FORM 51-102F3
MATERIAL CHANGE REPORT

1. Name and Address of Company

Goldsky Resources Corp. ("**Goldsky**" or the "**Company**")
2991 Dundas St W,
Toronto, Ontario,
M6P 1Z4

2. Date of Material Change

April 9, 2026

3. News Release

A news release with respect to the material change referred to in this report was disseminated in Canada on April 9, 2026, through Cision, TSX Venture Disclosure package and a copy was subsequently filed under the Company's profile on SEDAR+.

4. Summary of Material Change

On April 9, 2026, the Company announced that disinterested shareholders of the Company have overwhelmingly approved the creation of Agnico Eagle Mines Limited as a Control Person (as such term is defined by the policies of the TSX Venture Exchange) of the Company at the Company's special meeting of shareholders held earlier today.

5.1 Full Description of Material Change

On April 9, 2026, the Company announced that disinterested shareholders of the Company have overwhelmingly approved the creation of Agnico Eagle Mines Limited ("Agnico Eagle") as a Control Person (as such term is defined by the policies of the TSX Venture Exchange) of the Company at the Company's special meeting of shareholders (the "Meeting") held earlier today. The approval of Agnico Eagle as a Control Person was done in connection with Goldsky Resources' proposed acquisition of Agnico Eagle Sweden AB's ("Agnico Sweden"), a wholly owned subsidiary of Agnico Eagle, 55% interest in the Barsele Gold Project ("Barsele") in Sweden (the "Transaction"), resulting in Goldsky Resources consolidating 100% ownership of Barsele.

A total of 73,839,934 common shares of the Company were voted at the Meeting, representing 40.23% of the issued and outstanding common shares, with 99.99% of those common shares voted in favour of the creation of Agnico Eagle as a Control Person of the Company.

See Goldsky Resources' press release dated January 28, 2026, and management information circular dated March 9, 2026, for further details on the Transaction. Closing of the Transaction remains on track to occur during Q2, 2026 and no later than June 30, 2026, and is subject to receipt of all necessary regulatory and other approvals (including that of the TSX Venture Exchange), and the satisfaction of other customary closing conditions.

Further to the Company's press release dated February 25, 2026, pursuant to which the Company announced Karilyn Farmer, a director of the Company, has been appointed SVP, Exploration and Resource Development, effective April 21, 2026 and will step down as a director of the Company on the same date, Ms. Farmer will no longer step down as a director and will serve as both SVP, Exploration and Resource Development and a director. The Company and Ms. Farmer believe it is in the best interest of the Company that she act in dual director and management positions.

5.2 Disclosure for Restructuring Transactions

Not applicable.

6. Reliance on subsection 7.1(2) of National Instrument 51-102

This report is not being filed on a confidential basis.
