RELEVIUM'S SUBSIDIARY BGX E-HEALTH SECURES ONE MILLION DOLLAR EXPORT CONTRACT FOR THE MIDDLE EAST

October 30, 2019 - MONTREAL, QUEBEC – Relevium Technologies Inc. (TSX.V: "RLV", OTCQB:"RLLVF" and Frankfurt: "6BX") (the "Company" or "Relevium"), is pleased to announce that its wholly owned subsidiary, BGX E-Health LLC ("BGX"), has received a purchase order to supply Innova Health Care of Saudi Arabia with generic formulations totaling over CAD$1 Million.

The Company has partnered with Montreal-based contract manufacturer BioV Pharma Inc., to fulfill the contract, which will be supplied in two shipments over the next six (6) months The first shipment, which totals approximately CAD$450,000 and is scheduled to be delivered before of the end of this year and the balance of the order is expected to be delivered during the first quarter of 2020.

THE EXPORT MARKET OPPORTUNITY

The Company is currently targeting international export market for its core products and other generic formulations, including Latin America, Asia and the Middle East, the latter being one of major focus in the Company's near-term revenue growth.

The opportunity in this market is significant and according to Market Data Forecast, the biopharma market is forecasted to grow to $60B by 2025. This growth driven primarily by changing demographics in terms of the aging population, health habits and higher levels of economic spending power. Although over 60% of the overseas market share is held by multinationals, smaller companies like Relevium have an opportunity to play a significant role in both generic and custom formulations.

Aurelio Useche, CEO of Relevium Technologies stated: *"Although our core business model is the online business, in particular for North America and the UK, we are identifying exciting new opportunities in the export markets for Relevium outside our traditional online model. This initial contract reflects a significant opportunity and a key growth channel for BGX and its brands abroad."*
