CARLSBAD, Calif. – April 23, 2025 -- Aurora Spine Corporation ("Aurora Spine" or the "Company") (TSXV: ASG) (OTCQB: ASAPF), a leader in spine and interventional spine technology that improves spinal surgery outcomes, today announced it will issue its financial results for the fourth quarter and fiscal year ended December 31, 2024, on Monday, April 28, 2025, after market hours. Management will host a conference call for investors on Tuesday, April 29, 2025 at 11:00 am ET/8:00am PT to discuss the results with investors.

Additionally, the Company wishes to clarify that the management information circulars issued in connection with its 2023 and 2024 annual meetings of shareholders inadvertently referenced a prior version of the Company's stock option plan. The updated plan, which has been in effect since its approval by the board in 2022, included certain amendments that were not described in the circulars. The Company intends to include the correct version of the plan in the materials for its upcoming annual general meeting of shareholders, details of which will be announced in due course.
