About Canadian Metals Inc.

Canadian Metals Inc. (CSE: CME) is a diversified resource company focused on creating shareholder value through the development of large-scale mineral deposits in key commodities and safe jurisdictions. The Company currently holds over 250 km^2 of highly prospective land in New Brunswick, Canada. These projects are located within and adjacent to the Bathurst Mining Camp (BMC) and are 100%-owned. The properties cover a range of geological target types typical of the Appalachian Orogenic environment, including silver-lead-zinc VMS, structurally controlled gold, porphyry copper-gold-molybdenum, antimony-gold-arsenic associated with intrusions, and skarn-type lead-zinc-copper-silver mineralization.
