

Baylin Technologies Announces New Purchase Orders From Leading US Public Space, Rocket Launch, LEO Satellite, and Aerospace Technology Company

TORONTO, July 7, 2026 /CNW/ - Baylin Technologies Inc. (the "**Company**") (TSX: BYL) (OTCQB: BYLTF) is pleased to announce that its Advantech Wireless subsidiary has recently received purchase orders totalling over \$2,500,000 CAD from a leading public space launch provider and aerospace technology company for its "MoonTalk" SSPAs.

What is truly impressive about this win is Advantech has added a third special NASA frequency which will be used exclusively for lunar exploration mission support. Advantech's Moon Talk amplifiers cover LS-Band, Low X-band and K-band in a broad range of power levels.

Leighton Carroll, CEO of Baylin Technologies commented, "Advantech's work on the Artemis Lunar space mission is unique and demonstrates the high quality capabilities of our space communication amplifiers. Adding this customer to our business is a great step in bringing further customer and product differentiation to Advantech."

ABOUT BAYLIN

Baylin is a leading diversified global wireless technology company focused on the research, design, development, manufacturing and sales of passive and active radio frequency and satellite communications products, and the provision of supporting services. FORWARD-LOOKING STATEMENTS

This press release includes forward-looking information and forward-looking statements (together, "forward-looking statements") within the meaning of applicable securities laws. Forward-looking statements are not statements of historical fact. Rather, they are disclosure regarding conditions, developments, events or financial performance that we expect or anticipate may or will occur in the future, including, among other things, information or statements concerning our objectives and strategies to achieve those objectives, statements with respect to management's beliefs, estimates, intentions and plans, and statements concerning anticipated future circumstances, events, expectations, operations, performance or results. Forward-looking statements can be identified

generally by the use of forward looking terminology, such as "anticipate", "believe", "could" "should", "would", "estimate", "expect", "forecast", "indicate", "intend", "likely", "may", "outlook", "plan", "potential", "project", "seek", "target", "trend" or "will", or the negative or other variations of these words or other comparable words or phrases, and are intended to identify forward-looking statements, although not all forward-looking statements contain these words.

The forward-looking statements in this press release include statements regarding the technical capabilities of Advantech's high-power solid-state amplifiers. Forward-looking statements are based on certain assumptions and estimates made by us in light of the experience and perception of historical trends, current conditions, expected future developments, including projected growth and sales in passive and active radio frequency and satellite communications products and services, and other factors we believe are appropriate and reasonable in the circumstances, but there can be no

assurance that such assumptions and estimates will prove to be correct.

Many factors could cause our actual results, level of activity, performance or achievements or future events or developments to differ materially from those expressed or implied by the forward-looking statements, including the risk factors discussed in the Company's most recent Annual Information Form, which is available on the Company's profile on SEDAR+ at www.sedarplus.ca. All the forward-looking statements in this press release are qualified by these cautionary statements and other cautionary statements or factors in this press release. There can be no assurance that the actual results or developments will be realized or, even if substantially realized, will have the expected consequences to, or effects on, the Company. Unless required by applicable securities law, the Company does not intend and does not assume any obligation to update these forward-looking statements.
