Dear Shareholder,

Introduction

The purpose of this circular is to give you details of the Company's Annual General Meeting ("AGM") which is to be held on Friday, 16 May 2025 at 10.00 a.m. and the resolutions to be proposed at it. I am pleased to confirm the publication of our Company's Annual Report and Accounts for the year ended 31 December 2024 (the "Annual Report"), which can be found on the Company's website at www.clsholdings.com, or have been enclosed if you have requested a copy.

As we reported when we announced our annual results on 1 April 2025 it is your Directors' intention to propose a distribution by way of a final dividend for the year ended 31 December 2024 of 2.68 pence per share. This is subject to the passing of Resolution 3.

In accordance with the Articles, the AGM will be a physical meeting. As in previous years, voting on the resolutions to be proposed at the AGM will be conducted on a poll, rather than a show of hands. Therefore, shareholders are encouraged to vote via proxy, where possible, online at www.clsholdings.com/evoting, appointing the Chairman of the meeting as their proxy to ensure their vote is counted.

As we appreciate some shareholders may prefer not to attend, or may be unable to attend, in person, questions to the Board may be submitted in advance of the AGM by emailing questions to cossec@clsholdings.com, or in writing addressed for the attention of the Company Secretary at our Registered Office. The deadline for submitting questions is 10.00 a.m. on Wednesday, 14 May 2025 and responses which are relevant to the business of the meeting will be uploaded to our website at www.clsholdings.com. We also encourage shareholders to view the recording of the presentation of our annual results, details of which are available on our website at www.clsholdings.com/investors.

The purpose of the Annual General Meeting is to seek shareholders' approval for the Resolutions set out below.

Electronic communications with shareholders

The Companies Act 2006 (the “Act”) enables us, if shareholders agree to it, to supply shareholder documents by email or by use of website access instead of posting documents to them. If you would like to receive shareholder communications in this way, please go to www.investorcentre.co.uk to sign-up. If you have previously elected to receive documents electronically but would now like to receive documents by post, you may request this service by writing to our Registrar, Computershare Investor Services PLC, The Pavilions, Bridgwater Road, Bristol BS99 6ZZ or by contacting them online at www.investorcentre.co.uk/contactus.

Annual General Meeting – explanatory notes

The AGM is to be held at our building The Coade, 98 Vauxhall Walk, London, SE11 5EL, on Friday, 16 May 2025 at 10.00 a.m. You will find on pages 8 to 12 of this document, the Notice convening the AGM. A form of proxy for use in connection with the AGM is enclosed with this document.

Resolutions 1 to 13 are ordinary resolutions. For these to be passed, more than half of the votes cast must be in favour of the relevant resolution. Resolutions 14 to 16 are special resolutions. For each of these to be passed, at least three quarters of the votes cast must be in favour of the resolution. I set out below further information on certain of the resolutions proposed.

Ordinary resolutions

Resolution 3 (Declaration of final dividend)

Pursuant to the Board’s recommendation, the authority sought from shareholders under this Resolution is to declare a final dividend of 2.68 pence per ordinary share for the financial year ended 31 December 2024, of which 1.50 pence per ordinary share is to be paid as a Property Income Distribution and 1.18 pence per ordinary share as a Non-Property Income Distribution. If approved, the final dividend will be paid on 23 May 2025 to those shareholders on the Company’s statutory register of members as at the close of business on 11 April 2025.

Resolutions 4 to 10 (Re-election of Directors)

The Board notes that the UK Corporate Governance Code (the “Code”), which applies to the Company, requires that all Directors be subject to annual re-election by shareholders. Accordingly, Resolutions 4 to 10 propose the re-election of each of the Directors.

I can confirm to shareholders that, following a formal performance evaluation, the performance of each of the Directors continues to be effective and demonstrates commitment to their roles.

Biographies of all the Directors proposed to be re-elected, which contain specific details of their skills and experience that highlight why their contribution is, and continues to be, important to the Company’s long-term sustainable success, are set out on page 7 of this Notice. Further details on Board composition can be found on pages 68 and 69 of the Annual Report.

Dual Voting System

The Company is required to comply with the provisions of the UK Listing Rules of the Financial Conduct Authority (the “UKLR”) relating to controlling shareholders and the election or re-election of independent directors. UKLR 6.2.8 R requires that the election or re-election of an independent director by the shareholders be approved by an ordinary resolution of the shareholders as a whole and separately approved by the non-controlling shareholders. For the purposes of the UKLR, certain companies directly held and beneficially owned by the Sten and Karin Mortstedt Family & Charity Trust (through Creative Value Investment Group Limited) control more than 30% of the voting rights of the Company.

This means that any resolutions for the election or re-election of any independent directors must be approved by a majority vote of both:

- (i) the shareholders of the Company; and
- (ii) the independent shareholders of the Company (that is, the shareholders of the Company entitled to vote on the election of directors who are not controlling shareholders of the Company).

Therefore, Resolutions 4, 8, 9 and 10 are being proposed as ordinary resolutions which all shareholders can vote on, but in addition the Company will separately count the number of votes cast by independent shareholders in favour of the resolutions (as a proportion of the total votes cast by independent shareholders cast on the resolutions) to determine whether the second threshold referred to in ii) above has been met. The Company will announce the results of those resolutions on this basis as well as announcing the results of the ordinary resolutions of all shareholders.

Letter from the Chairman of CLS Holdings plc continued

*CLS Holdings plc (the "Company")
(Incorporated and registered in England with registered number 2714781)*

If a resolution to elect or re-elect an independent director is not approved by a majority vote of both the shareholders as a whole and the independent shareholders, the Company may propose a further resolution to elect or re-elect that director at a meeting to be held between 90 and 120 days from the date of the original vote. Therefore, if any of Resolutions 4, 8, 9 and 10 are not approved by a majority of the independent shareholders at the AGM, the relevant director will be treated as having been re-elected only from the period of the date of the AGM to the earlier of:

- (i) the close of any general meeting of the Company, convened for a date more than 90 days after the AGM, but within 120 days of the AGM, to propose a further resolution to re-elect the relevant director;
- (ii) the date which is 120 days after the AGM; and
- (iii) the date of any announcement by the Board that it does not intend to hold a second vote.

In the event that the director's re-election is approved by a majority vote of all shareholders at a second meeting, the director will then be re-elected until the next AGM.

The Company is also required to provide certain information in relation to the proposed election or re-election of independent directors, being Lennart Sten, Elizabeth Edwards, Bill Holland and Eva Lindqvist. This includes details of any existing or previous relationship, transaction or arrangement the independent director has with the Company, its directors, any controlling shareholder or an associate of a controlling shareholder, together with a description of why the Company considers the independent directors will be effective, how it has determined their independence and the process followed for their selection. The Company:

- (i) is satisfied, having received confirmation from each of the independent directors who are seeking election or re-election, that those independent directors do not, and have not previously had, any relationship, transaction or arrangement with the Company, its directors, any controlling shareholder or any associate of a controlling shareholder other than by virtue of their term of office;
- (ii) believes that these appointments have strengthened its knowledge base, broadened its experience and they each continue to add value to Board discussions. Each independent director's biography is set out on page 7 of this Notice, which outlines their relevant experience;
- (iii) following a rigorous review of the relationships or circumstances which are likely to affect, or could appear to affect, the directors' judgement, determined that each of the proposed directors are independent for the purpose of the Code; and
- (iv) prior to the appointment of each of the independent directors, reviewed a list of suitable candidates identified through external contacts, which was followed up by an interview process that included meetings with the senior independent director and other independent directors.

As set out in the 2024 Annual Report, the Board undertook a review of the independence of both Lennart Sten and Elizabeth Edwards, who have both served for more than 9 years and concluded that in light of their other commitments and their continued contributions in Board meetings they remained independent.

Resolution 13 (Renewal of the Board's authority to allot shares)

It is proposed to authorise the Board to allot shares or grant such subscription rights as are contemplated by sections 551(1) (a) and (b) respectively of the Act up to a maximum aggregate nominal value of £3,317,589 representing approximately one-third of the issued share capital of the Company (excluding treasury shares) (as set out in the paragraph entitled "Further information" below). This is under the parameters permitted by best practice corporate governance guidelines. This will replace the equivalent resolution passed at the last annual general meeting and will expire at the conclusion of the next annual general meeting or at 6.00 p.m. on 16 August 2026, whichever is the earlier. Your Directors have no present intention of exercising this authority but the Board wishes to ensure that the Company has maximum flexibility in managing the financial resources of the Company.

Special resolutions

Resolution 14 (Disapplication of pre-emption rights)

The Board notes the Pre-Emption Group Statement of Principles dated November 2022, which included increased thresholds. At this time, the Board considers it appropriate to continue to only seek a general disapplication of pre-emption rights up to five percent. of the Company's issued share capital (excluding treasury shares). Such authorisation would only be utilised to expediently take advantage of opportunities as they arise both in the market and from within its own portfolio, which, in the opinion of the Board, are expected to drive growth and long-term shareholder returns.

It is therefore proposed to empower the Board to allot equity securities for cash without first offering them to existing shareholders in proportion to their holdings, subject to certain limits which comply with best practice corporate governance guidelines. The authority under Resolution 14 would be limited to: (i) allotments in connection with pre-emptive offers and offers to holders of other equity securities if required by the rights of those shares or as the Board considers necessary, allot shares without having to first offer them to existing shareholders; and (ii) allotments up to an aggregate nominal value of up to £497,638, being up to 19,905,520 ordinary shares of 2.5 pence each in the Company ("Ordinary Shares") and representing approximately five per cent of the Company's issued equity share capital (excluding treasury shares) as at 11 April 2025 (being the latest practicable date prior to the publication of this document). The allotment of equity securities as referred to in this Resolution includes the sale of any shares which the Company holds in treasury. This will replace the equivalent resolution passed at the last annual general meeting and will expire at the conclusion of the next annual general meeting or at 6.00 p.m. on 16 August 2026, whichever is the earlier. The Directors confirm that, in considering the exercise of the authority under Resolution 14, they intend to follow the shareholder protections set out in Part 2B of the Pre-Emption Group's Statement of Principles to the extent applicable and reasonably practicable.

Resolution 15 (Renewal of general authority to make market purchases of Ordinary Shares)

It is proposed to renew the authority to make market purchases of Ordinary Shares, such authority being limited to the purchase of 10 per cent of the Ordinary Shares in issue as at 11 April 2025 (being the latest practicable date prior to the publication of this document). Shares purchased further to this authority will be cancelled, unless the Company decides otherwise, in which case they may be held as treasury shares, subject to any applicable limits. No dividends are paid on shares while held in treasury and no voting rights attach to treasury shares.

The minimum price which may be paid for any Ordinary Shares pursuant to this authority will be 2.5 pence (being an amount equal to the nominal value of an Ordinary Share). The maximum price which may be paid for any Ordinary Share is the higher of an amount equal to 5 per cent above the average of the closing middle-market quotations for the Ordinary Shares as derived from SEDOL for the five dealing days immediately preceding the day on which the purchase is made, and an amount equal to a price no higher than the higher of the price of the last independent trade and the highest current independent bid on the London Stock Exchange Trading System SETS, in each case exclusive of expenses.

The maximum aggregate number of Ordinary Shares hereby authorised to be purchased is 39,811,074 Ordinary Shares (representing 10 per cent of the Ordinary Shares in issue as at 11 April 2025 (being the latest practicable date prior to the publication of this document)). This authority will expire at the conclusion of the Company's next annual general meeting, or, if earlier, at 6.00 p.m. on 16 August 2026, being 15 months from the date of the passing of this Resolution.

The authority to purchase the Company's own shares will only be exercised if the Directors consider that there is likely to be a beneficial impact on earnings per Ordinary Share and that it is in the best interests of the Company at the time. The Directors have no present intention of exercising this authority.

Resolution 16 (Ability to hold general meetings on 14 clear days' notice)

It is proposed to seek authority from shareholders to hold general meetings (other than Annual General Meetings) on 14 clear days' notice. This is permissible under the Articles of Association of the Company and the Act. Under the Act, specific shareholder approval is required annually in order to retain this option. The Directors believe that there may be circumstances in which it will be important for the Company to be able to call meetings at such short notice. Accordingly, the Directors believe that it is important for the Company to retain this flexibility.

The Company will only use the shorter notice period where it is merited by the purpose of the meeting, the proposals are time sensitive and it would clearly be to the advantage of shareholders as a whole.

Further information

At 11 April 2025 (being the latest practicable date prior to the publication of this document), the issued share capital of the Company was 438,777,780 Ordinary Shares, of which 40,667,038 Ordinary Shares are held by the Company as treasury shares. As at 11 April 2025, the total number of voting rights in the Company was, therefore, 398,110,742.

The Company operates a Long-Term Incentive Plan (the "LTIP"). As at 11 April 2025, there were options outstanding under the LTIP in respect of 9,407,429 shares. These represented 2.36 per cent of the Company's issued share capital (excluding treasury shares) on that date. Recommendation

Your Directors consider that the proposals in this document are in the best interests of shareholders as a whole and unanimously recommend that shareholders vote in favour of the Resolutions proposed in the Notice as they intend to do in respect of their interest in, and/or own shareholdings of, 1,441,439 Ordinary Shares, representing approximately 0.36 per cent of the Company's issued share capital (excluding treasury shares).

Yours faithfully

Notes:

1. All the resolutions put to the AGM will be voted on by a poll and not a 'show of hands' as this delivers a fairer representation of shareholder views and has become best practice at large company annual general meetings. The results of the poll will be announced to the market by the end of the day and published on the Company's website.
2. A member entitled to attend and vote at the AGM convened by the above Notice is entitled to appoint a proxy to exercise all or any of the rights of the member to attend and speak and vote on their behalf. A proxy need not be a member of the Company. A member may appoint more than one proxy in relation to the Meeting, provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that member. 4. Any member attending the AGM has the right to ask questions. The Company must cause to be answered any such question relating to the business being dealt with at the AGM but no such answer need be given if (a) to do so would interfere unduly with the preparation for the AGM or involve the disclosure of confidential information, (b) the answer has already been given on a website in the form of an answer to a question, or (c) it is undesirable in the interests of the Company or the good order of the AGM that the question be answered. To facilitate shareholder engagement, questions to the Board may be submitted in advance of the AGM by emailing questions to cosec@clsholdings.com, or in writing addressed for the attention of the Company Secretary at our Registered Office. The last day for submitting questions is 10.00 a.m. on Wednesday, 14 May 2025 and responses which are relevant to the business of the meeting will be uploaded to our website at www.clsholdings.com. 5. Pursuant to section 360B of the Act, and Regulation 41 of the Uncertificated Securities Regulations 2001 (as amended), only shareholders registered in the register of members of the Company as at close of business on Wednesday, 14 May 2025 shall be entitled to attend and vote at the AGM in respect of the number of shares registered in their name at such time. If the AGM is adjourned, the time by which a person must be entered on the register of members of the Company in order to have the right to attend and vote at the adjourned AGM is close of business on the date that is two days prior to the adjourned meeting. Changes to the register of members after the relevant times shall be disregarded in determining the rights of any person to attend and vote at the AGM.
6. In the case of joint holders, the vote of the senior holder who tenders a vote whether in person or by proxy shall be accepted to the exclusion of the votes of the other joint holders and, for this purpose, seniority shall be determined by the order in which the names stand in the register of members of the Company in respect of the relevant joint holding.

7. CREST members who wish to appoint a proxy or proxies by utilising the CREST electronic proxy appointment service may do so for the AGM and any adjournment(s) thereof by utilising the procedures described in the CREST Manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed (a) voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment made by means of CREST to be valid, the appropriate CREST message (a “CREST Proxy Instruction”) must be properly authenticated in accordance with Euroclear UK & International’s specifications and must contain the information required for such instructions, as described in the CREST Manual (www.euroclear.com). The message must be transmitted so as to be received by the issuer’s agent (ID 3RA50), by 10.00 a.m. on Wednesday, 14 May 2025.

For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer’s agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear UK & International does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed (a) voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001 (as amended). Please refer to the CREST Manual at www.euroclear.com/CREST.
