BIODE VENTURES LTD.

MANAGEMENT INFORMATION CIRCULAR

As at April 25, 2016

SOLICITATION OF PROXIES BY MANAGEMENT

This Management Information Circular (the “Circular”) is furnished in connection with the solicitation of proxies by the management of BioDE Ventures Ltd. (“BioDE” or the “Corporation”) for use at the annual general and special meeting (the “Meeting”) of shareholders of the Corporation to be held at Unit 1320, 885 West Georgia Street, Vancouver, British Columbia, on June 1, 2016 at 10:00 a.m. (Pacific Daylight Time) and at any adjournments thereof for the purposes set out in the accompanying Notice of Meeting. Solicitations may be made by mail and supplemented by telephone or other personal contact by the officers, employees or agents of the Corporation without special compensation. Pursuant to National Instrument 54-101 - *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“NI 54-101”), arrangements have been made with clearing agencies, brokerage houses and other financial intermediaries to forward proxy solicitation materials to the beneficial owners of the Class A Common Shares of the Corporation (the “Shares”). The cost of any such solicitation will be borne by the Corporation.

The Board of Directors of the Corporation has fixed the record date for the Meeting to be the close of business on April 18, 2016 (the “**Record Date**”). Shareholders of record as of the Record Date are entitled to receive notice of the Meeting. Shareholders of record will be entitled to vote those Shares included in the list of shareholders entitled to vote at the Meeting prepared as at the Record Date.

APPOINTMENT AND REVOCATION OF PROXIES

The persons named in the accompanying form of proxy are directors and/or officers of the Corporation. **A shareholder has the right to appoint a person (who need not be a shareholder of the Corporation) to attend and represent him or her at the Meeting, other than those persons named in the enclosed form of proxy. A shareholder who wishes to appoint some other person to present him or her at the Meeting may do so either by inserting such other person’s name in the blank space provided in the form of proxy and signing the form of proxy, or by completing another proper form of proxy.** A form of proxy will not be valid unless it is completed, dated, signed and delivered to the office of the registrar and transfer agent of the Corporation, Equity Financial Trust Company (“**Equity Financial**”), 200 University Ave., Suite 300, Toronto, ON M5H 4H1, not less than 48 hours (excluding Saturday, Sunday and statutory holidays) preceding the Meeting or an adjournment of the Meeting.

A shareholder who has given a proxy may revoke it as to any matter upon which a vote has not already been cast pursuant to the authority conferred by the proxy.

A proxy may be revoked by depositing an instrument in writing, executed by the shareholder or his or her

attorney authorized in writing, or, if the shareholder is a corporation, under its corporate seal or signed by a duly authorized officer or attorney for the corporation at the office of Equity Financial, Suite 2700, 650 West Georgia Street, Vancouver, British Columbia, V6B 4N9, at any time, not less than 48 hours (excluding Saturdays, Sundays and statutory holidays) preceding the Meeting or an adjournment of the Meeting at which the proxy is to be used.

In addition, a proxy may be revoked by the shareholder executing another form of proxy bearing a later date and depositing same at the offices of the registrar and transfer agent of the Corporation within the time period set out under the heading “Voting of Proxies”, or by the shareholder personally attending the Meeting or any adjournment thereof and voting his or her Shares. Any revocation made or delivered at the Meeting or any adjournment thereof shall be valid only with respect to matters not yet dealt with at the time such revocation is received by the Chairman or the Scrutineer of the Meeting.

VOTING OF PROXIES

All Shares represented at the Meeting by properly executed proxies will be voted and where a choice with respect to any matter to be acted upon has been specified in the form of proxy, the Shares represented by the proxy will be voted in accordance with such specifications. **In the absence of any such specifications, the management designees, if named as proxy, will vote IN FAVOUR of:**

- (i) The election of directors;**
- (ii) The appointment of auditors;**
- (iii) The special resolution authorizing the consolidation and subdivision of all of the issued and outstanding common shares of the Corporation;**
- (iv) The special resolution authorizing the alteration of the Corporation’s Articles to include an advance notice provision to provide shareholders, directors and management of the Corporation with direction on the nomination of directors (the “Advance Notice Provision”); and**
- (v) Any other matter that properly comes before the Meeting.**

The enclosed form of proxy confers discretionary authority upon the management designees, or other persons named as proxy, with respect to amendments to or variations of matters identified in the Notice of Meeting and any other matters that may properly come before the Meeting. At the date of this Circular, the Corporation is not aware of any amendments to, or variations of, or other matters that may come before the Meeting. In the event that other matters come before the Meeting, then the management designees intend to vote in accordance with the judgment of the management of the Corporation.

Proxies, to be valid, must be deposited at the office of Equity Financial, 200 University Ave., Suite 300, Toronto, ON M5H 4H1, not less than 48 hours (excluding Saturdays, Sundays and statutory holidays) preceding the Meeting or an adjournment of the Meeting.

NON-REGISTERED SHAREHOLDERS

Only registered shareholders or the persons they appoint as their proxies are permitted to vote at the Meeting. However, in many cases, Shares beneficially owned by a person (a “**Non-Registered Holder**”) are registered either (i) in the name of an intermediary (an “**Intermediary**”) that the Non-Registered Holder deals with in respect of the Shares, such as securities dealers or brokers, banks, trust companies, and trustees, as administrators of self-administered RRSPs, RRIFs, RESPs, and similar plans; or (ii) in the name of a clearing agency of which the Intermediary is a participant. In accordance with NI 54-101, the Corporation has distributed copies of the notice of meeting and this Circular (collectively, the “**Meeting**

Materials”) to the clearing agencies and Intermediaries, for distribution to Non-Registered Holders. Intermediaries are required to forward the Meeting Materials to Non-Registered Holders, and often use a service company for this purpose. Non-Registered Holders will either:

- (a) typically, be provided with a computerized form (often called a “**voting instruction form**”) which is not signed by the Intermediary and which, when properly completed and signed by the Non-Registered Holder and returned to the Intermediary or its service company, will constitute voting instructions which the Intermediary must follow. The Non-Registered Holder will generally be given a page of instructions which contains a removable label containing a bar code and other information. In order for the applicable computerized form to validly constitute a voting instruction form, the Non-Registered Holder must remove the label from the instructions and affix it to the computerized form, properly complete and sign the form and submit it to the Intermediary or its service company in accordance with the instructions of the Intermediary or service company. In certain cases, the Non-Registered Holder may provide such voting instructions to the Intermediary or its service company through the Internet or through a toll-free telephone number, or
- (b) less commonly, be given a proxy form which has already been signed by the Intermediary (typically by a facsimile, stamped signature), which is restricted to the number of shares beneficially owned by the Non-Registered Holder but which is otherwise not completed. In this case, the Non-Registered Holder who wishes to submit a proxy should properly complete the proxy form and submit it to Equity Financial, 200 University Ave., Suite 300, Toronto, ON M5H 4H1.

In either case, the purpose of these procedures is to permit the Non-Registered Holder to direct the voting of the common shares which they beneficially own.

Should a Non-Registered Holder who receives a voting instruction form wish to vote at the Meeting in person (or have another person attend and vote on behalf of the Non-Registered Holder), the Non-Registered Holder should print his or her own name, or that of such other person, on the voting instruction form and return it to the Intermediary or its service company. Should a Non-Registered Holder who receives a proxy form wish to vote at the Meeting in person (or have another person attend and vote on behalf of the Non-Registered Holder), the Non-Registered Holder should strike out the names of the persons set out in the proxy form and insert the name of the Non-Registered Holder or such other person in the blank space provided and submit it to Computershare at the address set out above.

In all cases, Non-Registered Holders should carefully follow the instructions of their Intermediary, including those regarding when, where and by what means the voting instruction form or proxy form must be delivered.

A Non-Registered Holder may revoke voting instructions which have been given to an Intermediary at any time by written notice to the Intermediary.

VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

The Corporation is authorized to issue an unlimited number of common shares without par value, of which 3,805,378 common shares are issued and outstanding as of April 18, 2016, and entitled to vote at the Meeting on the basis of one vote for each Share held.

The holders of Shares of record at the close of business on the Record Date are entitled to vote such Shares at the Meeting on the basis of one vote for each Share held, except to the extent that:

1. such person transfers his or her Shares after the Record Date; and
2. the transferee of those Shares produces properly endorsed share certificates or otherwise establishes his or her ownership to the Shares.

Other than as set out in the table below, to the knowledge of the directors and senior officers of the Corporation, as at the date hereof, there are no persons that beneficially own, directly or indirectly, or exercise control or direction over, more than 10% of the issued and outstanding Shares of the Corporation as at the date hereof.

Name	Number of Voting Shares	Percentage
Douglas Brian Johnson	600,000	15.76%

PARTICULARS OF MATTERS TO BE ACTED UPON

To the knowledge of the Corporation's directors, the only matters to be placed before the Meeting are those matters set forth in the accompanying Notice of Meeting relating to (i) the receipt of the financial statements and auditors' report thereon; (ii) the election of directors; (iii) the appointment of auditors; and (iv) the special resolution authorizing and approving the consolidation and subdivision of the Corporation's stock.

I. Presentation of the Audited Financial Statements For the year ended January 31, 2016

The audited financial statements of the Corporation for the year ended January 31, 2016, and the report of the auditors thereon will be presented to shareholders at the Meeting. The financial statements and the auditors' report thereon are available on SEDAR under the Corporation's profile at www.sedar.com.

II. Election of Directors

The board of directors of the Corporation (the "**Board**") presently consists of three (3) directors, all of whom are elected annually. It is proposed that the number of directors for the ensuing year be fixed at three (3). It is proposed that the persons named below will be nominated at the Meeting. Each director elected will hold office until the next annual meeting of shareholders or until his successor is duly elected or appointed pursuant to the articles of the Corporation, unless his office is earlier vacated in accordance with the provisions of the *Business Corporations Act* (British Columbia) (the "**BCBCA**") or the Corporation's articles. It is the intention of the management designees, if named as proxy, to vote FOR the election of said persons to the Board. Management does not contemplate that any of such nominees will be unable to serve as directors; however, if for any reason any of the proposed nominees do not stand for election or are unable to serve as such, proxies in favour of management designees will be voted for another nominee in their discretion unless the shareholder has specified in his or her proxy that his or her Shares are to be withheld from voting in the election of directors.

The following table sets out the names of persons proposed to be nominated by management for election as a director; all positions and offices in the Corporation held by them; their principal occupation for the last five years; the periods during which they have served as a director; and the number of Shares beneficially owned or controlled, directly or indirectly, by them or over which control or direction is exercised, as of the date hereof. Each director elected will hold office until the next annual meeting of the Corporation, unless his office is earlier vacated in accordance with the articles of the Corporation or becomes disqualified to act as a director.

Corporate Cease Trade Orders, Bankruptcies, Penalties or Sanctions

None of the Corporation's directors, officers, or shareholders holding a sufficient number of securities of the Corporation to materially affect the control of the Corporation is, or during the ten years preceding the date of this Circular, has been a director or officer of any issuer that, while the person was acting in that capacity:

- a) was the subject of a cease trade order or similar order, or an order that denied such issuer access to any exemption under securities legislation for a period of more than 30 consecutive days; or
- b) became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager, or trustee appointed to hold its assets.

Penalties or Sanctions

To the best of the Corporation's knowledge, no director, officer, or shareholder holding a sufficient number of securities of the Corporation to materially affect the control of the Corporation has been subject to any penalties or sanctions imposed by a court relating to Canadian securities legislation or by a securities regulatory authority or has entered into a settlement agreement with a Canadian securities regulatory authority or been subject to any other penalties or sanctions imposed by a court or regulatory body that would be likely to be considered important to a reasonable investor making an investment decision.

Personal Bankruptcies

To the best of the Corporation's knowledge, during the ten years preceding the date of this Circular, no director, officer, or shareholder holding a sufficient number of securities of the Corporation to materially affect the control of the Corporation or a personal holding company of any such person, has become bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or been subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold the assets of that individual.

III. Appointment of Auditors

The persons named in the enclosed form of proxy intend to vote for the appointment of Charlton & Company, Chartered Professional Accountants, of Vancouver, British Columbia, as auditors of the Corporation to hold office until the next annual meeting of shareholders and to authorize the directors of the Corporation to fix the auditors' remuneration.

On the representations of the said auditors, neither that firm nor any of its partners has any direct financial interest nor any material indirect financial interest in the Corporation or any of its subsidiaries nor has had any connection during the past three years with the Corporation or any of its subsidiaries in the capacity of promoter, underwriter, voting trustee, director, officer or employee.

Management recommends voting for the resolution to appoint Charlton & Company, Chartered Professional Accountants, as the Corporation's auditors and to authorize the Board to fix their remuneration.

IV. Stock Consolidation and Subdivision

At the Meeting, shareholders will be asked to consider and, if thought fit, to adopt a special resolution (the "**Consolidation and Subdivision Resolution**") to:

- (a) consolidate (the "**Consolidation**") all of the issued and outstanding common shares of the Corporation (the "**Pre-Consolidation Shares**") on the basis of one (1) new common share (a "**Consolidated Share**") for each one thousand (1,000) Pre-Consolidation Shares;
- (b) purchase for cancellation all of the fractional shares held by any shareholder who holds less than one (1) Consolidated Share, by payment in cash; and
- (c) to subsequently subdivide or split (the "**Subdivision**") all of the Consolidated Shares on the basis of five hundred (500) new common shares (the "**New Common Shares**") for each whole Consolidated Share being subdivided.

As a result of the above, any shareholder holding less than 1,000 Pre-Consolidation Shares will be entitled to receive a cash payment equal to that number of Pre-Consolidation Shares multiplied by \$0.03.

Example 1: A shareholder owning 2,500 Pre-Consolidated Shares will divide such number of Shares by 1,000 to obtain 2.5 Consolidated Shares. As this holder is holding at least one whole Consolidated Share, the 2.5 Consolidated Shares will then be split by multiplying such number of Consolidated Shares by 500 to result in the holder being entitled to a total of 1,250 New Common Shares.

Example 2: A shareholder owning 700 Pre-Consolidation Shares will divide such number of shares by 1,000 and as a result would hold only 0.70 of a Consolidated Share. As it is not intended to have fractional Consolidated Shares, the Corporation will purchase such 700 Pre-Consolidation Shares for cancellation at a price of \$0.03 per Pre-Consolidation Share. In the foregoing example, the holder will be entitled to be paid \$21.00 from the Corporation for such Pre-Consolidation Shares.

It is proposed that shareholders who only hold fractional shares (less than one (1) Consolidated Share)

following the Consolidation will be entitled, upon delivery to the Corporation's transfer agent, Equity Financial, or other appointed depository, of a duly executed letter of transmittal and such shareholder's share certificate(s), to receive a cheque representing the value of such fractional shares, based on a price of the Shares as determined by the Board. Letters of Transmittal will be mailed to shareholders at the time the Consolidation is to be carried out. Any certificates representing less than 1,000 Pre-Consolidation Shares immediately prior to the date such Consolidation becomes effective which have not been surrendered, with all other required documentation, on or prior to the fifth anniversary of such date, will be void and of no further force or effect and will cease to represent a claim or interest of any kind or nature against the Corporation.

Upon the Consolidation and Subdivision being completed, the Corporation's transfer agent will, as soon as practicable, allow shareholders to exchange their share certificates representing Pre-Consolidation Shares for a certificate representing the appropriate number of New Common Shares.

There are currently issued and outstanding 3,805,378 common shares of the Corporation. The Corporation has proposed the Consolidation and Subdivision both to provide some liquidity to allow the large number of shareholders of the Corporation that hold less than 1,000 common shares to liquidate their investment, without incurring brokerage costs, and at the same time to reduce the Corporation's related administrative expenses as well as the cost of preparing, printing and mailing financial statements and proxy materials to the approximately 500 of such shareholders who are entitled to receive them. It is estimated that these 500 shareholders hold less than 200,000 shares in aggregate.

There are no material Canadian or U.S. income tax considerations to either the Corporation or its shareholders with respect to the Consolidation and subdivision. Those shareholders who hold less than 1,000 Pre-Consolidation Shares will realize a capital gain or capital loss on the deemed disposition of their shares to the Corporation, in an amount by which the sale proceeds exceed, or are exceeded by, their respective adjusted cost base of their shares.

Under the provision of the articles of the Corporation and the BCBCA, the shareholders must approve the Consolidation and Subdivision Resolution by special resolution. Approval by way of special resolution requires the affirmative vote of not less than two-thirds of the votes cast in respect of such resolution by the shareholders present in person or by proxy at the Meeting.

Resolution

At the Meeting, shareholders will be asked to consider and, if deemed appropriate, to pass the following resolutions substantially in the form written below:

“RESOLVED THAT, by Special Resolution:

1. the 3,805,378 issued and fully paid common shares without par value of the Corporation (the “**Pre-Consolidation Shares**”) be consolidated (the “**Consolidation**”) into 3,805,378 issued and fully paid common shares without par value, on the basis of one (1) new common share (the “**Consolidated Shares**”) for each one thousand (1,000) Pre-Consolidated Shares;
2. following the Consolidation, any resulting fractional shares held by any shareholder holding less than one whole Consolidated Share be, and be deemed to be, purchased by the Corporation forthwith for cash at an amount equal to that number of Pre-Consolidated Shares which would otherwise result in the fractional share multiplied by \$0.03. Such payment is to be made upon delivery of a certificate or certificates representing such shareholder's Pre-Consolidation Shares, accompanied by a letter of transmittal in form and content acceptable to the Corporation;

3. any certificates representing less than 1,000 Pre-Consolidation Shares immediately prior to the date that the Consolidation becomes effective that have not been surrendered, along with all other required documentation, on or prior to the fifth anniversary of such date, will be void and of no further force or effect and will cease to represent a claim or interest of any kind or nature against the Corporation and all proceeds or interest previously held in connection therewith, if any, will be forfeited to and become the property of the Corporation;
4. all of the issued and fully paid Consolidated Shares (including any fractional Consolidated Share held by a shareholder who is holding more than one whole Consolidated Share) outstanding on the date of implementation of this resolution be subdivided (the “**Subdivision**”) on the basis of five hundred (500) Common Shares (“**New Common Shares**”) for each one (1) whole Consolidated Share held by a shareholder;
5. any director or officer of the Corporation, signing alone, be and is hereby authorized and directed, for and on behalf of the Company, to execute and deliver all such documents and to do all such other acts or things he may determine to be necessary or advisable to give effect to these resolutions, the execution of any such document or the doing of any such other act or thing being conclusive evidence of such determination; and
6. the Board is authorized to proceed to implement the foregoing resolution as of such date as the Board may at any time determine or to decide not to proceed with the Consolidation and Subdivision, if, in its sole discretion, it deems it inadvisable, without further notice to or approval of the shareholders of the Corporation.”

In the event the shareholders do not approve the consolidation and subdivision as contemplated herein, the Corporation will not proceed with the Consolidation and Subdivision.

Recommendation

The Board of Directors recommends that shareholders vote FOR the Consolidation and Subdivision Resolution. Unless otherwise instructed, the person named as proxyholder in the enclosed form of proxy intends to vote in favour of the Consolidation and Subdivision Resolution.

V. Approval of Advance Notice Resolution

The directors of the Corporation are proposing that the Articles of the Corporation be amended to include the Advance Notice Provision, which will: (i) facilitate orderly and efficient annual general or, where the need arises, special, meetings; (ii) ensure that all shareholders receive adequate notice of the director nominations and sufficient information with respect to all nominees; and (iii) allow shareholders to register an informed vote. The full text of the proposed alteration of the Articles to adopt the Advance Notice Provision is set out in Appendix I to this Circular.

Purpose of the Advance Notice Provision

The purpose of the Advance Notice Provision is to provide shareholders, directors and management of the Corporation with direction on the procedure for shareholder nomination of directors. The Advance Notice Provision is the framework by which the Corporation seeks to fix a deadline by which holders of record of common shares of the Corporation must submit director nominations to the Corporation prior to any annual or special meeting of shareholders and sets forth the information that a shareholder must include in the notice to the Corporation for the notice to be in proper written form.

Effect of the Advance Notice Provision

Subject only to the BCBCA and the Articles, only persons who are nominated in accordance with the following procedures shall be eligible for election as directors of the Corporation. Nominations of persons for election to the Board may be made at any annual meeting of shareholders, or at any special meeting of shareholders if one of the purposes for which the special meeting was called was the election of directors: (a) by or at the direction of the Board, including pursuant to a notice of meeting; (b) by or at the direction or request of one or more shareholders pursuant to a proposal made in accordance with the provisions of the BCBCA, or a requisition of the shareholders made in accordance with the provisions of the BCBCA; or (c) by any person (a “**Nominating Shareholder**”): (A) who, at the close of business on the date of the giving of the notice provided for below in the Advance Notice Provision and on the record date for notice of such meeting, is entered in the securities register as a holder of one or more shares carrying the right to vote at such meeting or who beneficially owns shares that are entitled to be voted at such meeting; and (B) who complies with the notice procedures set forth below in the Advance Notice Provision. In addition to any other applicable requirements, for a nomination to be made by a Nominating Shareholder, the Nominating Shareholder must have given timely notice thereof in proper written form to the Secretary of the Corporation at the principal executive offices of the Corporation.

To be timely, a Nominating Shareholder’s notice to the Secretary of the Corporation must be made: (a) in the case of an annual meeting of shareholders, not less than 30 nor more than 65 days prior to the date of the annual meeting of shareholders; provided, however, that in the event that the annual meeting of shareholders is to be held on a date that is less than 50 days after the date (the Notice Date) on which the first public announcement of the date of the annual meeting was made, notice by the Nominating Shareholder is to be made not later than the close of business on the tenth (10th) day after the Notice Date in respect of such meeting; and (b) in the case of a special meeting (which is not also an annual meeting) of shareholders called for the purpose of electing directors (whether or not called for other purposes), not later than the close of business on the fifteenth (15th) day following the day on which the first public announcement of the date of the special meeting of shareholders was made. In no event shall any adjournment or postponement of a meeting of shareholders or the announcement thereof commence a new time period for the giving of a Nominating Shareholder’s notice as described above.

To be in proper written form, a Nominating Shareholder’s notice to the Secretary of the Corporation must set forth: (a) as to each person whom the Nominating Shareholder proposes to nominate for election as a director: (A) the name, age, business address and residential address of the person; (B) the principal occupation or employment of the person; (C) the class or series and number of shares in the capital of the Corporation which are controlled or which are owned beneficially or of record by the person as of the record date for the meeting of shareholders (if such date shall then have been made publicly available and shall have occurred) and as of the date of such notice; and (D) any other information relating to the person that would be required to be disclosed in a dissident’s proxy circular in connection with solicitations of proxies for election of directors pursuant to the BCBCA and Applicable Securities Laws (as defined below); and (b) as to the Nominating Shareholder giving the notice, any proxy, contract, arrangement, understanding or relationship pursuant to which such Nominating Shareholder has a right to vote any shares of the Corporation and any other information relating to such Nominating Shareholder that would be required to be made in a dissident’s proxy circular in connection with solicitations of proxies for election of directors pursuant to the BCBCA and Applicable Securities Laws (as defined below). The Corporation may require any proposed nominee to furnish such other information as may reasonably be required by the Corporation to determine the eligibility of such proposed nominee to serve as an independent director of the Corporation or that could be material to a reasonable shareholder’s understanding of the independence, or lack thereof, of such proposed nominee.

No person shall be eligible for election as a director of the Corporation unless nominated in accordance with the provisions of the Advance Notice Provision; provided, however, that nothing in the Advance Notice

Provision shall be deemed to preclude discussion by a shareholder (as distinct from the nomination of directors) at a meeting of shareholders of any matter in respect of which it would have been entitled to submit a proposal pursuant to the provisions of the BCBCA. The Chairman of the meeting shall have the power and duty to determine whether a nomination was made in accordance with the procedures set forth in the foregoing provisions and, if any proposed nomination is not in compliance with such foregoing provisions, to declare that such defective nomination shall be disregarded.

For purposes of the Advance Notice Provision: (a) “**public announcement**” shall mean disclosure in a press release reported by a national news service in Canada, or in a document publicly filed by the Corporation under its profile on the System of Electronic Document Analysis and Retrieval at www.sedar.com; and (b) “**Applicable Securities Laws**” means the applicable securities legislation of each relevant province and territory of Canada, as amended from time to time, the rules, regulations and forms made or promulgated under any such statute and the published national instruments, multilateral instruments, policies, bulletins and notices of the securities commission and similar regulatory authority of each province and territory of Canada.

Notwithstanding any other provision of the Advance Notice Provision, notice given to the Secretary of the Corporation pursuant to the Advance Notice Provision may only be given by personal delivery, facsimile transmission nor by e-mail (at such e-mail address as stipulated from time to time by the Secretary of the Corporation for purposes of this notice), and shall be deemed to have been given and made only at the time it is served by personal delivery, e-mail (at the address as aforesaid) or sent by facsimile transmission (provided that receipt of confirmation of such transmission has been received) to the Secretary at the address of the principal executive offices of the Corporation; provided that if such delivery or electronic communication is made on a day which is a not a business day or later than 5:00 p.m. (Vancouver time) on a day which is a business day, then such delivery or electronic communication shall be deemed to have been made on the subsequent day that is a business day.

Notwithstanding the foregoing, the Board may, in its sole discretion, waive any requirement in the Advance Notice Provision.

Shareholder Confirmation

Under the Articles and the BCBCA, the Corporation’s governing statute, the alteration of the Corporation’s Articles requires the approval by at least two-thirds of the votes cast in person or represented by proxy at the Meeting by the shareholders of the Corporation by a special resolution. Accordingly, shareholders will be asked at the Meeting to vote on a special resolution, the text of which is set out below (the “**Advance Notice Provision Resolution**”), to approve the alteration of the Articles of the Corporation to include the Advance Notice Provision:

“BE IT RESOLVED AS A SPECIAL RESOLUTION THAT:

1. the Articles of the Corporation be altered by adding the text substantially as set forth in Appendix I to this Circular as and at Section 14.12 of the Articles;
2. the Corporation be authorized to revoke this special resolution and abandon or terminate the alteration of the Articles if the Board deems it appropriate and in the best interests of the Corporation to do so without further confirmation, ratification or approval of the shareholders; and
3. any one or more of the directors and officers of the Corporation be authorized and directed to perform all such acts, deeds and things and execute, under the seal of the Corporation or otherwise, all such documents and other writings, including the

Notice of Alteration, treasury orders, stock exchange and securities commissions forms, as may be required to give effect to the true intent of this resolution.”

Recommendation

The Board has concluded that the Advance Notice Provision is in the best interests of the Company and its shareholders. Accordingly, the Board unanimously recommends that the shareholders ratify, confirm and approve an alteration of the Company’s Articles by voting FOR the Advance Notice Resolution at the Meeting. **The Board recommends that Shareholders vote FOR the Advance Notice Resolution. In the absence of a contrary instruction, the persons designated by our management in the enclosed form of proxy intend to vote FOR this resolution.**

VI. Other Matters

Management of the Corporation knows of no other matter to come before the Meeting other than those referred to in the notice of Meeting. However, if any other matters which are not known to the management should properly come before the Meeting, the accompanying form of proxy confers discretionary authority upon the persons named therein to vote on such matters in accordance with their best judgment.

On April 20, 2016, BioDE announced that it was carrying out a rights offering pursuant to which each registered shareholder at the close of business on April 18, 2016 in each of the provinces and territories of Canada may participate in the rights offering. Each such shareholder will receive one right for each common share held on that date. Each right entitles such holder to purchase one common share at a subscription price of \$0.03 per share until June 8, 2016. Employment, Consulting and Management Agreements

The Corporation has not entered into any employment or consulting contracts with its Named Executive Officers.

Oversight and Description of Director and Named Executive Officer Compensation

The Corporation does not have a compensation program other than paying consulting fees and incentive bonuses. The compensation of the executive officers is determined by the Board, based in part on recommendations from the Chief Executive Officer. The Board recognizes the need to provide a compensation package that will attract and retain qualified and experienced executives, as well as align the compensation level of each executive to that executive's level of responsibility. The objectives of the Corporation's compensation policies and practices are:

- to reward individual contributions in light of the Corporation's performance;
- to be competitive with the companies with whom the Corporation competes for talent;
- to align the interests of the executives with the interests of the shareholders; and
- to attract and retain executives who could help the Corporation achieve its objectives.

Executive Compensation Policies and Programs

The Corporation's compensation policies and programs for executive officers may consist of a base salary/compensation, stock options and may include other customary employment benefits. As a general rule for establishing compensation for executive officers, the Board considers the executive's performance, experience and position within the Corporation and the recommendations of the Chief Executive Officer, or in the case of the Chief Executive Officer, the recommendation of the Chairman of the Board. The Board uses its discretion to set compensation for executive officers at levels warranted by external, internal and individual circumstances. The early stage of the Company's business development is also a factor in setting the compensation. As the Company is in the early stages, compensation for executive officers relies solely on board discussion without any formal objectives, criteria and analysis.

Compensation of executive officers of the Corporation is generally reviewed on an annual basis or at a time of a material change in the business. Stock options are granted pursuant to the Corporation's Stock Option Plan at the discretion of the Board. Options granted to non-executive directors generally vest immediately and options granted to other optionees generally vest in equal amounts over three or four-year periods or as otherwise determined by the Board.

The Chief Executive Officer and the Chief Financial Officer may invoice the Corporation for time spent on the business of the Corporation. The basic component of executive compensation consists only of a potential consulting fee component and going forward, the Corporation may include performance-based variable incentive compensation, which may be comprised of cash bonuses or stock option grants. The allocation of value to different compensation elements will not be based on a formula, but rather will be intended to reflect market practices as well as the Board's discretionary assessment of an executive officer's past contribution and the ability to contribute to future short and long-term business results.

Specifically, the objectives of consulting fees are to recognize market pay, and acknowledge the competencies and skills of individuals. The rate established for each executive officer is intended to reflect each individual's responsibilities, experience, prior performance and other discretionary factors deemed relevant by the Board. In connection with setting appropriate levels of compensation, members of the Board base their decisions on their general business and industry knowledge and experience and publicly available information of comparable companies. The Board also takes into account specific conditions related to the Corporation and general market conditions as well as reference to the competitive market place for management talent at other publicly-held junior biotechnology companies at a similar stage of development, market capitalization and size. In determining the level of compensation payable to the Corporation's executive officers, the Board considered compensation plans of capital pool companies (as defined in Policy 2.4 of the TSX Venture Exchange Inc.) and other early stage reporting issuers, which are currently re-defining their businesses with limited capital available.

The Board believes that the Corporation's compensation plan is consistent with the companies the Corporation competes with for talent where the business plan is under development.

In the course of its deliberations, the Board considered the implications of the risks associated with adopting the compensation practices currently in place. The Board does not believe that its current compensation practices create a material risk that the NEOs or any employee would be encouraged to take inappropriate or excessive risks, and no such risks have been detected to date. The Board will continue to include this consideration in its deliberations, and believes that it would detect actions of management and employees of the Corporation that constitute or would lead to inappropriate or excessive risks.

The Corporation does not have a policy that would prohibit the NEOs or directors from purchasing financial instruments that are designed or would have the effect of hedging the value of equity securities granted to, or held by, these individuals.

Base Salary

The objectives of the base salary are to provide compensation in accord with market value, and to acknowledge the competencies and skills of individuals. The base salary paid to the NEOs shall be reviewed annually by the Board as part of the annual review of executive officers. The decision whether to grant an increase to the executive's base salary and the amount of any such increase shall be in the sole discretion of the Board.

Incentive Bonuses

Incentive bonuses in the form of cash payments are designed to add a variable component of compensation, based on corporate and individual performances for executive officers and employees. No incentive

bonuses were paid to NEOs, other executive officers and employees during the most recently completed fiscal year.

Option Based Awards

The objectives of the stock option will be to reward achievement of long-term financial and operating performance and focus on key activities and achievements critical to the ongoing success of the Corporation. At this stage in the Corporation's development, greater emphasis may be put on incentive stock option compensation. The Corporation has no other forms of compensation, other than payments made from time to time to individuals or companies they control for the provision of consulting services. Such consulting services are paid for by the Corporation, to the best of its ability, at competitive industry rates for work of a similar nature by reputable arm's length service providers. Actual compensation will vary based on the performance of the executives relative to the achievement of goals and the price of the Corporation's securities, as well as the financial condition of the Corporation.

Pension and Retirement Plans

The Corporation does not have any pension or retirement plan in place.

DIRECTORS' AND OFFICERS INSURANCE

Directors' and Officers' Liability Insurance

CORPORATE GOVERNANCE

Effective June 30, 2005, the securities regulatory authorities in Canada adopted National Instrument 58-101 – *Disclosure of Corporate Governance Practices* and National Policy 58-201 – *Corporate Governance Guidelines* (“NP 58-201”). NP 58-201 provides a series of guidelines for effective corporate governance. The guidelines deal with such matters as the constitution and independence of corporate boards, their functions, the effectiveness and education of board members and other items dealing with sound corporate governance.

The Board believes that sound corporate governance practices are essential to the effective, efficient and prudent operation of the Corporation and to the enhancement of shareholder value. The Board fulfills its mandate directly and through committees at regularly scheduled meetings or as required.

Board of Directors

The directors are responsible for managing and supervising the management of the business and affairs of the Corporation. Each year, the Board must review the relationship that each director has with the Corporation in order to satisfy themselves that the relevant independence criteria have been met.

Other than interests arising from shareholdings in the Corporation, Donald Gordon and Chester Shynkaryk are independent directors of the Corporation, in that each is free from any interest which could reasonably interfere with their exercise of independent judgment as directors of the Corporation. Bruce Schmidt is an executive officer of the Corporation and is therefore not independent. Therefore, a majority of the Board is independent. After the Meeting, assuming the proposed nominees are elected as directors of the Corporation, the majority of the Board is expected to be independent.

The Board is satisfied that the autonomy of the Board and its ability to function independently are protected through measures such as the Audit Committee and Compensation and Corporate Governance Committee being composed of two independent directors. After the Meeting, assuming the proposed nominees are elected as directors of the Corporation, the Audit Committee and the Compensation and Corporate Governance Committee are expected to be comprised of a majority of independent directors. The independent directors do not hold regularly scheduled meetings at which non-independent directors are not in attendance. In order to facilitate open and candid discussion among independent directors, communication among the independent directors occurs on an informal and ongoing basis as needs arise. In order to provide leadership for its independent directors, the Board encourages its independent members to discuss matters separate from the non-independent Board members and to seek the advice of financial, legal or other consultants when necessary.

Directorships

Please see “*Election of Directors*” above for more information about each director, including other directorships.

Board Mandate

The Board has adopted a written mandate in which it has explicitly assumed the responsibility for the stewardship of the Corporation. The Board’s expectations of management are covered in the position descriptions and the annual objectives of the senior management, as well as by the Corporation’s Code of Ethics and Guidelines for Business Integrity (the “**Code**”) (see “*Ethical Business Conduct*” below). Decisions that require the prior approval of the Board are clearly defined.

The Board encourages and ensures that a culture of ethical business conduct is maintained and each director is responsible for understanding the roles and responsibilities of the Board as a whole and of a director as set out in the mandate of the Board, the director position descriptions and the Code. The Board is committed to ensuring the integrity of internal controls and accounting policies and has appointed an Audit Committee comprised of two independent directors to review compliance of financial reporting with accounting principles and appropriate internal controls. After the Meeting, assuming the proposed nominees are elected as directors of the Corporation, the majority of the Audit Committee is expected to be comprised of independent directors.

Position Descriptions

Position descriptions are presently in place for the Chairman of the Board and the Chairman of each committee of the Board. Position descriptions for the Chairmen reflect their different Board and committee responsibilities. A position description is also in place for the Chief Executive Officer of the Corporation.

Orientation and Continuing Education

A new director receives an orientation, minutes of meetings, written mandates, guidelines and other relevant corporate documents needed to understand the Corporation’s business and processes. The commitment needed from directors, particularly the commitment of time and energy, is emphasized to directors prior to their appointment nomination. While the importance of a balance of experience on the Board is realized, critical attention is given in director selection and orientation to ensuring that all directors adequately understand the business.

The Corporation provides continuing education for its directors as such need arises. Directors are made aware of their responsibility to keep themselves up to date with best director and corporate governance practices.

Ethical Business Conduct

The Board has adopted the Code for its directors, officers and employees, a copy of which may be obtained by sending a written request therefor to Unit 1320, 885 West Georgia Street, Vancouver, British Columbia V6C 3E8, Attention: Chief Executive Officer. The Code specifically includes guidelines with respect to conflicts of interest, confidentiality, fair dealing and compliance with laws and regulations. All directors and employees are required to comply with the Code. The integrity of the organization and the implementation of the Code are monitored by the Board.

The Board is committed to maintaining compliance with the Code. There were no instances pertaining to the conduct of any director or executive officer that constitutes a departure from the Code for the period from incorporation on February 11, 2014 through January 31, 2016, and as such there are no material change reports in respect of same.

The Board takes appropriate measures to exercise independent judgment in considering transactions and agreements in respect of which a director or executive officer may have a material interest. Where appropriate, directors absent themselves from portions of Board or committee meetings to allow independent discussion of points in issue.

Each director is responsible for understanding the roles and responsibilities of the Board as a whole and of a director as set out in the written mandate of the Board, the position descriptions and in the Code. This practice encourages and helps ensure that a culture of ethical business conduct is maintained.

Nomination of Directors

The Corporation does not presently have a nominating committee to propose new Board nominees. The Compensation and Corporate Governance Committee is responsible for advising the Board with respect to the filling of vacancies on the Board and making recommendations as to nominees for the Board and uses an informal consultative process. The Compensation and Corporate Governance Committee analyzes the needs of the Board when vacancies arise and identifies and proposes new nominees who have the necessary competencies and characteristics to meet such needs. In order to foster an objective nomination process, the independent members of the Board are encouraged to recommend nominees for the Board.

Compensation

The Board conducts reviews with regard to directors' compensation once a year. To make its recommendation on directors' compensation, the Board takes into account the types of compensation and the amounts paid to directors of comparable publicly traded Canadian companies and aligns the interests of directors with the return to shareholders. The Board decides the compensation of the Corporation's officers, based on industry standards and the Corporation's financial situation.

Other Board Committees

The Board has no standing committees other than the Audit Committee.

Assessments

The Board monitors the adequacy of information given to directors, communication between the board and management and the strategic direction and processes of the board and committees.
