- (e) the Final Order approving the terms and conditions of the Arrangement that is obtained from the Court will expressly state that the Arrangement is approved by the Court as fair to all Persons entitled to receive Consideration Shares, pursuant to the Arrangement;
- (f) the Interim Order approving the Meeting will specify that each Person entitled to receive Consideration Shares pursuant to the Arrangement will have the right to appear before the Court at the hearing of the Court to give approval of the Arrangement so long as they enter an appearance within a reasonable time;

- (h) the Court will hold a hearing before approving the fairness of the terms and conditions of the Arrangement and issuing the Final Order; and
- (i) the Company shall request that the Final Order shall include a statement to substantially the following effect:

“This Order will serve as a basis of a claim to an exemption, pursuant to Section 3(a)(10) of the United States Securities Act of 1933, as amended, from the registration requirements otherwise imposed by that Act, regarding the issuance and exchange of securities of the Purchaser pursuant to the Plan of Arrangement.”

- (2) With respect to the Competition Act Approval:
  - (a) the Purchaser shall as soon as reasonably practicable following the date of this Agreement, request confirmation from the Commissioner regarding whether the requirement to notify the proposed transactions that are contemplated by this Agreement under Part IX of the Competition Act has been waived by the Commissioner pursuant to section 113(c) of the Competition Act pursuant to a no action letter issued by the Commissioner dated July 4, 2022 (the "**Existing Competition Act Approval**"); and
  - (b) if the Commissioner confirms in writing that the Existing Competition Act Approval waives the requirement to notify the proposed transactions that are contemplated by this Agreement under Part IX of the Competition Act, the Parties shall accept such determination and the Competition Act Approval shall be deemed to have been obtained provided the Effective Date occurs prior to the date that is 12 months following the date of the Existing Competition Act Approval.
- (3) The Parties will cooperate in good faith with one another in connection with obtaining the Regulatory Approvals (including the Required Regulatory Approvals) including, among other things, by providing or submitting on a timely basis, and as promptly as practicable, all documentation and information that is required in connection with obtaining the Regulatory Approvals (including the Required Regulatory Approvals) and use their reasonable commercial efforts to ensure that such information does not contain a Misrepresentation; provided however, that nothing in this provision will require a Party to provide information that is not in its possession or not otherwise reasonably available to it. For greater certainty, each Party hereby agrees that from the date hereof until the earlier of: (i) the Effective Time; and (ii) this Agreement having been terminated in accordance with its terms, it will use its commercially reasonable efforts (but subject to the proviso in subsection (2)) to obtain the Regulatory Approvals (including the Required Regulatory Approvals) as soon as reasonably practicable.

Despite the foregoing, submissions, filings or other written communications with any Governmental Entity may be redacted as necessary before sharing with the other Party to address reasonable attorney-client or other privilege or confidentiality concerns, provided that a Party must provide external legal counsel to the other Party non-redacted versions of drafts and final submissions, filings or other written communications with any Governmental Entity on the basis that the redacted information will not be shared with its clients.
- (5) Each Party will promptly notify the other Party if it becomes aware that any: (i) application, filing, document or other submission for the Required Regulatory Approvals contains a Misrepresentation; or (ii) any Required Regulatory Approval contains, reflects or was obtained following the submission of any application, filing, document or other submission containing a Misrepresentation, such that an amendment or supplement may be necessary or advisable. In such case, the Parties will cooperate in the preparation, filing and dissemination, as applicable, of any such amendment or supplement.
- (6) The Parties will request that the Required Regulatory Approvals be processed by the applicable Governmental Entity on an expedited basis where possible and, to the extent that a public hearing is held, the Parties will request the earliest possible hearing date for the consideration of the Required Regulatory Approvals and provide reasonable cooperation to prepare for and participate in such hearing(s).
- (7) If any objections are asserted with respect to the Transaction contemplated by this Agreement under any Law, or if any proceeding is instituted or threatened by any Governmental Entity or other Person challenging or which could lead to a challenge of any of the Transaction contemplated by this Agreement as not in compliance with Law or as not satisfying any applicable legal text under a Law necessary to obtain the Required Regulatory Approvals, the Parties will use their commercially reasonable efforts consistent with the terms of this Agreement to resolve such proceeding so as to allow the Effective Time to occur on or prior to the Outside Date.
- (8) Notwithstanding the foregoing in this Section 4.4 (other than the proviso in subsection (2)), the Parties will use their commercially reasonable efforts to obtain and maintain the Required Regulatory Approvals and will make or agree to any undertaking, agreement, or action required to obtain and maintain such Required Regulatory Approvals; provided however, that neither Party will make or agree to any undertaking, agreement or action without the consent of the other Party (in such Party's reasonable discretion).
- (9) Each Party will be responsible for and will pay or cause to be paid by the applicable Subsidiary any and all filing fees and applicable Taxes payable to a Governmental Entity by such Party or its

Subsidiaries in connection with any application, notification or filing in respect of any of the Regulatory Approvals to be obtained by such Party or any one of its Subsidiaries.

#### **Section 4.5            Company Covenant Regarding Incentive Securities**

- (1)     Until the earlier of the Effective Time and the time that this Agreement is terminated in accordance with its terms, except as disclosed in Section 4.5 of the Company Disclosure Letter, the Board will not accelerate the vesting of the Company Awards and will otherwise deal with such securities in accordance with their terms and the terms of the Omnibus Plan, Previous Stock Option Plan and any existing Contracts or employment, pension, supplemental pension, termination or compensation arrangements in effect on the date hereof in the context of the Transaction.

#### **Section 4.6            Purchaser Covenants Regarding Convertible and Incentive Securities**

- (1)     The Purchaser shall, as promptly as practicable following the Effective Date, cause there to be a (i) registration statement on Form S-8 filed with the U.S. Securities and Exchange Commission which registers the issuance of the Purchaser Shares upon exercise or vesting of the Company Awards, and (ii) registration statement on Form S-3, or prospectus supplement to an existing registration statement on Form S-3, filed with the U.S. Securities and Exchange Commission which registers the issuance of the Purchaser Shares upon exercise or vesting of the Company Warrants, in accordance with the terms of the Plan of Arrangement.

#### **Section 4.7            Access to Information; Confidentiality**

- (1)     Subject to the Confidentiality Agreement and applicable Laws, upon reasonable notice, throughout the period prior to the Effective Time, the Company will (and will cause its Subsidiaries to) as soon as practicable after a request from the Purchaser is received: (a) afford the Purchaser's officers and other authorized Representatives reasonable access to its directors, senior management, books, Contracts and records; (b) furnish promptly to the Purchaser all information concerning its business, properties and personnel as may reasonably be requested (including, for the avoidance of doubt, continuing access to the Company Data Room); and (c) provide reasonable cooperation to the Purchaser's officers and other authorized Representatives with respect to day one readiness integration planning (such as payroll, regulatory compliance and financial reporting requirements); provided however, in each case that: (i) access to any people contemplated in this Section 4.7(1) will be provided during the Company's normal business hours unless the Company agrees otherwise; (ii) the Company's compliance with any request under this Section 4.7(1) will not unduly interfere with the conduct of the Company's business; and (iii) the Company need not supply the Purchaser or its representatives with any information which, in the reasonable judgment of the Company, is under a legal obligation not to supply, including, without limitation, pursuant to the provisions of the Antitrust Laws; provided, that, with respect to clause (iii), the Company shall use best efforts to implement alternative disclosure or access arrangements that would not violate such legal obligation. Without limiting the generality of the foregoing, the Company will reasonably cooperate with the Purchaser, acting in good faith, with respect to requests from the Purchaser to access the Company's properties.
- (2)     Neither the Purchaser nor any of its Representatives will contact any Company Employee for the purposes of negotiating a new employment or consulting agreement directly with such Company Employee, or any contractual counterparts of the Company or its Subsidiaries (in their capacity as such), except after consultation with and the approval in writing of the General Counsel of the Company, which approval may be withheld in its sole discretion. Notwithstanding the foregoing,

the Purchaser, its Subsidiaries and their Representatives shall not be precluded by this Section 4.7(2) from contacting any Person in the Ordinary Course of business of such Person.

- (3) Investigations made by or on behalf of a Party, whether under this Section 4.7 or otherwise, will not waive, diminish the scope of, or otherwise affect any representation or warranty made by the other Party in this Agreement.
- (4) The Parties acknowledge that the Confidentiality Agreement continues to apply and that any requests for information and any information provided pursuant to Section 4.7(1) will be subject to the terms of the Confidentiality Agreement.

#### **Section 4.8           Stock Exchange Delisting**

Prior to the Effective Time, the Company will cooperate with the Purchaser and use reasonable commercial efforts to take, or cause to be taken, all actions, and do or cause to be done all things, reasonably necessary, proper or advisable on its part under Law and rules and policies of the TSX and Nasdaq to enable the delisting by the Company of the Company Shares from the TSX and the Nasdaq, promptly following the acquisition by the Purchaser of the Company Shares pursuant to the Arrangement.

#### **Section 4.9           Public and Employee Communications**

- (1) The Parties will agree on a communication plan in connection with: (a) the execution of this Agreement; and (b) the completion of the transactions contemplated herein, to the extent any such communications are to take place prior to the Effective Time. The Parties agree to co-operate in the preparation of presentations, if any, to the Company Shareholders regarding the Arrangement. No Party shall issue any news release or otherwise make public announcements with respect to this Agreement or the Arrangement without the consent of the other Party (which consent will not be unreasonably withheld, delayed or conditioned), provided, however, that the foregoing shall be subject to each Party's obligation to make any disclosure or filing required under applicable Laws or stock exchange rules, and each Party, in making such disclosure, shall use all commercially reasonable efforts to give prior oral or written notice to the other Party, shall give the other Party a reasonable opportunity to review or comment on the disclosure or filing and shall give reasonable consideration to any comments made by the other Party or its counsel, and if such prior notice is not possible, give the other Party such notice immediately following the making of such disclosure or filing. Nothing in this Agreement will restrict the Company from responding to inquiries from investors or financial analysts in compliance with Securities Law requirements.
- (2) Except as may be required by Law, prior to making any written or oral communications to any team of Company Employees or any other internal Company-wide or other broad communication with respect to the transactions contemplated herein: (a) the Company will provide the Purchaser with a copy of the intended communication; (b) the Purchaser will have a reasonable period of time to review and comment on the communication; (c) the Company will consider any such comments in good faith; and (d) the Parties will cooperate in providing any such mutually agreeable communication.

#### **Section 4.10          Insurance and Indemnification**

- (1) The Parties agree that all rights to indemnification or exculpation now existing in favour of the present and former directors and officers of the Company or of any of its Subsidiaries or who acts as a fiduciary under any Company Plan (each such present or former director or officer of the Company or of any of its Subsidiaries or fiduciary being herein referred to as an "**Indemnified**

**Party**” and such Persons collectively being referred to as the “**Indemnified Parties**”) as provided in the Organizational Documents of the Company or any of its Subsidiaries in effect as of the date of this Agreement or any Contract by which the Company or any of its Subsidiaries is bound and which is in effect as of the date hereof (including provisions relating to the advancement of expenses incurred in the defense of any action or suit), copies of which have been delivered to the Purchaser, will survive the completion of the Plan of Arrangement and continue in full force and effect and without modification for a period of not less than six years from the Effective Time, with respect to actions or omissions of the Indemnified Parties occurring prior to the Effective Time.

- (2) The Purchaser will, or will cause the Company and its Subsidiaries to, maintain in effect for six (6) years from the Effective Date customary policies of directors’ and officers’ liability insurance providing protection no less favourable than the protection provided by the policies maintained by the Company and its Subsidiaries which are in effect immediately prior to the Effective Date and providing protection in respect of claims arising from facts or events which occurred on or prior to the Effective Date; provided, however, that the Purchaser acknowledges and agrees that prior to the Effective Time, notwithstanding any other provision hereof, the Company may, at its option, purchase prepaid run-off directors’ and officers’ liability insurance on terms substantially similar to the directors’ and officers’ liability policies currently maintained by the Company and its Subsidiaries, but providing coverage for a period of six (6) years from the Effective Date with respect to claims arising from or related to facts or events which occurred on or prior to the Effective Date; provided further, that the premiums for any such policies, including any policy the Purchaser puts in place, shall not exceed 300% of the current premium paid by the Company and its Subsidiaries (it being understood and agreed that in the event such directors’ and officers’ liability insurance cannot be obtained for 300% of such last annual premium or less, in the aggregate, the Purchaser shall only remain obligated to provide the greatest directors’ and officers’ liability insurance coverage as may be obtained for such amount).
- (3) The provisions of this Section 4.10 shall survive the consummation of the Arrangement and are and are intended to be for the benefit of, and will be enforceable by, each Indemnified Party, his or her heirs, executors, administrators and other legal representatives and such rights will be held by the Company, and any successor to the Company (including any Surviving Corporation), in trust for such Persons and the Company hereby accepts such trust and agrees to hold the benefit of and enforce performance of such covenants on behalf of each Indemnified Party, his or her heirs, executors, administrators and other legal representatives; provided, however, that no approval of any beneficiary of such trust will be required in connection with an amendment or variation of this Section 4.10 prior to the Effective Time.
- (4) If the Purchaser, the Company or any of its Subsidiaries or any of their respective successors or assigns (i) consolidates with or merges into any other Person and is not the continuing or Surviving Corporation or entity of such consolidation or merger, or (ii) transfers all or substantially all of its properties and assets to any Person, the Purchaser shall ensure that any such successor or assign (including, as applicable, any acquirer of substantially all of the properties and assets of the Company or any of its Subsidiaries) assumes all of the obligations set forth in this Section 4.10.
- (5) Nothing in this Agreement is intended to, shall be construed to, or shall release, waive or impair any rights to directors’ and officers’ liability insurance claims under any policy that is or has been in existence with respect to the Company or any of its Subsidiaries for any of its respective directors, officers or other employees, it being understood and agreed that the indemnification and other rights provided for in this Section 4.10 are not prior to or in substitution for any such claims under such policies.

#### **Section 4.11 Transaction Litigation**

The Parties will use their respective commercially reasonable efforts to prevent the entry of (and, if entered, to have vacated, lifted, reversed or overturned) any Order that results from any shareholder litigation or Order issued by any Governmental Entity against a Party or any of its directors or officers relating to this Agreement or seeking to prevent or otherwise materially delay the consummation of the Transaction; provided however, that in the event that any shareholder litigation or Order issued by any Governmental Entity related to this Agreement or the Arrangement is brought, or, to the knowledge of a Party, threatened in writing, against such Party or any members of the board of directors of such Party after the date hereof and prior to the Effective Time (“**Transaction Litigation**”): (a) the Party will promptly notify the other Party of any such Transaction Litigation and will keep the other Party reasonably informed with respect to the status thereof; (b) the Party will give the other Party the opportunity to participate in the defense of any Transaction Litigation; and (c) the Party will not settle or agree to settle any Transaction Litigation without the other Party’s prior written consent, such consent not to be unreasonably withheld, delayed or conditioned.

#### **Section 4.12 Notice and Cure Provisions**

- (1) Each Party shall promptly notify the other Party of the occurrence, or failure to occur, of any event or state of facts which occurrence or failure would, or would be reasonably likely to result in the failure to comply with or satisfy any closing condition to be complied with or satisfied by such Party under this Agreement.
- (2) Notification provided under this Section 4.12 will not affect the representations, warranties, covenants, agreements or obligations of the Parties (or remedies with respect thereto) or the conditions to the obligations of the Parties under this Agreement.
- (3) The Purchaser may not elect to exercise its right to terminate this Agreement pursuant to Section 7.2(d)(i) and the Company may not elect to exercise its right to terminate this Agreement pursuant to Section 7.2(c)(i), unless the Party seeking to terminate the Agreement (the “**Terminating Party**”) has delivered a written notice (“**Termination Notice**”) to the other Party (the “**Breaching Party**”) specifying in reasonable detail all breaches of covenants, representations and warranties or other matters which the Terminating Party asserts as the basis for termination. After delivering a Termination Notice, provided the Breaching Party is proceeding diligently to cure such matter and such matter is capable of being cured prior to the Outside Date (with any intentional breach being deemed to be incurable), the Terminating Party may not exercise such termination right until the earlier of (a) the Outside Date, and (b) if such matter has not been cured by the date that is twenty (20) Business Days following receipt of such Termination Notice by the Breaching Party, such date.

#### **Section 4.13 Transaction Personal Information**

- (1) Each Party shall comply with all applicable Privacy Laws in the course of collecting, using and disclosing Transaction Personal Information. Prior to the Effective Time, the Purchaser shall not disclose Transaction Personal Information to any Person other than its Representatives who are evaluating and advising on the transactions contemplated by this Agreement. After the Effective Time, the Purchaser shall not, without the consent of the individuals to whom such Transaction Personal Information relates or as permitted or required by applicable Privacy Laws, use or disclose Transaction Personal Information: (a) for purposes other than those for which such Transaction Personal Information was collected prior to the Effective Time; and/or (b) which does

not relate directly to the carrying on of the business of the Company or to the carrying out of the purposes for which the transactions contemplated by this Agreement were implemented.

- (2) The Purchaser shall use commercially reasonable efforts to protect and safeguard the Transaction Personal Information against unauthorized collection, use or disclosure. If this Agreement is terminated prior to the Effective Time, the Purchaser shall promptly deliver to the Company all Transaction Personal Information in its possession or in the possession of any of its representatives, including all copies, reproductions, summaries or extracts thereof.

## **ARTICLE 5**

### **ADDITIONAL COVENANTS REGARDING NON-SOLICITATION**

#### **Section 5.1        Non-Solicitation**

- (1) The Company will: (i) immediately cease and cause to be terminated any activities, discussions or negotiations that may be ongoing with respect to an Acquisition Proposal, including terminating all access to documents and information regarding the Company and/or its Subsidiaries, including through a data room; (ii) promptly request each Person that has heretofore executed a confidentiality agreement in connection with its consideration of an Acquisition Proposal to return or destroy all non-public information heretofore furnished to such Person by or on behalf of the Company or any of its Subsidiaries; and (iii) enforce and not waive (and cause its Subsidiaries to enforce and not waive) the terms of any such confidentiality agreement and any standstill agreement (or similar covenants contained in any other agreement) to which it (or any of its Subsidiaries) is a party relating to an Acquisition Proposal, provided that, for the avoidance of doubt, any automatic termination or release of any such confidentiality agreement or standstill agreement in accordance with its terms as a consequence of the execution and delivery of this Agreement, without further agreement or action by the Company or any of its Subsidiaries, shall not constitute a breach of this Article 5. Except as expressly permitted by this Article 5, until the Effective Time or, if earlier, the termination of this Agreement in accordance with Article 7, the Company will not, except as otherwise provided in the Agreement, and the Company will cause its Representatives, its Subsidiaries and its Subsidiaries' respective Representatives not to, directly or indirectly:
  - (a) solicit, initiate, knowingly encourage or otherwise facilitate (including by way of furnishing any non-public information) any inquiry, proposal or offer that constitutes or may reasonably be expected to constitute or lead to, an Acquisition Proposal;
  - (b) enter into, engage in, continue or otherwise participate in any discussions or negotiations with any Person (other than the Purchaser) regarding any Acquisition Proposal; provided however, that the Company may ascertain facts from the Person making such Acquisition Proposal for the sole purpose of the Board informing itself about such Acquisition Proposal and the Person that made it and the Company may, for a period of seven (7) Business Days following the receipt of such Acquisition Proposal, advise any Person of the restrictions of this Agreement, communicate with any Person solely for the purpose of clarifying the terms of any inquiry, proposal or offer made by such Person and advise any Person making an Acquisition Proposal that the Board has determined that such Acquisition Proposal does not constitute a Superior Proposal;
  - (c) (i) fail to unanimously recommend or withhold, withdraw, modify or qualify, or publicly propose to withhold, withdraw, modify or qualify, the Board Recommendation; (ii) make, or permit any Representative of the Company or any of its Subsidiaries to make, any public

statement in connection with the Meeting by or on behalf of the Board that would reasonably be expected to have the same effect (iii) accept, approve, endorse or recommend, or publicly propose to accept, approve, endorse or recommend an Acquisition Proposal or take no position or remain neutral, in each case, with respect to a publicly announced or otherwise publicly disclosed Acquisition Proposal for more than five (5) Business Days; (iv) accept, approve, endorse, recommend or enter into or publicly propose to accept approve, endorse, recommend or enter into, any agreement, any letter of intent, understanding, agreement or arrangement (other than a confidentiality agreement entered into in compliance with Section 5.2(1)(c)) relating to an Acquisition Proposal (an “**Alternative Transaction Agreement**”); (v) fail to affirm publicly and without qualification the Board Recommendation within five (5) Business Days following the public announcement of an Acquisition Proposal or upon the written request by the Purchaser to provide such reaffirmation, provided that if such request is made fewer than five (5) Business Days prior to the Meeting, then, notwithstanding the foregoing, the Board in receipt of such request shall have to make such affirmation as soon as practicable prior to the Meeting; or (vi) resolve to take any of the prohibited actions above (the actions in this clause (c), an “**Adverse Recommendation Change**”).

## **Section 5.2            Responding to an Acquisition Proposal**

- (1) Notwithstanding Section 5.1, if at any time prior to obtaining the approval of the Arrangement Resolution, the Company or any of its Representatives receives from a Person a *bona fide* written Acquisition Proposal (including, for greater certainty, a variation or other amendment to an Acquisition Proposal), or any proposal that could constitute or lead to an Acquisition Proposal, that was not, directly or indirectly, solicited, initiated, knowingly encouraged or otherwise facilitated in violation of Section 5.1, the Company and its Representatives may, in response to such Acquisition Proposal: (i) furnish information with respect to the Company and its Subsidiaries in response to a request therefor by such Person; and (ii) engage in or participate in discussions or negotiations with such Person regarding such Acquisition Proposal, if and only if:
  - (a) the Company notifies the Purchaser of such Acquisition Proposal in accordance with Section 5.4;
  - (b) prior to the taking of any such action, the Board determines in good faith, after consultation with its financial advisors and its outside legal counsel, that such Acquisition Proposal constitutes or could reasonably be expected to lead to a Superior Proposal (notwithstanding the foregoing, the Purchaser acknowledges and agrees that the Board may contact the Person(s) making such Acquisition Proposal in advance of the Board making a determination that such Acquisition Proposal is, or could reasonably be expected to lead to, a Superior Proposal for the sole purpose of clarifying the terms and conditions of such Acquisition Proposal so as to determine whether it is, or could reasonably be expected to lead to, a Superior Proposal); and
  - (c) prior to providing any such information, the Company enters into a confidentiality agreement with such Person that is on terms and conditions no less onerous or more beneficial to such Person than those set forth in the Confidentiality Agreement, provided that such agreement need not prohibit the making or amendment of any Acquisition Proposal and may not include provisions granting such Person an exclusive right to negotiate with the Company.

### Section 5.3            **Adverse Recommendation Change; Alternative Transaction Agreement**

- (1) At any time prior to obtaining the approval of the Arrangement Resolution, the Board may, in response to a *bona fide* written Acquisition Proposal that was not directly or indirectly, solicited, initiated, knowingly encouraged or otherwise facilitated in violation of this Article 5, effect an Adverse Recommendation Change or enter into an Alternative Transaction Agreement, if and only if:
  - (a) the Company has complied in all material respects with its obligations under Article 5;
  - (b) the Board determines in good faith, after consultation with its financial advisors and its outside legal counsel, that such Acquisition Proposal is a Superior Proposal;
  - (c) the Company provides the Purchaser with written notice of its intention to take such action (a “**Superior Proposal Notice**”), which notice will include all the information with respect to such Acquisition Proposal that is specified in Section 5.4(1) (it being agreed that the delivery of a Superior Proposal Notice will not constitute an Adverse Recommendation Change unless and until the Company will have failed at or prior to the end of the Matching Period (and, upon the occurrence of such failure, such Superior Proposal Notice and such public announcement will constitute an Adverse Recommendation Change)) to publicly announce that it: (A) is recommending the Arrangement and that Company Shareholders vote for the Arrangement; and (B) has determined that such other Acquisition Proposal (taking into account: (x) any modifications or adjustments made to the Arrangement and this Agreement agreed to by the Purchaser in writing; and (y) any modifications or adjustments made to such other Acquisition Proposal) is not a Superior Proposal and has publicly rejected such Acquisition Proposal;
  - (d) during the Matching Period, the Board and the Company’s Representatives have negotiated in good faith with the Purchaser (to the extent the Purchaser desires to negotiate) regarding any revisions to the terms of the Arrangement and this Agreement proposed by the Purchaser in order for such Acquisition Proposal to cease to be a Superior Proposal;
  - (e) at the end of the Matching Period, the Board determines in good faith, after consultation with its financial advisors and its outside legal counsel (and taking into account any amendment or modification to the terms of this Agreement or the Arrangement that the Purchaser has agreed in writing to make), that such Acquisition Proposal constitutes a Superior Proposal, and that the failure to take such action would breach with its fiduciary duties under Law; and
  - (f) prior to or concurrently with taking any such action, the Company terminates this Agreement pursuant to Section 7.2(c)(ii).
- (2) During the Matching Period, the Purchaser will have the opportunity, but not the obligation, to offer to amend the terms of the Arrangement and this Agreement, and the Company will cooperate with the Purchaser with respect thereto, including meeting and negotiating in good faith with the Purchaser to enable the Purchaser to make such amendments to the terms and conditions of this Agreement and the Arrangement as the Purchaser deems appropriate and as would permit the Purchaser to proceed with the Arrangement and any related transactions on such adjusted terms. The Board will review any such offer by the Purchaser to amend the terms of the Arrangement and this Agreement in order to determine, after consultation with its outside legal counsel and financial advisors, whether the Purchaser’s offer to amend the Arrangement and this Agreement,

upon its acceptance, would result in the Superior Proposal giving rise to the Matching Period ceasing to be a Superior Proposal when assessed against the Arrangement and this Agreement as they are proposed to be amended as at the termination of the Matching Period. If the Board so determines that the applicable Superior Proposal would cease to be a Superior Proposal when assessed against the Arrangement and this Agreement as they are proposed to be amended as at the termination of the Matching Period, the Purchaser will amend the terms of the Arrangement and this Agreement and the Company and the Purchaser will enter into an amendment to this Agreement reflecting the offer by the Purchaser to amend the terms of the Arrangement and this Agreement, and will take and cause to be taken all such actions as are necessary to give effect to the foregoing.

- (3) The Board will promptly reaffirm its Board Recommendation by press release after: (i) any Acquisition Proposal is publicly announced or made and the Board determines it is not a Superior Proposal; (ii) during the Matching Period, the Board determines that a proposed amendment to the terms of the Transaction pursuant to Section 5.3(2) would result in a Superior Proposal giving rise to the Matching Period ceasing to be a Superior Proposal when assessed against the Arrangement and this Agreement as it is proposed to be amended as at the termination of the Matching Period, and the Purchaser has so amended the terms of the Arrangement in accordance with Section 5.3(2); or (iii) the Purchaser, acting reasonably, requests reaffirmation of such Board Recommendation by the Board. The Purchaser will be given a reasonable opportunity to review and comment on the form and content of any such press release and the Company will consider all reasonable comments of the Purchaser.
- (4) Any material amendment or modification to any such Acquisition Proposal will require a new Superior Proposal Notice and the Purchaser will be afforded a new Matching Period (except that references to the five (5) Business Day period in the definition of Matching Period will be deemed to be references to a three (3) Business Day period; provided however, that such new Matching Period will in no event shorten the original Matching Period).

#### **Section 5.4        Notification of Acquisition Proposals; Certain Disclosure; Subsidiaries and Representatives**

- (1) In addition to the obligations of the Company under Section 5.2 and Section 5.3, if the Company or any of its Subsidiaries or any of their respective Representatives receives or otherwise becomes aware of any inquiry, proposal or offer that constitutes, or may reasonably be expected to lead to, an Acquisition Proposal, or any request for non-public information relating to the Company or any Subsidiary (other than requests for information in the Ordinary Course consistent with past practice and unrelated to an Acquisition Proposal) or for discussions or negotiations regarding any Acquisition Proposal, the Company will promptly (and in any event within 48 hours) notify the Purchaser orally and in writing of such Acquisition Proposal, inquiry, proposal, offer or request, and the identity of all Persons making the Acquisition Proposal, inquiry, proposal, offer or request, and will provide to the Purchaser a reasonably detailed written description thereof. The Company will keep the Purchaser reasonably informed (orally and in writing) on a current basis (and in any event no later than 24 hours after the occurrence of any modifications, developments, discussions and negotiations) of the status of any such Acquisition Proposal, inquiry, proposal, offer or request (including the terms and conditions thereof and any modification thereto), and any developments, discussions and negotiations with respect thereto, including furnishing copies of all correspondence and reasonably detailed written summaries of any material inquiries or discussions.

- (2) Nothing contained in this Agreement will prevent the Board from: (i) complying with Division 3 of Part 2 of National Instrument 62-104 – *Takeover Bids and Issuer Bids* and similar provisions under Securities Laws relating to the provision of a directors' circular in respect of an Acquisition Proposal; or (ii) calling and/or holding a meeting of Company Shareholders requisitioned by the Company Shareholders in accordance with Law or taking any other action with respect to an Acquisition Proposal to the extent ordered or otherwise mandated by a court of competent jurisdiction in accordance with Law.

## **ARTICLE 6**

### **CONDITIONS**

#### **Section 6.1      Mutual Conditions Precedent**

The Parties are not required to complete the Arrangement unless each of the following conditions is satisfied or waived by the Parties at or prior to the Effective Time:

- (1) **Arrangement Resolution.** The Arrangement Resolution will have been approved by the Company Shareholders entitled to vote thereon at the Meeting in accordance with the Interim Order and MI 61-101 and other applicable Laws.
- (2) **Interim Order and Final Order.** The Interim Order and the Final Order will have each been obtained on terms consistent with this Agreement and have not been set aside or modified in a manner unacceptable to either of the Parties, each acting reasonably, on appeal or otherwise.
- (3) **Illegality.** No court or other Governmental Entity of competent jurisdiction will have enacted, issued, promulgated, enforced or entered any Law (whether temporary, preliminary or permanent) that is in effect and restrains, enjoins or otherwise prohibits consummation of the Arrangement in accordance with the terms hereof (collectively, an “**Order**”).
- (4) **U.S. Securities Law Matters.** The Consideration Shares to be issued pursuant to the Arrangement shall be exempt from the registration requirements of the U.S. Securities Act pursuant to Section 3(a)(10) thereof and pursuant to exemptions from or in compliance with all applicable state securities laws, provided, however that the Company shall not be entitled to the benefit of the conditions in this Section 6.1(4), and shall be deemed to have waived such condition, in the event that the Company fails to: (a) advise the Court prior to the hearing in respect of the Interim Order that the Parties intend to rely on the exemption from the registration afforded by Section 3(a)(10) of the U.S. Securities Act based on the Court's approval of the Arrangement; or (b) comply with the requirements to be satisfied by the Company set forth in Section 2.14.
- (5) **Canadian Securities Law Matters.** The distribution of the Consideration pursuant to the Arrangement shall be exempt from the prospectus and registration requirements of Canadian Securities Laws either by virtue of exemptive relief from the securities regulatory authorities of each of the provinces and territories of Canada or by virtue of exemptions under Canadian Securities Laws and shall not be subject to resale restrictions under Canadian Securities Laws (other than as applicable to control persons or pursuant to Section 2.6 of National Instrument 45-102 – *Resale of Securities*).
- (6) **Listing of Shares.** The Stock Exchange Approvals will have been obtained.
- (7) **Termination.** This Agreement shall not have been terminated pursuant to Article 7 hereof.

- (8) **No Legal Action.** There shall not have been any action or proceeding commenced by any Person (including any Governmental Entity) in any jurisdiction seeking to prohibit or restrict the Arrangement or the ownership or operation by the Purchaser of the business or assets of the Company or any of its Subsidiaries.

## **Section 6.2 Additional Conditions Precedent to the Obligations of the Purchaser**

The Purchaser is not required to complete the Arrangement unless each of the following conditions is satisfied or waived by the Purchaser at or prior to the Effective Time:

- (1) **Representations and Warranties.** The representations and warranties of the Company set forth in: Section (1) (Organization, Good Standing and Qualification), Section (2) (Capital Structure), and Section (3) (Corporate Authority; Approval) of Schedule “C” will be true and correct as of the Effective Time, in all respects, except, in the case of Section (2) (Capital Structure), for such failures to be so true and correct that are *de minimis* or a result of the Additional Company Options Issuances, Additional Company DSU Grant or any issuance of securities of the Company specifically approved by the Purchaser, and all other representations and warranties of the Company set forth in this Agreement will be true and correct as of the Effective Time in all respects, except where any failure or failures of such representations and warranties to be true and correct at such time would not, individually or in the aggregate, reasonably be expected to result in a Material Adverse Effect in respect of the Company (disregarding any materiality or Material Adverse Effect qualification contained in any such representation and warranty for the purpose of determining whether any such failure or failures would not, individually or in the aggregate, reasonably be expected to result in a Material Adverse Effect in respect of the Company), in each case as though made on and as of such date and time (except to the extent that any of such representations and warranties expressly speaks as of an earlier date, in which case such representation and warranty will be true and correct as of such earlier date), and the Company shall have delivered a certificate confirming same to the Purchaser, executed by two officers or directors of the Company (in each case without personal liability), dated the Effective Date.
- (2) **Performance of Covenants.** The Company will have fulfilled or complied in all material respects with all of the covenants of the Company contained in this Agreement to be fulfilled or complied with by it on or prior to the Effective Time, except for the covenants set forth in Section 4.1(3) and Section 4.1(4)(aa) of this Agreement, which shall have been fulfilled or complied with in all respects, and the Company shall have delivered a certificate confirming same to the Purchaser, executed by two officers or directors of the Company (in each case without personal liability), dated the Effective Date.
- (3) **Dissent Rights.** Dissent Rights shall not have been exercised with respect to Company Shares representing in aggregate more than 7% of votes attached to the issued and outstanding Company Shares immediately prior to the Effective Time.
- (4) **No Legal Action.** There shall not have been any action or proceeding commenced by any Person (including any Governmental Entity) in any jurisdiction which seeks to compel the Purchaser to dispose of any material portion of the business or assets of the Purchaser, the Company or any of its Subsidiaries as a result of the Arrangement.
- (5) **Required Regulatory Approvals.** Each of the Required Regulatory Approvals will have been obtained or received on terms that are reasonably satisfactory to the Purchaser, and each such Required Regulatory Approval shall be in force.

- (6) **Resignations.** The Purchaser shall have received resignations and releases from each director of the Company and its Subsidiaries as of the Effective Date, in a form satisfactory to the Purchaser, acting reasonably.
- (7) **Material Adverse Effect.** Since the date hereof, there will not have occurred a Material Adverse Effect in respect of the Company (which shall include, for greater certainty, the loss of any material Cannabis Licenses held by the Company or any Subsidiary hereof) that is continuing.
- (8) **Company Fees.** The costs, expenses and fees incurred, committed or otherwise payable by the Company or any of its Subsidiaries in connection with, or incidental to, the Transaction, including, for greater certainty, any fees incurred, whether by the Company or the Purchaser, in connection with any proxy solicitation services firm retained by the Company as contemplated in Section 2.3(1)(b) hereof (collectively, the “**Transaction Costs**”), shall not have exceeded \$4,000,000, and the Company shall have delivered a certificate confirming same to the Purchaser, executed by two officers or directors of the Company (in each case without personal liability), dated the Effective Date, it being understood that Transaction Costs will exclude any payments made to the Purchaser or any of its Subsidiaries and any payments to be made to employees, executives or directors of the Company disclosed in the Company Disclosure Letter or specifically contemplated by this Agreement and the Plan of Arrangement.

### **Section 6.3 Additional Conditions Precedent to the Obligations of the Company**

The Company is not required to complete the Arrangement unless each of the following conditions is satisfied or waived by the Company on or prior to the Effective Time:

- (1) **Representations and Warranties.** The representations and warranties of the Purchaser set forth in: Section (1) (Organization, Good Standing and Qualification), Section (3) (Corporate Authority; Approval) and Section (4) (Issuance of Consideration Shares under the Arrangement) of Schedule “D” will be true and correct as of the Effective Time, in all respects, and all other representations and warranties of the Purchaser set forth in this Agreement will be true and correct as of the Effective Time in all respects, except where any failure or failures of such representations and warranties to be true and correct at such time would not, individually or in the aggregate, reasonably be expected to result in a Material Adverse Effect in respect of the Purchaser (disregarding any materiality or Material Adverse Effect qualification contained in any such representation and warranty for the purpose of determining whether any such failure or failures would not, individually or in the aggregate, reasonably be expected to result in a Material Adverse Effect in respect of the Purchaser), in each case as though made on and as of such date and time (except to the extent that any of such representations and warranties expressly speaks as of an earlier date, in which case such representation and warranty will be true and correct as of such earlier date), and the Purchaser shall have delivered a certificate confirming same to the Company, executed by two officers or directors of the Purchaser (in each case without personal liability), dated the Effective Date.
- (2) **Performance of Covenants.** The Purchaser will have fulfilled or complied in all material respects with all of the covenants of the Purchaser contained in this Agreement to be fulfilled or complied with by them on or prior to the Effective Time, and the Purchaser shall have delivered a certificate confirming same to the Company, executed by two officers or directors of the Purchaser (in each case without personal liability), dated the Effective Date.
- (3) **Payment of Consideration.** The Purchaser will have complied with Section 2.9 and the Depositary shall have confirmed receipt of the Consideration Shares.

- (4) **Material Adverse Effect.** Since the date hereof, there will not have occurred a Material Adverse Effect in respect of the Purchaser that is continuing.

#### **Section 6.4            Satisfaction of Conditions**

The conditions precedent set out in Section 6.1, Section 6.2 and Section 6.3 will be conclusively deemed to have been satisfied, waived or released upon the issuance of the Certificate of Arrangement.

### **ARTICLE 7 TERM AND TERMINATION**

#### **Section 7.1            Term**

Subject to Section 7.3, this Agreement will be effective from the date hereof until the earlier of the Effective Time and the termination of this Agreement in accordance with its terms.

#### **Section 7.2            Termination**

This Agreement may be terminated prior to the Effective Time by:

- (a) the mutual written agreement of the Parties;
- (b) either the Company or the Purchaser, if:
  - (i) the Arrangement Resolution is not approved by the Company Shareholders entitled to vote thereon at the Meeting in accordance with the Interim Order; provided however, that a Party may not terminate this Agreement pursuant to this Section 7.2(b)(i) if the failure of such approval to be obtained was primarily caused by, or is a result of, a breach by such Party of any of its obligations hereunder;
  - (ii) after the date hereof, any court or other Governmental Entity of competent jurisdiction has enacted, issued, promulgated, enforced or entered any final and non-appealable Order; provided however, that a Party may not terminate this Agreement pursuant to this Section 7.2(b)(ii) if such Order was primarily caused by, or is a result of, a breach by such Party of any of its obligations hereunder; or
  - (iii) the Effective Time does not occur on or prior to the Outside Date; provided however, that a Party may not terminate this Agreement pursuant to this Section 7.2(b)(iii) if the failure of the Effective Time to so occur was primarily caused by, or is a result of, a breach by such Party of any of its obligations hereunder;
- (c) the Company if:
  - (i) the Purchaser will have breached any representation or warranty or failed to perform any covenant or other agreement in this Agreement, which breach or failure to perform: (A) is incapable of being cured by the Purchaser prior to the Outside Date or otherwise is not cured by the earlier of (x) twenty (20) Business Days following written notice by the Company to the Purchaser of such breach, and (y) the Outside Date; and (B) would cause any condition in Section 6.3(1)

*Representations and Warranties* or Section 6.3(2) *Performance of Covenants* not to be satisfied; provided however, that the Company is not then in breach of this Agreement or has not failed to perform any covenant or other agreement in this Agreement so as to cause any condition in Section 6.2(1) *Representations and Warranties* or Section 6.2(2) *Performance of Covenants* not to be satisfied;

- (ii) prior to the approval of the Arrangement Resolution, in order to enter into an Alternative Transaction Agreement with respect to a Superior Proposal in accordance with Section 5.3; provided however, that the Company has complied with its obligations under Article 5 and the Company pays the Company Termination Fee in accordance with Section 8.2; or
  - (iii) there has occurred a Material Adverse Effect with respect to the Purchaser.
- (d) the Purchaser, if:
- (i) the Company will have
    - (A) breached any representation or warranty of the Company set forth in this Agreement, which breach: (A) is incapable of being cured by the Company prior to the Outside Date or otherwise is not cured by the earlier of (x) twenty (20) Business Days following written notice by the Company to the Purchaser of such breach, and (y) the Outside Date; and (B) would cause any condition in Section 6.2(1) *Representations and Warranties* not to be satisfied; provided, however, that the Purchaser is not then in breach of this Agreement so as to cause any condition in Section 6.3(1) *Representations and Warranties* not to be satisfied;
    - (B) failed to perform any covenant or agreement on the part of the Company set forth in this Agreement, which failure to perform: (A) is incapable of being cured by the Company prior to the Outside Date or otherwise is not cured by the earlier of (x) twenty (20) Business Days following written notice of such failure to perform, and (y) the Outside Date; and (B) would cause any condition in Section 6.2(2) *Performance of Covenants* not to be satisfied; provided, however, that the Purchaser is not then in breach of this Agreement or has not failed to perform any covenant or other agreement in this Agreement so as to cause any condition in Section 6.3(2) *Performance of Covenants* not to be satisfied;
  - (ii) prior to the approval of the Arrangement Resolution at the Meeting, the Board has effected an Adverse Recommendation Change;
  - (iii) the Company has breached Article 5; or
  - (iv) there has occurred a Material Adverse Effect with respect to the Company.

The Party desiring to terminate this Agreement pursuant to this Section 7.2 (other than pursuant to Section 7.2(a)) will give notice of such termination to the other Parties, specifying in reasonable detail the basis for such Party's exercise of its termination right.

### **Section 7.3 Expenses and Reimbursement**

- (1) Subject to Section 7.3(2) and Section 8.2, all out-of-pocket third party transaction expenses incurred in connection with this Agreement and the Plan of Arrangement, including all costs, expenses and fees of the Company incurred prior to or after the Effective Date in connection with, or incidental to, the Plan of Arrangement, shall be paid by the Party incurring such expenses, whether or not the Arrangement is consummated.
- (2) In addition to the rights of the Purchaser under Section 8.2, if this Agreement is terminated:
  - (a) by the Purchaser pursuant to (i) Section 7.2(d)(i)(A) (other than in the event of a Wilful Breach) and (ii) the Company Termination Fee is not otherwise payable in connection with such termination, then the Company shall, within two (2) Business Days of such termination, pay or cause to be paid to the Purchaser by wire transfer of immediately available funds the Purchaser Reimbursement Fee; or
  - (b) by the Company pursuant to Section 7.2(c)(i), then the Purchaser shall, within two (2) Business Days of such termination, pay or cause to be paid to the Company by wire transfer of immediately available funds the Company Reimbursement Fee;
- (3) The payment of the Purchaser Reimbursement Fee or the Company Reimbursement Fee, as applicable, pursuant to Section 7.3(2) is the sole monetary remedy of a Party if this Agreement is terminated as contemplated and the Purchaser Reimbursement Fee or the Company Reimbursement Fee, as applicable, is payable as contemplated in Section 7.3(2).

### **Section 7.4 Effect of Termination/Survival**

If this Agreement is terminated pursuant to Section 7.1 or Section 7.2, this Agreement will become void and of no further force or effect without liability of any Party (or any shareholder, director, officer, employee, agent, consultant or representative of such Party) to any other Party to this Agreement, except that: (a) in the event of termination under Section 7.1 as a result of the Effective Time occurring, Section 4.10 will survive for a period of six years thereafter; (b) in the event of termination under Section 7.2, Section 4.11, this Section 7.4 and Section 8.2 through to and including Section 8.16 will survive; and (c) neither the termination of this Agreement nor anything contained in this Section 7.4 will relieve any Party from any liability for fraud, criminal acts or Wilful Breach. Notwithstanding anything to the contrary contained in this Agreement, the Confidentiality Agreement shall survive any termination or lapse of effectiveness hereof.

## **ARTICLE 8 TERMINATION FEES AND GENERAL PROVISIONS**

### **Section 8.1 Modifications or Amendments**

This Agreement and the Plan of Arrangement may, at any time and from time to time before or after the holding of the Meeting but not later than the Effective Time, be modified or amended by mutual written agreement, executed and delivered by duly authorized officers of the respective Parties, without, subject to applicable Laws, further notice to or authorization on the part of the Company Shareholders, and any such modification or amendment may, subject to the Interim Order, Final Order and Law, without limitation:

- (a) change the time for performance of any of the obligations or acts of the Parties;

- (b) waive any inaccuracies or modify any representation or warranty contained in this Agreement or in any document delivered pursuant to this Agreement;
- (c) waive compliance with or modify any of the covenants contained in this Agreement and waive or modify performance of any of the obligations of the Parties; and/or
- (d) waive compliance with or modify any mutual conditions contained in this Agreement,

provided that such modification or amendment does not invalidate the approval of the Arrangement Resolution by the Company Shareholders.

## **Section 8.2 Termination Fees**

Despite any other provision in this Agreement relating to the payment of fees and expenses, including the payment of brokerage fees, if a Company Termination Fee Event occurs, the Company will pay the Purchaser the Company Termination Fee in accordance with Section 8.2(2). For the avoidance of doubt, the Company shall not be required to pay the Company Termination Fee more than once.

- (1) For the purposes of this Agreement, “**Company Termination Fee**” means \$2,200,000, and “**Company Termination Fee Event**” means:
  - (a) the termination of this Agreement pursuant to Section 7.2(d)(i)(A) (on the basis of a Wilful Breach), Section 7.2(d)(i)(B), Section 7.2(d)(ii), Section 7.2(d)(iii), or Section 7.2(c)(ii);
  - (b) the termination of this Agreement pursuant to Section 7.2(b)(i) or Section 7.2(b)(iii), if:
    - (i) prior to the date of termination, an Acquisition Proposal has been publicly announced or otherwise communicated to the Board, the Company, any of its Subsidiaries or their respective Representatives; and
    - (ii) within twelve (12) months following the date of such termination: (A) a transaction in respect of any Acquisition Proposal is consummated or effected; or (B) the Company or any of its Subsidiaries enters into a definitive agreement in respect of any Acquisition Proposal and such Acquisition Proposal is later consummated or effected (whether or not within such twelve (12) month period).

For purposes of the foregoing Section 8.2(1)(b)(ii), the term “**Acquisition Proposal**” will have the meaning assigned to such term in Section 1.1, except that references to “20%” will be deemed to be references to “50%”.

- (2) If a Company Termination Fee Event occurs, the Company Termination Fee will be paid prior to or concurrently with such Company Termination Fee Event; provided, however that in the circumstances set out in Section 8.2(1)(b), the Company Termination Fee will be paid within two Business Days following consummation/closing of the principal transaction contemplated by such Acquisition Proposal referred to therein. Any Company Termination Fee will be paid by the Company to the Purchaser, by wire transfer in immediately available funds to an account designated by the Purchaser.
- (3) The Parties acknowledge that the agreements contained in this Section 8.2 are an integral part of the transactions contemplated by this Agreement, and that without these agreements the Purchaser would not enter into this Agreement, and that the amounts set out in this Section 8.2 represent

liquidated damages, which are a genuine pre-estimate of the damages if this Agreement is terminated as a result of the conditions set out herein, including opportunity costs, which the Purchaser will suffer or incur as a result of the event giving rise to such damages and resultant termination of this Agreement, and are not penalties. The Company irrevocably waives any rights it may have to raise as a defence that any such liquidated damages are excessive or punitive. The Purchaser agrees that the payment of the Company Termination Fee in the manner provided in this Section 8.2, if applicable, is the sole remedy of the Purchaser against the Company in respect of the termination of this Agreement as a result of a Company Termination Fee Event, provided however, that nothing shall preclude a Party from pursuing additional damages, including for lost opportunities or other consequential losses, in the event of any Wilful Breach or other intentional breach by the other Party.

#### **Section 8.4 Time of the Essence.**

Time is of the essence in this Agreement.

#### **Section 8.5 Injunctive Relief**

The Parties agree that irreparable harm would occur for which money damages would not be an adequate remedy at Law in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached. It is accordingly agreed that the Parties will be entitled to injunctive and other equitable relief to prevent breaches or threatened breaches of this Agreement, and to enforce compliance with the terms of this Agreement without any requirement for the securing or posting of any bond in connection with the obtaining of any such injunctive or other equitable relief, this being in addition to any other remedy to which the Parties may be entitled at Law or in equity. Under no circumstance will the Purchaser be permitted or entitled to receive both a grant of specific performance and any payment of the Company Termination Fee in connection with termination of this Agreement pursuant to a Company Termination Fee Event.

#### **Section 8.6 Third Party Beneficiaries**

- (1) Except as provided in Section 4.10(1) and Section 4.10(2), which, without limiting their terms, are intended as a stipulation for the benefit of the third Persons mentioned in such provisions (such third Persons referred to in this Section 8.6 as the “**Indemnified Persons**”), and except for the right of the Company Securityholders to receive the consideration as provided in the Plan of Arrangement following the Effective Time pursuant to the Arrangement, the Parties intend and hereby agree that this Agreement will not benefit or create any right or cause of action or a claim for damages therefrom in favour of any Person other than the Parties and that no Person, other than the Parties, will be entitled to rely on the provisions of this Agreement set forth herein for any Action. The Parties further agree that they will not assert any claim, cause of action, or right of damages attributable to any such third Persons.

- (2) Despite the foregoing, the Parties acknowledge to each of the Indemnified Persons their direct rights against the applicable Party under Section 8.14, which are intended for the benefit of, and will be enforceable by, each applicable Indemnified Person, his or her heirs and his or her legal representatives, and for such purpose, the Company or the Purchaser, as applicable, confirms that it is acting as trustee on their behalf, and agrees to enforce such provisions on their behalf; provided however, that the Parties further agree that the rights of the Indemnified Persons, his or her heirs and his or her legal representatives as contemplated by this Section 8.6 will not arise unless and until the Effective Time occurs.

#### **Section 8.7           Waiver**

No waiver of any of the provisions of this Agreement will constitute a waiver of any other provision (whether or not similar). No waiver will be binding unless executed in writing by the Party to be bound by the waiver. A Party's failure or delay in exercising any right under this Agreement will not operate as a waiver of that right. A single or partial exercise of any right will not preclude a Party from any other or further exercise of that right or the exercise of any other right.

#### **Section 8.8           Entire Agreement**

This Agreement, together with the Confidentiality Agreement, the Waiver and Amendment Agreement and the Company Disclosure Letter, constitutes the entire agreement between the Parties with respect to the subject matter hereof and thereof and supersedes all prior and contemporaneous agreements, understandings, negotiations, representations, warranties and discussions, whether oral or written, of the Parties. For greater certainty, the Parties have not relied on and are not relying on any other information, discussion or understanding in entering into and completing the transactions contemplated by this Agreement.

#### **Section 8.9           Successors and Assigns**

- (1) This Agreement becomes effective only when executed by the Parties. After that time, it will be binding upon and enure to the benefit of the Parties and their respective successors and permitted assigns.
- (2) Neither this Agreement nor any of the rights, interests or obligations under this Agreement are assignable, delegable or transferable (as the case may be), in whole or in part, by the other Party without the prior written consent of the other Party and any attempted or purported assignment, delegation or transfer (as the case may be) in violation of this Section 8.9 will be null and void.

#### **Section 8.10          Severability**

The provisions of this Agreement will be deemed severable and the illegality, invalidity or unenforceability of any provision will not affect the legality, validity or enforceability of any other provision hereof. If any provision of this Agreement, or application thereof to any Person or any circumstance, is illegal, invalid or unenforceable: (a) a suitable and equitable provision will be substituted therefor in order to carry out, so far as may be legal, valid and enforceable, the intent and purpose of such illegal, invalid or unenforceable provision; and (b) the remainder of this Agreement and the application of such provision to other Persons or circumstances will not be affected by such illegality, invalidity or unenforceability, nor will such illegality, invalidity or unenforceability affect the legality, validity or enforceability of such provision, or the application thereof, in any other jurisdiction.

#### **Section 8.11      Governing Law; Jurisdiction**

This Agreement will be governed by, construed and interpreted and enforced in accordance with the laws of the Province of Ontario and the federal laws of Canada applicable therein, without regard to the conflict of laws, rules or principles thereof (or any other jurisdiction to the extent such laws, rules or principles would direct a matter to another jurisdiction). Each of the Parties hereby irrevocably attorns and submits to the exclusive jurisdiction of the Ontario courts situated in Toronto, Ontario in respect of all matters arising under and in relation to this Agreement and the Arrangement, and irrevocably waives objection to the venue of any proceeding in such court or that such court provides an inconvenient forum.

#### **Section 8.12      Rules of Construction**

The Parties have participated jointly in negotiating and drafting this Agreement and the Parties to this Agreement waive the application of any Law or rule of construction, providing that ambiguities in any agreement or other document will be construed against the Party drafting such agreement or other document and agree this Agreement will be construed as if drafted jointly.

#### **Section 8.13      Further Assurances**

Subject to the provisions of this Agreement, the Parties will, from time to time, do all acts and things and execute and deliver all such further documents and instruments, as the other Parties may, either before or after the Effective Date, reasonably require to effectively carry out or better evidence or perfect the full intent and meaning of this Agreement and, in the event the Arrangement becomes effective, to document or evidence any of the transactions or events set out in the Plan of Arrangement.

#### **Section 8.14      No Liability**

This Agreement may only be enforced against, and any claims or causes of action that may be based upon, arise out of or relate to this Agreement, or the negotiation, execution or performance of this Agreement may only be made against, the entities that are expressly identified as the Parties. No Representative of the Purchaser or any of its Subsidiaries will have any personal liability whatsoever to the Company or any third party beneficiary under this Agreement or any other document delivered in connection with the transactions contemplated herein hereby on behalf of the Purchaser or its Representatives. No Representative of the Company or any of its Subsidiaries will have any personal liability whatsoever to the Purchaser or any third party beneficiary under this Agreement or any other document delivered in connection with the transactions contemplated herein on behalf of the Company or any of its Subsidiaries or their Representatives.

#### **Section 8.15      Language**

The Parties expressly acknowledge that they have requested that this Agreement and all ancillary and related documents thereto be drafted in the English language only. Les parties aux présentes reconnaissent avoir exigé que la présente entente et tous les documents qui y sont accessoires soient rédigés en anglais seulement.

#### **Section 8.16      Counterparts**

This Agreement may be executed in any number of counterparts (including counterparts by any form of electronic communication) and all such counterparts taken together will be deemed to constitute one and the same instrument. The Parties will be entitled to rely upon delivery of an executed electronic

copy of this Agreement, and such facsimile or similar executed electronic copy will be legally effective to create a valid and binding agreement between the Parties.
