Dear Shareholder,

Notice of Annual General Meeting

I would like to inform you that the Annual General Meeting (AGM) of SSE plc (the Company) will be held at Inveralmond House, 200 Dunkeld Road, Perth, PH1 3AQ on Wednesday, 12 August 2020 at 11:00 am. In light of the outbreak of the coronavirus (COVID-19) pandemic and the social distancing measures, this year's AGM will be held with only the minimum number of shareholders present as required to form a quorum under the Company's Articles of Association, who will be officers or employees of the Company. **To ensure safety, other shareholders will not be able to gain access to the AGM on the day.**

This Notice of Meeting for the 2020 AGM sets out in full the resolutions to be voted on, together with explanatory notes on all the business to be considered. It is recommended that you take time to consider the 2020 Annual Report before voting on the resolutions at the AGM. The 2020 Annual Report is accessible on the Company's website; sse.com.

Please note the following information is accurate as at the date of this Notice. Any changes to these arrangements will be communicated on the Company's website and announced via RNS. All shareholders are, therefore, encouraged to monitor the Company's website for the most up to date information.

Ensuring shareholder safety

The Board recognises that the AGM is an important event, providing the opportunity to present the Company's performance and strategy to shareholders and to listen and respond to questions. Notwithstanding, the Board's overriding priority must be the safety of shareholders and employees. After careful consideration of the ongoing coronavirus pandemic, the social distancing measures and the proposed Corporate Governance and Insolvency Bill, the Board has therefore taken the decision that **shareholders will not be permitted to attend the AGM**. Subject to any Government restrictions prevailing at the time, the Company anticipates the AGM will return to a physical meeting format next year.

Voting arrangements

Although shareholders will not be allowed to attend the AGM, they are strongly encouraged to participate by voting electronically or by proxy ahead of the meeting. As third parties will not be allowed to attend the meeting, if appointing a proxy, shareholders are encouraged to appoint the Chair of the AGM to submit proxy votes at the meeting. Voting at the AGM will be taken on a poll.

All voting instructions should be made as soon as possible and by no later than 11:00 am on Monday, 10 August 2020. Full details of voting procedures are set out on pages 11 and 12 of the Notice of Annual General Meeting 2020.

Shareholder questions

The Board is committed to engaging with shareholders and maintaining an ongoing dialogue. In line with this, and as shareholders will not be able to attend the AGM this year, the Board has put in place arrangements to allow shareholders to submit questions which will be answered by the Board through a virtual shareholder event (see below). **Any shareholder who wishes to raise a question in connection with the business to be conducted at the AGM can do so by sending it by email to AGMQuestion@sse.com. A set window for submission will open on Monday, 3 August 2020 at 9:00 am and close on Tuesday, 4 August 2020 at 5:00 pm.** Any questions submitted outwith this time will not be received by the Company. The Company reserves the right to consolidate questions of a similar nature.

Virtual shareholder event

The virtual shareholder event will be available on the Company's website on the day of the AGM. It will be pre-recorded and used to provide an overview of the Company's performance and strategy and will address questions which have been pre-submitted by shareholders.

Recommendation

The Board believes that Resolutions 1 to 20 contained in the Notice of Annual General Meeting 2020 are in the best interests of the Company and its shareholders as a whole. Accordingly, the Directors unanimously recommend that you vote in favour of the resolutions as they intend to do in respect of their own beneficial holdings.

Yours faithfully

EXPLANATORY NOTES TO THE PROPOSED RESOLUTIONS

Ordinary and Special Resolutions

Resolutions 1 to 17 will be proposed as Ordinary Resolutions which require a simple majority of votes to be cast in favour to be passed. Resolutions 18, 19 and 20 will be proposed as Special Resolutions which require a 75% majority of the votes to be cast in favour to be passed.

Resolution 1: Receipt of the 2020 Annual Report and Accounts

The Directors of the Company must present their Annual Report and the Accounts, including the Independent Auditor's Report, to the Meeting and shareholders may raise any questions on the Annual Report and Accounts under this resolution.

Resolution 2: Approval of the 2020 Remuneration Report

The Remuneration Report in the Company's Annual Report and Accounts for the year ended 31 March 2020 comprises: (1) the statement by the Remuneration Committee Chair; and (2) the Annual Report on Remuneration, which sets out the remuneration paid to the Company's Directors during the year ended 31 March 2020.

The Annual Report on Remuneration as set out on pages 124 to 137 of the Annual Report 2020, is put to shareholders for approval by Ordinary Resolution and is the subject of Resolution 2. The Resolution is advisory and does not affect the remuneration already paid to any Director.

Resolution 3: Declaration of the final dividend for 2020

A final dividend can be paid only after it has been approved by shareholders. A final dividend of 56 pence per Ordinary Share is recommended by the Directors for payment in cash on 18 September 2020 to shareholders on the Register of Members as at close of business on 24 July 2020 but excluding such of the shareholders in respect of whom a valid election to participate in the Company's Scrip Dividend Scheme shall have been received by the Company by 4:30 pm on 21 August 2020. Shareholders for whom valid elections have been received by 4:30 pm on 21 August 2020 will receive the final dividend in the form of new Ordinary Shares in the Company. Full details of the Company's Scrip Dividend Scheme are available on the Company's website, sse.com.

Resolutions 4 to 14: Re-appointment and appointment of Directors

In accordance with the UK Corporate Governance Code, all Directors of FTSE 350 companies should be subject to election or re-election by their shareholders every year. The Company continues this practice for this year's AGM. Separate resolutions are proposed for each Director's appointment or re-appointment. More detail on specific reasons why each Directors' contribution is, and continues to be, important to the Company's long-term sustainable success can be found on pages 7 to 10 under skills and experience for each Director, and on pages 75 to 77 of the Annual Report 2020.

The Board, its Committees and the individual Directors participate in an annual performance evaluation. Further details of the performance evaluation process are set out on pages 96 and 97 of the 2020 Annual Report. The performance evaluation process confirmed the continuing independent and objective judgement of all the non-Executive Directors. The process also confirmed that the performance of all the current Directors standing for re-appointment and appointment continued to be effective and that they continue to demonstrate commitment in their respective roles. The Board recommends to shareholders the proposed appointment and re-appointment of all Directors set out in Resolutions 4 to 14. Full biographical details of each Director are set out in this Notice of Meeting. The Executive Directors' service contracts and non-Executive Directors' letters of appointment are available for inspection as specified in Note 13 of this Notice of Meeting.

Resolution 15: Appointment of Auditor

The Company is required to appoint an Auditor at each general meeting at which accounts are laid before the Company, to hold office until the conclusion of the next such meeting. This resolution, on the Audit Committee's recommendation, proposes the re-appointment of Ernst & Young LLP as Auditor of the Company. If approved, Ernst and Young LLP, will be appointed External Auditor for the year ending 31 March 2021.

Resolution 16: Authority for the Audit Committee to agree the Auditor's remuneration.

This resolution authorises the Audit Committee, in accordance with standard practice, to agree the remuneration of the Auditor.

Resolution 17: Authority to allot shares

This resolution gives the Directors authority to allot shares, or grant rights over shares, limited to an aggregate nominal amount equal to £173,240,508 (representing 346,481,017 Ordinary Shares of 50 pence each excluding Treasury Shares) which, as at 16 June 2020, being the latest practicable date prior to the publication of this Notice, represented one third of the issued share capital of the Company (excluding Treasury Shares).

The authority will expire at the earlier of the conclusion of the 2021 AGM and close of business on 30 September 2021 (the last date by which the Company must hold an AGM in 2021).

The Directors have no present intention of issuing any shares, or of granting rights to subscribe for or to convert any security into shares, except in relation to, or in connection with, the operation and management of the Company's Scrip Dividend Scheme and the exercise of options under the Company's share plans. However, the Directors may consider issuing shares if they believe it would be appropriate to do so in respect of business opportunities that may arise consistent with the Company's strategic objectives.

As at 16 June 2020 (being the last practicable day prior to the printing of this Notice) the issued share capital of the Company consisted of 1,046,340,882 Ordinary Shares, with a nominal value of 50p each and carrying one vote each. This figure includes 6,897,830 Ordinary Shares which are held in treasury. The voting rights on Treasury Shares are automatically suspended. Therefore, the total number of voting rights in the Company was 1,039,443,052 as at 16 June 2020.

EXPLANATORY NOTES TO THE PROPOSED RESOLUTIONS CONTINUED

Resolution 18: Disapplication of pre-emption rights

The Companies Act 2006 provides that if the Directors wish to allot new shares or other equity securities, or sell Treasury Shares, for cash (other than in connection with any employee share scheme) they must in the first instance offer them to existing shareholders in proportion to their holdings (a pre-emptive offer). This Special Resolution seeks shareholder's approval to allot a limited number of Ordinary Shares or other equity securities, or sell Treasury Shares, for cash without offering them to existing shareholders in proportion to their existing shareholding first. There may be occasions when the Directors will need the flexibility to finance business opportunities by the issue of Ordinary Shares without a pre-emptive offer to existing shareholders. The Directors have no present intention of exercising this authority in the year ending 31 March 2021. However, in any event, the Directors would seek to adhere to the current institutional shareholder guidelines not to allot more than 7.5% of the issued share capital, cumulatively, in any three-year rolling period without prior consultation with shareholders. Accordingly, the resolution seeks approval for the allotment of up to an aggregate nominal amount of £25,986,075 (representing 51,972,151 Ordinary Shares of 50 pence each), representing 5% of the issued share capital (excluding Treasury Shares) of the Company as at 16 June 2020. This limit also applies to shares issued from treasury.

Subject to shareholder approval, the authority under this Resolution will expire at the earlier of the conclusion of the 2021 AGM and close of business on 30 September 2021. A renewal of this authority will be proposed at each subsequent AGM.

Resolution 19: Purchase of own shares

In some circumstances, the Company may find it advantageous to have the authority to purchase its own shares in the market. The Directors believe that it is an important part of the financial management of the Company to have the flexibility to repurchase issued shares in order to manage its capital base. This Special Resolution renews the authority that was given at last year's AGM, authorising the Company to purchase its own Ordinary Shares in the market and will if approved, renew the Company's authority from shareholders to make such purchases until the earlier of the conclusion of the 2021 AGM and close of business on 30 September 2021. This resolution complies with investor guidelines, which limit share purchases to 10% of the issued share capital (excluding Treasury Shares) per annum.

The Company will seek to purchase shares where the Directors believe this would be in the best interests of shareholders generally, for example, to manage any excess share dilution created by take-up of the Scrip dividend option that is above the level required to maintain appropriate balance sheet strength. The authority will only be used after careful consideration, taking into account market conditions prevailing at the time, other investment and financing opportunities, appropriate gearing levels and the overall financial position of the Company. Any shares purchased in this way will either be cancelled (and the number of shares in issue reduced accordingly) or held in treasury. Shares held in treasury may subsequently be sold for cash (within the limit of the shareholder pre-emption disapplication contained in Resolution 18), cancelled, or used for the purposes of employee share schemes, either immediately or at some point in the future. Treasury Shares transferred for the purposes of the Company's employee share schemes will count towards the limits in those schemes on the number of New Shares which may be issued.

The Resolution specifies the maximum number of shares which may be acquired (10% of the Company's issued share capital as at 16 June 2020) and minimum and maximum prices at which they may be bought. As at 16 June 2020, options were outstanding over 6.4m Ordinary Shares, representing approximately 0.61% of the issued share capital (excluding treasury shares). If the proposed market purchase authority were used in full, shares over which these options were outstanding would represent approximately 0.68% of the adjusted share capital (excluding treasury shares) on that date. Information of Share repurchase programmes run in 2019 and 2020 can be found below:

Share repurchase programme: April 2019 to August 2019

As part of SSE's £200m capital return programme, announced on 1 February 2019, and in accordance with the Company's share buyback authority granted by shareholders at the Company's Annual General Meeting on 19 July 2018 (being 101,517,639 shares) and 18 July 2019 (being 103,475,152 shares), the EU Market Abuse Regulation and Chapter 12 of the UK Listing Rules, SSE initiated a discretionary share repurchase programme to reduce the share capital of the company. The programme commenced on 1 April 2019 and was completed on 20 August 2019. The Company purchased 17,850,924 Ordinary shares at a total cost of £199,999,971 at an average share price of 1,120.39p per share. All 17,850,924 of the shares purchased were cancelled.

Share repurchase programme: October 2019 to February 2020

The Company confirmed on 30 August 2019 that in light of the SCRIP take up of the 2018/19 dividend exceeding 20%, it intended to buy-back shares with certain pre-set parameters and in accordance with the authority granted by shareholders at the Company's Annual General Meeting on 18 July 2019 (being 103,475,152 shares), the EU Market Abuse Regulation and Chapter 12 of the Listing Rules. In line with this, the Company announced on 30 September 2019 (updated on 31 January 2020) a programme to repurchase its ordinary shares for cancellation up to the value of £150m and not exceeding 13,420,470 ordinary shares. The programme commenced on 1 October 2019 and was completed on 26 February 2020. The Company purchased 10,909,709 Ordinary shares at a total cost of £149,999,996.86 at an average market price of 1,374.92p per share. All 10,909,709 of the shares purchased were cancelled. More information on the Company's Share Repurchase Programmes can be found on sse.com.

Resolution 20: Notice period for general meetings

Resolution 20 will be proposed as a Special Resolution and would allow the Company to hold general meetings (other than annual general meetings) on 14 days' notice. Annual general meetings must always be called with at least 21 days' notice but other general meetings of the Company may be called on less notice if shareholders agree to a shorter period. At the AGM in 2019, a resolution was passed which allowed the Company to hold general meetings (other than annual general meetings) on 14 days' notice. The Board is proposing a similar resolution to renew the authority granted last year. The approval will be effective until the Company's next AGM, when it is intended that the approval will be renewed.

This shorter notice period would not be used as a matter of routine. Instead, the Board will consider on a case by case basis whether the flexibility offered by the shorter notice period would be in the best interests of shareholders generally, taking into account the circumstances and business of the meeting.

This figure includes 6,897,830 Ordinary Shares which are held in treasury. The voting rights on Treasury Shares are automatically suspended. Therefore, the total number of voting rights in the Company was 1,039,443,052 as at 16 June 2020.

2. Entitlement to attend and vote

Pursuant to Regulation 41 of the Uncertificated Securities Regulations 2001, and section 360B(2) of the Companies Act 2006, the Company specifies that only shareholders registered in the Register of Members of the Company at 11:00 am on 10 August 2020 or, in the event that the AGM is adjourned, registered in the Register of Members of the Company 48 hours before the time of the adjourned meeting(s), shall be entitled to vote at the AGM in respect of the number of Ordinary Shares registered in their name at that time. Save in relation to any adjourned meeting(s), changes to entries on the Register of Members of the Company after 11:00 am on 10 August 2020 shall be disregarded in determining the rights of any person to vote at the AGM.

3. Voting at the AGM

Voting on each of the resolutions to be put to the AGM will be taken on a poll, rather than a show of hands, to reflect the number of shares held by a shareholder, whether or not the shareholder is able to attend the meeting. As soon as practicable following the AGM, the results of the voting will be announced via a Regulatory Information Service and also placed on the Company's website sse.com. In light of the impact of coronavirus, the Board seeks to safeguard the health and wellbeing of the Company's shareholders and employees, therefore shareholders may not physically attend the AGM and will not be permitted access to the venue on the day of the meeting.

4. Proxies

A shareholder entitled to routinely attend, speak and vote at the AGM may appoint one or more proxies to attend, speak and vote at the AGM on their behalf provided that (if more than one) each proxy is appointed to exercise the rights attached to different shares held by the shareholder. A proxy need not be a shareholder of the Company. In the case of joint shareholders, the vote of the first named in the Register of Members of the Company who tenders a vote, whether in person or by proxy, shall be accepted to the exclusion of the votes of other joint holders. Due to the outbreak of coronavirus pandemic, shareholders are strongly encouraged to participate in the AGM by voting electronically or by proxy ahead of the meeting. As third parties will not be allowed to the meeting, if appointing a proxy, shareholders are encouraged to appoint the Chair of the AGM to submit proxy votes at the meeting. As noted above, in light of the impact of coronavirus, the Board seeks to safeguard the health and wellbeing of the Company's shareholders and employees, therefore shareholders may not physically attend the AGM and will not be permitted access to the venue on the day of the meeting.

5. Appointment of proxy using the hard-copy Form of Proxy

A Form of Proxy which may be used to make such appointment and give proxy instructions accompanies this Notice for shareholders who have elected to receive a hard copy of the Annual Report.

For an electronic proxy appointment to be valid, it must be received by the Registrar no later than 11:00 am on 10 August 2020. Should you complete your Form of Proxy electronically and then post a hard copy, the form that arrives last will be counted to the exclusion of instructions received earlier, whether electronic or postal. Please refer to the terms and conditions of the service on the website.

7. Appointment of proxies through CREST

CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so by using the procedures described in the CREST Manual. CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed a service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a 'CREST Proxy Instruction') must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications, and must contain the information required for such instruction, as described in the CREST Manual (available via www.euroclear.com/CREST).

The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID RA10) by 11:00 am on 10 August 2020. For this purpose, the time of receipt will be taken to be the time (as determined by the time stamp applied to the message by the CREST Application Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

IMPORTANT NOTES CONTINUED

CREST members and, where applicable, their CREST sponsors, or voting service providers should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular message. Therefore, normal system timings and limitations will apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member, or sponsored member, or has appointed a voting service provider), to procure that their CREST sponsor or voting service provider(s) take(s) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting system providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.
