The following management discussion and analysis ("MD&A") of the results of the operations and financial position of Aumento Capital IV Corporation (the "Corporation" or "Aumento") prepared as of March 31, 2015 should be read in conjunction with the Corporation's financial statements for the period ended March 31, 2015. All figures contained in this MD&A are presented in Canadian dollars.

The Corporation

Aumento Capital IV was incorporated under the Ontario Business Corporation Act on June 11, 2013 and is classified as a Capital Pool Corporation as defined in the Policy 2.4 of the TSX Venture Exchange (the "Exchange").

The principal business of the Corporation is the identification and evaluation of assets or businesses with a view to completing a Qualifying Transaction ("QT"). The Corporation has not commenced commercial operations and has no assets other than cash. Given the nature of the activities, no separate segmented information is reported. The Corporation's continuing operations as intended are dependent upon its ability to identify, evaluate and negotiate an acquisition or business, or an interest therein. Such an acquisition will be subject to the approval of the regulatory authorities concerned and, in the case of a non-arm's length transaction, of the majority of the minority shareholders.

The proceeds raised from the issuance of share capital may only be used to identify and evaluate assets or businesses for future investment, with the exception that up to the lesser of 30% of the gross proceeds realized by the Corporation in respect of the sale of its securities or $210,000, may be used for purposes other than evaluating businesses or assets. These restrictions apply until completion of a QT by the Corporation as defined under the policies of the Exchange. The Corporation is required to complete its QT on or before two years from the date the Corporation receives regulatory approval.

On September 16, 2013, the Corporation completed its initial public offering (the "Offering") via the issuance of 1,014,300 common shares (the "Common Shares") at a purchase price of $0.60 per Common Share for gross proceeds of $608,580. Upon the closing of the Offering, there were 1,609,300 Common Shares issued and outstanding, of which 595,000 Common Shares were being held in escrow.

The head office and the registered head office of the Corporation is located at 320 Bay Street, Suite 1600, Toronto, Ontario, M5H 4A6.

On May 29, 2015 the Board of Directors approved the financial statements for the period ended March 31, 2015.

Intent to Complete Qualifying Transaction

On October 21, 2014, the Corporation announced that it has terminated its previously announced arrangement with Verolube Inc. dated April 28, 2014 and amended June 24, 2014 to complete a business combination intended to constitute Aumento's Qualifying Transaction, as such term is defined in Policy 2.4 of the Corporate Finance Manual of the Exchange. The transaction has been terminated with no further obligation on either party, and no funds were advanced by the Corporation to Verolube Inc.

On November 25, 2014 the Corporation entered into a non-binding letter of intent with Life Choice Natural Food Corp. ("Life Choices") which outlined the general terms and conditions of a proposed transaction that resulted in the Corporation acquiring all of the issued and outstanding shares of Life Choices on April 30, 2015.

Capital Management

The Corporation's objective when managing capital is to maintain its ability to continue as a going concern in order to provide returns for shareholders and benefits for other stakeholders.

The Corporation includes equity, comprised of issued common shares, in the definition of capital.

The Corporation's primary objective with respect to its capital management is to ensure that it has sufficient cash resources to fund the identification and evaluation of potential acquisitions. To secure the additional capital necessary to pursue these plans, the Corporation may attempt to raise additional funds through the issuance of equity or by securing strategic partners.

The proceeds raised from the issuance of common shares may only be used to identify and evaluate assets or businesses for future investment, with the exception that not more than the lesser of 30% of the gross proceeds from the issuance of shares or $210,000 may be used to cover prescribed costs of issuing the common shares or administrative and general expenses of the Corporation. Subsequent Events

On April 13, 2015, Aumento, a wholly-owned subsidiary of Aumento ("Aumento Subco") and Life Choices entered into the definitive agreement (the "Definitive Agreement"). Pursuant to the terms of the Definitive Agreement, on April 30, 2015, Life Choices, Aumento and Aumento Subco completed a three-cornered amalgamation (the "Amalgamation") whereby Life Choices and Aumento amalgamated to form a new entity named Life Choices Natural Food Corp. (referred to herein as "Amalco"). Immediately prior to the Amalgamation, Aumento completed a share consolidation, consolidating the shares and options of Aumento on a 2:1 basis ("Share Consolidation"). Prior to the Amalgamation and a private placement, Life Choices implemented a 1 to 4.364521 split of its existing common shares ("Share Split"). Following the Share Split and Share Consolidation, as part of the Amalgamation, securityholders of Life Choices received securities in Aumento on a 1:1 basis. After the Amalgamation, the property of each of Life Choices and Aumento Subco became the property of Amalco, and Amalco became liable for the obligations of each of Life Choices and Aumento Subco. Amalco will continue to carry on the business and operations of Life Choices as a wholly-owned subsidiary of the Corporation.

The Transaction has been accounted for in accordance with IFRS 2, Share Based-Payments. The Transaction is considered to be a reverse takeover of Aumento by Life Choices. A reverse takeover transaction involving a non-public operating entity and a non-operating public company is in substance a share-based payment transaction, rather than a business combination. The Transaction is equivalent to the issuance of common shares by the non-public operating entity, Life Choices, for the net assets and the listing status of the non-operating public company, Aumento.

Prior to closing the Transaction, the Corporation's name was changed to "GreenSpace Brands Inc." The name change was approved by shareholders of the Corporation at a shareholder meeting on February 10, 2015.

On April 30, 2015, as a condition to the closing of the Transaction, Life Choices completed a private placement of 3,897,059 common shares at a purchase price of $1.36 per common share, for gross proceeds of approximately $5.3 million. The Share Split was completed prior to the closing of the private placement.
