Hydro One seeks approval to construct new East-West Tie transmission line

TORONTO, February 15, 2018 – Hydro One Limited and Hydro One Inc. announced today that Hydro One Inc.'s wholly-owned subsidiary, Hydro One Networks Inc. has filed a Section 92 application with the Ontario Energy Board (OEB) to design, build and operate the new East-West Tie transmission line. The company is calling its proposal the Lake Superior Link.

A copy of the filing may be obtained at [HydroOne.com/Regulatory](https://www.hydroone.com/regulatory).

About Hydro One Inc.

Hydro One Inc. is a fully owned subsidiary of Hydro One Limited, Ontario's largest electricity transmission and distribution provider with more than 1.3 million valued customers, \$25 billion in assets and 2017 annual revenues of nearly \$6 billion. Our team of over 7,400 skilled and dedicated regular and non-regular employees proudly and safely serves suburban, rural and remote communities across Ontario through our 30,000 circuit km of high-voltage transmission and 123,000 circuit km of primary distribution networks. Hydro One is committed to the communities we serve, and has been rated as the top utility in Canada for its corporate citizenship, sustainability, and diversity initiatives. We are one of only five utility companies in Canada to achieve the Sustainable Energy Company designation from the Canadian Electricity Association. We also provide advanced broadband telecommunications services on a wholesale basis utilizing our extensive fibre optic network. Hydro One Limited's common shares are listed on the Toronto Stock Exchange (TSX: H).

Forward-Looking Statements and Information

This press release and the application to which it refers may contain "forward-looking information" within the meaning of applicable securities laws. Words such as "expect," "anticipate," "intend," "attempt," "may," "plan," "will", "can", "believe," "seek," "estimate," and variations of such words and similar expressions are intended to identify such forward-looking information. These statements are not guarantees of future performance or actions and involve assumptions and risks and uncertainties that are difficult to predict. Therefore, actual outcomes and results may differ materially from what is expressed, implied or forecasted in such forward-looking information. Some of the factors that could cause actual results or outcomes to differ materially from the results expressed, implied or forecasted by such forward-looking information, including some of the assumptions used in making such statements, are discussed more

fully in Hydro One's filings with the securities regulatory authorities in Canada, which are available on SEDAR at www.sedar.com. Hydro One does not intend, and it disclaims any obligation, to update any forward-looking information, except as required by law.
