

RELEVIMUM COMMENCES TRADING ON OTCQB

February 20, 2018 - MONTREAL, QUEBEC – [Relevium Technologies Inc. \(TSX.V: “RLV”, OTCQB: “RLLVF” and Frankfurt: “6BX”\)](#) (the “Company” or “Relevium”), is pleased to announce that it has commenced trading on the [OTCQB under the symbol RLLVF](#)

Aurelio Useche, President and CEO of [Relevium](#) stated: “We have been focused on an industry and technologies that, from our analytics resonate very well in the U.S. market as that is the point of origin and a major market for e-commerce.” Mr. Useche continued: “Relevium is in the business of marketing products and brands. Our stock, our corporate vision is no different. Our core operational efforts have and will remain in the U.S. and it is only natural that we leverage that exposure with an OTCQB listing.”

The OTCQB Venture Market is for early-stage and developing U.S. and international companies. To be eligible, companies must be current in their financial reporting, pass a minimum bid price test, and undergo an annual company verification and management certification process. The OTCQB quality standards provide a strong baseline of transparency, as well as the technology and regulation to improve the information and trading experience for investors.

[Relevium Technologies](#) will continue to trade and report on the TSX Venture Exchange under its existing symbol [RLV](#).

About Relevium Technologies

[Relevium is a TSXV-listed company](#) focused on growth through the acquisition of businesses, products and/or technologies with a focus on e-commerce in the growing health and wellness sector. Relevium Technologies Inc. also holds patented intellectual property for the use of static magnetic fields for application on wearable devices.

Neither TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.

Cautionary Note Regarding Forward-Looking Statements

This release includes certain statements and information that may constitute forward-looking information within the meaning of applicable Canadian securities laws. All statements in this news release, other than statements of historical facts, including statements regarding future estimates, plans, objectives, assumptions or expectations of future performance, including the timing and completion of the proposed acquisitions, are forward-looking statements and contain forward-looking information. Generally, forward-looking statements and information can be identified by the use of forward-looking terminology such as “intends” or “anticipates”, or variations of such words and phrases or statements that certain actions, events or results “may”, “could”, “should”, “would” or “occur”. Forward-looking statements are based on certain material assumptions and analysis made by the Company and the opinions and estimates of management as of the date of this press release, including the assumptions that the Company will obtain stock exchange approval of the Offering, the proposed acquisition will occur as anticipated, that the Company will raise sufficient funds, and that the Company will obtain all requisite approvals of the acquisition. These forward-looking statements are subject to known and unknown risks, uncertainties and other factors that may cause the actual results, level of activity, performance or achievements of the Company to be materially different from those expressed or implied by such forward-looking statements or forward-looking information. Important factors that may cause actual results to vary, include, without limitation, the risk that the proposed acquisitions may not occur as planned; the timing and receipt of requisite approvals and failure to raise sufficient funds under the Offering. Although management of the Company has attempted to identify important factors that could cause actual results to differ materially from those contained in forward-looking statements or forward-looking information, there may be other factors that cause results not to be as anticipated, estimated or intended. There can be no assurance that

such statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on forward-looking statements and forward-looking information. Readers are cautioned that reliance on such information may not be appropriate for other purposes. The Company does not undertake to update any forward-looking statement, forward-looking information or financial outlook that are incorporated by reference herein, except in accordance with applicable securities laws. We seek safe harbor.

On Behalf of the Board of Directors
