STALLION DISCOVERIES GRANTS STOCK OPTIONS

Vancouver, British Columbia, March 2, 2023 – Stallion Discoveries Corp. (the "**Company**" or "**Stallion**") (TSX-V: STUD; OTCQB: STLNF) announces that the Company has granted an aggregate 650,000 incentive stock options (the "Options") to officers, directors and consultants of the Company. The Options are exercisable at \$0.40 per share for a period of five years from the date of grant. 50,000 Options were granted to an investor relations provider and are subject to vesting over a period of one year. All Options are subject to a hold period of four months and one day. The Options have been granted under and are governed by the terms of the Company's incentive stock option plan.

About Stallion Discoveries

Stallion Discoveries is an exploration company bred to pursue the exploration of large, underexplored land packages located in the best jurisdictions next to world class projects with the singular ambition of making significant discoveries. Stallion is using modern exploration techniques to explore historical and new mineral targets on its expansive land packages in Saskatchewan, Idaho and Nevada. Our leadership and advisory team are comprised of uranium and precious metals exploration experts with the capital markets experience and the technical talent for acquiring and exploring early-stage properties with highly prospective targets.
