

News Release

FOR IMMEDIATE RELEASE: Aug 27, 2019

TRUSTBIX INC. Q3 FINANCIAL RESULTS

Edmonton, Alberta, Canada

TrustBIX Inc. (TSX.V: TBIX) is pleased to announce its financial results for the quarter ending June 30, 2019, the details of which have been filed and are available on the System for Electronic Document Analysis and Retrieval (SEDAR) at www.sedar.com. This period reflects the company's first quarter as a public entity subsequent to the amalgamation with RECO Northern Alberta Inc. on April 15, 2019. Further information on the transaction and the third quarter results are available in the filings on SEDAR.

Hubert Lau, CEO of TrustBIX, stated: "We are excited with the progress of TrustBIX Inc. to date as we start reporting as a new public company. Our financial results reflect our first quarter subsequent to the reverse takeover and amalgamation of RECO Alberta North Inc. with Viewtrak Technologies Inc. and its subsidiaries. During the quarter we continued to move forward with our incentive-based solutions and are pleased with the announcement that Harvey's Restaurants have partnered with the Canadian Roundtable for Sustainable Beef which utilizes our BIX platform. In addition, we are enthusiastic about the recent announcement by Innovation, Science and Economic Development Canada (ISED) that \$49.5 million was awarded to Alberta Innovates and its partners. As one of these partners, we believe that our participation provides further evidence of our creativity in providing incentive solutions."

Further information is available on the System for Electronic Document Analysis (SEDAR) at www.sedar.com.

About TrustBIX (TSXV: TBIX)

As an innovative leader, TrustBIX provides agri-food traceability solutions in Canada, United States, China and Mexico. By addressing consumer and agri-food business demands, the Company hopes to become the most trusted and largest source of third-party food traceability and sustainability information globally – Gate to Plate®. TrustBIX Inc.'s focus is to create a world where we trust more, waste less and reward sustainable behaviour. The Company's proprietary, leading-edge and secure distributed ledger platform, Business InfoXchange System (BIX), and its unique use of incentive solutions, is able to deliver independent validation of food provenance and sustainable production practices within the supply chain. ViewTrak Technologies Inc., a

wholly owned subsidiary, provides a suite of hardware and software solutions to the livestock industry in North America and China, such as Auction Master Pro, Market Master, Feedlot Solutions and pork grading probes.
