MANAGEMENT INFORMATION CIRCULAR

(Containing information as at June 9, 2025 unless otherwise stated)

**For the Annual General and Special Meeting
to be held on Monday, July 14, 2025**

SOLICITATION OF PROXIES

This Information Circular (the “**Circular**”) is furnished in connection with the solicitation of proxies by the management (the “**Management**”) of EGF Theramed Health Corp. (the “**Company**”), for use at the annual general meeting (the “**Meeting**”) of the shareholders (“**Shareholders**”) of the Company to be held on **Monday, July 14, 2025**, at the time and place and for the purposes set forth in the accompanying Notice of Meeting and at any adjournment thereof.

The enclosed form of proxy (the “**Proxy**”) is solicited by Management. The solicitation will be primarily by mail, however, proxies may be solicited personally or by telephone by the regular officers and employees of the Company. The cost of solicitation will be borne by the Company.

APPOINTMENT OF PROXYHOLDERS

The persons named in the Proxy are representatives of the Company.

A Shareholder entitled to vote at the Meeting has the right to appoint a person (who need not be a Shareholder) to attend and act on the Shareholder’s behalf at the Meeting other than the persons named in the accompanying form of proxy. To exercise this right, a Shareholder shall strike out the names of the persons named in the accompanying form of proxy and insert the name of the Shareholder’s nominee in the blank space provided, or complete another suitable form of proxy.

VOTING BY PROXYHOLDER

Manner of Voting

The common shares represented by the Proxy will be voted or withheld from voting in accordance with the instructions of the Shareholder on any ballot that may be called for and, if the Shareholder specifies a choice on the Proxy with respect to any matter to be acted upon, the shares will be voted accordingly. On any poll, the persons named in the Proxy (the “**Proxyholders**”) will vote the shares in respect of which they are appointed. Where directions are given by the Shareholder in respect of voting for or against any resolution, the Proxyholder will do so in accordance with such direction.

The Proxy, when properly signed, confers discretionary authority on the Proxyholder with respect to amendments or variations to the matters which may properly be brought before the Meeting. At the time of printing this Circular, Management is not aware that any such amendments, variations or other matters are to be presented for action at the Meeting. However, if any other matters which are not now known to Management should properly come before the Meeting, the proxies hereby solicited will be exercised on such matters in accordance with the best judgment of the Proxyholder.

In the absence of instructions to the contrary, the Proxyholders intend to vote the common shares represented by each Proxy, properly executed, in favour of the motions proposed to be made at the Meeting as stated under the headings in this Circular.

Revocation of Proxy

A Shareholder who has given a Proxy may revoke it at any time before it is exercised. In addition to revocation in any other manner permitted by law, a Proxy may be revoked by instrument in writing executed by the Shareholder or by his or her attorney authorized in writing, or, if the Shareholder is a corporation, it must either be under its common seal or signed by a duly authorized officer and deposited by hand with the Company's registrar and transfer agent, Endeavor Trust Corporation. ("**Endeavor**") by hand or mail at Suite 702-777 Hornby Street, Vancouver, BC V6Z 1S4, or by fax at 604-559-8908 at any time up to and including the last business day preceding the day of the Meeting, or any adjournment of it, at which the proxy is to be used, or to the Chair of the Meeting on the day of the Meeting or any adjournment of it. A revocation of a Proxy does not affect any matter on which a vote has been taken prior to the revocation.

If you are a Registered Shareholder (as defined below) or appointed proxyholder and are planning to attend the Meeting, please notify the Company in advance of the Meeting at either the email address or phone number provided below:

Email: connoryuen@conquestvc.com

Telephone: 778 999-3353

Voting Thresholds Required for Approval

In order to approve a motion proposed at the Meeting, a majority of not less than one-half of the votes cast will be required (an "**Ordinary Resolution**") unless the motion requires a resolution (a "**Resolution**"), in which case a majority of not less than two-thirds of the votes cast will be required. In the event a motion proposed at the Meeting requires disinterested Shareholder approval, common shares held by Shareholders of the Company who have a disclosed interest in the proposed resolution will be excluded from the count of votes on such motion.

ADVICE TO REGISTERED SHAREHOLDERS

Shareholders whose names appear on the records of the Company as the registered holders of common shares in the capital of the Company (the "**Registered Shareholders**") may choose to vote by proxy whether or not they are able to attend the Meeting in person.

Registered Shareholders who choose to submit a Proxy may do so by completing, signing, dating and depositing the Proxy with Endeavor, by hand or mail at Suite 702-777 Hornby Street, Vancouver, BC V6Z 1S4, or by fax at 604-559-8908, not less than 48 hours (excluding Saturdays, Sundays and holidays) before the time of the Meeting or any adjournment thereof. The Proxy may be signed by the Shareholder or by his or her attorney in writing, or, if the Registered Shareholder is a corporation, it must either be under its common seal or signed by a duly authorized officer.

ADVICE TO BENEFICIAL SHAREHOLDERS

The information set forth in this section is of significant importance to many Shareholders as a substantial number of Shareholders do not hold shares in their own name.

Shareholders who do not hold their shares in their own name (the "**Beneficial Shareholders**") should note that only proxies deposited by Registered Shareholders can be recognized and acted upon at the Meeting.

If shares are listed in an account statement provided to a Shareholder by an intermediary, such as a brokerage firm, then, in almost all cases, those shares will not be registered in the Shareholder's name on the records of the Company. Such shares will more likely be registered under the name of the Shareholder's intermediary or an agent of that intermediary, and consequently the Shareholder will be a Beneficial Shareholder. In Canada, the vast majority of such shares are registered under the name CDS & Co. (being the registration name for the Canadian Depositary for Securities, which acts as nominee for many Canadian brokerage firms). The shares held by intermediaries or their agents or nominees can only be voted (for or against resolutions) upon the instructions of the Beneficial Shareholder. Without specific instructions, an intermediary and its agents are prohibited from voting shares for the intermediary's clients. Therefore, Beneficial Shareholders should ensure that instructions respecting the voting of their shares are communicated to the appropriate person.

These proxy-related materials are being sent to both Registered Shareholders and Beneficial Shareholders of the Company. If you are a Beneficial Shareholder and the Company or its agent has sent these materials directly to you, your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf.

Although Beneficial Shareholders may not be recognized directly at the Meeting for the purpose of voting shares registered in the name of their broker, agent or nominee, a Beneficial Shareholder may attend the Meeting as a Proxyholder for a Registered Shareholder and vote their shares in that capacity. Beneficial Shareholders who wish to attend the Meeting and indirectly vote their shares as Proxyholder for a Registered Shareholder should contact their broker, agent or nominee well in advance of the Meeting to determine the steps necessary to permit them to indirectly vote their shares as a Proxyholder.

There are two kinds of Beneficial Shareholders, those who object to their name being made known to the issuers of securities that they own (“**OBOs**” for Objecting Beneficial Owners) and those who do not object to the issuers of the securities they own knowing who they are (“**NOBOs**” for Non-Objecting Beneficial Owners).

Non-Objecting Beneficial Owners

Pursuant to National Instrument 54-101 – Communication with Beneficial Owners of Securities of a Reporting Issuer (“**NI 54-101**”), issuers can obtain a list of their NOBOs from intermediaries for distribution of proxy-related materials directly to NOBOs. This year, the Company will rely on those provisions of NI 54-101 that permit it to directly deliver proxy-related materials to its NOBOs. As a result, NOBOs can expect to receive a scannable voting instruction form (“**VIF**”) from the Company’s transfer agent, Endeavor. These VIFs are to be completed and returned to Endeavor in the envelope provided or by facsimile. In addition, Endeavor provides both telephone voting and internet voting as described on the VIF itself which contains complete instructions. Endeavor will tabulate the results of the VIFs received from NOBOs and will provide appropriate instructions at the Meeting with respect to the shares represented by the VIFs they receive.

If you are a Beneficial Shareholder and the Company or its agent has sent these proxy-related materials to you directly, please be advised that your name, address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding your securities on your behalf. By choosing to send these proxy-related materials to you directly, the Company (and not the intermediaries holding securities your behalf) has assumed responsibility for (i) delivering the proxy-related materials to you and (ii) executing your proper voting instructions as specified in the VIF.

Objecting Beneficial Owners

Beneficial Shareholders who are OBOs should follow the instructions of their intermediary carefully to ensure that their shares are voted at the Meeting. The Company will not pay for the delivery of proxy-related materials to OBOs of the Common Shares under NI 54-101 and Form 54-101F7 – Request for Voting Instructions Made by Intermediary. The OBOs will not receive the materials unless their intermediary assumes the costs of delivery.

Applicable regulatory rules require intermediaries to seek voting instructions from OBOs in advance of Shareholders’ meetings. Every intermediary has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by OBOs in order to ensure that their shares are voted at the Meeting. The purpose of the form of proxy or voting instruction form provided to an OBO by its broker, agent or nominee is limited to instructing the registered holder of the shares on how to vote such shares on behalf of the OBO.

The form of proxy provided to OBOs by intermediaries will be similar to the Proxy provided to Registered Shareholders. However, its purpose is limited to instructing the intermediary on how to vote your shares on your behalf. The majority of intermediaries now delegate responsibility for obtaining instructions from OBOs to Broadridge Investor Communications (“**Broadridge**”). Broadridge typically supplies voting instruction forms, mails those forms to OBOs, and asks those OBOs to return the forms to Broadridge or follow specific telephonic or other voting procedures. Broadridge then tabulates the results of all instructions received by it and provides appropriate instructions respecting the voting of the shares to be represented at the meeting. **An OBO receiving a voting instruction form from Broadridge cannot use that form to vote shares directly at the Meeting. Instead, the voting instruction form must be returned to Broadridge or the alternate voting procedures must be completed well in advance of the Meeting in order to ensure that such shares are voted.**

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

Except as otherwise disclosed herein, none of the directors (“**Directors**”) or officers (“**Officers**”) of the Company, at any time since the beginning of the Company’s last financial year, nor any proposed nominee for election as a Director, or any associate or affiliate of the foregoing persons, has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matters to be acted upon at the Meeting exclusive of the election of directors or the appointment of auditors. Directors and Officers may, however, be interested in the approval of the New Option Plan as detailed in “*Stock Option Plan*” below, as such persons are entitled to participate in the Option Plan.

Stock Option Plans and Other Incentive Plans

The Company has adopted a fixed stock option plan (the “**Option Plan**”) pursuant to which the Board may grant options (the “**Options**”) to purchase Common Shares of the Company to NEOs, Directors and employees of the Company or affiliated corporations and to consultants retained by the Company.

The purpose of the Stock Option Plan is to advance the interests of the Company by encouraging the directors, officers, employees and consultants of the Company, and of its subsidiaries and affiliates, if any, to acquire common shares in the share capital of the Company, thereby increasing their proprietary interest in the Company, encouraging them to remain associated with the Company and furnishing them with additional incentive in their efforts on behalf of the Company in the conduct of its affairs.

Subject to adjustment as provided for in the Option Plan, the number of Shares which will be reserved for issuance pursuant to Options granted pursuant to the Option Plan, plus any other outstanding incentive stock options of the Company granted pursuant to a previous stock option plan or agreement, will be fixed at 10% of the number of shares outstanding immediately prior to the share issuance or grant (the “**Outstanding Issue**”) and will not exceed 1,161,666 Shares. Options may be granted to any employee, Officer, Director, consultant, affiliate or subsidiary of the Company exercisable at a price which is not less than the market price of common shares of the Company on the date of the grant. The Directors of the Company may, by resolution, determine the time period during which any option may be exercised (the “**Exercise Period**”), provided that the Exercise Period does not contravene any rule or regulation of such exchange on which the Common Shares may be listed. All Options will terminate on the earliest to occur of (a) the expiry of their term; (b) the date of termination of an optionee’s employment, office or position as Director, if terminated for just cause; (c) ninety (90) days (or such other period of time as permitted by any rule or regulation of such exchange on which the Common Shares may be listed) following the date of termination of an optionee’s position as a Director or NEO, if terminated for any reason other than the optionee’s disability or death; (d) thirty (30) days following the date of termination of an optionee’s position as a consultant engaged in investor relations activities, if terminated for any reason other than the optionee’s disability, death, or just cause; and (e) the date of any sale, transfer or assignment of the Option.

There are presently no Options outstanding under the Option Plan, all of which are held directly by NEOs or directors of the Company.

Employment, Consulting and Management Agreements

Management functions of the Company are not, to any substantial degree, performed other than by Directors or NEOs of the Company. There are no agreements or arrangements that provide for compensation to NEOs or Directors of the Company, or that provide for payments to a NEO or Director at, following or in connection with any termination (whether voluntary, involuntary or constructive), resignation, retirement, severance, a change of control in the Company or a change in the NEO or Director’s responsibilities.

Oversight and Description of Director and NEO Compensation

Compensation of Directors

Compensation of Directors of the Company is reviewed annually and determined by the Board. The level of compensation for Directors is determined after consideration of various relevant factors, including the expected nature and quantity of duties and responsibilities, past performance, comparison with compensation paid by other issuers of comparable size and nature, and the availability of financial resources.

In the Board's view, there is, and has been, no need for the Company to design or implement a formal compensation program for Directors. While the Board considers Option grants to Directors under the Option Plan from time to time, the Board does not employ a prescribed methodology when determining the grant or allocation of Options. Other than the Option Plan, as discussed above, the Company does not offer any long-term incentive plans, share compensation plans or any other such benefit programs for Directors.

Compensation of NEOs

Compensation of NEOs is reviewed annually and determined by the Board. The level of compensation for NEOs is determined after consideration of various relevant factors, including the expected nature and quantity of duties and responsibilities, past performance, comparison with compensation paid by other issuers of comparable size and nature, and the availability of financial resources.

Elements of NEO Compensation

As discussed above, the Company provides an Option Plan to motivate NEOs by providing them with the opportunity, through Options, to acquire an interest in the Company and benefit from the Company's growth. The Board does not employ a prescribed methodology when determining the grant or allocation of Options to NEOs. Other than the Option Plan, the Company does not offer any long-term incentive plans, share compensation plans, retirement plans, pension plans, or any other such benefit programs for NEOs.

Pension Plan Benefits

No pension, retirement or deferred compensation plans, including defined contribution plans, have been instituted by the Company and none are proposed at this time.

Share Consolidation

It is the opinion of the directors that future equity financing will be required in order for the Company to meet its working capital requirements and to fund any further acquisitions. It is the directors’ further opinion, that the structure of the Company’s existing issued and outstanding share capital may not be conducive to completing such additional equity financing and that a consolidation of the Company’s share capital may be required in order facilitate attracting new equity investment in the Company. Pursuant to the applicable corporate law, shareholder approval for a share consolidation is not required as one can be given effect by a resolution of the directors; however, Exchange policies require that a share consolidation be approved by: (a) the applicable regulatory authorities; and (b) a special resolution of the shareholders.

The directors have determined a consolidation ratio of up to 1:20 - (1) new post-consolidation common share for every twenty (20) pre-consolidation common shares (the “Consolidation”) such that upon completion of the Consolidation

all of the issued and outstanding shares of the Company will be consolidated into up to a ratio of 20 for 1 issued and outstanding shares. Outstanding warrants and options will similarly be adjusted by the consolidation ratio.

Upon completion of the Consolidation a letter of transmittal, as and if required, may be mailed to the Company's registered shareholders.

The Consolidation is subject to acceptance by the Exchange. In particular, the Company will be required to meet the Exchange's Continued Listing Requirements upon completion of the Consolidation.

Therefore, at the Meeting, shareholders will be asked to consider, and if thought fit, to approve an ordinary resolution in the following form:

"IT IS HEREBY RESOLVED, AS A SPECIAL RESOLUTION THAT:

The board of directors of the Company be and is hereby authorized, subject to approval of the applicable regulatory authorities, to take such actions as are necessary to consolidate, at any time following the date of this resolution, all of the issued and outstanding common shares of the Company on the basis of one (1) new post-consolidation common share for every twenty (20) pre-consolidation common shares, or such lesser whole number of pre-consolidation common shares that the directors in their discretion may determine, subject to the approval of the applicable regulatory authorities;

Any one or more directors and officers of the Company be authorized to perform all such acts, deeds and things and execute, under seal of the Company or otherwise, all such documents and other writings, including the Notice of Alteration, as may be required to give effect to the true intent of these resolutions; and

Despite the foregoing authorization, the board of directors of the Company may, at its discretion, determine when such consolidation will take place and may further, at its discretion, determine not to effect a consolidation of all of the issued and outstanding common shares of the Company, in each case without requirement for further approval, ratification or confirmation by the shareholders of the Company."

The foregoing resolution permits the directors, without further approval by the shareholders, to select the final consolidation ratio and proceed with the Consolidation at any time following the date of this Meeting. Alternatively, the directors may choose not to proceed with the share consolidation if the directors, in their discretion, deem that it is no longer desirable to do so.

Management recommends that shareholders vote for the approval of this ordinary resolution in order to facilitate any future financing and reorganize the Company's share structure.

In order to pass the above resolution, a simple majority of the votes cast by holders of shares, present in person or by proxy at the Meeting, is required.

Unless the shareholder has specified in the enclosed form of proxy that the shares represented by such proxy are to be voted against the ordinary resolution approving the Consolidation of the Company's issued and outstanding shares, the persons named in the enclosed form of proxy will vote FOR the resolution.
