RELEVIUM ANNOUNCES THE PASSING OF DR. TINA SAMPALIS, DIRECTOR AND SCIENTIFIC OFFICER

March 04, 2020 - MONTREAL, QUEBEC – Relevium Technologies Inc. (TSX.V:"RLV", OTCQB:"RLLVF" and Frankfurt: "6BX") (the "**Company**" **or** "**Relevium**"), is announces the passing of Dr. Tina Sampalis, Director and Scientific Officer of the Company.

It is with heavy hearts and great sadness that we announce the passing of our colleague and friend Dr. Tina Sampalis MD, PhD. A shining light in the lives of all who knew her. Tina passed peacefully on Sunday, March 1, 2020 after facing cancer with courage, resilience and tenacity.

An international scholar, she was trained in medicine at the universities in Patras, Athens, Germany and Denmark. At McGill University she completed her Ph.D. Tina was named one of the 10 most successful women in Quebec (2010) and one of the 100 most successful women globally by the Princeton Global Network. She pioneered a worldwide industry of omega-3 phospholipids and discovered the benefits of krill oil to human health and was our lead scientific advisor at our biopharma subsidiary.

A visionary, her love of children led her founding of Agoo Children's Health and Medical Centre, which provides comprehensive care to thousands of children and their families.

Tina will be greatly missed by her family, friends and by our entire team.

About Relevium Technologies

Relevium is a publicly traded Company that operates in the health and wellness industry, including legal cannabis, with a primary focus on online distribution. The principal business of the Company is the identification, evaluation, acquisition and operation of brands and businesses in the health and wellness markets and medical cannabis. The Company pursues its business strategy through an acquisition and partnership model in a holistic approach to encompass a wide range of health and wellness consumer products. Relevium operates through two wholly owned subsidiaries:

BGX E-Health LLC (BGX), based in Orlando, Florida, markets dietary supplements, nutraceuticals, sports nutrition and cosmeceuticals primarily through its Bioganix® brand portfolio in the US and Europe. Relevium's premium brands are sold at some of the world's largest retailers including Walmart.com and Amazon.com.

Biocannabix Health Corporation (BCX), based in Montreal, Quebec, is a biopharma nutraceutical Company focused on delivering pediatric endo-medicinal nutraceuticals for cannabinoid therapy.

Cautionary Note Regarding Forward-Looking Statements

This release includes certain statements and information that may constitute forward-looking information within the meaning of applicable Canadian securities laws. All statements in this news release, other than statements of historical facts, including statements regarding future estimates, plans, objectives, assumptions or expectations of future performance, including the timing and completion of the proposed acquisitions, are forward-looking statements and contain forward-looking information. Generally, forward-looking statements and information can be identified by the use of forward-looking terminology such as "intends" or "anticipates", or variations of such words and phrases or statements that certain actions, events or results "may", "could", "should", "would" or "occur". Forward-looking statements are based on certain material assumptions and analysis made by the Company and the opinions and estimates of management as of the date of this press release, including the assumptions that the Company will be able to apply for and ultimately obtain an ACMPR licence, the proposed business of Biocannabix will develop as anticipated, that the Company will raise sufficient funds to develop the Biocannabix business, and that the Company will obtain all requisite regulatory approvals. These forward-looking statements are subject to known and unknown risks, uncertainties and other factors that may cause the actual results, level of activity, performance or achievements of the Company to be materially different from those expressed or implied by such forward-looking statements or forward-looking information. Important factors that may cause actual results to vary, include, without limitation, the risk that the proposed business developments may not occur as planned; the timing and receipt of requisite approvals and failure to raise sufficient funds.

Although management of the Company has attempted to identify important factors that could cause actual results to differ materially from those contained in forward-looking statements or forward-looking information, there may be other factors that cause results not to be as anticipated, estimated or intended. There can be no assurance that such statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on forward- looking statements and forward-looking information. Readers are cautioned that reliance on such information may not be appropriate for other purposes. The Company does not undertake to update any forward-looking statement, forward-looking information or financial outlook that are incorporated by reference herein, except in accordance with applicable securities laws. We seek safe harbor.

On Behalf of the Board of Directors

RELEVIUM TECHNOLOGIES INC.

Aurelio Useche
President and CEO
