Dear Shareholder,

INTRODUCTION

The purpose of this circular is to give you details of the Company's Annual General Meeting (“AGM”) which is to be held on Wednesday, 20 April 2016 and the resolutions to be proposed at it. I am pleased to enclose a copy of the Company's Annual Report & Accounts for the year ended 31 December 2015 (the “Annual Report”).

As we reported when we published our annual financial report on 8 March 2016, it is your Directors' intention to propose a distribution by way of a Tender Offer in lieu of a final dividend for the year ended 31 December 2015. Documentation containing full details of the Tender Offer (completion of which is subject to the passing of Resolution 19) is enclosed along with this notice.

In accordance with the Investment Association Guidelines, if the Tender Offer proceeds and, as a result, the Company's issued share capital is reduced, the Directors undertake not to exceed the appropriate limits in relation to the resulting issued share capital referred to in Resolutions 17 and 18.

ELECTRONIC COMMUNICATIONS WITH SHAREHOLDERS

You may be aware that the Companies Act 2006 (the “Act”) aims to encourage use of electronic communications with shareholders and enables companies, if their shareholders agree to it, to supply documents to their shareholders by email or by use of website access instead of posting documents to them. As we currently have under 1,000 shareholders, the Company intends to continue to post documents to all the names on the share register. However, if you would also like to receive documents by email, you may request this service by writing to CLS (marked for the attention of the Company Secretary) or by emailing enquiries@cls Holdings.com.

ANNUAL GENERAL MEETING – EXPLANATORY NOTES

The AGM is to be held at 86 Bondway, London, SW8 1SF on Wednesday, 20 April 2016 at 10.00 a.m. You will find on pages 6 and 7 of this document the Notice convening the AGM. A form of proxy for use in connection with the AGM is enclosed with this document.

Resolutions 1 to 17 are ordinary resolutions; Resolutions 18 to 21 are special resolutions. I set out below further information on certain of the resolutions proposed.

Resolutions 3 to 14 (Election and Re-election of Directors)

The Board notes that the UK Corporate Governance Code (the "Code"), which applies to the Company, requires that all directors of FTSE 350 companies be subject to annual election by shareholders. Accordingly, resolutions 3 to 14 propose the election and re-election of each of the Directors.

I can confirm to shareholders that, following a formal performance evaluation, the performance of each of the Directors continues to be effective and demonstrates commitment to their roles.

Biographies of all the Directors proposed to be elected and re-elected are set out on pages 38 and 39 of the Annual Report.

Dual Voting System

The Company is required to comply with the provisions of the UK Listing Rules of the Financial Conduct Authority (the "Listing Rules") relating to controlling shareholders and the election or re-election of independent directors. Listing Rule 9.2.2E requires that the election or re-election of an independent director by the shareholders be approved by an ordinary resolution of the shareholders as a whole and separately approved by the non-controlling shareholders. For the purposes of the Listing Rules, certain companies directly held and beneficially owned by Sten Mortstedt control more than 30% of the voting rights of the Company. This means that any resolutions for the election or re-election of any independent directors must be approved by a majority vote of both:

- i) the shareholders of the Company; and
- ii) the independent shareholders of the Company (that is, the shareholders of the Company entitled to vote on the election of directors who are not controlling shareholders of the Company).

Therefore, resolutions 8, 10, 11 and 14 are being proposed as ordinary resolutions which all shareholders can vote on, but in addition the Company will separately count the number of votes cast by independent shareholders in favour of the resolution (as a proportion of the total votes cast by independent shareholders cast on the resolution) to determine whether the second threshold referred to in ii) above has been met. The Company will announce the results of those resolutions on this basis as well as announcing the results of the ordinary resolutions of all shareholders.

If a resolution to re-elect or elect an independent director is not approved by a majority vote of both the shareholders as a whole and the independent shareholders, the Company may propose a further resolution to re-elect or elect that director at a meeting to be held between 90 and 120 days from the date of the original vote. Therefore, if either resolution 8, 10, 11 or 14 is not approved by a majority of the independent shareholders at the AGM, the relevant director will be treated as having been elected/re-elected only from the period of the date of the AGM to the earlier of:

- i) the close of any general meeting of the Company, convened for a date more than 90 days after the AGM, but within 120 days of the AGM, to propose a further resolution to elect/re-elect the relevant director;
- ii) the date which is 120 days after the AGM; and
- iii) the date of any announcement by the Board that it does not intend to hold a second vote.

In the event that the director's election/re-election is approved by a majority vote of all shareholders at a second meeting, the director will then be re-elected until the next AGM.

The Company is also required to provide certain information in relation to the proposed re-election of independent directors, being Malcolm Cooper, Elizabeth Edwards, Christopher Jarvis and Lennart Sten. This includes details of any existing or previous relationship, transaction or arrangement the independent director has with the Company, its directors, any controlling shareholder or an associate of a controlling shareholder, together with a description of why the Company considers the independent directors will be effective, how it has determined their independence and the process followed for their selection. The Company:

- i) is satisfied, having received confirmation from each of the independent directors who are seeking re-election, that those independent directors do not, and have not previously had, any relationship, transaction or arrangement with the Company, its directors, any controlling shareholder or any associate of a controlling shareholder;
- ii) believes that these appointments have strengthened its knowledge base, broadened its experience and they each continue to add value to Board discussions. Each independent director's biography is set out on pages 38 and 39 of the 2015 Annual Report, which outlines their relevant experience;
- iii) following a rigorous review of the relationships or circumstances which are likely to affect, or could appear to affect, the directors judgement, determined that each of the proposed directors are independent for the purpose of the Code; and
- iv) reviewed a list of suitable candidates identified through external contacts, which was followed up by an interview process that included meetings with the senior independent director and other independent directors.

Resolution 17 (Renewal of the Board's authority to allot shares)

It is proposed to authorise the Board to allot shares or grant such subscription rights as are contemplated by sections 551(1) (a) and (b) respectively of the Act up to a maximum aggregate nominal value of £3,512,131, representing one-third of the issued share capital of the Company excluding treasury shares (as set out in the paragraph entitled "Further information" below). This is the maximum permitted amount under best practice corporate governance guidelines. This will replace the equivalent resolution passed at the last annual general meeting and will expire at the conclusion of the next annual general meeting or on 20 July 2017, whichever is the earlier. Your Directors have no present intention of exercising this authority.

Resolution 18 (Disapplication of pre-emption rights)

It is proposed to empower the Board to allot equity securities for cash without first offering them to existing shareholders in proportion to their holdings, subject to certain limits which comply with best practice corporate governance guidelines. This Resolution will enable the Board, in appropriate circumstances, to allot for cash (other than in connection with a rights issue or open offer) equity securities with an aggregate nominal value of up to £526,819, being up to 2,107,276 ordinary shares of 25 pence each in the Company ("Ordinary Shares") and representing approximately five per cent. of the issued equity share capital of the Company (excluding treasury shares). The allotment of equity securities as referred to in this resolution includes the sale of any shares which the Company holds in treasury. The Resolution also disapplies the statutory pre-emption provisions in connection with a rights issue or open offer and allows the Directors, in the case of a rights issue or open offer, to make appropriate arrangements in relation to fractional entitlements or other legal or practical problems. This will replace the equivalent resolution passed at the last annual general meeting and will expire at the conclusion of the next annual general meeting or on 20 July 2017, whichever is the earlier. It is intended that in any three year period no more than seven and a half per cent. of the issued share capital (excluding treasury shares) will be issued on a non-pre-emptive basis.

This Resolution is proposed so as to give your Board flexibility to take advantage of business opportunities as they arise.

Resolution 19 (Specific authority to make market purchases of Ordinary Shares pursuant to tender offer buy backs)

The Company wishes to continue to return money to shareholders by way of tender offer buy backs and, in accordance with past practice, to do so twice a year. If passed, Resolution 19 will enable tender offers to take place without the need for a General Meeting to be convened to approve tender offer buybacks. Following any announcement of a tender offer buy back, documentation will be posted to shareholders in the usual manner and made available on the Company's website.

Shares purchased further to this authority will be cancelled, unless the Company decides otherwise, in which case they may be held as treasury shares, subject to any applicable limits.

The minimum price which may be paid for any Ordinary Shares pursuant to this authority will be 25 pence (being an amount equal to the nominal value of an Ordinary Share). The maximum price which shall be paid for an Ordinary Share pursuant to this authority shall be an amount equal to not more than 35 per cent. above the average of the closing middle market quotations for the Ordinary Shares as derived from the London Stock Exchange Daily Official List ("SEDOL") for the five dealing days immediately preceding the day on which the Directors set the price or, if the Directors determine to adjust (either upwards or downwards) the price to be paid per share following an announcement of a tender offer, an amount equal to not more than 35 per cent. above the average of the closing middle market quotations for the Ordinary Shares as derived from SEDOL for the five dealing days immediately preceding the day on which the Directors set the adjusted price.

The maximum aggregate number of Ordinary Shares hereby authorised to be purchased is 4,214,558 (representing 10% of the Ordinary Shares in issue as at 17 March 2016). Any purchase of Ordinary Shares pursuant to this Resolution shall be deducted from the total number of Ordinary Shares that may be purchased pursuant to the general authority in Resolution 20.

Resolution 20 (Renewal of general authority to make market purchases of Ordinary Shares)

It is proposed to renew the authority to make market purchases of Ordinary Shares, such authority being limited to the purchase of 10 per cent. of the Ordinary Shares in issue as at 17 March 2016. Shares purchased further to this authority will be cancelled, unless the Company decides otherwise, in which case they may be held as treasury shares, subject to any applicable limits.

The minimum price which may be paid for any Ordinary Shares pursuant to this authority will be 25 pence (being an amount equal to the nominal value of an Ordinary Share). The maximum price which may be paid for any Ordinary Share is the higher of an amount equal to 5 per cent. above the average of the closing middle-market quotations for the Ordinary Shares as derived from SEDOL for the five dealing days immediately preceding the day on which the purchase is made, and an amount equal to a price no higher than the higher of the price of the last independent trade and the highest current independent bid on the London Stock Exchange Trading System SETS, in each case exclusive of expenses.

The maximum aggregate number of Ordinary Shares hereby authorised to be purchased is 4,214,558 Ordinary Shares (representing 10% of the Ordinary Shares in issue as at 17 March 2016). Any purchase of Ordinary Shares pursuant to this Resolution shall be deducted from the total number of Ordinary Shares that may be purchased pursuant to the tender offer authority in Resolution 19.

The authority to purchase the Company's own shares will only be exercised if the Directors consider that there is likely to be a beneficial impact on earnings per Ordinary Share and that it is in the best interests of the Company at the time.

During the year to 31 December 2015 the Company did not make any market purchases of its own shares pursuant to its general authority to make market purchases and there have been no purchases since 2011.

Resolution 21 (Ability to hold general meetings on 14 clear days' notice)

It is proposed to seek authority from shareholders to hold general meetings (other than Annual General Meetings) on 14 clear days' notice. This is permissible under the existing Articles of Association of the Company and the Act. However, pursuant to the EU Shareholders' Rights Directive and in accordance with published guidance from the Department of Business, Enterprise and Regulatory Reform, specific shareholder approval is required annually in order to retain this option. The Directors believe that there may be circumstances in which it will be important for the Company to be able to call meetings at such short notice. Accordingly, the Directors believe that it is important for the Company to retain this flexibility.

The Company will only use the shorter notice period where it is merited by the purpose of the meeting and it would clearly be to the advantage of shareholders as a whole.

VOTING

You will find enclosed with this document a Form of Proxy for use in respect of the AGM. Whether or not you intend to be present at the AGM, you are requested to complete and sign the Form of Proxy and return it, in accordance with the instructions printed on it to Computershare Investor Services PLC, The Pavilions, Bridgwater Road, Bristol BS99 6AH (the "Registrar") as soon as possible and, in any event, to arrive by no later than 10.00 a.m. on Monday, 18 April 2016.

As an alternative to completing the Form of Proxy, you can appoint proxies electronically via www.cls Holdings.com/evoting to be received by the Registrar by no later than 10.00 a.m. on Monday, 18 April 2016. CREST members can also appoint proxies by using the CREST electronic proxy appointment service and transmitting a CREST Proxy Instruction in accordance with the procedures set out in the CREST Manual so that it is received by the issuer's agent (under ID 3RA50) by no later than 10.00 a.m. on Monday, 18 April 2016. The time of receipt will be taken to be the time from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST.

Appointment of a proxy will not prevent you from attending the Meeting and voting in person should you wish to do so.

FURTHER INFORMATION

At 17 March 2016 (being the latest practicable date prior to the publication of this document), the issued share capital of the Company was 45,028,684 Ordinary Shares, of which 2,883,103 Ordinary Shares are held by the Company as treasury shares. At 17 March 2016, there were no share schemes in operation and no share options outstanding.

RECOMMENDATION

Your Directors consider that the proposals in this document are in the best interests of shareholders as a whole and unanimously recommend that shareholders vote in favour of the Resolutions proposed in the Notice as they intend to do in respect of their interest in, and/or own shareholdings of, 21,781,581 Ordinary Shares, representing approximately 51.68 per cent. of the Company's issued share capital (excluding treasury shares).

Yours faithfully

Henry Klotz
Executive Chairman

Notes:

1. A member entitled to attend and vote at the Meeting convened by the above Notice is entitled to appoint a proxy to exercise all or any of the rights of the member to attend and speak and vote on his behalf. A proxy need not be a member of the Company. A member may appoint more than one proxy in relation to the Meeting, provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that member. The right to appoint a proxy does not apply to any person to whom this notice is sent who is a person nominated under section 146 of the Companies Act 2006 to enjoy information rights (a "Nominated Person").
2. To appoint a proxy you may:
 - (a) use the Form of Proxy enclosed with this Notice of Annual General Meeting. To be valid, the Form of Proxy, together with the power of attorney or other authority (if any) under which it is signed or a notarially certified or office copy of the same, must be received by post or (during normal business hours only) by hand at Computershare Investor Services PLC, The Pavilions, Bridgwater Road, Bristol BS99 6AH in each case no later than 10.00 a.m. on Monday, 18 April 2016; or
 - (b) appoint proxies electronically via www.clsholdings.com/evoting. For an electronic proxy appointment to be valid, the appointment must be received by the Company's Registrars by no later than 10.00 a.m. on Monday, 18 April 2016. Any electronic communication sent by a member to the Company's Registrars which is found to contain a virus will not be accepted by the Company; or
 - (c) if you hold your shares in uncertificated form, use the CREST electronic proxy appointment service as described in Note 6 below.

Completion of the Form of Proxy or the appointment of a proxy electronically via www.clsholdings.com/evoting or through CREST will not prevent a member from attending and voting in person.

3. Any member attending the meeting has the right to ask questions. The company must cause to be answered any such question relating to the business being dealt with at the meeting but no such answer need be given if (a) to do so would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information, (b) the answer has already been given on a website in the form of an answer to a question, or (c) it is undesirable in the interests of the company or the good order of the meeting that the question be answered.
4. Pursuant to section 360B of the Companies Act 2006 (the "2006 Act") and Regulation 41 of the Uncertificated Securities Regulations 2001 (as amended), only shareholders registered in the register of members of the Company as at close of business on Monday, 18 April 2016 shall be entitled to attend and vote at the Annual General Meeting in respect of the number of shares registered in their name at such time. If the Meeting is adjourned, the time by which a person must be entered on the register of members of the Company in order to have the right to attend and vote at the adjourned Meeting is 5.00 p.m. on the date that is two days prior to the adjourned meeting. Changes to the register of members after the relevant times shall be disregarded in determining the rights of any person to attend and vote at the Meeting.
5. In the case of joint holders, the vote of the senior holder who tenders a vote whether in person or by proxy shall be accepted to the exclusion of the votes of the other joint holders and, for this purpose, seniority shall be determined by the order in which the names stand in the register of members of the Company in respect of the relevant joint holding.
6. CREST members who wish to appoint a proxy or proxies by utilising the CREST electronic proxy appointment service may do so for the Annual General Meeting and any adjournment(s) thereof by utilising the procedures described in the CREST Manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed (a) voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment made by means of CREST to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with Euroclear UK & Ireland's specifications and must contain the information required for such instructions, as described in the CREST Manual (www.euroclear.com). The message must be transmitted so as to be received by the issuer's agent (ID 3RA50), by 10.00 a.m. on Monday, 18 April 2016. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST.

CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear UK & Ireland does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed (a) voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001 (as amended). Please refer to the CREST Manual at www.euroclear.com.

7. A member of the Company which is a corporation may authorise a person or persons to act as its representative(s) at the Meeting. In accordance with the provisions of the Act each such representative may exercise (on behalf of the corporation) the same powers as the corporation could exercise if it were an individual member of the Company, provided that they do not do so in relation to the same shares.
8. The following documents are available for inspection at the registered office of the Company, CLS Holdings plc, 86 Bondway, London SW8 1SF, during usual business hours on any weekday (Saturdays, Sundays and public holidays excluded) from the date of this Notice until the conclusion of the Annual General Meeting and will be available for inspection at the place of the Annual General Meeting for at least 15 minutes prior to and during the Meeting:
