

Earth Alive Announces ea1™ Dust Suppressant Purchase Order from Repeat Customer in Mexico

MONTREAL, June 11, 2021 (GLOBE NEWSWIRE) -- **Earth Alive Clean Technologies Inc. (TSXV: EAC – “Earth Alive” or the “Company”)**, a Canadian soil health company that develops and manufactures advanced microbial technology products, today announced that it has received a follow-on purchase order in the amount of approximately US\$500,000 for its proprietary ea1™ dust suppressant (“ea1”) from its customer in Mexico.

“We are excited to see our relationship with this mine operation continue to flourish,” said Earth Alive CEO, Michael Warren. “We are pleased that ea1 is proving to be an efficient solution to dust issues for this global mining group’s large open pit operation in Northern Mexico as evidenced by the multiple orders we have received over the past three years.”

Earth Alive expects to ship the totality of this order before the end of the current fiscal year.

About Earth Alive Clean Technologies

Earth Alive aims to be a key player in world markets of environmentally sustainable industrial solutions. The Company works with the latest innovations in microbial technology to formulate and patent innovative products that can tackle the most difficult industrial challenges, once only reserved to environmentally harmful chemicals and additives. The Company is focused on environmental sustainability in the agriculture industry and dust control for the mining industry. For additional company information, please visit: www.earthalivect.com.
