

AUTHOR'S CERTIFICATE – L. John Peters

I, Lawrence John Peters, P.Geo do hereby certify that:

- a) I am a consulting geologist with address at 2944 Lakeside Court, West Kelowna, BC, Canada, V4T 1T1.
- b) I graduated with a Bachelor of Science degree (Geology) from the University of Western Ontario in 1984. I am a Professional Geoscientist (P.Geo.) in good standing with the Engineers and Geoscientists British Columbia (#19010) and the Professional Engineers and Geoscientists Newfoundland & Labrador (#09269).
- c) Since my graduation from university, I have worked as an exploration geologist for 34 years in Canada, United States, Chile, West Africa and Greenland and as a mine geologist in British Columbia for 4 years. I have been involved in exploration activities focused on gold, diamonds, copper-gold and VMS base metals. I have also been involved in nickel exploration activities in Labrador and British Columbia.
- d) I have not had the opportunity to visit the Property to date due to travel restrictions imposed by the Covid-19 pandemic.
- e) I co-authored the preparation of all sections of the technical report titled "National Instrument 43-101 Technical Report on the La Gitana Gold-Silver Property, Oaxaca State, Mexico" and dated 10 September 2020 (the "Technical Report").
- f) I have read the definition of "qualified person" set out in National Instrument 43-101 ("NI 43-101") and certify that by reason of my education, affiliation with a professional association, and past relevant work experience I fulfill the requirements to be a "qualified person" for the purposes of NI 43-101. I am not independent of the issuer applying all of the tests in section 1.5 of National Instrument 43-101. I hold incentive stock options in Inomin and am a director of the company.
- g) I was not involved in any of the exploration activities conducted on the La Gitana Property that is the subject of the technical report.
- h) I have read National Instrument 43-101 and Form 43-101F1, and the Technical Report has been prepared in compliance with that instrument and form.
- i) I am not aware of any material fact or material change with respect to the subject matter of the Technical Report that is not reflected in the Technical Report, the omission to disclose which makes the Technical Report misleading.

Dated this 10th day of September 2020
