The dividends paid are designated as "eligible" dividends for the purposes of the Income Tax Act (Canada) and any similar provincial and territorial legislation.

Under the Plan, the Corporation will automatically reinvest all cash dividends of KPT in newly issued Common Shares at a price per Common Share equal to 97% of the 5-day weighted average trading price of the Common Shares prior to the dividend payment date.

Only Canadian shareholders are eligible to participate in the DRIP and the DRIP is subject to additional limitations and restrictions. Interested shareholders are encouraged to review the full text of the DRIP, available on KPT’s website at www.kptissueinc.com.

Shareholders who wish to participate in the DRIP should contact their broker, financial institution, or other nominee through which their Common Shares are held to determine their eligibility and provide appropriate enrolment instructions, and to ensure any deadlines or other requirements that such broker, financial institution, or nominee may impose or be subject to are met.
