About Dream Impact Trust

Dream Impact Trust is an open-ended trust dedicated to impact investing. Dream Impact's underlying portfolio is comprised of exceptional real estate assets reported under two operating segments: development and investing holdings, and recurring income, that would not be otherwise available in a public and fully transparent vehicle, managed by an experienced team with a successful track record in these areas. The objectives of Dream Impact are to create positive and lasting impacts for our stakeholders through our three impact verticals: environmental sustainability and resilience, attainable and affordable housing, and inclusive communities; while generating attractive returns for investors.
