Re: Alamos Gold Inc. (the “Entity”)

We refer to the short form base shelf prospectus of the above Entity dated May 31, 2023 relating to the sale and issue of up to US\$500,000,000 of common shares, debt securities, warrants to purchase common shares or debt securities, or subscription receipts of the Entity.

We, KPMG LLP, consent to being named and to the use, through incorporation by reference in the above-mentioned short form base shelf prospectus, of our report dated February 22, 2023 to the shareholders and Board of Directors of the Entity on the following consolidated financial statements:

Consolidated statements of financial position as of December 31, 2022 and 2021,

the related notes

We report that we have read the short form base shelf prospectus and all information specifically incorporated by reference therein and have no reason to believe that there are any misrepresentations in the information contained therein that are derived from the consolidated financial statements upon which we have reported or that are within our knowledge as a result of our audit of such consolidated financial statements. We have complied with Canadian generally accepted standards for an auditor's consent to the use of a report of the auditor included in an offering document, which does not constitute an

audit or review of the prospectus as these terms are described in the *CPA Canada Handbook – Assurance*.

Yours very truly,
