September 6, 2016 – OTTAWA, ONTARIO – Maestro Capital Corporation (MCP.P; TSX-V) (“Maestro”) a capital pool company (“CPC”) under the policies of the TSX Venture Exchange (the “Exchange”), further to its July 7, 2016 news release, announced that at the August 31, 2016 Special Meeting of Maestro’s shareholders all matters submitted to shareholders were approved as recommended by the Board of Directors.

Maestro’s shareholders approved the investment into Relevium Technologies Inc. Additionally, the shareholders ratified resolutions to: (1) distribute, on a pro rata basis, the Units (as defined below) of Relevium by dividend as a return of capital to the Maestro shareholders; and, (2) upon completion of the distribution of the Relevium Units, to dissolve the Corporation according to section 211(3) of the *Business Corporations Act* (Alberta).

To conclude the QT, Maestro has subscribed, by way of a subscription agreement, for 1,500,000 units (the “Units”) of Relevium, at a price per Unit of \$0.10, for a total investment of \$150,000. Each Unit will consist of one common share in the capital of Relevium (a “Relevium Share”) and one common share purchase warrant (a “Warrant”), with each Warrant entitling the holder thereof to purchase one additional common share in the capital of Relevium at a price per share of \$0.15 for a period of 36 months from the date of closing of the private placement. A total of up to 10,000,000 Units may be offered by Relevium under the private placement, which may close in one or more tranches, for total gross proceeds of up to \$1,000,000. All securities issued by Relevium to Maestro in connection with the private placement will be subject to a statutory hold period of four months plus one day from the date of issuance of the securities in accordance with applicable securities legislation.

Upon completion of the private placement, Maestro will distribute the Relevium Shares and Warrants, pro rata, to its shareholders (the “Distribution”) and thereafter apply to be delisted from the Exchange and be dissolved (the “Dissolution”).
