VidWRX Inc. Amends Terms to Private Placement

Vancouver, British Columbia: December 17, 2015 – VidWRX Inc. (TSX-V:VID) ("**VidWRX**" or the "**Company**"), pioneer of scalable video production solutions, announces that further to its news release dated December 7, 2015 it is amending the terms of its previously announced non-brokered private placement offering (the "**Offering**") of up to 4,375,000 special warrants ("Special Warrants") at a price of $0.08 per Special Warrants for gross proceeds of up to $350,000. The amended Offering will be a non-brokered private placement offering (the "**Amended Offering**") of 6,400,000 Special Warrants at a price of $0.05 per Special Warrants for gross proceeds of $320,000.

Each Special Warrant entitles the holder thereof to acquire at any time after closing (the "**Closing Date**"), for no additional consideration, one unit of VidWRX (a "**Unit**"), with each Unit comprised of one common share of VidWRX (a "**Common Share**") and one Common Share purchase warrant of VidWRX (a "**Warrant**"). Each Warrant will entitle the holder thereof to purchase one Common Share at an exercise price of $0.07 per Common Share for a period of 48 months following the Closing Date. If the Company fails to qualify the Common Shares and Warrants issuable on conversion of the Special Warrants, by January 21, 2016, certain holders of Special Warrants will be entitled to receive 1.25 Common Shares (instead of one Common Share) and one Warrant, on the conversion of the Special Warrants.

In connection with the Amended Offering, the Company will pay an 8% cash commission and issue finder special warrants (the "**Finder Special Warrants**") in amount equal to 8% of the total number of Special Warrants subscribed for by person introduced to the Company by a finder. Each Finder Special Warrant entitles the holder thereof to acquire at any time after the Closing Date, for no additional consideration, a broker's warrant (a "**Broker's Warrant**"). Each Broker's Warrant entitles the holder to acquire one Unit at an exercise price of $0.05 per Unit, each Unit on the same terms as the Amended Offering Units.

The Company plans to use the net proceeds from the Offering for working capital and general corporate purposes. The Offering will close upon receipt of TSX Venture Exchange approval and all securities issued pursuant to the Offering are subject to a four-month and one day hold period as required by Canadian securities laws.

In addition, the Company announces that it will modify certain terms of the special warrants issued on October 7, 2015 and November 16, 2015. Subject to receipt of all required approvals, the underlying warrants (the "**Warrants**") that will become issuable upon conversion of the 7,200,000 series 1 special warrants and the 3,750,000 series 2 special warrants issued by the Company on October 7, 2015 (the "**Series 1 Closing Date**") and November 16, 2015 (the "**Series 2 Closing Date**"), respectively will be modified such that the Warrants will expire 60 months following the Series 1 Closing Date or the Series 2 Closing Date, as applicable, and the exercise price of the Warrants issued pursuant to the Series 1 offering will be modified to $0.12 (from $0.145) and the exercise price of the Warrant issued pursuant to the Series 2 offering will be modified to $0.10 (from $0.145).
