Redemption Payments) under **Section 5(A)(i)**, the Holder shall deliver to the Company a written notice of any such election (an “**Optional Redemption Notice**”), with a copy to the Trustee (which may be delivered via email), including the applicable amount of the Optional Redemption Payment (including any Deferred Optional Redemption Payment), at least ten (10) Business Days prior to the applicable Optional Redemption Date in order to make an effective election; provided, that the Holder may, in its sole discretion, despite such election, subsequently defer any Optional Redemption Payment (including any Deferred Optional Redemption Payment) (or any portion thereof) one or more times prior to the applicable Optional Redemption Date to any subsequent Optional Redemption Date, in which case, subject to the provisions of **Section 6(B)**, on the applicable Optional Redemption Date, the Company will pay the Holder an amount in cash equal to such Optional Redemption Payment (including any Deferred Optional Redemption Payments) to be paid on such date.

(iii) If (x) the conditions precedent for the closing of the Potential Acquisition are not met or waived by the parties to the Potential Acquisition on or before December 1, 2021, or if the Potential Acquisition is otherwise terminated prior to consummation or (y) the Requisite Stockholder Approval is not obtained on or before closing of the Potential Acquisition, the Holder may, on one or more occasions, instruct the Escrow Agent to release and pay all or a portion of the funds held in escrow by the Escrow Agent under the Escrow Agreement to the Holder. Any funds released to the Holder by the Escrow Agent pursuant to this **Section 5(A)(iii)** (the “**Escrow Release Amount**”) shall redeem a portion of the Principal Amount of this Note equal to the product of (x) such Escrow Release Amount divided by (y) 105%. In the event that the Potential Acquisition is terminated prior to consummation, the Company will provide written notice to the Holder, with a copy to the Trustee (which may be delivered via email), on such date. For the avoidance of doubt, in the event that the Holder has submitted a conversion notice with respect to all or a portion of this Note, the provisions of this **Section 5(A)(iii)** shall not supersede such conversion notice and such conversion will be given effect to prior to giving effect to the redemption of the Note pursuant to this **Section 5(A)(iii)**.

(B) *Effect of Optional Redemption Payments.* If this Note (or any portion of this Note) is redeemed pursuant to **Section 5(A)**, then, from and after the date the related Optional Redemption Payment or redemption payment under **Section 5(A)(iii)** is paid in full, this Note (or such portion) will cease to be outstanding and Default Interest, if any, will cease to accrue on this Note (or such portion).

(C) *Early Conversion Payment.* In the event that Holder converts all or any portion of this Note in the fifteen (15) Trading Day period following the public announcement of the Potential Acquisition, the Company shall, upon the Conversion Settlement Date for such conversion (the “**Early Conversion Payment Date**”), pay to the Holder an amount in cash equal to ten percent (10%) of the Principal Amount of this Note so converted (the “**Early Conversion Payment**”); provided that the obligation to pay the Early Conversion Payment shall only apply to the conversion of up to \$50.0 million of the outstanding Principal Amount of this Note, unless such limit is increased in writing by the Company and the Holder. For the avoidance of doubt, any

calculation of the Early Conversion Payment is to be calculated by the Holder and not the Trustee.

(D) *Forced Conversion Additional Payment.* In the event that a Forced Conversion occurs pursuant to **Section 8(F)** and the Daily VWAP per share of the Common Shares is less than one hundred and seventy five percent (175%) of the Conversion Price for any five (5) VWAP Trading Days during the Forced Conversion Qualification Period, the Company shall, upon the Conversion Settlement Date for such conversion (the “**Forced Conversion Additional Payment Date**”), pay to the Holder an amount in cash equal to five percent (5%) of the Principal Amount outstanding immediately prior to such Forced Conversion (the “**Forced Conversion Additional Payment**”). For the avoidance of doubt, any calculation of the Forced Conversion Additional Payment is to be calculated by the Holder and not the Trustee.

(E) *Note Provisions Control.* For the avoidance of doubt, to the extent of any conflicts or inconsistencies, this Section 5 will apply to the Note in lieu of Article 10 of the Indenture, and such Article 10 of the Indenture will be deemed to be replaced with this Section 5 to the extent of such conflicts or inconsistencies, *mutatis mutandis*, and any provisions of Article 10 of the Indenture not specifically addressed or amended by this Section 5 shall continue to apply and control.

Section 6. METHOD OF PAYMENT; WHEN PAYMENT DATE IS NOT A BUSINESS DAY.

(A) *Method of Payment.* Except as set forth in **Section 6(B)** and **6(D)**, the Company will pay all cash amounts due under this Note by wire transfer of immediately available funds to the account or accounts specified by the Holder by written notice at least one (1) Business Day in advance of the date such amount is due.

(B) *Company’s Election to Pay Optional Redemption Payments in Common Shares.*

(i) The Company may elect, in its sole discretion, to make any Optional Redemption Payment (including any Deferred Optional Redemption Payments) on any Optional Redemption Date, entirely or partially, in Common Shares. If the Company desires to make such an election, it shall deliver to the Holder a written notice of such election no later than five (5) Business Days following the receipt of the applicable Optional Redemption Notice from the Holder, with a copy to the Trustee (which may be delivered via email), stating which portion thereof the Company has elected to pay in Common Shares and certifying that the Equity Conditions are satisfied as of such date (an “**Optional Redemption Stock Payment Notice**”) (and such election shall be irrevocable as to such Optional Redemption Date). Failure to timely deliver such written notice to the Holder shall be deemed an election by the Company to pay the Optional Redemption Payment with respect to such Optional Redemption Date in cash.

(ii) With respect to any Optional Redemption Date for which the Company has elected to make an Optional Redemption Payment (or any applicable portion thereof) in Common Shares in accordance with this **Section 6(B)**, (1) the Holder shall have the right to (x) convert such Optional Redemption Payment (or any applicable portion thereof) into Common Shares pursuant to **Section 8** hereof at any time following receipt of the Optional

Redemption Stock Payment Notice up until the Scheduled Trading Day immediately before the next Optional Redemption Date (following, for greater certainty, the Optional Redemption Date set out in the Optional Redemption Notice) (the “**Optional Redemption Stock Payment Period**”), (y) allocate all or any portion of such Optional Redemption Payment to any Scheduled Trading Days (any such date, an “**Optional Redemption Stock Payment Date**”) during the Optional Redemption Stock Payment Period, or (z) subject to the limitations set forth in **Section 5(A)(i)**, defer such Optional Redemption Payment (or any applicable portion thereof) to any future Optional Redemption Date selected by the Holder (in which case such amount shall be a Deferred Optional Redemption Payment); and (2) the Company shall issue to the Holder, a number of validly issued, fully paid and Freely Tradable Common Shares equal to the quotient (rounded up to the closest whole number) obtained by dividing such Optional Redemption Payment (or any applicable portion thereof) by the Market Stock Payment Price as of such Optional Redemption Stock Payment Date(s). Any portion of the Optional Redemption Payment not paid in Common Shares because the Holder did not allocate such Optional Redemption Payment (or applicable portion thereof) to a Scheduled Trading Day during the applicable Optional Redemption Stock Payment Period (other than any portion of the Optional Redemption Payment converted into Common Shares by the Holder pursuant to **Section 8** hereof) will be automatically deferred to the next Optional Redemption Date. The Holder must provide notice to the Company of its election of any Optional Redemption Stock Payment Date and the applicable portion of the Optional Redemption Payment it is electing to receive on each such Optional Redemption Stock Payment Date no later than 4:30 p.m. New York Time on such Optional Redemption Stock Payment Date.

(iii) Notwithstanding anything herein to the contrary, the Company will not have the right to, and will not, make any Optional Redemption Payment (or any applicable portion thereof) in Common Shares if the Equity Conditions are not satisfied for each VWAP Trading Day occurring between the Optional Redemption Stock Payment Notice and the applicable Optional Redemption Stock Payment Date (and the Company shall certify in writing to the Holder on the applicable Optional Redemption Stock Payment Date that the Equity Conditions have been satisfied during such period), and such Optional Redemption Payment (or any applicable portion thereof) shall instead be paid in cash in accordance with **Section 6(A)**, unless such failure of the Equity Conditions to be so satisfied is waived in writing by the Holder, which waiver may be granted or withheld by the Holder in its sole discretion. The Company shall not pay any portion of the Optional Redemption Payment in Common Shares on any day that the Holder has not designated as an Optional Redemption Stock Payment Date. Any such Common Shares will be delivered by the Company to the Holder on or before the second (2nd) Business Day following the applicable Optional Redemption Stock Payment Date.

(iv) Notwithstanding the foregoing, in the event that the Market Stock Payment Price is lower than the Floor Price on such Optional Redemption Stock Payment Date and the Requisite Shareholder Approval has not yet been obtained (i) the Floor Price rather than the Market Stock Payment Price shall be used for purpose of calculating the number of Common Shares to be issued on such date pursuant to this **Section 6(B)** and (ii) the Company shall also pay to the Holder an amount, in cash (the “**Optional Redemption Stock Shortfall Payment**”), equal to the product of (x) the number of shares by which the

Common Shares issuable pursuant to this **Section 6(B)** was reduced as a result of the preceding clause (i), multiplied by (y) the Market Stock Payment Price. Any such Optional Redemption Stock Shortfall Payments with respect to Optional Redemption Stock Payment Dates occurring prior to September 1, 2021 shall be due on the earlier of (A) September 1, 2021, (B) such date the shareholder vote is held for the Potential Acquisition, or (C) such date the shareholder vote is held to receive the Requisite Shareholder Approval (the "**Initial Optional Redemption Stock Shortfall Payment Date**"), and any such Optional Redemption Stock Shortfall Payments with respect to Optional Redemption Stock Payment Dates occurring after September 1, 2021 will be due concurrently with the issuance of the shares on such Optional Redemption Stock Payment Date.

(C) *Company's Election to Pay Early Conversion Payment, Forced Conversion Additional Payment or Shortfall Payments in Common Shares.*

(i) The Company may elect, in its sole discretion (but subject to **Section 6(C)(iii)**), to make any Early Conversion Payment or any Forced Conversion Additional Payment, entirely or partially, in Common Shares. If the Company desires to make such an election, it shall deliver to the Holder a written notice of such election, with a copy to the Trustee (which may be delivered via email), (a) in the case of an Early Conversion Payment, within one (1) Business Day of the day that the Holder converts all or a portion of the Note sufficient to trigger the Company's obligation to make such Early Conversion Payment or (b) in the case of a Forced Conversion Additional Payment, concurrently with the Forced Conversion Notice, as applicable (and any such election shall be irrevocable), stating that the Company has elected to pay such amounts in Common Shares and certifying that the Equity Conditions are satisfied as of such date (an "**Early Conversion Stock Payment Notice**" or a "**Forced Conversion Stock Payment Notice**", as applicable, and the date upon which such notices are delivered, the "**Early Conversion Date**" or the "**Forced Conversion Date**", respectively). Failure to timely deliver such written notice to the Holder shall be deemed an election by the Company to pay the Early Conversion Payment or the Forced Conversion Additional Payment, as applicable, in cash.

(ii) If the Company has elected to make the Early Conversion Payment or the Forced Conversion Additional Payment in Common Shares in accordance with this **Section 6(C)**, the Company shall issue to the Holder, a number of validly issued, fully paid and Freely Tradable Common Shares equal to the quotient (rounded up to the closest whole number) obtained by dividing such Early Conversion Payment or Forced Conversion Additional Payment, as applicable, by the Market Stock Payment Price as of such Early Conversion Date or Forced Conversion Date, as applicable.

(iii) Notwithstanding anything herein to the contrary, the Company will not have the right to, and will not, make any Early Conversion Payment or Forced Conversion Additional Payment, as applicable, in Common Shares if the Equity Conditions are not satisfied for each VWAP Trading Day occurring between the date of the Early Conversion Stock Payment Notice or the Forced Conversion Stock Payment Notice, as applicable and the Early Conversion Payment Date or Forced Conversion Additional Payment Date, as applicable, (and the Company shall certify in writing to the Holder on the Early Conversion

Payment Date and the Forced Conversion Additional Payment Date, as applicable, that the Equity Conditions have been satisfied during such period) and such Early Conversion Payment or Forced Conversion Additional Payment, as applicable, shall instead be paid in cash in accordance with **Section 6(A)**, unless such failure of the Equity Conditions to be so satisfied is waived in writing by the Holder, which waiver may be granted or withheld by the Holder in its sole discretion. Any such Common Shares will be delivered by the Company to the Holder on the Early Conversion Payment Date or the Forced Conversion Additional Payment Date, as applicable.

(iv) Notwithstanding the foregoing, in the event that the Market Stock Payment Price is lower than the Floor Price on such Early Conversion Date or Forced Conversion Date, as applicable, and the Requisite Shareholder Approval has not yet been obtained (i) the Floor Price rather than the Market Stock Payment Price shall be used for purpose of calculating the number of Common Shares to be issued on such date pursuant to this **Section 6(C)** and (ii) the Company shall also pay to the Holder an amount, in cash (the "**Early Conversion Stock Shortfall Payment**" or the "**Forced Conversion Shortfall Payment**", as applicable), equal to the product of (x) the number of shares by which the Common Shares issuable pursuant to this **Section 6(C)** was reduced as a result of the preceding clause (i), multiplied by (y) the Market Stock Payment Price. Any such Early Conversion Stock Shortfall Payments or Forced Conversion Shortfall Payments, as applicable, with respect to an Early Conversion Payment or Forced Conversion Additional Payment occurring prior to September 1, 2021 shall be due on the earlier of (A) September 1, 2021, (B) such date the shareholder vote is held for the Potential Acquisition, or (C) such date the shareholder vote is held to receive the Requisite Shareholder Approval (the "**Early Conversion Stock Shortfall Payment Date**" or the "**Forced Conversion Stock Shortfall Payment Date**", as applicable), and any such Forced Conversion Shortfall Payments with respect to a Forced Conversion Additional Payment occurring after September 1, 2021 will be due concurrently with the issuance of the shares on such Forced Conversion Additional Payment Date.

(D) *Delay of Payment when Payment Date is Not a Business Day.* If the due date for a payment on this Note as provided in this Note is not a Business Day, then, notwithstanding anything to the contrary in this Note, such payment may be made on the immediately following Business Day and no interest will accrue on such payment as a result of the related delay.

(F) *Capitalization of Shortfall Payments.* Notwithstanding anything contained herein to the Contrary, if agreed upon in writing in advance by the Holder and the Company, any Optional Redemption Stock Shortfall Payment, Early Conversion Stock Shortfall Payment, Forced Conversion Shortfall Payment or Conversion Consideration Shortfall Payment may, rather than being paid to the Holder on the Initial Optional Redemption Stock Shortfall Payment Date, Early Conversion Stock Shortfall Payment Date, Forced Conversion Stock Shortfall Payment Date, or Conversion Consideration Shortfall Payment Date, as applicable, shall instead be added to the outstanding Principal Amount of the Note. In the event that any Optional Redemption Stock Shortfall Payments, Early Conversion Stock Shortfall Payments, Forced Conversion Shortfall Payments or Conversion Consideration Shortfall Payments are added to the outstanding Principal Amount of the Note, the Optional Redemption Payment due on the next Optional Redemption Date (or the Optional Redemption Payment due on such Initial Optional Redemption Stock

Shortfall Payment Date, Early Conversion Stock Shortfall Payment Date, Forced Conversion Stock Shortfall Payment Date, or Conversion Consideration Shortfall Payment Date, if such dates are Optional Redemption Dates) shall be increased by an amount equal to the Optional Redemption Stock Shortfall Payments, Early Conversion Stock Shortfall Payments, Forced Conversion Shortfall Payments or Conversion Consideration Shortfall Payments added to the Principal Amount of the Note.

(G) *Canadian Interest Act.* For the purposes of the *Interest Act* (Canada) and disclosure thereunder, whenever any interest or any fee to be paid hereunder or in connection herewith is to be calculated on the basis of a 360-day or 365-day year, the yearly rate of interest to which the rate used in such calculation is equivalent is the rate so used multiplied by the actual number of days in the calendar year in which the same is to be ascertained and divided by 360 or 365, as applicable. The rates of interest under this Note are nominal rates, and not effective rates or yields. The principle of deemed reinvestment of interest does not apply to any interest calculation under this Note.

(H) *Canadian Criminal Interest.* If any provision of this Note would oblige the Corporation to make any payment of interest or other amount payable to the Holder in an amount or calculated at a rate which would be prohibited by law or would result in a receipt by the Holder of “interest” at a “criminal rate” (as such terms are construed under the *Criminal Code* (Canada)), then, notwithstanding such provision, such amount or rate shall be deemed to have been adjusted with retroactive effect to the maximum amount or rate of interest, as the case may be, as would not be so prohibited by applicable law or so result in a receipt by the Holder of “interest” at a “criminal rate”, such adjustment to be effected, to the extent necessary (but only to the extent necessary), first by reducing the amount or rate of interest and thereafter by reducing any fees, commissions, costs, expenses, premiums and other amounts required to be paid which would constitute interest for purposes of section 347 of the *Criminal Code* (Canada).

(E) *Note Provisions Control.* For the avoidance of doubt, to the extent of any conflicts or inconsistencies, this Section 6 will apply to the Note in lieu of Sections 3.7, 3.8, 9.1 and 9.5 of the Indenture, and such Sections 3.7, 3.8, 9.1 and 9.5 of the Indenture will be deemed to be replaced with this Section 6 to the extent of such conflict or inconsistency, *mutatis mutandis*, and any provisions of Sections 3.7, 3.8, 9.1 and 9.5 of the Indenture not specifically addressed or amended by this Section 6 shall continue to apply and control.

Section 7. REQUIRED REPURCHASE OF NOTE UPON A FUNDAMENTAL CHANGE.

(A) *Repurchase Upon Fundamental Change.* Subject to the other terms of this **Section 7**, if a Fundamental Change occurs, then the Holder will have the right to require the Company to repurchase this Note (or any portion of this Note in an Authorized Denomination) on the Fundamental Change Repurchase Date for such Fundamental Change for a cash purchase price equal to the Fundamental Change Repurchase Price.

(B) *Fundamental Change Repurchase Date.* The Fundamental Change Repurchase Date for any Fundamental Change will be a Business Day of the Holder’s choosing that is no more than twenty (20) Business Days after the later of (x) the date the Company delivers to the Holder

the related Fundamental Change Notice pursuant to **Section 7(C)**; and (y) the effective date of such Fundamental Change.

(C) *Fundamental Change Notice.* No later than the fifth (5th) Business Day before the occurrence of any Fundamental Change, the Company will send to the Holder (with a copy to the Trustee, which may be delivered via email) a written notice thereof (the “**Fundamental Change Notice**”), stating the expected date such Fundamental Change will occur.

(D) *Fundamental Change Repurchase Price.* The Fundamental Change Repurchase Price for this Note (or any portion of this Note to be repurchased) upon a Repurchase Upon Fundamental Change following a Fundamental Change is an amount in cash equal to the Fundamental Change Base Repurchase Price for such Fundamental Change plus accrued and unpaid interest, if any, on this Note (or such portion of this Note) to, but excluding, the Fundamental Change Repurchase Date for such Fundamental Change.

(E) *Effect of Repurchase.* If this Note (or any portion of this Note) is to be repurchased upon a Repurchase Upon Fundamental Change, then, from and after the date the related Fundamental Change Repurchase Price is paid in full, this Note (or such portion) will cease to be outstanding and Default Interest, if any, will cease to accrue on this Note (or such portion) and notice thereof (which may be delivered via email) shall be provided to the Trustee by the Holder. For the avoidance of doubt, any calculation of a Fundamental Change Repurchase Price will be calculated by the Holder and not the Trustee.

(F) *Fundamental Change Redemption.* Notwithstanding anything in this **Section 7** to the contrary, at the Holder’s sole discretion following receipt of a Fundamental Change Notice, in lieu of receiving the Fundamental Change Repurchase Price (or any portion thereof), the Holder may, upon written notice to the Company with a copy to the Trustee (which may be delivered via email), require the Company to redeem this Note (or any portion of this Note in an Authorized Denomination) in exchange for a number of validly issued, fully paid and Freely Tradable Common Shares equal to the quotient (rounded up to the closest whole number) obtained by dividing the Fundamental Change Repurchase Price (or applicable portion thereof) by the Market Stock Payment Price. The Fundamental Change Redemption Date for any Fundamental Change will be a Business Day of the Holder’s choosing that is no more than twenty (20) Business Days after the later of (x) the date the Company delivers to the Holder the related Fundamental Change Notice pursuant to **Section 7(C)**; and (y) the effective date of such Fundamental Change. Any such Common Shares will be delivered by the Company to the Holder on or before the second (2nd) Business Day following a Fundamental Change Redemption Date. Notwithstanding the foregoing, in the event that the Market Stock Payment Price is lower than the Floor Price on such Fundamental Change Redemption Date and the Requisite Shareholder Approval has not yet been obtained, (i) the Floor Price rather than the Market Stock Payment Price shall be used for purpose of calculating the number of Common Shares to be issued on such date pursuant to this **Section 7(F)** and (ii) the Company shall concurrently with the issuance of such shares also pay to the Holder an amount, in cash, equal to the product of (x) the number of shares by which the Common Shares issuable pursuant to this **Section 7(F)** was reduced as a result of the preceding clause (i), multiplied by (y) the Market Stock Payment Price.

(G) *Note Provisions Control.* For the avoidance of doubt, to the extent of any conflicts

or inconsistencies, this Section 7 will apply to the Note in lieu of Article 12 of the Indenture, and such Article 12 of the Indenture will be deemed to be replaced with this Section 7 to the extent of such conflict or inconsistency, *mutatis mutandis*, and any provisions of Article 12 of the Indenture not specifically addressed or amended by this Section 7 shall continue to apply and control.

Section 8. CONVERSION.

(A) *Right to Convert.*

(i) *Generally.* Subject to the provisions of this **Section 8**, the Holder may, at its option, convert this Note into Conversion Consideration.

(ii) *Conversions in Part.* Subject to the terms of this **Section 8**, this Note may be converted in part, but only in an Authorized Denomination. Provisions of this **Section 8** applying to the conversion of this Note in whole will equally apply to conversions of any permitted portion of this Note

(iii) *The Trustee.* The Trustee shall have no liability or responsibility for any conversion in connection with this Note or the actions or inactions of any party in connection with the conversion of this Note.

(B) *When this Note May Be Converted.*

(i) *Generally.* The Holder may convert this Note at any time until the Close of Business on the second (2nd) Scheduled Trading Day immediately before the Maturity Date; *provided* that, with respect to the conversion of any Optional Redemption Payment that would otherwise be paid by the Company in cash, the Holder must provide notice of such conversion no later than the Close of Business on the second (2nd) Scheduled Trading Day immediately preceding the date such Optional Redemption Payment is due in accordance with the terms of this Note, and any such conversion will not reduce the amount of future Optional Redemption Payments. For the avoidance of doubt, the Holder's right to convert this Note shall not be impacted by a prior notice or election to defer any Optional Redemption Payment delivered by the Holder pursuant to **Section 6(B)(ii)** hereof.

(ii) *Limitations and Closed Periods.* Notwithstanding anything to the contrary in this **Section 8**, if this Note (or any portion of this Note) is to be repurchased upon a Repurchase Upon Fundamental Change pursuant to **Section 6**, then in no event may this Note (or such portion) be converted after the Close of Business on the Scheduled Trading Day immediately before the related Fundamental Change Repurchase Date; *provided*, that the limitations contained in this Section 8(B)(ii) shall no longer apply to this Note (or such applicable portion) if the applicable Fundamental Change Repurchase Price is not delivered on the Fundamental Change Repurchase Date in accordance with Section 6.

(C) *Conversion Procedures.*

(i) *Generally.* To convert this Note, the Holder must (1) complete, manually sign and deliver to the Company, with a copy to the Trustee (which may be delivered via

email), the conversion notice attached to this Note or a portable document format (.pdf) version of such conversion notice (at which time such conversion will become irrevocable); and (2) pay any amounts due pursuant to **Section 8(C)(iii)**. For the avoidance of doubt, the conversion notice may be delivered by e-mail in accordance with **Section 14**. If the Company fails to deliver, by the related Conversion Settlement Date, any Common Shares forming part of the Conversion Consideration of the conversion of this Note, the Holder, by notice to the Company, may rescind all or any portion of the corresponding conversion notice at any time until such Defaulted Shares are delivered.

(ii) *Holder of Record of Conversion Shares.* The person in whose name any Common Shares are issuable upon conversion of this Note will be deemed to become the holder of record of such shares as of the Close of Business on the Conversion Date for such conversion, conferring, as of such time, upon such person, without limitation, all voting and other rights appurtenant to such shares.

(iii) *Taxes and Duties.* If the Holder converts a Note, the Company will pay any documentary, stamp or similar issue or transfer tax or duty due on the issue of any Common Shares upon such conversion; *provided, however*, that if any tax or duty is due because such Holder requested such shares to be issued in a name other than that of such Holder, then such Holder will pay such tax or duty and, until having received a sum sufficient to pay such tax or duty, the Company may refuse to deliver any such shares to be issued in a name other than that of such Holder.

(D) *Settlement upon Conversion.*

(i) *Generally.* The consideration (the “**Conversion Consideration**”) due in respect of each \$1,000 Principal Amount of this Note, including any portion constituting an Optional Redemption Payment required to be paid by the Company on the next Optional Redemption Date or Optional Redemption Stock Payment Date, as applicable, or any outstanding deferred Optional Redemption Payment, to be converted will consist of the following:

(1) subject to **Section 8(D)(iii)**, a number of Common Shares equal to the Conversion Rate in effect on the Conversion Date for such conversion; and

(2) cash in an amount equal to the aggregate accrued and unpaid interest, if any, on this Note to, but excluding, the Conversion Settlement Date for such conversion or, at the election of the Company, a number of validly issued, fully paid and Freely Tradable Common Shares equal to the quotient (rounded up to the closest whole number) obtained by dividing the aggregate accrued and unpaid interest, if any, on this Note to, but excluding, the Conversion Settlement Date by the Market Stock Payment Price (the “**Conversion Consideration Interest Shares**”). Notwithstanding the foregoing, in the event that the Market Stock Payment Price is lower than the Floor Price on the date shares would otherwise be issued pursuant to this **Section 8(D)(i)(2)** and the Requisite Shareholder Approval has not yet been obtained, (i) the Floor Price rather than the Market Stock Payment Price shall be used for purpose of calculating the number of Common Shares to be issued on such date pursuant to this **Section 8(D)(i)(2)** and (ii) the Company

shall also pay to the Holder an amount, in cash (the "**Conversion Consideration Shortfall Payment**"), equal to the product of (x) the number of shares by which the Common Shares issuable pursuant to this **Section 8(D)(i)(2)** was reduced as a result of the preceding clause (i), multiplied by (y) the Market Stock Payment Price. Any such Conversion Consideration Shortfall Payments with respect to shares that would otherwise be issued pursuant to this **Section 8(D)(i)(2)** prior to September 1, 2021 shall be due on the earlier of (A) September 1, 2021, (B) such date the shareholder vote is held for the Potential Acquisition, or (C) such date the shareholder vote is held to receive the Requisite Shareholder Approval (the "**Conversion Consideration Shortfall Payment Date**"), and any such Conversion Consideration Shortfall Payments with respect to shares that would otherwise be issued pursuant to this **Section 8(D)(i)(2)** after September 1, 2021 will be due concurrently with the issuance of the shares issued pursuant to this **Section 8(D)(i)(2)**.

(ii) *Company's Election to Convert Accrued Interest into Common Shares.* At least ten (10) Trading Days prior to a Conversion Date, the Company, if it desires to elect to convert accrued and unpaid interest on this Note into Conversion Consideration Interest Shares pursuant to **Section 8(D)(i)(2)**, shall deliver to the Holder, with a copy to the Trustee (which may be delivered via email), a written notice of such election and certifying that the Equity Conditions are satisfied as of such date (a "**Conversion Consideration Interest Shares Notice**") (and such election shall be irrevocable with respect to such interest and all subsequent conversions until the Company provides to the Holder at least ten (10) Trading Days written notice of its intent to terminate such election). Failure to timely deliver such written notice to the Holder shall be deemed an election by the Company to pay such accrued and unpaid interest, if any, in cash. Notwithstanding anything herein to the contrary, the Company will not have the right to, and will not, make any conversion of accrued interest, if any, into Conversion Consideration Interest Shares if the Equity Conditions are not satisfied for each VWAP Trading Day occurring between the day of the delivery of the Conversion Consideration Interest Shares Notice and the applicable Conversion Settlement Date (and the Company shall certify in writing to the Holder on the applicable Conversion Settlement Date that the Equity Conditions have been satisfied during such period), and such conversion of accrued interest, if any, shall instead be paid in cash in accordance with **Section 8(D)(i)(2)**, unless such failure of the Equity Conditions to be so satisfied is waived in writing by the Holder, which waiver may be granted or withheld by the Holder in its sole discretion.

(iii) *Fractional Shares.* The total number of Common Shares due in respect of any conversion of this Note, including any portion constituting an Optional Redemption Payment required to be paid by the Company on the next Optional Redemption Date or Optional Redemption Stock Payment Date, as applicable, or any outstanding deferred Optional Redemption Payment, will be determined on the basis of the total Principal Amount of this Note to be converted with the same Conversion Date; *provided, however*, that if such number of Common Shares is not a whole number, then such number will be rounded up to the nearest whole number.

(iv) *Conversion of Optional Redemption Payment.* For the avoidance of doubt, with respect to the conversion of any Optional Redemption Payment (or any portion thereof) or any outstanding deferred Optional Redemption Payment (or any portion

thereof), the Principal Amount of this Note converted shall be deemed to be equal to (x) the amount of such Optional Redemption Payment (or portion thereof) or outstanding deferred Optional Redemption Payment (or portion thereof) being converted divided by (y) one and ten hundredths (1.10).

(v) *Delivery of the Conversion Consideration.* The Company will pay or deliver, as applicable, the Conversion Consideration due upon the conversion of this Note, including any portion constituting an Optional Redemption Payment required to be paid by the Company on the next Optional Redemption Date or Optional Redemption Stock Payment Date, as applicable, or any outstanding deferred Optional Redemption Payment, to the Holder on or before the second (2nd) Business Day (or, if earlier, (x) the standard settlement period for the primary Eligible Exchange on which the Common Shares are traded or (y) the standard settlement period for the TSX) immediately after the Conversion Date for such conversion (the “**Conversion Settlement Date**”).

(vi) *Effect of Conversion.* If this Note is converted in full, then, from and after the date the Conversion Consideration therefor is issued or delivered in settlement of such conversion, this Note will cease to be outstanding and Default Interest, if any, will cease to accrue on this Note and notice thereof (which may be delivered via email) shall be provided to the Trustee by the Holder.

(vii) *Conversion Settlement Defaults.* If (x) the Company fails to deliver, by the related Conversion Settlement Date, any Common Shares (the “**Defaulted Shares**”) forming part of the Conversion Consideration of the conversion of this Note, including any portion constituting an Optional Redemption Payment required to be paid by the Company on the next Optional Redemption Date or Optional Redemption Stock Payment Date, as applicable, or any outstanding deferred Optional Redemption Payment; and (y) the Holder (whether directly or indirectly, including by any broker acting on the Holder’s behalf or acting with respect to such Defaulted Shares) purchases any Common Shares (whether in the open market or otherwise) to cover any such Defaulted Shares (whether to satisfy any settlement obligations with respect thereto of the Holder or otherwise), then, without limiting the Holder’s right to pursue any other remedy available to it (whether hereunder, under applicable law or otherwise), the Holder will have the right, exercisable by notice to the Company, to cause the Company to either:

(1) pay, on or before the second (2nd) Business Day after the date such notice is delivered, cash to the Holder in an amount equal to the aggregate purchase price (including any brokerage commissions and other out-of-pocket costs) incurred to purchase such shares (such aggregate purchase price, the “**Covering Price**”); or

(2) promptly deliver, to the Holder, such Defaulted Shares in accordance with this Note, together with cash in an amount equal to the excess, if any, of the Covering Price over the product of (x) the number of such Defaulted Shares; and (y) the Daily VWAP per Common Share on the Conversion Date relating to such conversion.

To exercise such right, the Holder must deliver notice of such exercise to the Company, specifying whether the Holder has elected **clause (1)** or **(2)** above to apply. If the Holder

has elected **clause (1)** to apply, then the Company's obligation to deliver the Defaulted Shares in accordance with this Note will be deemed to have been satisfied and discharged to the extent the Company has paid the Covering Price in accordance with **clause (1)**.

(E) *Reserve and Status of Common Shares Issued upon Conversion.*

(i) *Stock Reserve.* At all times when this Note is outstanding, the Company will reserve, out of its authorized but unissued and unreserved Common Shares, a number of Common Shares equal to the greater of (A) (x) the then outstanding Principal Amount, divided by (y) the Conversion Price then in effect and (B) two hundred percent (200%) of a fraction, the numerator of which shall be (x) the then outstanding Principal Amount plus an amount equal to all interest accruable on such outstanding Principal Amount through May 1, 2023, and the denominator of which shall be (y) the Market Stock Payment Price, for issuance upon the issuance of the Conversion Shares.

(ii) *Status of Conversion Shares; Listing.* Each share of Common Shares delivered upon conversion of this Note will be a newly issued or treasury share and will be duly and validly issued, fully paid, non-assessable, free from preemptive rights and free of any Lien or adverse claim (except to the extent of any Lien or adverse claim created by the action or inaction of the Holder or the Person to whom such share will be delivered). If the Common Shares are then listed on any securities exchange, or quoted on any inter-dealer quotation system, then the Company will cause each share of Common Shares issued upon conversion of this Note, when delivered upon such conversion, to be admitted for listing on such exchange or quotation on such system.

(i) *Transferability of Conversion Shares.* Any Common Shares issued upon conversion of this Note will be issued in the form of book-entries at the facilities of DTC, identified therein by an "unrestricted" CUSIP number.

(F) *Forced Conversion.*

(i) *Generally.* If (1) the Daily VWAP per Common Share exceeds one hundred and fifty percent (150%) of the Conversion Price on each of twenty (20) consecutive VWAP Trading Days beginning after the Issue Date (such twenty (20) consecutive VWAP Trading Day period being the "**Forced Conversion Qualification Period**"); and (2) the Equity Conditions are satisfied on each of such twenty (20) consecutive VWAP Trading Days, then, subject to the limitations on conversion contained in **Section 8(K)**, the Company may provide written notice to the Holder electing to convert all or a portion of the Principal Amount of this Note on the Conversion Date into Conversion Consideration and certifying that the Equity Conditions have been satisfied on each of such VWAP Trading Days (the "**Forced Conversion Notice**"); *provided* that no Forced Conversion will be effected unless (x) the Daily VWAP per Common Share exceeds one hundred and fifty percent (150%) of the Conversion Price and (y) the Equity Conditions are satisfied, in the case of each of clauses (x) and (y), on each VWAP Trading Day from the date of such notice until the corresponding Conversion Consideration is delivered (and the Company shall certify in writing to the Holder on the date that such Conversion Consideration is delivered that the Equity Conditions have been satisfied during such period); and *provided*

further, that the Company may deliver no more than one Forced Conversion Notice in any thirty (30) Trading Day period. Solely for purposes of the preceding sentence, the Conversion Price will be calculated without giving effect to any adjustments pursuant to **Section 8(I)**. The Conversion Date with respect to any such Forced Conversion will be deemed to occur on the second (2nd) Business Day after such written notice to the Holder. Notwithstanding the foregoing, if the average daily dollar trading volume (as reported on Bloomberg) of the Common Shares on the New York Stock Exchange during such Forced Conversion Qualification Period (the “**Average DDT Volume**”) is less than one hundred million dollars (\$100,000,000) (the “**Minimum Volume**”), then such forced conversion of this Note shall be limited to a number of Common Shares equal to the product of: (A) the aggregate number of Common Shares for which this Note would be convertible pursuant to this **Section 8(F)** without giving effect to this sentence, multiplied by (B) the quotient of the Average DDT Volume for such Forced Exercise Period divided by the Minimum Volume.

(ii) *Effect of Forced Conversion.* A Forced Conversion will have the same effect as a conversion of the applicable outstanding Principal Amount of this Note effected at the Holder’s election pursuant to **Section 8(A)** with a Conversion Date occurring on the Business Day referred to in **Section 8(F)(i)** (for the avoidance of doubt, without the need for the Holder to deliver a conversion notice); *provided, however*, that the Company will not be obligated to deliver the Conversion Consideration until the Holder has complied, if applicable, with its obligations under **Section 8(C)(iii)**.

(G) *Adjustments to the Conversion Rate.*

(i) *Events Requiring an Adjustment to the Conversion Rate.* Subject to the prior approval of the TSX, the Conversion Rate will be adjusted from time to time as follows:

(1) *Stock Dividends, Splits and Combinations.* If the Company issues solely Common Shares as a dividend or distribution on all or substantially all shares of the Common Shares, or if the Company effects a stock split or a stock combination of the Common Shares (in each case excluding an issuance solely pursuant to a Common Shares Change Event, as to which **Section 8(J)** will apply), then the Conversion Rate will be adjusted based on the following formula:

$$CR_1 = CR_0 \times \frac{OS_1}{OS_0}$$

where:

CR_0 = the Conversion Rate in effect immediately before the Open of Business on the Ex-Dividend Date for such dividend or distribution, or immediately before the Open of Business on the effective date of such stock split or stock combination, as applicable;

CR_1 = the Conversion Rate in effect immediately after the Open of

Business on such Ex-Dividend Date or the Open of Business on such effective date, as applicable;

OS_0 = the number of Common Shares outstanding immediately before the Open of Business on such Ex-Dividend Date or effective date, as applicable, without giving effect to such dividend, distribution, stock split or stock combination; and

OS_1 = the number of Common Shares outstanding immediately after giving effect to such dividend, distribution, stock split or stock combination.

If any dividend, distribution, stock split or stock combination of the type described in this **Section 8(G)(i)(1)** is declared or announced, but not so paid or made, then the Conversion Rate will be readjusted, effective as of the date the Board of Directors determines not to pay such dividend or distribution or to effect such stock split or stock combination, to the Conversion Rate that would then be in effect had such dividend, distribution, stock split or stock combination not been declared or announced.

(2) *Rights, Options and Warrants.* If the Company distributes, to all or substantially all holders of Common Shares, rights, options or warrants (other than rights issued or otherwise distributed pursuant to a stockholder rights plan, as to which the provisions set forth in **Sections 8(G)(i)(3)(a)** and **8(G)(v)** will apply) entitling such holders, for a period of not more than sixty (60) calendar days after the record date of such distribution, to subscribe for or purchase Common Shares at a price per share that is less than the average of the Last Reported Sale Prices per Common Share for the ten (10) consecutive Trading Days ending on, and including, the Trading Day immediately before the date such distribution is announced, then the Conversion Rate will be increased based on the following formula:

$$CR_1 = CR_0 \times \frac{OS + X}{OS + Y}$$

where:

CR_0 = the Conversion Rate in effect immediately before the Open of Business on the Ex-Dividend Date for such distribution;

CR_1 = the Conversion Rate in effect immediately after the Open of Business on such Ex-Dividend Date;

OS = the number of Common Shares outstanding immediately before the Open of Business on such Ex-Dividend Date;

X = the total number of Common Shares issuable pursuant to such rights,

options or warrants; and

Y = a number of Common Shares obtained by dividing (x) the aggregate price payable to exercise such rights, options or warrants by (y) the average of the Last Reported Sale Prices per Common Share for the ten (10) consecutive Trading Days ending on, and including, the Trading Day immediately before the date such distribution is announced.

To the extent that Common Shares are not delivered after the expiration of such rights, options or warrants (including as a result of such rights, options or warrants not being exercised), the Conversion Rate will be readjusted to the Conversion Rate that would then be in effect had the increase to the Conversion Rate for such distribution been made on the basis of delivery of only the number of Common Shares actually delivered upon exercise of such rights, option or warrants. To the extent such rights, options or warrants are not so distributed, the Conversion Rate will be readjusted to the Conversion Rate that would then be in effect had the Ex-Dividend Date for the distribution of such rights, options or warrants not occurred.

For purposes of this **Section 8(G)(i)(2)**, in determining whether any rights, options or warrants entitle holders of Common Shares to subscribe for or purchase Common Shares at a price per share that is less than the average of the Last Reported Sale Prices per Common Share for the ten (10) consecutive Trading Days ending on, and including, the Trading Day immediately before the date the distribution of such rights, options or warrants is announced, and in determining the aggregate price payable to exercise such rights, options or warrants, there will be taken into account any consideration the Company receives for such rights, options or warrants and any amount payable on exercise thereof, with the value of such consideration, if not cash, to be determined by the Board of Directors in good faith.

(3) *Spin-Offs and Other Distributed Property.*

(a) *Distributions Other than Spin-Offs.* If the Company distributes shares of its Capital Stock, evidences of its indebtedness or other assets or property of the Company, or rights, options or warrants to acquire Capital Stock of the Company or other securities, to all or substantially all holders of the Common Shares, excluding:

(v) dividends, distributions, rights, options or warrants for which an adjustment to the Conversion Rate is required pursuant to **Section 8(G)(i)(1)** or **Section 8(G)(i)(2)**;

(w) dividends or distributions paid exclusively in cash for which an adjustment to the Conversion Rate is required pursuant to **Section 8(G)(i)(4)**;

(x) rights issued or otherwise distributed pursuant to a stockholder rights plan, except to the extent provided in **Section 8(G)(v)**;

(y) Spin-Offs for which an adjustment to the Conversion Rate is required pursuant to **Section 8(G)(i)(3)(b)**; and

(z) a distribution solely pursuant to a Common Shares Change Event, as to which **Section 8(J)** will apply,

then the Conversion Rate will be increased based on the following formula:

$$CR_1 = CR_0 \times \frac{SP}{SP - FMV}$$

where:

CR_0 = the Conversion Rate in effect immediately before the Open of Business on the Ex-Dividend Date for such distribution;

CR_1 = the Conversion Rate in effect immediately after the Open of Business on such Ex-Dividend Date;

SP = the average of the Last Reported Sale Prices per Common Share for the ten (10) consecutive Trading Days ending on, and including, the Trading Day immediately before such Ex-Dividend Date; and

FMV = the fair market value (as determined by the Board of Directors in good faith), as of such Ex-Dividend Date, of the shares of Capital Stock, evidences of indebtedness, assets, property, rights, options or warrants distributed per Common Share pursuant to such distribution;

provided, however, that if FMV is equal to or greater than SP , then, in lieu of the foregoing adjustment to the Conversion Rate, the Holder will receive, for each \$1,000 Principal Amount of this Note held by this Holder on the record date for such distribution, at the same time and on the same terms as holders of Common Shares, the amount and kind of shares of Capital Stock, evidences of indebtedness, assets, property, rights, options or warrants that such Holder would have received if such Holder had owned, on such record date, a number of Common Shares equal to the Conversion Rate in effect on such record date.

To the extent such distribution is not so paid or made, the Conversion Rate will be readjusted to the Conversion Rate that would then be in effect had

the adjustment been made on the basis of only the distribution, if any, actually made or paid.

(b) *Spin-Offs*. If the Company distributes or dividends shares of Capital Stock of any class or series, or similar equity interest, of or relating to an Affiliate, a Subsidiary or other business unit of the Company to all or substantially all holders of the Common Shares (other than solely pursuant to a Common Shares Change Event, as to which **Section 8(J)** will apply), and such Capital Stock or equity interest is listed or quoted (or will be listed or quoted upon the consummation of the transaction) on a U.S. national securities exchange (a “**Spin-Off**”), then the Conversion Rate will be increased based on the following formula:

$$CR_1 = CR_0 \times \frac{FMV + SP}{SP}$$

where:

CR_0 = the Conversion Rate in effect immediately before the Open of Business on the Ex-Dividend Date for such Spin-Off;

CR_1 = the Conversion Rate in effect immediately after the Open of Business on such Ex-Dividend Date;

FMV = the product of (x) the average of the Last Reported Sale Prices per share or unit of the Capital Stock or equity interests distributed in such Spin-Off over the ten (10) consecutive Trading Day period (the “**Spin-Off Valuation Period**”) beginning on, and including, such Ex-Dividend Date (such average to be determined as if references to Common Shares in the definitions of Last Reported Sale Price, Trading Day and Market Disruption Event were instead references to such Capital Stock or equity interests); and (y) the number of shares or units of such Capital Stock or equity interests distributed per Common Share in such Spin-Off; and

SP = the average of the Last Reported Sale Prices per Common Share for each Trading Day in the Spin-Off Valuation Period.

The adjustment to the Conversion Rate pursuant to this **Section 8(G)(i)(3)(b)** will be calculated as of the Close of Business on the last Trading Day of the Spin-Off Valuation Period but will be given effect immediately after the Open of Business on the Ex-Dividend Date for the Spin-Off, with retroactive effect. If a Note is converted and the Conversion

Date occurs during the Spin-Off Valuation Period, then, notwithstanding anything to the contrary in this Note, the Company will, if necessary, delay the settlement of such conversion until the second (2nd) Business Day after the last day of the Spin-Off Valuation Period.

To the extent any dividend or distribution of the type set forth in this **Section 8(G)(i)(3)(b)** is declared but not made or paid, the Conversion Rate will be readjusted to the Conversion Rate that would then be in effect had the adjustment been made on the basis of only the dividend or distribution, if any, actually made or paid.

(4) *Cash Dividends (Other than in the Ordinary Course) or Distributions.* If any cash dividend or distribution is made to all or substantially all holders of Common Shares, then the Conversion Rate will be increased based on the following formula:

$$CR_1 = CR_0 \times \frac{SP}{SP - D}$$

where:

- CR_0 = the Conversion Rate in effect immediately before the Open of Business on the Ex-Dividend Date for such dividend or distribution;
- CR_1 = the Conversion Rate in effect immediately after the Open of Business on such Ex-Dividend Date;
- SP = the Last Reported Sale Price per Common Share on the Trading Day immediately before such Ex-Dividend Date; and
- D = the cash amount distributed per Common Share in such dividend or distribution;

provided, however, that if D is equal to or greater than SP , then, in lieu of the foregoing adjustment to the Conversion Rate, the Holder will receive, for each \$1,000 Principal Amount of this Note held by the Holder on the record date for such dividend or distribution, at the same time and on the same terms as holders of Common Shares, the amount of cash that such Holder would have received if such Holder had owned, on such record date, a number of Common Shares equal to the Conversion Rate in effect on such record date.

To the extent such dividend or distribution is declared but not made or paid, the Conversion Rate will be readjusted to the Conversion Rate that would then be in effect had the adjustment been made on the basis of only the dividend or distribution, if any, actually made or paid.

(5) *Tender Offers or Exchange Offers.* If the Company or any of its Subsidiaries makes a payment in respect of a tender offer or exchange offer for Common Shares (other than solely pursuant to an odd-lot tender offer pursuant to Rule 13e-4(h)(5) under the Exchange Act), and the value (determined as of the Expiration Time by the Board of Directors in good faith) of the cash and other consideration paid per Common Share in such tender or exchange offer exceeds the Last Reported Sale Price per Common Share on the Trading Day immediately after the last date (the “**Expiration Date**”) on which tenders or exchanges may be made pursuant to such tender or exchange offer (as it may be amended), then the Conversion Rate will be increased based on the following formula:

$$CR_1 = CR_0 \times \frac{AC + (SP \times OS_1)}{SP \times OS_0}$$

where:

CR_0 = the Conversion Rate in effect immediately before the time (the “**Expiration Time**”) such tender or exchange offer expires;

CR_1 = the Conversion Rate in effect immediately after the Expiration Time;

AC = the aggregate value (determined as of the Expiration Time by the Board of Directors in good faith) of all cash and other consideration paid for Common Shares purchased or exchanged in such tender or exchange offer;

OS_0 = the number of Common Shares outstanding immediately before the Expiration Time (including all Common Shares accepted for purchase or exchange in such tender or exchange offer);

OS_1 = the number of Common Shares outstanding immediately after the Expiration Time (excluding all Common Shares accepted for purchase or exchange in such tender or exchange offer); and

SP = the average of the Last Reported Sale Prices per Common Share over the ten (10) consecutive Trading Day period (the “**Tender/Exchange Offer Valuation Period**”) beginning on, and including, the Trading Day immediately after the Expiration Date;

provided, however, that the Conversion Rate will in no event be adjusted down pursuant to this **Section 8(G)(i)(5)**, except to the extent provided in the immediately following paragraph. The adjustment to the Conversion Rate pursuant to this **Section 8(G)(i)(5)** will be calculated as of the Close of Business on the last Trading Day of the Tender/Exchange Offer Valuation Period but will be given effect immediately after the Expiration Time, with retroactive effect. If a Note is converted and the Conversion Date occurs on the Expiration Date or during the

Tender/Exchange Offer Valuation Period, then, notwithstanding anything to the contrary in this Note, the Company will, if necessary, delay the settlement of such conversion until the second (2nd) Business Day after the last day of the Tender/Exchange Offer Valuation Period.

To the extent such tender or exchange offer is announced but not consummated (including as a result of the Company being precluded from consummating such tender or exchange offer under applicable law), or any purchases or exchanges of Common Shares in such tender or exchange offer are rescinded, the Conversion Rate will be readjusted to the Conversion Rate that would then be in effect had the adjustment been made on the basis of only the purchases or exchanges of Common Shares, if any, actually made, and not rescinded, in such tender or exchange offer.

(ii) *No Adjustments in Certain Cases.*

(1) *Where the Holder Participates in the Transaction or Event Without Conversion.* Notwithstanding anything to the contrary in **Section 8(G)(i)**, the Company will not be obligated to adjust the Conversion Rate on account of a transaction or other event otherwise requiring an adjustment pursuant to **Section 8(G)(i)** (other than a stock split or combination of the type set forth in **Section 8(G)(i)(1)** or a tender or exchange offer of the type set forth in **Section 8(G)(i)(5)**) if the Holder participates, at the same time and on the same terms as holders of Common Shares, and solely by virtue of being the Holder of this Note, in such transaction or event without having to convert this Note and as if the Holder held a number of Common Shares equal to the product of (i) the Conversion Rate in effect on the related record date; and (ii) the aggregate Principal Amount (expressed in thousands) of this Note held by this Holder on such date. Any such participation will be subject to the prior approval of the TSX.

(2) *Certain Events.* The Company will not adjust the Conversion Rate except as provided in **Section 8(G)**, **Section 8(H)** or **Section 8(I)**. Without limiting the foregoing, the Company will not adjust the Conversion Rate on account of:

(a) the sale of Common Shares, even if the purchase price is less than the market price per share of the Common Shares or less than the Conversion Price;

(b) the issuance of any Common Shares pursuant to any present or future plan providing for the reinvestment of dividends or interest payable on the Company's securities and the investment of additional optional amounts in Common Shares under any such plan;

(c) the issuance of any Common Shares, restricted stock, or options or rights to purchase Common Shares pursuant to any present or future employee, director or consultant benefit plan or program of, or assumed by, the Company or any of its Subsidiaries;

(d) the issuance of any Common Shares pursuant to any option,

warrant, right or convertible or exchangeable security of the Company outstanding as of the Issue Date (other than an adjustment pursuant to **Section 8(G)(i)(3)(a)** in connection with the separation of rights under the Company's stockholder rights plan existing, if any, as of the Issue Date);

(e) solely a change in the par value of the Common Shares; or

(f) accrued and unpaid interest, if any, on this Note.

(iii) *Adjustments Not Yet Effective.* Notwithstanding anything to the contrary in this Note, if:

(1) this Note is to be converted;

(2) the record date, effective date or Expiration Time for any event that requires an adjustment to the Conversion Rate pursuant to **Section 8(G)(i)** has occurred on or before the Conversion Date for such conversion, but an adjustment to the Conversion Rate for such event has not yet become effective as of such Conversion Date;

(3) the Conversion Consideration due upon such conversion includes any whole Common Shares; and

(4) such shares are not entitled to participate in such event (because they were not held on the related record date or otherwise),

then, solely for purposes of such conversion, the Company will, without duplication, give effect to such adjustment on such Conversion Date. In such case, if the date on which the Company is otherwise required to deliver the consideration due upon such conversion is before the first date on which the amount of such adjustment can be determined, then the Company will delay the settlement of such conversion until the second (2nd) Business Day after such first date.

(iv) *Conversion Rate Adjustments where the Converting Holder Participates in the Relevant Transaction or Event.* Notwithstanding anything to the contrary in this Note, if:

(1) a Conversion Rate adjustment for any dividend or distribution becomes effective on any Ex-Dividend Date pursuant to **Section 8(G)(i)**;

(2) a Note is to be converted;

(3) the Conversion Date for such conversion occurs on or after such Ex-Dividend Date and on or before the related record date;

(4) the Conversion Consideration due upon such conversion includes any whole Common Shares based on a Conversion Rate that is adjusted for such dividend or distribution; and

(5) such shares would be entitled to participate in such dividend or distribution (including pursuant to **Section 8(C)(ii)**),

then (x) such Conversion Rate adjustment will not be given effect for such conversion; (y) the Common Shares issuable upon such conversion based on such unadjusted Conversion Rate will not be entitled to participate in such dividend or distribution; and (z) there will be added, to the Conversion Consideration otherwise due upon such conversion, the same kind and amount of consideration that would have been delivered in such dividend or distribution with respect to such Common Shares had such shares been entitled to participate in such dividend or distribution.

(v) *Stockholder Rights Plans.* If any Common Shares are to be issued upon conversion of any Note and, at the time of such conversion, the Company has in effect any stockholder rights plan, then the Holder of such Note will be entitled to receive, in addition to, and concurrently with the delivery of, the Conversion Consideration otherwise payable under this Note upon such conversion, the rights set forth in such stockholder rights plan, unless such rights have separated from the Common Shares at such time, in which case, and only in such case, the Conversion Rate will be adjusted pursuant to **Section 8(G)(i)(3)(a)** on account of such separation as if, at the time of such separation, the Company had made a distribution of the type referred to in such Section to all holders of the Common Shares, subject to readjustment in accordance with such Section if such rights expire, terminate or are redeemed.

(vi) *Limitation on Effecting Transactions Resulting in Adjustments.* The Company will not engage in or be a party to any transaction or event that would (without respect to TSX's right to approve adjustments) require the Conversion Rate to be adjusted (x) pursuant to this **Section 8(G)** without the prior consent of the Holder, which the Holder may grant or withhold in its sole discretion or (y) pursuant to Section 8(H) or Section 8(I) to an amount that would result in the Conversion Price per Common Share being less than the par value per Common Share.

(vii) *Equitable Adjustments to Prices.* Whenever any provision of this Note requires the Company to calculate the average of the Last Reported Sale Prices, or any function thereof, over a period of multiple days (including to calculate an adjustment to the Conversion Rate), the Company will make proportionate adjustments, if any, to such calculations to account for any adjustment to the Conversion Rate pursuant to **Section 8(G)(i)** that becomes effective, or any event requiring such an adjustment to the Conversion Rate where the Ex-Dividend Date or effective date, as applicable, of such event occurs, at any time during such period.

(viii) *Calculation of Number of Outstanding Shares of Common Shares.* For purposes of this **Section 8(G)**, the number of Common Shares outstanding at any time will (i) include shares issuable in respect of scrip certificates issued in lieu of fractions of Common Shares; and (ii) exclude Common Shares held in the Company's treasury (unless the Company pays any dividend or makes any distribution on Common Shares held in its treasury).

(ix) *Calculations.* All calculations with respect to the Conversion Rate and adjustments thereto will be made to the nearest 1/10,000th of a Common Share (with 5/100,000ths rounded upward).

(x) *Notice of Conversion Rate Adjustments.* Upon the effectiveness of any adjustment to the Conversion Rate pursuant to **Section 8(G)(i)**, the Company will promptly send notice to the Holder containing (i) a brief description of the transaction or other event on account of which such adjustment was made; (ii) the Conversion Rate in effect immediately after such adjustment; and (iii) the effective time of such adjustment.

(H) *Voluntary Adjustments.*

(i) *Generally.* To the extent permitted by law and applicable stock exchange rules, the Company, from time to time, may (but is not required to) increase the Conversion Rate by any amount if (i) the Board of Directors determines in good faith that such increase is either (x) in the best interest of the Company; or (y) advisable to avoid or diminish any income tax imposed on holders of Common Shares or rights to purchase Common Shares as a result of any dividend or distribution of shares (or rights to acquire shares) of Common Shares or any similar event; and (ii) such increase is irrevocable. The Company and the Holder agree that any such voluntary adjustment to the Conversion Rate and any conversion of any portion of the Note based upon any such voluntary adjustment shall not constitute material non-public information with respect to the Company.

(ii) *Notice of Voluntary Increases.* If the Board of Directors determines to increase the Conversion Rate pursuant to **Section 8(H)(i)**, then, no later than the first Business Day following such determination, the Company will send notice to the Holder of such increase, the amount thereof and the period during which such increase will be in effect.

(I) *Adjustments to the Conversion Rate in Connection with an Event of Default.* If an Event of Default occurs and the Conversion Date for the conversion of a Note occurs during the related Event of Default Conversion Period, then, subject to **Section 8(K)**, the Conversion Rate applicable to such conversion will be increased by a number of shares equal to the Event of Default Additional Shares.

(J) *Effect of Certain Recapitalizations, Reclassifications, Consolidations, Mergers and Sales.*

(i) *Generally.* If there occurs:

(1) recapitalization, reclassification or change of the Common Shares (other than (x) changes solely resulting from a subdivision or combination of the Common Shares, (y) a change only in par value or from par value to no par value or no par value to par value and (z) stock splits and stock combinations that do not involve the issuance of any other series or class of securities);

(2) consolidation, merger, combination or binding or statutory share exchange involving the Company;

(3) sale, lease or other transfer of all or substantially all of the assets of the Company and its Subsidiaries, taken as a whole, to any Person; or

(4) other similar event,

and, in each case, as a result of such occurrence, the Common Shares are converted into, or is exchanged for, or represents solely the right to receive, other securities or other property (including cash or any combination of the foregoing) (such an event, a “**Common Shares Change Event**,” and such other securities or other property, the “**Reference Property**,” and the amount and kind of Reference Property that a holder of one (1) share of Common Shares would be entitled to receive on account of such Common Shares Change Event (without giving effect to any arrangement not to issue fractional shares of securities or other property), a “**Reference Property Unit**”), then, notwithstanding anything to the contrary in this Note, at the effective time of such Common Shares Change Event, (x) the Conversion Consideration due upon conversion of any Note will be determined in the same manner as if each reference to any number of Common Shares in this **Section 8** (or in any related definitions) were instead a reference to the same number of Reference Property Units; (y) for purposes of **Section 8(A)**, each reference to any number of Common Shares in such Section (or in any related definitions) will instead be deemed to be a reference to the same number of Reference Property Units; and (z) for purposes of the definition of “Fundamental Change,” the term “Common Shares” and “common equity” will be deemed to mean the common equity, if any, forming part of such Reference Property. For these purposes, (I) the Daily VWAP of any Reference Property Unit or portion thereof that consists of a class of common equity securities will be determined by reference to the definition of “Daily VWAP,” substituting, if applicable, the Bloomberg page for such class of securities in such definition; and (II) the Daily VWAP of any Reference Property Unit or portion thereof that does not consist of a class of common equity securities, and the Last Reported Sale Price of any Reference Property Unit or portion thereof that does not consist of a class of securities, will be the fair value of such Reference Property Unit or portion thereof, as applicable, determined in good faith by the Company (or, in the case of cash denominated in U.S. dollars, the face amount thereof).

If the Reference Property consists of more than a single type of consideration to be determined based in part upon any form of stockholder election, then the composition of the Reference Property Unit will be deemed to be the weighted average of the types and amounts of consideration actually received, per Common Share, by the holders of Common Shares. The Company will notify the Holder of such weighted average as soon as practicable after such determination is made.

At or before the effective date of such Common Shares Change Event, the Company and the resulting, surviving or transferee Person (if not the Company) of such Common Shares Change Event (the “**Successor Person**”) will execute and deliver such instruments or agreements that (x) provides for subsequent conversions of this Note in the manner set forth in this **Section 8(J)**; (y) provides for subsequent adjustments to the Conversion Rate pursuant to **Section 8(G)**, **Section 8(H)** and **Section 8(I)** in a manner consistent with this **Section 8(J)**; and (z) contains such other provisions as the Company reasonably determines are appropriate to preserve the economic interests of the Holder and to give effect to the

provisions of this **Section 8(J)**. If the Reference Property includes shares of stock or other securities or assets of a Person other than the Successor Person, then such other Person will also execute such instruments or agreements and such instruments or agreements will contain such additional provisions the Company reasonably determines are appropriate to preserve the economic interests of the Holder.

(ii) *Notice of Common Shares Change Events.* As soon as practicable after learning the anticipated or actual effective date of any Common Shares Change Event, the Company will provide written notice to the Holder of such Common Shares Change Event, including a brief description of such Common Shares Change Event, its anticipated effective date and a brief description of the anticipated change in the conversion right of this Note.

(iii) *Compliance Covenant.* The Company will not become a party to any Common Shares Change Event unless its terms are consistent with this **Section 8(J)**.

(K) *Limitations on Conversions.*

(i) *Beneficial Ownership Limitation.* Notwithstanding anything to the contrary contained herein, the Company shall not effect the conversion of any portion of this Note, or otherwise issue shares pursuant to this Note, and the Holder shall not have the right to convert any portion of this Note, pursuant to the terms and conditions of this Note and any such conversion or issuance shall be null and void and treated as if never made, to the extent that after giving effect to such conversion or issuance, the Holder together with the other Attribution Parties collectively would beneficially own in the aggregate in excess of 9.99% (the “**Maximum Percentage**”) of the number of Common Shares outstanding immediately after giving effect to such conversion or issuance. For purposes of the foregoing sentence, the aggregate number of Common Shares beneficially owned by the Holder and the other Attribution Parties shall include the number of Common Shares held by the Holder and all other Attribution Parties plus the number of Common Shares issuable upon conversion of, or otherwise pursuant to, this Note with respect to which the determination of such sentence is being made, but shall exclude the number of Common Shares which would be issuable upon (A) conversion of the remaining, unconverted portion of this Note beneficially owned by the Holder or any of the other Attribution Parties and (B) exercise or conversion of the unexercised or unconverted portion of any other securities of the Company (including, without limitation, any convertible notes or convertible preferred stock or warrants) beneficially owned by the Holder or any other Attribution Party subject to a limitation on conversion or exercise analogous to the limitation contained in this **Section 8(K)(i)**. For purposes of this **Section 8(K)(i)**, beneficial ownership shall be calculated in accordance with Section 13(d) of the Exchange Act. For purposes of this Note, in determining the number of outstanding Common Shares the Holder may acquire upon the conversion of this Note without exceeding the Maximum Percentage, the Holder may rely on the number of outstanding Common Shares as reflected in (x) the Company's most recent Annual Report on Form 40-F, Interim Report on Form 6-K or other public filing with the Commission, as the case may be, (y) a more recent public announcement by the Company or (z) any other written notice by the Company or the Transfer Agent (as defined in the Securities Purchase Agreement) setting forth the number of Common Shares

outstanding (the “**Reported Outstanding Share Number**”). If the Company receives a conversion notice from the Holder at a time when the actual number of outstanding Common Shares is less than the Reported Outstanding Share Number, the Company shall promptly notify the Holder in writing of the number of Common Shares then outstanding and, to the extent that such conversion notice would otherwise cause the Holder's beneficial ownership, as determined pursuant to this **Section 8(K)(i)**, to exceed the Maximum Percentage, the Holder must notify the Company of a reduced number of conversion shares to be issued pursuant to such conversion notice. For any reason at any time, upon the written or oral request of the Holder, the Company shall within one (1) Trading Day confirm in writing or by electronic mail to the Holder the number of Common Shares then outstanding. In any case, the number of outstanding Common Shares shall be determined after giving effect to the conversion or exercise of securities of the Company, including this Note, by the Holder and any other Attribution Party since the date as of which the Reported Outstanding Share Number was reported. In the event that the issuance of Common Shares to the Holder upon conversion of, or otherwise pursuant to, this Note results in the Holder and the other Attribution Parties being deemed to beneficially own, in the aggregate, more than the Maximum Percentage of the number of outstanding Common Shares (as determined under Section 13(d) of the Exchange Act), the number of shares so issued by which the Holder's and the other Attribution Parties' aggregate beneficial ownership exceeds the Maximum Percentage (the “**Excess Shares**”) shall be deemed null and void and shall be cancelled *ab initio*, and the Holder shall not have the power to vote or to transfer the Excess Shares. Upon delivery of a written notice to the Company, the Holder may from time to time increase or decrease the Maximum Percentage to any other percentage not in excess of 9.99% as specified in such notice; provided that (i) any such increase in the Maximum Percentage will not be effective until the sixty-first (61st) day after such notice is delivered to the Company and (ii) any such increase or decrease will apply only to the Holder and the other Attribution Parties and not to any Other Holder of Notes that is not an Attribution Party of the Holder. For purposes of clarity, the Common Shares issuable pursuant to the terms of this Note in excess of the Maximum Percentage shall not be deemed to be beneficially owned by the Holder for any purpose including for purposes of Section 13(d) or Rule 16a-1(a)(1) of the Exchange Act. No prior inability to convert this Note or receive shares pursuant to this Note pursuant to this paragraph shall have any effect on the applicability of the provisions of this paragraph with respect to any subsequent determination of convertibility. The provisions of this paragraph shall be construed and implemented in a manner otherwise than in strict conformity with the terms of this **Section 8(K)(i)** to the extent necessary to correct this paragraph or any portion of this paragraph which may be defective or inconsistent with the intended beneficial ownership limitation contained in this **Section 8(K)(i)** or to make changes or supplements necessary or desirable to properly give effect to such limitation. The limitation contained in this paragraph may not be waived and shall apply to a successor holder of this Note. The Holder hereby acknowledges and agrees that the Company shall be entitled to rely on the representations and other information set forth in any conversion notice and shall not be required to independently verify whether any issuance of Common Shares pursuant to this Note would cause the Holder (together with the other Attribution Parties) to collectively beneficially own in excess of the Maximum Percentage of the number of Common Shares outstanding after giving effect to such conversion or otherwise trigger the provisions of

this **Section 8(K)(i)**. In the event that the limitations on conversion contained in this Section 8(K)(i) operate to prevent or limit the Company from immediately converting all or a portion of this Note that the Company desired to convert pursuant to such Forced Conversion (a “**Limited Forced Conversion**”), the Company may conduct additional Forced Conversions (without further satisfying the restrictions on the ability to conduct a Forced Conversion set forth in **Section 8(F)** other than the Minimum Volume limitation set forth therein) prior to the Maturity Date (provided that at the time of any such additional Forced Conversions the Equity Conditions (other than clauses (F) and (G) of the definition thereof) are satisfied) so that the Company may exercise its rights to complete such Limited Forced Conversion in full, and prior to the Company's completion of its Limited Forced Conversions in full, the Holder will advise the Company no less frequently than once every thirty (30) days of the total number of Common Shares held by the Holder together with the other Attribution Parties.

(ii) *Stock Exchange Limitation.* Notwithstanding anything to the contrary in this Note, until the Requisite Shareholder Approval is obtained, in no event will the number of Common Shares issuable upon conversion or otherwise pursuant to this Note, including pursuant to **Section 8(I)**, together with all other shares, if any, theretofore issued upon conversion or otherwise pursuant to this Note, including any portion constituting an Optional Redemption Payment, Early Conversion Payment or Forced Conversion Additional Payment, exceed 32,198,894 shares in the aggregate. If any one or more Common Shares are not delivered as a result of the operation of the preceding sentence (such shares, the “**Withheld Shares**”), then (1) on the date such Common Shares are issuable hereunder (after giving effect to any limitations imposed under Section 8(K)(i)), the Company will pay to the Holder, in addition to the Conversion Consideration otherwise due upon such conversion or shares otherwise due to the Holder hereunder, cash in an amount equal to the product of (x) the number of such Withheld Shares; and (y) the Daily VWAP per Common Share on the Conversion Date for such conversion; and (2) to the extent the Holder purchases (in an open market transaction or otherwise) Common Shares to deliver in settlement of a sale by the Holder of such Withheld Shares, the Company will reimburse the Holder for (x) any brokerage commissions and other out-of-pocket expenses, if any, of the Holder incurred in connection with such purchases and (y) the excess, if any, of (A) the aggregate purchase price of such purchases over (B) the product of (I) the number of such Withheld Shares purchased by the Holder; and (II) the Daily VWAP per Common Share on the Conversion Date for such conversion.

(iii) *Additional Stock Exchange Limitation.* Notwithstanding anything to the contrary in this Note, until the Holder has instructed the Escrow Agent to release and pay any funds held in escrow by the Escrow Agent under the Escrow Agreement to the Company, in no event will shares be delivered by the Company to satisfy the conversion of more than one hundred eight million dollars (\$108,000,000) in aggregate Principal Amount of this Note (the “**Maximum Principal Amount**”), nor shall any redemption or repurchase of more than the Maximum Principal Amount (inclusive of any portion of the Principal Amount previously converted into Common Shares) be satisfied in Common Shares. If any one or more Common Shares are not delivered as a result of the operation of the preceding sentence, such shares will be Withheld Shares and (1) on the date such Common Shares would otherwise be issuable hereunder (after giving effect to any

limitations imposed under Section 8(K)(i)), the Company will pay to the Holder, in addition to the Conversion Consideration otherwise due upon such conversion or shares otherwise due to the Holder hereunder, cash in an amount equal to the product of (x) the number of such Withheld Shares; and (y) the Daily VWAP per Common Share on the Conversion Date for such conversion; and (2) to the extent the Holder purchases (in an open market transaction or otherwise) Common Shares to deliver in settlement of a sale by the Holder of such Withheld Shares, the Company will reimburse the Holder for (x) any brokerage commissions and other out-of-pocket expenses, if any, of the Holder incurred in connection with such purchases and (y) the excess, if any, of (A) the aggregate purchase price of such purchases over (B) the product of (I) the number of such Withheld Shares purchased by the Holder; and (II) the Daily VWAP per Common Share on the Conversion Date for such conversion.

Section 9. AFFIRMATIVE AND NEGATIVE COVENANTS.

(A) *Stay, Extension and Usury Laws.* To the extent that it may lawfully do so, the Company (A) agrees that it will not at any time insist upon, plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay, extension or usury law (wherever or whenever enacted or in force) that would prohibit or forgive the Company from paying all or any portion of the principal of the Note or may affect the covenants or the performance of this Note; and (B) expressly waives all benefits or advantages of any such law and agrees that it will not, by resort to any such law, hinder, delay or impede the execution of any power granted to the Holder by this Note, but will suffer and permit the execution of every such power as though no such law has been enacted.

(B) *Corporate Existence.* Subject to **Section 10**, the Company will cause to preserve and keep in full force and effect:

(i) its corporate existence and the corporate existence of its Subsidiaries in accordance with the organizational documents of the Company or its Subsidiaries, as applicable; and

(ii) the rights (charter and statutory), licenses and franchises of the Company and its Subsidiaries;

provided, however, that the Company need not preserve or keep in full force and effect any such rights (charter and statutory), license or franchise or existence of any of its Subsidiaries if the Board of Directors determines in good faith that (x) the preservation thereof is no longer desirable in the conduct of the business of the Company and its Subsidiaries, taken as a whole; and (y) the loss thereof is not, individually or in the aggregate, materially adverse to the Company; and provided further, that any Subsidiary may merge into, amalgamate or consolidate with any other Subsidiary and any Subsidiary may liquidate or dissolve if all of its property passes to the Company or another Subsidiary.

(C) *Ranking.* All payments due under this Note (i) shall rank *pari passu* with all Other Notes and (ii) shall rank senior to all other indebtedness of the Company (other than the indebtedness described in clauses (i)) and any Subordinated Indebtedness.

(D) *Indebtedness; Amendments to Indebtedness.* The Company shall not and shall not permit any Subsidiary to: (a) create, incur, assume, guarantee or be or remain liable with respect to any Indebtedness, other than Permitted Indebtedness; (b) prepay any Indebtedness except for (i) Permitted Repayment Indebtedness, (ii) by the conversion of Indebtedness into equity securities (other than Disqualified Stock) and the payment of cash in lieu of fractional shares in connection with such conversion, and (iii) a refinancing of the entire amount of such Indebtedness which does not impose materially more burdensome terms upon the Company or its Subsidiaries than exist in such Indebtedness prior to such refinancing, but with a maturity date which is later than one hundred eighty-one (181) days following the Maturity Date; or (c) amend or modify any documents or notes evidencing any Indebtedness in any manner which shortens the maturity date or any amortization, redemption or interest payment date thereof or otherwise imposes materially more burdensome terms upon the Company or its Subsidiaries than exist in such Indebtedness prior to such amendment or modification without the prior written consent of Holder. The Company shall not and shall not permit any Subsidiary to incur any Indebtedness that would cause a breach or Default under the Notes or prohibit or restrict the performance of any of the Company's or its Subsidiaries' obligations under the Notes, including without limitation, the payment of interest and principal thereon.

(E) *Liens.* The Company will not, and will not permit any of its Subsidiaries to, directly or indirectly, create, incur, assume or permit to exist any Lien of any kind on any asset now owned or hereafter acquired, except Permitted Liens.

(F) *Investments.* The Company shall not directly or indirectly acquire or own, or make any Investment in or to any Person, or permit any of its Subsidiaries so to do, other than Permitted Investments; provided that the Company may not make any Investment (including a Permitted Investment) or permit any of its Subsidiaries to make any Investment (including a Permitted Investment) if (i) any Event of Default has occurred hereunder or (ii) any event or circumstance has occurred and is continuing which, with the giving of notice or passage of time or both, could constitute an Event of Default with respect to Section 11(A)(ii), Section 11(A)(iv), Section 11(A)(x), Section 11(A)(xii) or Section 11(A)(xv).

(G) *Distributions.* The Company shall not, and shall not allow any Subsidiary to, (a) repurchase or redeem any class of stock or other Equity Interest other than pursuant to employee, director or consultant repurchase plans or other similar agreements provided under plans approved by the Board of Directors; provided, however, in each case the repurchase or redemption price does not exceed the original consideration paid for such stock or Equity Interest; provided further, that the Company or any Subsidiary may repurchase, receive via forfeiture, withhold or transfer any class of stock or other Equity Interest pursuant to a net exercise of an Equity Right or other convertible security to cover the payment of the exercise price or the payment of withholding taxes associated with the exercise or vesting of equity awards under any equity compensation plan of the Company or repurchases of Common Shares, Equity Right or other convertible security upon an employee's, contractor's or consultant's termination of services, or (b) declare or pay any cash dividend or make a cash distribution on any class of stock or other Equity Interest, except that a Subsidiary may pay dividends or make distributions to the Company or a parent company that is a direct or indirect Wholly Owned Subsidiary of the Company, or (c) lend money to any employees, officers or directors (except as permitted under clause (F) of the definition of Permitted Investment), or guarantee the payment of any such loans granted by a third party in excess of fifty

thousand dollars (\$50,000) in the aggregate or (d) waive, release or forgive any Indebtedness owed by any employees, officers or directors in excess of fifty thousand dollars (\$50,000) in the aggregate.

(H) *Asset Dispositions.* The Company shall not, and shall not allow any Subsidiary to, voluntarily or involuntarily transfer, sell, lease, license, lend or in any other manner convey any equitable, beneficial or legal interest in any material portion of the assets of the Company and its Subsidiaries (taken as a whole), except for Permitted Asset Dispositions.

(I) *Taxes.* The Company and its Subsidiaries shall pay when due all taxes, fees or other charges of any nature whatsoever (together with any related interest or penalties) now or hereafter imposed or assessed against the Company and its Subsidiaries or their respective assets or upon their ownership, possession, use, operation or disposition thereof or upon their rents, receipts or earnings arising therefrom (except where the failure to pay would not, individually or in the aggregate, have a material effect on the Company or any of its Subsidiaries). The Company and its Subsidiaries shall file on or before the due date therefor all personal property tax returns (except where the failure to file would not, individually or in the aggregate, have a material effect on the Company or any of its Subsidiaries). Notwithstanding the foregoing, the Company and its Subsidiaries may contest, in good faith and by appropriate proceedings, taxes for which they maintain adequate reserves therefor in accordance with IFRS.

(J) *Minimum Liquidity.*

(i) The Company and its Subsidiaries shall deposit within four (4) Business Days of the Issue Date and shall maintain at all times thereafter Cash and Cash Equivalents in one or more deposit accounts located in Canada or the United States and subject to one or more Control Agreements (as defined in the Security Agreement) entered into in favor of the Collateral Agent or Control Agreements entered into otherwise in accordance with the Security Agreement (each a “**Controlled Account**”) in a minimum amount equal to ninety five million dollars (\$95,000,000) (the “**Minimum Amount**”); *provided*, that such Control Agreements shall be “holder directed” Control Agreements that do not provide the Company or its Subsidiaries access to the amounts in any such Controlled Accounts and only permit funds to be released from such Controlled Accounts upon the direction of the Collateral Agent; *provided further* that upon receipt of evidence in form and substance satisfactory to the Collateral Agent of the Company having reached a settlement with **[Redacted; Confidential Information]** regarding the Company's obligations to **[Redacted; Confidential Information]**; and *provided further* that the Requisite Shareholder Approval has been obtained at or prior to such time, the Collateral Agent will release an amount, not to exceed sixty million dollars (\$60,000,000), from the Controlled Accounts to **[Redacted; Confidential Information]** in satisfaction of such obligations and thereafter the Minimum Amount shall be an amount equal to thirty five million dollars (\$35,000,000).

(ii) On or prior to the first (1st) calendar day of each month, the Company shall provide to the Trustee and the Initial Holder (for so long as it or one or more of its Affiliates is the Holder) a certification (which may be delivered via email), executed on behalf of the Company by the Chief Financial Officer of the Company, certifying whether or not the

Company has satisfied the requirements of Section 9(J)(i) during the immediately preceding calendar month, and on the day that the Company files its Form 40-F or Form 6-K or otherwise publicly discloses its financial results for its most recently completed three-month period, the Company shall provide to the Trustee and the Initial Holder (for so long as it or one or more of its Affiliates is the Holder) a certification (which may be delivered via email), executed on behalf of the Company by the Chief Financial Officer of the Company, certifying whether or not the Company has satisfied the requirements of Section 9(K) during such three-month period. If the Company determines in its sole discretion that such information constitutes material non-public information, then the Company will so indicate in the certification provided pursuant to the preceding sentence and the Company will concurrently disclose such material non-public information on a Current Report on Form 6-K or otherwise.

(K) *Adjusted EBITDA.* As of the last day of each three-month period starting with the three-month period ending January 31, 2022, the Company and its consolidated Subsidiaries shall have Adjusted EBITDA of not less than \$0.00 for the three (3)-month period ending on such day.

(L) *Change in Nature of Business.* The Company shall not, and the Company shall cause each of its Subsidiaries to not, directly or indirectly, engage in any material line of business substantially different from those lines of business conducted by or publicly contemplated to be conducted by the Company and each of its Subsidiaries on the Issue Date or any business substantially related or incidental thereto. For greater certainty, neither the Company nor its Subsidiaries shall be restricted from expanding their business through the introduction of new products, geographic expansion, or Permitted Investments as long as such expanded business is substantially related or incidental to the business conducted by the Company and each of its Subsidiaries on the Issue Date and is not in contravention of applicable law.

(M) *Maintenance of Properties, Etc.* The Company shall maintain and preserve, and the Company shall cause each of its Subsidiaries to maintain and preserve, all of its properties which are necessary or material (as determined by the Company in good faith) to the conduct of its business in good working order and condition, ordinary wear and tear excepted, and comply at all times with the provisions of all leases to which it is a party as lessee or under which it occupies property, so as to prevent any loss or forfeiture thereof or thereunder, except where the failure to do so would not, individually or in the aggregate, have a material effect on the Company and the Subsidiaries taken as a whole.

(N) *Maintenance of Intellectual Property.* The Company will take, and the Company shall cause each of its Subsidiaries to take, all actions necessary or advisable to maintain all of the Intellectual Property Rights (as defined in the Securities Purchase Agreement) of the Company or such Subsidiary that are necessary or material (as determined by the Company in good faith) to the conduct of its business in full force and effect, except where the failure to do so would not, individually or in the aggregate, have a material effect on the Company and the Subsidiaries taken as a whole.

(O) *Maintenance of Insurance.* The Company shall, and the Company shall cause each of its Subsidiaries to, maintain or cause to be maintained, with responsible and reputable insurance companies or associations, insurance with respect to their respective properties (including all real

properties leased or owned by it) and business against such liabilities, casualties, risks and contingencies and in such types and amounts and with deductibles as is required by any governmental authority having jurisdiction with respect thereto or as are customary in the case of persons engaged in the same or similar businesses and similarly situated. Notwithstanding the foregoing, the Company and its Subsidiaries shall be entitled to maintain or cause to be maintained the Permitted Self-Insurance.

(P) *Transactions with Affiliates.* Neither the Company, nor any of its Subsidiaries, shall enter into, renew, extend or be a party to, any transaction or series of related transactions (including, without limitation, the purchase, sale, lease, transfer or exchange of property or assets of any kind or the rendering of services of any kind) with any affiliate (other than the Company or any of its Wholly Owned Subsidiaries), except (i) transactions for consideration and on terms no less favorable to it than would be obtainable in a comparable arm's length transaction with a Person that is not an affiliate thereof, and (ii) transactions with any Permitted Investment which is a joint venture with an arm's length third party disclosed pursuant to the Securities Purchase Agreement as of the date of the Securities Purchase Agreement where the failure to complete the transaction or series of related transactions would result in the Company breaching or otherwise being in default under the terms of any shareholder, limited partnership, joint venture or similar agreement with such third party in respect of such Permitted Investment.

(Q) *Restricted Issuances.* The Company shall not, and shall cause its Subsidiaries not to, directly or indirectly, without the prior written consent of the holders of a majority in aggregate principal amount of the Notes then outstanding, (i) issue any Notes (other than as contemplated by the Securities Purchase Agreement and the Notes) or (ii) issue any other securities where it would cause a breach or Default under the Notes or that by their terms would prohibit or restrict the performance of any of the Company's or its Subsidiaries' obligations under the Notes, including without limitation, the payment of interest and principal thereon.

(R) *Independent Investigation.* At the request of the Required Holders (as defined in the Securities Purchase Agreement) at any time the Required Holders have determined in good faith that an Event of Default has occurred and is continuing but the Company has not timely agreed to such determination in writing, the Company shall hire an independent, reputable investment bank selected by the Company and approved by the Required Holders to investigate as to whether such Event of Default has occurred (the "**Independent Investigator**"). If the Independent Investigator determines that such Event of Default has occurred, the Independent Investigator shall notify the Company of such Event of Default and the Company shall deliver written notice to the Holder of such Event of Default. In connection with such investigation, the Independent Investigator may, during normal business hours and upon signing a confidentiality agreement in a form reasonably acceptable to the Company, inspect all contracts, books, records, personnel, offices and other facilities and properties of the Company and its Subsidiaries and, to the extent available to the Company after the Company uses reasonable efforts to obtain them, the records of its accountants (including the accountants' work papers) and any books of account, records, reports and other papers not contractually required of the Company to be confidential or secret, or subject to attorney-client or other evidentiary privilege, and the Independent Investigator may make such copies and inspections thereof as the Independent Investigator may reasonably request. The Company shall furnish the Independent Investigator with such financial and operating data and other information with respect to the business and properties of the Company as the

Independent Investigator may reasonably request. The Company shall permit the Independent Investigator to discuss the affairs, finances and accounts of the Company with, and to make proposals and furnish advice with respect thereto to, any of the Company's officers, directors, key employees and independent public accountants (and by this provision the Company authorizes said accountants to discuss with such Independent Investigator the finances and affairs of the Company and any Subsidiaries; provided, that the Company's chief executive officer and chief financial officer shall be invited to join any such discussion), all at such reasonable times, upon reasonable notice, and as often as may be reasonably requested.

(S) Upon delivery by the Company to the Holder (or receipt by the Company from the Holder) of any notice in accordance with the terms of this Note, unless the Company has in good faith determined that the matters relating to such notice do not constitute material, non-public information relating to the Company or any of its Subsidiaries, the Company shall on or prior to 9:00 am, New York City time on the Business Day immediately following such notice delivery date, publicly disclose such material, non-public information on a Form 6-K or otherwise. In the event that the Company believes that a notice contains material, non-public information relating to the Company or any of its Subsidiaries, the Company so shall indicate to the Holder explicitly in writing in such notice (or immediately upon receipt of notice from the Holder, as applicable), and in the absence of any such written indication in such notice (or notification from the Company immediately upon receipt of notice from the Holder), the Holder shall be entitled to presume that information contained in the notice does not constitute material, non-public information relating to the Company or any of its Subsidiaries. Nothing contained in this **Section 9(S)** shall limit any obligations of the Company, or any rights of the Holder, under the Securities Purchase Agreement.

(T) The Company acknowledges and agrees that the Holder is not a fiduciary or agent of the Company, the Holder will not have any obligations hereunder except those obligations expressly set forth herein (and in the Securities Purchase Agreement) and the Holder is acting solely in the capacity of an arm's length contractual counterparty to the Company with respect to the Note and not as a fiduciary or agent of the Company. The Borrower agrees that it will not assert any claim against the Holder based on an alleged breach of fiduciary duty by the Holder in connection with the Note. Subject to the Holder's compliance with applicable securities laws, the Company acknowledges that the Holder shall have no obligation to (a) maintain the confidentiality of any information provided by the Company or (b) refrain from trading any securities while in possession of such information in the absence of a written non-disclosure agreement signed by an officer of the Holder that explicitly provides for such confidentiality and trading restrictions. In the absence of such an executed, written non-disclosure agreement, the Company acknowledges that, subject to the Holder's compliance with applicable securities laws, the Holder may freely trade in any securities issued by the Company, may possess and use any information provided by the Company in connection with such trading activity, and may disclose any such information to any third party.

(U) The Holder agrees (i) not to instruct the Escrow Agent to release and pay funds held in escrow by the Escrow Agent under the Escrow Agreement to the Holder other than pursuant to **Section 5(A)(iii)** and **Section 11(B)(iii)** hereof and (ii) to instruct the Escrow Agent on the date the Potential Acquisition is being consummated (provided that the Requisite Shareholder Approval has been obtained on or before such date), to release and pay all funds held in escrow by the Escrow Agent under the Escrow Agreement to the Company; provided that as of such date no Event of

Default has occurred and no Default has occurred and is continuing.

(V) The Company agrees that any Common Shares issued under this Note (whether upon conversion of this Note or otherwise), shall be, at the option of the Holder, either be (i) initially eligible for trading on an Eligible Exchange and bearing the Stock Exchange Official List identification code BMDCRJ4 or (ii) initially eligible for trading on the TSX and bearing Stock Exchange Daily Official List identification code BMDCRL6.

(W) Within five (5) Business Days of the Issue Date, the Company shall cause a title company reasonably acceptable to the Holder to issue a title insurance policy, in an amount of not less than two hundred ten million dollars (\$210,000,000) and otherwise in form and substance reasonably satisfactory to the Holder, insuring that the Lien of the mortgage recorded against the Issuer's property in Quebec, Canada, is for the benefit of the Holder and is senior to all Liens other than Permitted Liens.

(X) For the avoidance of doubt, to the extent of any conflicts or inconsistencies, this Section 9 will apply to the Note in lieu of Article 9 of the Indenture, and such Article 9 of the Indenture will be deemed to be replaced with this Section 9 to the extent of such conflicts or inconsistencies, *mutatis mutandis*, and any provisions of Article 9 of the Indenture not specifically addressed or amended by this Section 9 shall continue to apply and control.

Section 10. SUCCESSORS.

The Company will not consolidate with or merge with or into, or (directly, or indirectly through one or more of its Subsidiaries) sell, lease or otherwise transfer, in one transaction or a series of transactions, all or substantially all of the assets of the Company and its Subsidiaries, taken as a whole, to another Person, other than the Holder or any of its Affiliates (a "**Business Combination Event**"), unless:

(A) the resulting, surviving or transferee Person either (x) is the Company or (y) if not the Company, is a corporation (the "**Successor Corporation**") duly organized and existing under the laws of the United States of America, any State thereof, the District of Columbia or the laws of Canada or any Province or Territory thereof that expressly assumes (by executing and delivering to the Holder, at or before the effective time of such Business Combination Event, a supplement to this instrument) all of the Company's obligations under this Note; and

(B) immediately after giving effect to such Business Combination Event, no Default or Event of Default will have occurred and be continuing.

At the effective time of any Business Combination Event, the Successor Corporation (if not the Company) will succeed to, and may exercise every right and power of, the Company under this Note with the same effect as if such Successor Corporation had been named as the Company in this Note, and, except in the case of a lease, the predecessor Company will be discharged from its obligations under this Note.

Section 11. DEFAULTS AND REMEDIES

(A) *Events of Default.* “**Event of Default**” means the occurrence of any of the following:

(i) a default in the payment when due of the Principal Amount, Maturity Principal Amount, Fundamental Change Repurchase Price, Optional Redemption Payment, Early Conversion Payment or Forced Conversion Additional Payment, of this Note;

(ii) a default for two (2) Business Days in the payment when due of interest on this Note;

(iii) a default in the Company’s obligation to convert this Note in accordance with **Section 8** upon the exercise of the conversion right with respect thereto or upon Forced Conversion;

(iv) a default in the Company’s obligation to timely deliver a Fundamental Change Notice pursuant to **Section 7(C)**, and such default continues for three (3) Business Days;

(v) any failure to timely deliver an Event of Default Notice or a certification that the Equity Conditions have been satisfied or a materially false or inaccurate certification as to whether any Event of Default has occurred or that the Equity Conditions have been satisfied;

(vi) a default in any of the Company’s obligations or agreements under this Note or the Transaction Documents (in each case, other than a default set forth in clauses **(i)-(v)** or **(vii)-(xvii)** of this **0(A)**), or a breach of any representation or warranty in any material respect (other than representations or warranties subject to material adverse effect or materiality qualifications, which may not be breached in any respect) of any Transaction Document; *provided, however*, that if such default can be cured, then such default will not be an Event of Default unless the Company has failed to cure such default within ten (10) days after the earlier of knowledge thereof by the Company or notice thereof from the Holder;

(vii) any provision of any Transaction Document at any time for any reason (other than pursuant to the express terms thereof) ceases to be valid and binding on or enforceable against the Company or any of its Subsidiaries which are parties thereto, or the validity or enforceability thereof is contested, directly or indirectly, by the Company or any of its Subsidiaries, or a proceeding is commenced by the Company or any of its Subsidiaries or any governmental authority having jurisdiction over any of them, seeking to establish the invalidity or unenforceability thereof;

(viii) the Company fails to comply with any covenant set forth in **Section 9(D)**, **Section 9(E)**, **Section 9(F)**, **Section 9(G)**, **Section 9(H)**, **Section 9(J)**, **Section 9(K)** or **Section 9(Q)** of this Note;

(ix) at any time, this Note or any Common Shares issuable upon conversion of this Note are not Freely Tradable;

(x) the suspension from trading or failure of the Common Shares to be trading or listed on an Eligible Exchange or the TSX for a period of three (3) consecutive Trading Days;

(xi) (i) the failure of the Company or any of its Subsidiaries to pay when due or within any applicable grace period any Indebtedness having an individual principal amount in excess of at least two hundred and fifty thousand dollars (\$250,000) (or its foreign currency equivalent) in the aggregate of the Company or any of its Subsidiaries, whether such Indebtedness exists as of the Issue Date or is thereafter created, and whether such default has been waived for any period of time or is subsequently cured; or (ii) the occurrence of any breach or default under any terms or provisions of any other Indebtedness of at least one hundred thousand dollars (\$100,000) (or its foreign currency equivalent) in the aggregate of the Company or any of its Subsidiaries, if the effect of such failure or occurrence is to cause or to permit the holder or holders of any such indebtedness, to cause, Indebtedness having an individual principal amount in excess of one hundred thousand dollars (\$100,000) to become or be declared due prior to its stated maturity;

(xii) one or more final judgments, orders or awards (or any settlement of any litigation or other proceeding that, if breached, would result in a judgment, order or award) for the payment of at least two hundred and fifty thousand dollars (\$250,000) (or its foreign currency equivalent) in the aggregate (excluding any amounts covered by insurance pursuant to which the insurer has been notified and has not denied coverage), is rendered against the Company or any of its Subsidiaries and remains unsatisfied and (i) enforcement proceedings shall have been commenced by any creditor upon any such judgment, order, award or settlement or (ii) there shall be a period of fifteen (15) consecutive Trading Days after entry thereof during which (A) a stay of enforcement thereof is not in effect or (B) the same is not vacated, discharged, stayed or bonded pending appeal;

For the avoidance of doubt, this Section 11(A) will apply to the Note in lieu of Section 5.1 of the Indenture, and such Section 5.1 of the Indenture will be deemed to be replaced with this Section 11(A), *mutatis mutandis*.

(B) *Acceleration.*

(i) *Automatic Acceleration in Certain Circumstances.* If an Event of Default set forth in **0(A)(xvi)** or **(xvii)** occurs with respect to the Company (and not solely with respect to a Significant Subsidiary of the Company), then the then outstanding portion of the Maturity Principal Amount of, and all accrued and unpaid interest, if any, on, this Note will immediately become due and payable without any further action or notice by any Person.

(ii) *Optional Acceleration.* If an Event of Default (other than an Event of Default set forth in **0(A)(xvi)** or **(xvii)** with respect to the Company and not solely with respect to a Subsidiary of the Company) occurs and has not been waived by the Holder, then the Holder, by notice to the Company (with a copy to the Trustee, which may be delivered via email), may declare this Note (or any portion thereof) to become due and payable immediately for cash in an amount equal to the Event of Default Acceleration Amount.

(iii) *Recovery from Escrow.* If an Event of Default occurs and has not been waived by the Holder, then the Holder may instruct the Escrow Agent to release and pay funds held in escrow by the Escrow Agent under the Escrow Agreement to the Holder in an amount not to exceed the Event of Default Acceleration Amount.

(iv) *Note Provisions Control.* For the avoidance of doubt, to the extent of any conflicts or inconsistencies, this Section 11(B) will apply to the Note in lieu of Section 5.2 of the Indenture, and such Section 5.2 of the Indenture will be deemed to be replaced with this Section 11(B) to the extent of such conflict or inconsistency, *mutatis mutandis*, and any provisions of Section 5.2 of the Indenture not specifically addressed or amended by this Section 11(B) shall continue to apply and control.

(C) *Notice of Events of Default.* Promptly, but in no event later than two (2) Business Days after an Event of Default, the Company will provide written notice (which may be delivered via email) of such Event of Default to the Holder and to the Trustee (an “**Event of Default Notice**”), which Event of Default Notice shall include (i) a reasonable description of the applicable Event of Default, (ii) the date on which the Event of Default occurred and (iii) the date on which the Default underlying such Event of Default initially occurred, if different than the date on which the Event of Default occurred; provided, however, that, except in the case of an Event of Default in the payment of the principal of (or premium, if any) or interest, if any, on any Security of such series or in the payment of any sinking fund installment with respect to Securities of such series, the Trustee shall be protected in withholding such notice if and so long as it in good faith determines that the withholding of such notice is in the interest of the Holders of Securities of such series and any related coupons. For the avoidance of doubt, this Section 11(C) will apply to the

Note in lieu of Section 6.1 of the Indenture, and such Section 6.1 of the Indenture will be deemed to be replaced with this Section 11(C), *mutatis mutandis*

In the case of a lost, destroyed or wrongfully taken Note, the Company and the Trustee may require the Holder to provide such security or an indemnity that is reasonably satisfactory to the Company and/or the Trustee, as applicable, to protect the Company and/or the Trustee from any loss that it may suffer if this Note is replaced. For the avoidance of doubt, this Section 13 will apply to the Note in lieu of Section 3.6 of the Indenture, and such Section 3.6 of the Indenture will be deemed to be replaced with this Section 13, *mutatis mutandis*

The Trustee shall not be deemed to have any knowledge of any repayment, repurchase,

conversion, default or any other event hereunder unless it has received written notice of such event.

Section 15. SUCCESSORS AND ASSIGNS.

All agreements of the Company in this Note will inure to the benefit of the Holder, its successors and assigns permitted hereby, except that the Holder may not assign or otherwise transfer any of their rights or obligations hereunder to a Disqualified Institution or pursuant to **Section 16** hereof, unless an Event of Default has occurred.

In the event of any assignment or transfer by the Initial Holder of this Note or any subsequent Holder(s) of this Note, in whole or in part, all of the successors and assigns thereof shall enjoy the rights under this Note and the agreements of the Company in this Note, and shall be subject to the obligations under this Note, on a pro rata basis based on the Principal Amount held by any such successors and assigns as a result of such assignments or transfers.

Section 16. RIGHT OF FIRST REFUSAL.

If at any time the Holder desires to transfer or otherwise dispose of this Note (or any portion hereof) to a third-party that is not Affiliate of the Holder, the Holder shall deliver to the Company a written notice stating the terms upon which the Holder proposes to transfer or otherwise dispose of this Note, or the applicable portion thereof (the “**ROFR Notice**”). The ROFR Notice shall constitute the Holder's offer to transfer this Note, or the applicable portion thereof, to the Company on the terms set forth in the ROFR Notice, which offer shall be irrevocable until the end of the ROFR Notice Period (as defined below). Upon receipt of the ROFR Notice, the Company shall have one day (the “**ROFR Notice Period**”) to elect to purchase this Note, or the applicable portion thereof, by delivering a written notice (an “**Acceptance Notice**”) to the Holder stating that it elects to purchase this Note, or the applicable portion thereof, on the terms specified in the ROFR Notice. Any Acceptance Notice shall be binding upon delivery and irrevocable by the Company. Completion of the sale of this Note, or the applicable portion thereof, to the Company pursuant to such Acceptance Notice shall take place within two (2) Business Days following the end of the ROFR Notice Period, or such longer period as may be agreed between the Holder and the Company, at such place and on such date as the Holder and the Company shall agree. If the Company does not deliver an Acceptance Notice during the ROFR Notice Period, it shall be deemed to have waived its rights to purchase the Note, or the applicable portion thereof, pursuant to this Section with respect to the transfer or other disposition described in such ROFR Notice and the Holder shall be free to transfer or dispose of this Note, or the applicable portion thereof, to any third-party that is not a Disqualified Institution in accordance with the terms set forth in the ROFR Notice.

Section 17. CURRENCY INDEMNITY.

If, for the purposes of obtaining judgment in any court in any jurisdiction with respect to this Note, it becomes necessary to convert into a particular currency (the “**Judgment Currency**”) any amount due under this Note in any currency other than the Judgment Currency (the “**Currency Due**”), then conversion shall be made at the rate of exchange prevailing on the Business Day before the day on which judgment is given for the relevant currencies as publicized at such time by Bloomberg L.P. In the event that there is a change in the rate of exchange prevailing between the

Business Day before the day on which the judgment is given and the date of receipt by the Holder of the amount due, the Corporation will, on the date of receipt by the Holder, pay such additional amounts, if any, or be entitled to receive reimbursement of such amount, if any, as may be necessary to ensure that the amount received by the Holder on such date is the amount in the Judgment Currency which when converted at the rate of exchange prevailing on the date of receipt by the Holder is the amount then due under this Note in the Currency Due. If the amount of the Currency Due which the Holder is so able to purchase is less than the amount of the Currency Due originally due to it, the Corporation shall indemnify and save the Holder harmless from and against all loss or damage arising as a result of such deficiency. This indemnity shall constitute an obligation separate and independent from the other obligations contained in this Note, shall give rise to a separate and independent cause of action, shall apply irrespective of any indulgence granted by the Holder from time to time and shall continue in full force and effect notwithstanding any judgment or order for a liquidated sum in respect of an amount due under this Note or under any judgment or order. For the avoidance of doubt, to the extent of any conflicts or inconsistencies, this Section 17 will apply to the Note in lieu of Section 1.14 of the Indenture, and such Section 1.14 of the Indenture will be deemed to be replaced with this Section 17 to the extent of such conflict or inconsistency, *mutatis mutandis*, and any provisions of Section 1.14 of the Indenture not specifically addressed or amended by this Section 17 shall continue to apply and control.
