

Liht Cannabis Corp. To Exclusively Use Leading-Edge Lighting Technology By Agnetix In British Columbia Cultivation Facilities

KELOWNA, BC, Feb. 14, 2019 /CNW/ - Liht Cannabis Corp. (CSE: LIHT) (OTCQX: LIHTF) or the "Company") has selected the innovative Agnetix liquid cooled LED lighting system for its British Columbia, Canada cultivation facilities.

Liht Cannabis to use Agnetix liquid cooled LED Lighting System for its British Columbia cultivation facilities (CNW Group/Liht Cannabis Corporation)

Agnetix will provide its high powered LED lighting technology for our projects in British Columbia, including the newly announced 486,000 sq. ft of high-tech indoor cultivation facilities.

Using the Agnetix system's unparalleled power, advanced controls, and monitoring features, Liht expects to improve its yields while saving over 50% on energy costs vs. traditional systems.

"Our cutting-edge facilities draw a tremendous amount of power for lighting and HVAC systems. With the Agnetix system, we expect to see an immediate cost reduction in our energy bill and a more efficient operation" said Richard Huhn, Director of Liht *"We have also logged very positive plant-health results using these lights and we are excited to start the new grow."*

"This unique, highly-efficient technology aligns perfectly with Liht's vision to deliver low-cost organic cannabis to the world." Said Dr Ihor Lys, Founder/CTO of Agnetix.

ABOUT AGNETIX:

Agnetix is a fast growing, privately-held, LED lighting technology company founded in 2015 when an expert in the agricultural growth industry joined forces with Dr Ihor Lys, one of the biggest pioneers in advanced LED technologies. The Agnetix mission is to design leading-edge, liquid-cooled LED lighting systems, using the latest in science & technology, for efficient, rapid and healthy growth of indoor agriculture. The Agnetix platform combines decades of experience in advanced LED systems design with the latest in controlled environment agriculture technology to create the highest power and most efficient LED system available. ABOUT LIHT CANNABIS CORP.

www.lihtcannabis.com

Liht Cannabis Corp. is a publicly traded company investing in the medical and recreational cannabis space, since 2014. Liht has rapidly expanded to include cultivation, production and dispensary

locations in the key North American states of Washington, Nevada, and California, and are seeking expansion opportunities worldwide.

STOCK EXCHANGES:

Liht trades in Canada, ticker symbol LIHT on the CSE, in the United States, ticker symbol LIHTF on the OTCQX.

Neither the CSE nor its Regulation Services Provider, nor the OTCQX® has approved nor disapproved the contents of this press release. Neither the CSE nor the OTCQX® accepts responsibility for the adequacy or accuracy of this release.

MARIJUANA INDUSTRY INVOLVEMENT:

Canadian listings (CSE) will remain in good standing as long as they provide the disclosure that is rightly required by regulators and complying with applicable licensing requirements and the regulatory framework enacted by the applicable state in which they operate.

Liht owns marijuana licenses in California and Nevada. Marijuana is legal in each state however marijuana remains illegal under US federal law and the approach to enforcement of US federal law against marijuana is subject to change. Shareholders and investors need to be aware that adverse enforcement actions could affect their investments and that Liht's ability to access private and public capital could be affected and or could not be available to support continuing operations.

Liht's business is conducted in a manner consistent with state law and is in compliance with licensing requirements.

Copies of licenses are posted on Liht's website. Liht has internal compliance procedures in place and has compliance focused attorneys engaged in jurisdictions to monitor changes in laws for compliance with US federal and state law on an ongoing basis. These law firms inform any necessary changes to our policies and procedures for compliance in Canada and the US.

FORWARD - LOOKING STATEMENTS:

Certain statements in this release are forward-looking statements, which includes, the expected outcomes of its business, and other matters. Forward-looking statements consist of statements that are not purely historical, including any statements regarding beliefs, plans, expectations or intentions regarding the future. Such information can generally be identified by the use of forwarding looking wording such as "may", "expect", "estimate", "anticipate", "intend", "believe" and "continue" or the negative thereof or similar variations. Readers are cautioned not to place undue reliance on forward-looking statements, as there can be no assurance that the plans, intentions or expectations upon which they are based will occur. By their nature, forward-looking statements involve numerous assumptions, known and unknown risks and uncertainties, both general and specific, that contribute to the possibility that the predictions, estimates, forecasts, projections and other forward-looking statements will not occur. Forward-looking statement are necessarily based upon a number of factors that, if untrue, could cause the actual results, performances or achievements of the Company to be materially different from future results, performances or achievements express or implied by such statements. These assumptions, risks and uncertainties include, among other things, the state of the economy in general and capital markets in particular, present and future business strategies, the environment in which the Company will operate in the future, and other factors, many of which are beyond the control of the Company. While such estimates and assumptions are considered reasonable by the management of the Company, they are inherently subject to significant business, economic, competitive and regulatory uncertainties and risks.

Forward-looking statements are subject to a variety of risks and uncertainties, which could cause actual events, level of activity, performance or results to differ materially from those reflected in the

forward-looking statements, including, without limitation: that laws and regulations may become more onerous; the ability of the Company to obtain necessary financing; the economy generally; the future growth, results of operations, performance and business prospectus and opportunities; changes in and the effect of government policies; demand for products; competition; anticipated and unanticipated costs; reliance on management; claims and legal proceedings; conflicts of interest; and market price and volatility of the Common Shares. Factors that could cause actual results to differ materially from those in forward-looking statements include, but are not limited to, continued availability of capital and financing and general economic, market or business conditions, the loss of key directors, employees, advisors or consultants, technology failures, failure to obtain a license from Health Canada or from other government agencies, failure to develop new and innovative products, failure of counterparties to perform their contractual obligations and fees charged by service providers. Important factors that could cause actual results to differ materially from the Company's expectations include, litigation, global economic climate, loss of key employees and consultants, additional funding requirements, changes in laws, competition, and failure of counterparties to perform their contractual obligations. Forward-looking statements contained in this news release are expressly qualified by this cautionary statement. Investors are cautioned that forward-looking statements are not guarantees of future performance or events and, accordingly are cautioned not to put undue reliance on forward-looking statements due to the inherent uncertainty of such statements.

The forward-looking statements contained in this news release are made as of the date of this news release. Except as required by law, the Company disclaims any intention and assumes no obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise. Additionally, the Company undertakes no obligation to comment on the expectations of, or statements made by, third parties in respect of the matters discussed above. The Canadian Securities Exchange has not reviewed, nor approved the contents of this news release.
