FUTR Engages Generation IACP for Market Making and Begins Trading on the Frankfurt Stock Exchange

Toronto, Ontario--(Newsfile Corp. - June 2, 2025) - *The* FUTR Corporation (TSXV: FTRC) ("FUTR" or the "Company"), a consumer platform enabled by AI Agents and intelligent payment rails that is focused on putting money back in the consumers wallet through zero-party data monetization and agentic cash management is pleased to announce, in compliance with the policies and guidelines of the TSX Venture Exchange and other applicable legislation, it has engaged Generation IACP Inc. to provide market making services with the objective of maintaining a reasonable market and improving the liquidity of FUTR's common shares.

Under the agreement, Generation will receive a fee of C$7,500 plus applicable taxes per month. The agreement between the Company and Generation is for an initial term of six (6) months and shall be automatically renewed for subsequent six (6) month periods (collectively, the "Term") unless the Company provides written notice of termination to Generation at least 30 days prior to the end of the Term or Generation provides a written notice of termination to the Company. Commencing on the first anniversary of the agreement, the fee payable to Generation will automatically increase annually by 1.5%. No stock options or other compensation are being granted in connection with the engagement. Generation does not currently own any securities of the Company; however, Generation and its clients may acquire an interest in the securities of the Company in the future.

Generation is an arm's length party to the Company. Generation's market making activity will be primarily to correct temporary imbalances in the supply and demand of the Company's shares. Generation will be responsible for the costs it incurs in buying and selling the Company's shares, and no third party will be providing funds or securities for the market making activities.

The Company is also pleased to announce that its shares are now listed for trading on the Frankfurt Stock Exchange (**"FSE"**) under the symbol "QA20".

This listing will enhance FUTR's visibility and accessibility to European investors, particularly in Germany, one of the world's largest and most active investment markets. The FSE is the largest stock exchange in Germany, operated by parent company Deutsche Borse AG, with over twelve million active investors and one of the largest pools of institutional capital in Europe and handling over 90% of German equity trading. With this listing, the Company's shares will be cross listed on the TSX Venture and the FSE.

Michael Hilmer, CEO and Chairperson commented "We are pleased to acquire a European listing as we expand our trading exposure. Having a European listing gives us access to a new and broader market of technology and AI focused investors, and we look forward to sharing our growth plan with them."
