

FOR IMMEDIATE RELEASE

RELEVIMUM PROVIDES CORPORATE UPDATE ON BIOGANIX ACQUISITION

May 1, 2017 - MONTREAL, QUEBEC –[Relevium Technologies Inc. \(TSX.V – “RLV”\)](#) and [\(Frankfurt: “6BX”\)](#) (the “Company” or “Relevium”) a consolidator of e-commerce assets in Health and Wellness is pleased to provide its shareholders with an update on the acquisition of BioGanix.

As [originally announced](#), Relevium is acquiring the assets of BioGanix Limited (“BGL”), a privately- held nutraceutical company focused on heart, brain, digestive health and joint support products sold primarily through e-commerce platforms. Both, Relevium and BioGanix remain engaged in the process of finalizing the closing of the transaction, including the [concurrent financing](#). The parties have completed the due diligence process relating to the debt component of the financing and expect to announce the details about the closing of the transaction and concurrent financing over the next weeks to come. The transaction is also subject to final approval by the TSX Venture Exchange.

Aurelio Useche, CEO of [Relevium Technologies](#) stated: "We are very appreciative of the patience demonstrated by our company’s shareholders. We would like to reassure everyone that the Parties remain engaged and focused on the closing process and expect to be able to provide news as soon as they become available”

About Relevium Technologies Inc.

Relevium is a TSXV listed company focused on growth through the acquisition of businesses, products and/or technologies with a focus on e-commerce in the growing health and wellness sector. Relevium Technologies Inc. also holds patented intellectual property for the use of static magnetic fields for application on wearable devices.

About BioGanix

BioGanix was founded with customer results in mind, to provide the best quality, best researched, and most potent formulas at competitive prices, while providing excellent and personal customer care. BioGanix puts our customers first, and do everything we can to keep them happy.

BioGanix prides itself on using only the best and purest ingredients in our manufacturing processes. BioGanix only provides premium quality products, and doesn't cut any corners in manufacturing processes. All BioGanix products have been 3rd Party Laboratory tested and verified, and are manufactured in GMP Certified and FDA inspected facilities in the USA.

BioGanix currently has over 16 best-selling dietary supplement products, varying from trending weight loss products, to proven health supporting supplements that supports various processes in the body, including digestive health, heart health, brain health, blood sugar, as well as anti-aging supplements.

Cautionary Note Regarding Forward-Looking Statements

This release includes certain statements and information that may constitute forward-looking information within the meaning of applicable Canadian securities laws or forward-looking statements within the meaning of the United States Private Securities Litigation Reform Act of 1995. All statements in this news release, other than statements of historical facts, including statements regarding future estimates, plans, objectives, assumptions or expectations of future performance, including the timing and completion of the proposed acquisitions, are forward-looking statements and contain forward-looking information. Generally, forward-looking statements and information can be identified by the use of forward-looking terminology such as “intends” or “anticipates”, or variations of such words and phrases or statements that certain actions, events or results “may”, “could”, “should”, “would” or “occur”. Forward-looking statements are based on certain material assumptions and analysis made by the Company and the opinions and estimates of management as of the date of this press release, including the assumptions that the Company will obtain stock exchange approval of the Offering, the proposed acquisition will occur as anticipated, that the Company will raise sufficient funds, and that the Company will obtain all requisite approvals of the acquisition. These forward-looking statements are subject to known and unknown risks, uncertainties and other factors that may cause the actual results, level of activity, performance or achievements of the Company to be materially different from those expressed or implied by such forward-looking statements or forward-looking information. Important factors that may cause actual results to vary, include, without limitation, the risk that the proposed acquisitions may not occur as planned; the timing and receipt of requisite approvals and failure to raise sufficient funds under the Offering. Although management of the Company has attempted to identify important factors that could cause actual results to differ materially from those contained in forward-looking statements or forward-looking information, there may be other factors that cause results not to be as anticipated, estimated or intended. There can be no assurance that such statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on forward-looking statements and forward-looking information. Readers are cautioned that reliance on such information may not be appropriate for other purposes. The Company does not undertake to update any forward-looking statement, forward-looking information or financial outlook that are incorporated by reference herein, except in accordance with applicable securities laws. We seek safe harbor.
