BIG BLOCKCHAIN INTELLIGENCE GROUP ENGAGES KCSA STRATEGIC COMMUNICATIONS AS INVESTOR RELATIONS COUNSEL

Vancouver, Canada - BIG Blockchain Intelligence Group Inc. – March 5, 2018 - (CSE: BIGG) (OTC: BBKCF) (WKN: A2JSKG) (“BIG” or the “Company”), a developer of Blockchain technology search and data analytics solutions, is pleased to announce it has retained KCSA Strategic Communications (“KCSA”), a leading New York-based communications firm, to support the Company’s investor relations program.

KCSA is comprised of capital markets professionals with an expertise in deploying comprehensive communications strategies, strategic advisement, messaging/brand building, and highly targeted introductions to the investment community. Since KCSA's inception nearly fifty years ago, the firm has developed a strong reputation for its work representing public companies.

“BIG is well positioned to capitalize on the rapid adoption of cryptocurrency technology across the global markets,” said BIG CEO, Lance Morginn. *“As digital currencies become more widely used, the potential for illicit activity has grown exponentially. More than ever, law enforcement and government agencies as well as companies in the financial and e-commerce sectors, need to analyze and monitor cryptocurrency transactions. Our mission at BIG is to offer technology and services that provide this transparency. As such, we are excited to begin working with KCSA on our strategic communications and marketing.”*

Todd Fromer, Managing Partner of KCSA Strategic Communications, commented, *“BIG has developed a full suite of search and analytical tools to support the security and compliance needed for this growing market. With our extensive history of providing expert strategic communications counsel based on best practices, we believe KCSA is the right firm to help BIG communicate this compelling story to the investment community.”*

About BIG Blockchain Intelligence Group Inc.:

BIG Blockchain Intelligence Group Inc. (“BIG”) has developed from the ground up a cryptocurrency agnostic search and analytics engine allowing RegTech, Law Enforcement & Government Agencies to trace, track and monitor cryptocurrency transactions at a forensic level. Our commercial product, BitRank Verified®, offers a “risk score” for bitcoin wallets allowing banks, exchanges and eCommerce sites to meet traditional regulatory/compliance requirements.

About KCSA Strategic Communications:

KCSA is a fully integrated communications agency specializing in public relations, investor relations and social media. Since 1969, the firm has demonstrated strategic thinking and program execution that drives results for its clients in the ever-changing communications and digital landscape. The firm's clients are its best references. For more information, please visit www.kcsa.com.

Forward-Looking Statements:

Certain information set forth in this news release may contain forward-looking statements that involve substantial known and unknown risks and uncertainties. By their nature, forward-looking statements involve numerous assumptions, known and unknown risks and uncertainties, both general and specific that contribute to the possibility that the predictions, estimates, forecasts, projections and other forward-looking statements will not occur. Many of these risks and uncertainties are beyond the control of the Company, including but not limited to, the future business operations of BIG. Important factors that could cause actual results to differ materially from BIG's expectations include, consumer sentiment towards BIG's products and Blockchain technology generally, technology failures, competition, and failure of counterparties to perform their contractual obligations. Readers are cautioned that the assumptions used in the preparation of such information, although considered reasonable at the time of preparation, may prove to be imprecise and, as such, undue reliance should not be placed on forward-looking statements. Forward-looking statements contained in this news release are expressly qualified by this cautionary statement. The forward-looking statements contained in the news release are made as of the date of this news release, and the Company does not undertake any obligations to update publicly or to revise any of the included forward-looking statements, whether as a result of new information, future events or otherwise, except as expressly required by applicable securities law.

The CSE does not accept responsibility for the adequacy or accuracy of this release.
