

Certificate of Qualified Person

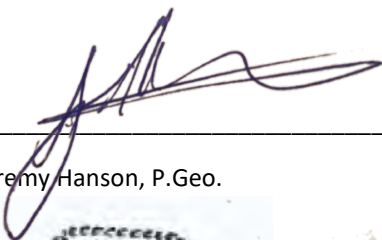

Jeremy Hanson, P.Ge.

This certificate applies to NI43-101 Technical Report for the Nickel Project prepared for Nickel Rock Resources Inc. effective as of December 30, 2020.

I, Jeremy Hanson, P.Ge. do hereby certify that:

1. I am President of the consulting business Hardline Exploration Corp, 7351 Cedar Rd, Smithers British Columbia, Canada, V0J 2N2.
2. I am a Professional Geoscientist in good standing with Engineers and Geoscientist B.C.
3. I am a Qualified Person as defined in National Instrument 43-101 and I consent to the public filing and to the use of extracts from, or summary thereof;
4. I visited the Nickel Project site on the 22nd of December 2020, to conduct the site visit described herein and am responsible for the preparation of this report;
5. I have had no prior involvement and am independent of the company, the vendor, and the property and am an independent person defined in section 1.5 of National Instrument 43-101;
6. I have read the National Instrument 43-101 and the technical report has been prepared in compliance with this Instrument; and
7. That at the effective date of the technical report, I have read the document and to the best of my knowledge, information, and belief, the technical report contains all scientific and technical information that is required to be disclosed to make the technical report not misleading.
8. I graduated from Simon Fraser University in 2013 with a B.Sc. (Hons) with distinction in Earth Sciences.
9. I have been employed continuously in the mineral exploration and mining industry since 2010 and have been practising my profession as a geologist continuously since 2013.
10. I have relevant experience through eleven years of working on and managing mineral exploration projects from grass roots to multi-million-dollar, multi-diamond drilling programs in British Columbia, Yukon, Quebec and Ontario on a variety of commodities and deposit types including nickel, copper, gold and platinum group elements.
11. I am entirely responsible as co-author for all aspects of the Technical Report.

Signed this 21st day of January 2021.

Jeremy Hanson, P.Ge.
