Aurora Spine Corporation to Participate in the 38th Annual ROTH Conference

CARLSBAD, Calif., March 16, 2026 (GLOBE NEWSWIRE) -- Aurora Spine Corporation ("Aurora Spine" or the "Company") (TSXV: ASG) (OTCQB: ASAPF), a leader in the development of groundbreaking medical devices for spinal surgery, today announced it will participate in the 38th Annual ROTH Conference on March 22-24, hosted by Roth Capital Partners. The conference will be held March 22-24, 2026 at the Ritz-Carlton in Laguna Niguel, California and the management team will be available for one-on-one meetings with investors at the conference.

Investors attending the conference who are interested in scheduling a meeting with management, can do so by contacting their Roth representative, or by emailing asapf@lythampartners.com.

About the Roth Capital Partners Conference

The Annual ROTH Conference is one of the largest in the nation for small-cap companies, combining company presentations, Q&A sessions and management 1-on-1 meetings. The format provides investors with the opportunity to hear from and meet with executive management from approximately 500 private and public companies in a variety of growth sectors. Roth's award-winning Research Team identifies distinguished presenting companies across broad sectors, including consumer, energy, healthcare, industrial growth, metals & mining, sustainability, services, technology and more.

About Aurora Spine

Aurora Spine Corporation (TSXV: ASG) (OTCQB: ASAPF) is an innovative designer and manufacturer of minimally invasive spinal implants and interventional pain management technologies. Headquartered in Carlsbad, California, the company's mission is to improve spinal surgery outcomes through simplified, integrated, and cost-effective solutions that advance patient care worldwide.
