustee being satisfied that the interests of the Noteholders will not be materially prejudiced thereby and (except, where the Issuer is STWUF, where the Guarantor or any such successor company of the Guarantor is the new principal debtor and, where the Issuer is Severn Trent, where the Issuer or any such successor company of the Issuer is the new principal debtor) the irrevocable and unconditional guarantee in respect of the Notes by, where the Issuer is STWUF, the Guarantor or any such successor company of the Guarantor or, where the Issuer is Severn Trent, the Issuer or any such successor company of the Issuer.

Where the Issuer is STWUF, the Trustee may also agree, without the consent of the Noteholders, the Receiptholders or the Couponholders, to the substitution at any time or times of (i) any successor company of the Guarantor or (ii) a Subsidiary (other than an Excluded Subsidiary) of the Guarantor acceptable to the Trustee as the guarantor under the Trust Deed and of the Notes, in each case in place of the Guarantor. Such agreement shall be subject to the relevant provisions of the Trust Deed, including the Trustee being satisfied that the interests of the Noteholders will not be materially prejudiced thereby and such successor company or Subsidiary having the benefit of the Appointment held by the Guarantor.

In the case of any proposed substitution, the Trustee may agree, without the consent of the Noteholders, the Receiptholders or the Couponholders, to a change of the law governing the Notes, the Receipts, the Coupons and/or the Trust Deed provided that such change would not, in the opinion of the Trustee, be materially prejudicial to the interests of the Noteholders.

18. Indemnification of the Trustee

The Trust Deed contains provisions for the indemnification of the Trustee and for its relief from responsibility, including provisions relieving it from taking proceedings to enforce repayment unless indemnified to its satisfaction.

The Trust Deed also contains provisions pursuant to which the Trustee is entitled, *inter alia*, (i) to enter into business transactions with the Issuer and/or the Guarantor and/or any of the Issuer's or the Guarantor's other Subsidiaries and to act as trustee for the holders of any other securities issued or guaranteed by, or relating to, the Issuer and/or the Guarantor and/or any of the Issuer's or the Guarantor's other Subsidiaries, (ii) to exercise and enforce its rights, comply with its obligations and perform its duties under or in relation to any such transactions or, as the case may be, any such trusteeship without regard to the interests of, or consequences for, the Noteholders, the Receiptholders or the Couponholders, and (iii) to retain and not be liable to account for any profit made or any other amount or benefit received thereby or in connection therewith.

19. Governing Law

The Trust Deed, the Notes, the Receipts and the Coupons are governed by, and shall be construed in accordance with, English law.

USE OF PROCEEDS

The net proceeds from each issue of Notes will be applied by the Group (as defined in the “Terms and Conditions of the Notes”) for its general corporate purposes.

DESCRIPTION OF SEVERN TRENT PLC

Severn Trent Plc ("Severn Trent") was incorporated as a public limited company with limited liability in England and Wales on 1 April 1989 under the Companies Act 1985 with registered number 2366619. It is the ultimate holding company of Severn Trent Water Limited ("STWL") and the ultimate holding company of Severn Trent Water Utilities Finance Plc ("STWUF"). Severn Trent is the holding company of the Severn Trent group of companies and is listed on the Official List of the UK Listing Authority.

As at 15 January 2003, the authorised share capital of Severn Trent is £339,483,121 divided into 520,175,751 ordinary shares of 65⁵/₁₉, pence each, of which, 343,934,980 ordinary shares have been issued and fully paid.

Severn Trent was listed on the London Stock Exchange in December 1989, along with nine other major water and sewerage companies, as part of the United Kingdom ("UK") government's privatisation programme. Severn Trent provides water and waste water services in Central England and parts of Wales through its wholly owned subsidiary, STWL. Since privatisation, Severn Trent has diversified its business to offer waste management services and the provision of environmental products and services.

The Severn Trent group, comprising Severn Trent and its subsidiaries (the "Group"), has three main businesses: the regulated water utility, STWL (see "Description of Severn Trent Water Limited"); the waste management group, Biffa Waste Services ("Biffa"); and Severn Trent Services ("STS"), which supplies products and provides services related primarily to water and waste water. Management and consultancy services, property development, information technology and engineering consultancy comprise the remainder of the Group's main businesses.

Severn Trent had a market capitalisation of £2 billion as at 30 September 2002.

Biffa Waste Services

Severn Trent acquired Biffa in 1991 from BET Plc. This is the Group's waste management services business providing collection, landfill and special waste services in the UK and Belgium. In September 2000 Biffa acquired UK Waste Management Limited ("UK Waste") from Waste Management, Inc., which established Biffa as one of the leading waste management businesses in the UK. Biffa estimates that it has around 10 per cent. of the UK waste market by value and in the UK Biffa has approximately 1,000 trucks, more than 60 depots, operates around 30 landfill sites and provides special waste treatment services.

Severn Trent Services

STS is a group of non-regulated businesses, based predominantly in the United States ("US") and the UK, providing environmental products and services to industrial, commercial and municipal customers. STS operates principally in three sectors: analytical laboratories, water purification and operating services. Its activities in the analytical laboratories sector include environmental testing services for a wide range of sample types. STS is currently the market leader in this sector in both the US and the UK. STS's activities in the water purification sector include the provision of products and systems that treat water and waste water in municipal and industrial applications. Within this sector, STS is a market leader in chlorine based disinfection. Activities in the operating services sector include the provision of a wide range of water and wastewater services to municipalities and industry, with over 400 contracts in some 31 US states.

Other Businesses of Severn Trent

Severn Trent Water International (STWI) provides management and consultancy services to the water, waste water and environmental industries. STWI also manages water utility operations outside the UK and has an associated undertaking in Belgium, Aquafin, providing sewerage services for Flanders.

Severn Trent Property Limited was established to exploit the development potential of land that becomes surplus to the requirements of STWL. It has subsequently expanded its interests, including a major development at the Daventry International Rail Freight Terminal, and it has a 51 per cent. interest in Thorpe Park, a major out of town office development for the City of Leeds.

Severn Trent Systems (consisting of Severn Trent Systems Limited and Computer Systems and Applications Inc.) provides computer software packages for utilities in the customer information and work management areas. It also supplies all the IT requirements of STWL.

Charles Haswell & Partners Limited is an engineering and project management consultancy working for STWL and for a range of external clients in the UK and overseas.

Derwent Insurance, based in Guernsey, provides insurance cover to some Severn Trent group companies.

Interim Results

On 11 December 2002 Severn Trent published its interim results for the six months to 30 September 2002. In these results, the Chairman's statement referred to the impact on Biffa and Services in the first half of 2002/03 of the difficult economic and market conditions and included the following information:

"The Board considers that the Group's overall performance for the first half year is broadly consistent with market expectations for the Group's 2002/03 full year profit after interest but before goodwill amortisation, exceptional items and tax."

The assumptions on which this forecast was made are set out below.

Key assumptions relating to circumstances over which management has no influence include:

- no material economic changes in markets in which the Group operates;
- no material change to seasonal demand for or cost in supply of the Group's services or products, whether from abnormal weather or other factors;
- no future competitor activity having a material impact on sales volumes, prices or costs;
- no material effect from changes in prices of goods or services purchased by the Group;
- no future legal, legislative or regulatory changes or other action materially affecting sales, selling prices, or costs or otherwise impacting the Group;
- no material change in the present management or control of the Group;
- no material variation in inflation, interest or exchange rates;
- no material change in taxation rates and scope (direct and indirect);
- no material disruptions to the business of the Group from natural disasters, wars, terrorist activities and other hostilities, or other unforeseen events;
- no changes in applicable UK Financial Reporting Standards; and
- no material changes to equity or other financial markets.

Key assumptions over which management has influence include:

- service and production delivery difficulties will not impact the supply of the Group's services or products, including those difficulties arising from IT systems, any regulatory issues, industrial disputes, disruptions or disturbances in facilities of the Group or its key suppliers;
- existing restructuring plans will be implemented as announced;
- no material restructurings, acquisitions, disposals or other forms of material corporate activity;
- no loss of sales or customers which would have a material effect;
- no material changes in accounting policies, practices or procedures;
- material capital expenditure is completed as planned;
- operating costs for the Group's businesses are not materially different from expectations;
- material contracts are entered into and completed in line with expectations; and
- no matters under dispute lead to material liabilities.

The interim results also contained the following information within Note 3 Exceptional Items:

"Exceptional costs in the half year to 30 September 2002 related to a £41.4m charge for the impairment of fixed assets in Severn Trent Services; the impairment was determined in accordance with FRS 11 "Impairment of fixed assets and goodwill". The impairment restates the relevant assets to value in use using a pre-tax discount rate of 10 per cent. £37.8m of this impairment charge was a write down of goodwill, the remaining £3.6m was a write down of tangible fixed assets."

The interim results also contained the following information within Note 7 Pensions:

“On an FRS 17 basis, as at 30 September 2002, the estimated overall net position of the group’s defined benefit pension schemes is a deficit of approximately £220m, as compared to a net surplus of approximately £30m as at 31 March 2002, (in both cases before amounts deemed irrecoverable and deferred tax). As at 30 September 2002 the group’s defined benefit pension schemes had total assets of approximately £760m of which around 68 per cent. was invested in equities.

SSAP24, the applicable standard for Severn Trent, uses the results of the last formal actuarial valuations, which were in surplus overall, to determine the pension charge in the group’s accounts. The SSAP24 charge continues to be derived on this basis until the next formal actuarial valuation.”

DESCRIPTION OF SEVERN TRENT WATER LIMITED

Severn Trent Water Limited ("STWL"), was incorporated on 1 April 1989 with limited liability in England and Wales under the Companies Act 1985 with registered number 2366686. It was established for the purpose of assuming the business carried on by the Severn Trent Water Authority prior to the privatisation of the water industry in England and Wales. Its principal business is the provision of water supply and sewerage services. STWL is regulated under the Water Industry Act 1991. STWL is the wholly-owned principal operating subsidiary of Severn Trent Plc. STWUF is also a wholly owned subsidiary of STWL.

Region

STWL is one of the larger UK water and sewerage companies in terms of area and turnover. Its appointed region broadly covers the catchment areas for the Rivers Severn and Trent and their tributaries and stretches from the Bristol Channel to the Humber estuary and from mid-Wales to the East Midlands. This region includes the cities of Birmingham, Coventry, Derby, Leicester, Nottingham, Stoke-on-Trent, Worcester and Gloucester and covers some 21,600 square kilometres. STWL provides wastewater services to over eight million people and water services to approximately seven million people. In the year ended 31 March 2002 STWL supplied an average of 1.5 billion litres of water per day to 3.2 million properties. South Staffordshire Water Plc supplies the rest of the region's water requirements.

Investment Programme

The water business is a capital-intensive industry and, in common with other water and sewerage companies (each a "WASC"), STWL will undertake a substantial investment programme for the period 2000-2005. Since privatisation in 1989 to the end of the financial year ended 31 March 2002, STWL invested approximately £5.4 billion to meet EU Directives, the requirements of the Office of Water Services ("OFWAT"), the Drinking Water Inspectorate and the Environment Agency ("EA"), all of which require STWL to maintain and improve the security and quality of its water and sewerage services.

Regulatory Environment

STWL holds an appointment (the "Appointment") granted by the Secretary of State for the Environment, Food & Rural Affairs (the "Secretary of State") as a water and sewerage undertaker pursuant to the Water Act 1989 (now the Water Industry Act 1991). Appointed undertakers must hold a licence and 25 years notice must be given to terminate the licence (although it may be terminated or transferred prior to the end of such period in certain circumstances which are specified in the Water Industry Act 1991 or in the Appointment).

The Secretary of State, the Director General of Water Services ("DGWS") and the EA constitute the principal regulators of the industry. The Water Industry Act 1991 requires the DGWS and the Secretary of State to exercise and perform their statutory powers and duties in a manner each considers best calculated to secure, *inter alia*, that undertakers can finance the proper carrying out of their functions and that, at the same time but subject thereto, to ensure that the interests of customers are protected as regards the fixing and recovery by undertakers of water and drainage charges. Pollution control, water resources management, fisheries management, flood protection and alleviation, and land drainage all fall within the scope of the EA's statutory responsibility.

As a water undertaker, STWL is required to comply with drinking water standards specified in regulations issued by the Secretary of State in respect of a number of substances. Where non-compliance by STWL with such regulations has been material, the Secretary of State has accepted undertakings by STWL to secure or facilitate compliance with such regulations.

As a sewerage undertaker, STWL is required to obtain consents from the EA for discharges of polluting substances into controlled waters from various sources (such as sewage treatment works).

Economic Regulation

STWL is currently allowed to increase the average of its principal charges by the percentage change in the Retail Prices Index plus an adjustment factor ("K") which was originally set for the five year period beginning 1 April 2000 and ending 31 March 2005 at the levels set out below (but see changes described below):

2000/2001	-14.1%
2001/2002	-1.0%
2002/2003	-1.0%
2003/2004	0%
2004/2005	+1.0%

STWL estimates that, during the current financial year, some 93 per cent. of STWL's turnover will be within the K price limitation formula and some 7 per cent. will, or could in certain circumstances, be otherwise regulated. The adjustment factor K may be reviewed or adjusted by the DGWS. Under the terms of the Appointment, the DGWS is required to review STWL's price limits every five years. The price limits will be reviewed and reset during 2004. The reset limits will then take effect from 1 April 2005. The DGWS can also adjust price limits between periodic reviews in specific circumstances. As part of the 1999 review of price limits, STWL is required to deliver a programme of water quality and environmental improvements and to maintain or improve services to customers. The 1999 review assumed a capital programme of £2.1 billion over the five year period ending 31 March 2005 although STWL is not obliged to spend this amount, providing required outputs are delivered, including:

- meeting certain water quality improvements required by the Drinking Water Inspectorate;
- meeting certain environmental improvements required by the EA;
- maintaining certain service standards;
- reducing the numbers of properties subject to flooding from sewers; and
- maintaining service ability and assets.

On 12 December 2002 the DGWS announced the final determination of an application to increase prices which was submitted by STWL in September 2002. Under the terms of the determination K will increase from 0% to +2.1% in 2003/2004 and from +1.0% to +2.2% in 2004/2005.

Special Administrative Regime

The Water Industry Act 1991 contains provisions enabling the Secretary of State or the DGWS to secure the general continuity of water supply and sewerage services in England and Wales through the appointment of a special administrator, who would have extensive functions similar to those of an administrator under the Insolvency Act 1986, but with certain important differences. The person appointed as a special administrator would be appointed only for the purposes of transferring as a going concern to one or more different water undertakers or, as the case may be, sewerage undertakers so much of the business of the WASC as was necessary for the proper carrying out of its functions. If a special administration order were made in respect of STWL, it would be for the special administrator to agree the terms of the transfer of all or any of the business of STWL on behalf of STWL, subject to the provisions of the Water Industry Act 1991. Until another company has been appointed as an undertaker in its place and its appointment as a water undertaker or sewerage undertaker is terminated, a WASC may not be wound-up, nor may an administrator under the Insolvency Act 1986 be appointed in respect of it.

During the period of a special administration order, a WASC is managed in such a way as to achieve the purposes of such order and in a manner that seeks to protect the respective interests of members and creditors of the WASC. However, the effect of other provisions of the Water Industry Act 1991 is ultimately to subordinate members' and creditors' rights in favour of the purposes of the special administration order.

TAXATION

United Kingdom Taxation

The comments below, which are of a general nature and are based on current United Kingdom law and Inland Revenue practice describe certain United Kingdom taxation implications of acquiring, holding, or disposing of Notes. The comments apply only to persons who are the beneficial owners of Notes and some aspects do not apply to certain classes of person (such as dealers and persons connected with the Issuer) to whom special rules may apply. Prospective holders of Notes who are in any doubt as to their tax position or who may be subject to tax in a jurisdiction other than the United Kingdom are strongly advised to consult their own professional advisers.

Interest on the Notes

1. *Payment of Interest on the Notes*

United Kingdom withholding tax (including such withholding or deduction for or on account of tax by issuers, paying agents and collecting agents) was abolished in relation to interest payments made (or, in the case of collecting agents, received) on or after 1 April 2001 in respect of securities listed on a "recognised stock exchange", as defined in section 841 of the Income and Corporation Taxes Act 1988 (the "ICTA"). The London Stock Exchange is such a recognised exchange. Under an Inland Revenue published practice, securities will be treated as listed on the London Stock Exchange if they are admitted to the Official List by the United Kingdom Listing Authority and admitted to trading by the London Stock Exchange. Provided, therefore, that the Notes are and remain so listed, interest on the Notes will be payable without withholding or deduction on account of United Kingdom tax.

Interest on the Notes may also be paid without withholding or deduction on account of United Kingdom tax where interest on the Notes is paid to a person who belongs in the United Kingdom and the Issuer reasonably believes (and any person by or through whom interest on the Notes is paid reasonably believes) that the beneficial owner is within the charge to United Kingdom corporation tax as regards the payment of interest at the time the payment is made, provided that the Inland Revenue has not given a direction (in circumstances where it has reasonable grounds to believe that it is likely that the beneficial owner is not within the charge to United Kingdom corporation tax in respect of such payment of interest at the time the payment is made) that the interest should be paid under deduction of tax.

In other cases (except in the case of payment of interest on such Notes which is not "yearly interest" in which case interest can be paid without withholding or deduction on account of United Kingdom income tax), income tax at the lower rate (currently 20 per cent.) must generally be withheld from payments of interest on the Notes. This withholding obligation is subject to any direction to the contrary by the Inland Revenue under an applicable double taxation treaty.

Noteholders who are individuals may wish to note that the Inland Revenue has power to obtain information (including the name and address of the beneficial owner of the interest) from any person in the United Kingdom who either pays interest to or receives interest for the benefit of an individual, or who, after 5 April 2003 (according to Inland Revenue published practice), either pays amounts payable on the redemption of Notes, which are relevant discounted securities for the purposes of the Finance Act 1996, to or receives such amounts for the benefit of an individual. Such information may, in certain circumstances, be exchanged by the Inland Revenue with the tax authorities of other jurisdictions.

2. *Proposed EU Savings Directive*

On 13 December 2001 the Council of the European Union published a revised draft directive regarding the taxation of savings income. It is proposed that, subject to a number of important conditions being met, Member States will be required to provide to the tax authorities of another Member State details of payments of interest (or other similar income) paid by a person within its jurisdiction to an individual resident in that other Member State, except that Belgium, Luxembourg and Austria will instead operate a withholding system for a transitional period in relation to such payments.

The proposed directive is not yet final, and may be subject to further amendment.

Direct Assessment

Interest on the Notes constitutes United Kingdom source income for tax purposes and, as such, may be subject to income tax by direct assessment even where paid without withholding.

However, interest with a United Kingdom source will not be chargeable to United Kingdom tax by direct assessment or if tax has been withheld or deducted, to further United Kingdom tax in the hands of a Noteholder (other than certain trustees) who is not resident for tax purposes in the United Kingdom at all relevant times unless that Noteholder carries on a trade, profession or vocation in the United Kingdom through a United Kingdom branch or agency in connection with which the interest is received or to which the Notes are attributable. There are exemptions for interest received by certain categories of agent (such as some brokers and investment managers). The provisions of an applicable double taxation treaty may also be relevant for such Noteholders.

United Kingdom Corporation Tax Payers

In general, Noteholders within the charge to UK corporation tax will be charged to tax on all returns, profits or gains on, and fluctuations in value of, the Notes (whether attributable to currency fluctuations or otherwise) broadly in accordance with their statutory accounting treatment. Such Noteholders will generally be charged to tax in each accounting period by reference to interest (and discount) which, in accordance with such Noteholder's authorised accounting method, is applicable to that period. Such Noteholders will also be obliged to bring into account as income profits and losses caused by movements in the currency in which the Notes are denominated against the currency in which, in accordance with "normal accounting practice", the Noteholder accounts for the Notes.

Other United Kingdom Tax Payers

Taxation of Chargeable Gains

Individual holders of Notes may be subject to United Kingdom taxation on capital gains on a disposal or redemption of Notes if they are resident or ordinarily resident in the United Kingdom or if they carry on a trade in the United Kingdom through a branch or agency to which the Notes are attributable. For individual holders, the exemption from United Kingdom taxation on capital gains for "qualifying corporate bonds" under Section 115 of the Taxation of Chargeable Gains Act 1992 will apply to the Notes if they, *inter alia*, represent and have at all times represented a "normal commercial loan" for the purposes of that exemption, are denominated in Sterling and in respect of which no provision is made for conversion into, or redemption in, a currency other than Sterling. Any Notes constituting "relevant discounted securities" (as mentioned below) will be treated as "qualifying corporate bonds". Where Notes are "qualifying corporate bonds", no chargeable gain and no allowable loss will arise on a disposal of such Notes.

Accrued Income Scheme

The provisions of the accrued income scheme (the "Scheme") may apply to individuals transferring Notes which bear interest or to individuals to whom such Notes are transferred. On a transfer of securities with accrued interest the Scheme usually applies to deem the transferor to receive an amount of income equal to the accrued interest and to deem the transferee to obtain an equivalent credit to set off against the deemed or actual interest he subsequently receives. However, where a Note constitutes a variable rate security for the purposes of the Scheme, the amount of accrued income deemed to be received by a holder of such a Note upon transfer will be such amount as the Inland Revenue decides is just and reasonable and the transferee will not be entitled to any credit under the Scheme to set against any actual or deemed interest that he receives or is deemed to receive. Generally, persons who are neither resident nor ordinarily resident in the United Kingdom and who do not carry on a trade in the United Kingdom through a branch or agency to which the Notes are attributable will not be subject to the provisions of these rules.

Taxation of discount and premium

Where Notes are issued at an issue price of less than 100 per cent. of their principal amount, any payments in respect of the accrued discount will not be made subject to any withholding or deduction on account of United Kingdom income tax as long as they do not constitute payments in respect of interest. Such Notes may constitute "relevant discounted securities" for the purpose of Schedule 13 of the Finance Act 1996, depending on the level of the discount. Where Notes constitute "relevant discounted securities", (a) a holder of such Notes who is within the scope of United Kingdom income tax may be liable to United Kingdom income tax on any profit made on the sale or other disposal (including redemption) of such Notes; and (b) the Scheme as described above will not apply to a transfer of Notes.

Where Notes are issued with a redemption premium, as opposed to being issued at a discount, then any such element of premium may constitute a payment of interest and, if so, the provisions described above relevant to interest will apply. If the premium does not constitute a payment of interest then such notes may constitute “relevant discounted securities” (as mentioned above).

SUBSCRIPTION AND SALE

The Dealers have, in an amended and restated programme agreement (the “Programme Agreement”) dated 19 December 2001 agreed with the Issuers and the Guarantor a basis upon which they or any of them may from time to time agree to purchase Notes. Any such agreement will extend to those matters stated under “Form of the Notes” and “Terms and Conditions of the Notes”. In the Programme Agreement, the Issuers (failing which, the Guarantor) have agreed to reimburse the Dealers for certain of their expenses in connection with the establishment and any future update of the Programme and the issue of Notes under the Programme and to indemnify the Dealers against certain liabilities incurred by them in connection therewith.

United States

The Notes have not been and will not be registered under the Securities Act and may not be offered or sold within the United States or to, or for the account or benefit of, US persons except in certain transactions exempt from the registration requirements of the Securities Act.

The Notes are subject to US tax law requirements and may not be offered, sold or delivered within the United States or its possessions or to a United States person, except in certain transactions permitted by US tax regulations. Terms used in this paragraph have the meanings given to them by the US Internal Revenue Code of 1986 and regulations thereunder.

Each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that it will not offer, sell or deliver Notes (i) as part of their distribution at any time or (ii) otherwise until 40 days after the completion of the distribution, as determined and certified by the relevant Dealer or, in the case of an issue of Notes on a syndicated basis, the relevant lead manager, of all Notes of the Tranche of which such Notes are a part, within the United States or to, or for the account or benefit of, US persons. Each Dealer has further agreed, and each further Dealer appointed under the Programme will be required to agree, that it will send to each dealer to which it sells any Notes during the distribution compliance period a confirmation or other notice setting forth the restrictions on offers and sales of the Notes within the United States or to, or for the account or benefit of, US persons. Terms used in this paragraph have the meanings given to them by Regulation S under the Securities Act.

Until 40 days after the commencement of the offering of any Series of Notes, an offer or sale of such Notes within the United States by any dealer (whether or not participating in the offering) may violate the registration requirements of the Securities Act if such offer or sale is made otherwise than in accordance with an available exemption from registration under the Securities Act.

Each issuance of Index Linked Notes or Dual Currency Notes shall be subject to such additional US selling restrictions as the Issuer and the relevant Dealer may agree as a term of the issuance and purchase of such Notes, which additional selling restrictions shall be set out in the applicable Pricing Supplement.

- (iv) it has only communicated or caused to be communicated and will only communicate or cause to be communicated an invitation or inducement to engage in investment activity (within the meaning of Section 21 of the FSMA) received by it in connection with the issue or sale of any Notes in circumstances in which Section 21(1) of the FSMA does not apply to the Issuer or the Guarantor; and
