About Decisive Dividend Corporation

Decisive Dividend Corporation is an acquisition-oriented company, focused on opportunities in manufacturing. The Corporation's purpose is to be the sought-out choice for exiting legacy-minded business owners, while supporting the long-term success of the businesses acquired, and through that, creating sustainable and growing shareholder returns. The Corporation uses a disciplined acquisition strategy to identify already profitable, well-established, high quality manufacturing companies that have a sustainable competitive advantage, a focus on non-discretionary products, steady cash flows, growth potential and established, strong leadership.
