WeedMD Medical Cannabis Now Available On Shoppers Drug Mart's E-commerce Site

Toronto, Canada, February 11, 2019 – **WeedMD Inc.** (**TSX-V:WMD**) **(OTCQX:WDDMF) (FSE:4WE)** ("**WeedMD**" or the "**Company**"), a federally-licensed producer and distributor of medical-grade cannabis, is pleased to announce that it has completed its first shipment of medical cannabis products to Shoppers Drug Mart ("**Shoppers Drug Mart**"). WeedMD-branded products are now available for sale on the pharmacy's newly-launched medical cannabis sales website: cannabis.shoppersdrugmart.ca.

"We continue to expand the accessibility of our products to medical patients in Canada and congratulate Shoppers Drug Mart - one of the most trusted names in pharmacy and patient support services – on the Ontario launch of its online sales platform and cannabis education program," said Keith Merker, CEO at WeedMD. "As a committed medical cannabis supplier and educator, we are proud to work with Shoppers Drug Mart to expand the reach of our products to patients looking for safe, consistent, quality cannabis from a trusted source."

WeedMD's expansion into its large-scale, fully-funded modern greenhouse will be the main supply base for its medical cannabis patients as well as for the rapidly-growing recreational market. The Company is on track to increase its cultivation platform to more than 550,000 sq. ft. in the first half of 2019.

Cautionary Statement on Forward-Looking Information

This press release contains "forward-looking information" within the meaning of applicable Canadian securities legislation which are based upon WeedMD's current internal expectations, estimates, projections, assumptions and beliefs and views of future events. Forward-looking information can be identified by the use of forward-looking terminology such as "expect", "likely", "may", "will", "should", "intend", "anticipate", "potential", "proposed", "estimate" and other similar words, including negative and grammatical variations thereof, or statements that certain events or conditions "may", "would" or "will" happen, or by discussions of strategy.

The forward-looking information in this news release is based upon the expectations, estimates, projections, assumptions and views of future events which management believes to be reasonable in the circumstances. Forward-looking information includes estimates, plans, expectations, opinions, forecasts, projections, targets, guidance or other statements that are not statements of fact. Forward-looking information in this news release include, but are not limited to, statements with respect to internal expectations, expectations with respect to actual production volumes, expectations for future growing capacity and the completion of any capital project or expansions. Forward-looking information necessarily involve known and unknown risks, including, without limitation, risks associated with general economic conditions; adverse industry events; loss of markets; future legislative and regulatory developments; inability to access sufficient capital from internal and external sources, and/or inability to access sufficient capital on favourable terms; the cannabis industry in Canada generally; the ability of WeedMD to implement its business strategies; competition; crop failure; and other risks.

Any forward-looking information speaks only as of the date on which it is made, and, except as required by law, WeedMD does not undertake any obligation to update or revise any forward-looking information, whether as a result of new information, future events or otherwise. New factors emerge from time to time, and it is not possible for WeedMD to predict all such factors. When considering this forward-looking information, readers should keep in mind the risk factors and other cautionary statements in WeedMD's Annual Information Form dated December 13, 2017 (the "AIF") and other disclosure documents of WeedMD filed with the applicable Canadian securities regulatory authorities on SEDAR at www.sedar.com. The risk factors and other factors noted in the AIF and other disclosure documents could cause actual events or results to differ materially from those described in any forward-looking information.
